NONRESIDENT OWNERS OF A PASS-THROUGH ENTITY THAT IS TRANSACTING BUSINESS IN IDAHO

An estate, trust, partnership, or S corporation transacting business in Idaho is required to withhold income tax on an Idaho nonresident individual owner's distributable Idaho source income and Idaho source compensation paid to the nonresident owner or corporate director by the pass-through entity, unless the nonresident elects to have the pass-through entity pay their Idaho income tax on the pass-through entity's Idaho income tax return. The nonresident owner or corporate director makes the election on Form PTE-WX and provides this form to the pass-through entity. This election can't be made by a nonresident owner or director who has Idaho taxable income from a source other than another pass-through entity.

The pass-through entity will report the amount of Idaho income tax withholding to the owner on Idaho Form ID K-1. If the owner is claiming income tax withholding by a pass-through entity, the owner must include a copy of Idaho Form ID K-1 with the owner's individual income tax return.

AMENDED RETURNS

Use Form 40 or 43 to amend your return. Check the amended return box at the top of the form. Enter the applicable reason(s) for amending, as listed below. Complete the entire form and schedules using the corrected amounts.

AMERICAN INDIANS

If you are an enrolled member of a federally recognized tribe, and live and work on a reservation, all reservation sourced income received while living and working on the reservation is exempt from Idaho taxation. If you have no other income, you aren't required to file.

If you have other income in an amount that meets the federal filing requirement, you must file an Idaho return. For specific instructions, see Form 39R or Form 39NR.

ASSEMBLING THE IDAHO INDIVIDUAL RETURN

To ensure that your tax return is correctly processed, include all schedules and other forms in the following order:

1. Form 40 or 43
2. W-2s and/or 1099s placed on top of Form 40 or 43
3. Form 39R or 39NR
4. Form 75
5. Form 44
6. Additional schedules in alphabetical order
7. Additional forms in numerical order
8. Complete copy of federal return

Include legible copies of Form(s) W-2, 1099, and other information forms that show Idaho withholding with your return. A complete copy of your federal return must be included with Form 40 or Form 43. If you are claiming credit for taxes paid to another state, you must include Idaho Form 39R or 39NR and a copy of the other state's income tax return. If the credit applies to more than one state, use a separate Form 39R or 39NR for each state.

AUDITS

An audit is a review of a return to make sure it was prepared according to tax law. You will be contacted if your return is to be audited. The auditor will ask to see your records and compare them with your return. You may present your records yourself or have someone represent you or come with you. Any change to your return will be explained. Question anything you don't understand.

Federal Audit

If your federal taxable income or tax credits change because of a federal audit, you must send written notice including an amended return to the Tax Commission within 60 days of the final federal determination. You must include copies of all schedules supplied by the Internal Revenue Service.

If you owe additional Idaho tax and don't send written notice within 60 days of the final federal determination, a 5% negligence penalty will be imposed. Interest applies on any tax due.

If the final federal determination results in an Idaho refund, you must file an amended Idaho income tax return with the written notice. See Amended Returns above. If the statute of limitations is closed, you have one year from the date of the final federal determination to file for the refund.

BONUS DEPRECIATION

FOR PROPERTY ACQUIRED PRIOR TO 2008 OR AFTER 2009
If you claimed the bonus depreciation for federal purposes:

- Complete a separate federal Form 4562 or detailed computation for Idaho depreciation purposes as if the special depreciation allowance hadn't been claimed.
- Compute the Idaho adjusted basis and any gains or losses from the sale or exchange of the property using the Idaho depreciation amounts.
- Enter the differences between the Idaho and federal depreciation amounts and gains and losses from sales or exchanges of the property on the bonus depreciation line on Form 39R or 39NR.

FOR PROPERTY ACQUIRED AFTER 2007 AND BEFORE 2010
Idaho conforms to the federal bonus depreciation provisions. The amounts you use for federal will also be used for Idaho. No additional forms or computations are needed for Idaho.

COMMUNITY PROPERTY

Because Idaho is a community property state, each resident spouse has a one-half interest in the earnings of the other resident spouse during the portion of the year they were married. If married for only a part of the year, the community income includes ONLY the income earned during the time the couple were married. When filing separate returns, the community income, withholding and deductions of both resident spouses must be divided equally between husband and wife. If you have a written agreement between spouses regarding the separation of assets and income, it must be included with your tax return.

Idaho law affects your federal return in the same manner. For more details, see federal Publication 555, Federal Tax Information on Community Property. If you were a resident of Idaho for only a portion of the year, Idaho law applies to that portion of the year you were a resident. Income is identified as community or separate income based on the laws of the state in which the recipient is a resident. In the case of real property, the law of the state in which the property is located will apply.

Community property laws don't apply when the spouses have lived apart for the entire year, no part of the income earned by one spouse has been transferred to the other spouse, and the spouses don't file a joint income tax return.

Income, withholding and deductions received or paid after divorce are separate property and must be reported on the return of the person to whom it applies.

If you divorced during 2011 or are filing separately from your spouse, include a schedule showing how community property income and deductions were divided. See the Allocation Worksheet in federal Publication 555.

DECEDENT'S TAX RETURN

If a taxpayer dies before filing his return, the return must be filed by the taxpayer's spouse or personal representative. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If your spouse died in 2011 and you didn't remarry in 2011, you can file a joint return. You can also file a joint return if your spouse died in 2012 before filing a 2011 return. A joint return should show your spouse's 2011 income before death and your income for all of 2011. Write "FILING AS SURVIVING SPOUSE" on the line where the decedent would have signed the return. If someone else is the personal representative, he must also sign the return.

GENERAL INFORMATION

If a refund is due, include federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer. Form 1310 isn't required when a surviving spouse files a joint return with the decedent or a personal representative files for the decedent.

ESTIMATED TAX PAYMENTS

Idaho doesn't require estimated tax payments for personal income tax. If you want to make a voluntary estimated tax payment, file Form 51 with your payment.

EXTENSION OF TIME FOR FILING

If you can't file your Idaho state income taxes by April 17, 2012, you may be eligible to get an automatic six-month extension without filing a form.

To qualify, you need to pay either an estimated 80 percent of your current year's tax liability or 100 percent of what you paid for state income taxes the prior year. You can avoid a penalty for late filing, but will be charged interest on the remaining tax until it's paid. Complete the worksheet on Idaho Form 51, Estimated Payment of Idaho Income Tax, to see if you meet the extension requirements.

If you need to make a payment to avoid a penalty, you can mail Form 51 with your check or money order. Form 51 is available in the Idaho income tax booklet or on the website.

If you qualify for an extension to file your Idaho return, you must send the return and any payment by October 15, 2012.

FILING STATUS

Your Idaho filing status must be the same as the filing status used on your federal return. For example, if you file a joint federal return, you must also file a joint Idaho return.

FILING YOUR RETURN

When To File

You must file your return and pay any income tax due:

- On or before April 17, 2012, for the calendar year 2011, or
- On or before the 15th day of the fourth month following the close of the fiscal year, if you file on a fiscal year basis.

Where To File

Mail the return and payment to:

IDAHO STATE TAX COMMISSION
PO BOX 56
BOISE ID 83756-0056

If you are sending your return using a delivery service that requires a physical address, use the following:

IDAHO STATE TAX COMMISSION

BOISE ID 83712-7742

INCOME

An Idaho resident is taxed on all income, including income from outside the state. A nonresident of Idaho is taxed only on income from Idaho sources. An Idaho part-year resident is taxed on all income received while living in Idaho plus any income received from Idaho sources when not living in Idaho.

GROSS INCOME

Gross income means all income you received in the form of money, goods, property, and services that isn't exempt from tax. Gross income is measured before subtracting allowable deductions. Gross income includes, but isn't limited to:

- All income from wages, salaries, tips, interest and dividends that isn't exempt from tax
- Self-employment income before expenses
- Farm income before expenses

- Rental income before expenses
- Shareholders and partners include their share of the gross income from S corporations and partnerships
- Unemployment compensation
- Certain scholarship and fellowship grants
- Gains derived from sales of property
- Pensions and annuities

Scholarships used for tuition, fees, supplies, books, and equipment required for courses leading to a degree aren't included in gross income.

INTEREST

Interest applies on delinquent tax from the original due date of the return until the tax is paid at the rate of 4% per year (rate effective for 2012.)

MILITARY PERSONNEL

Idaho law generally follows federal law regarding which type of military pay (active duty, disability, reserve and retirement) is taxable.

The residency of a qualified servicemember is presumed to be that member's military home of record.

The earned income of qualifying spouses of Idaho servicemembers is not subject to Idaho income tax due to the federal Military Spouses Residency Relief Act (Public Law 111-97) passed in November 2009.

As a servicemember's spouse, you may qualify for this income tax exemption if:

- You are married to a servicemember who is serving in Idaho and has registered in the military with another state as a home of record; and
- You have located to Idaho with the servicemember and you have the same domicile (permanent residence) as the servicemember's home of record.

If you qualify for this exemption, see the instructions for residency status on page 12 of this booklet and report any Idaho withholding on Form 43, line 64.

NATIONAL GUARD MEMBERS CALLED TO ACTIVE DUTY IN A COMBAT ZONE

Idaho follows federal law and IRC to provide income tax relief for servicemembers on active duty in combat zones. Below is a summary of how these laws affect Idaho National Guard members.

- All tax filing deadlines are extended for at least 180 days after your last day in a combat zone.
- No interest or penalty will accrue for nonpayment of individual income taxes while you are in a combat zone.
- If you are an enlisted soldier or warrant officer, you don't owe tax on military pay received while in a combat zone. If you are a commissioned officer, the monthly exclusion is capped at the highest enlisted pay, plus any hostile fire or imminent danger pay received.
- This federal law doesn't cover business tax returns, employment taxes, or sales/use tax obligations.
- You must write "COMBAT ZONE" and the date of deployment **in red** on top of the tax return you are filing.

For information see our website at tax.idaho.gov, or call us toll free at (800) 972-7660 or 334-7660 in the Boise area.

Idaho resident on active duty stationed in Idaho

If Idaho was your military home of record and you were on active duty stationed in Idaho, all of your military wages and all nonmilitary income, regardless of the source, are subject to Idaho tax. File Form 40.

GENERAL INFORMATION

Idaho resident on active duty stationed outside of Idaho

- If you joined the armed forces while a resident of Idaho and Idaho is your military home of record; and
- You were on active duty for 120 or more consecutive days; and
- You were stationed outside of Idaho for all or part of the year,

you must report all of your income to Idaho. However, only military wages you receive while stationed in Idaho and all nonmilitary income, regardless of the source, is subject to Idaho tax. File Form 40 if you are single, or if you are married and your spouse is also a resident of Idaho.

File Form 43 if you are married and your spouse is a nonresident, part-year resident, or military nonresident of Idaho. Check the "Idaho Resident on Active Military Duty" residency status box for yourself. Check the applicable residency status box for your spouse.

Under the Servicemembers Civil Relief Act, a servicemember will neither lose nor acquire a residence or domicile with regards to his income tax as a result of being absent or present in a state due to his military orders. A qualified servicemember is not a resident of or domiciled in Idaho solely as a result of being stationed in Idaho.

A servicemember includes any member of the uniformed services such as:

- A member of the armed forces which includes a member of the Army, Navy, Air Force, Marine Corps, or Coast Guard on active duty. It would also include a member of the National Guard who has been called to active service by the President of the United States or the Secretary of Defense of the United States for a period of more than thirty (30) consecutive days, for purposes of responding to a national emergency declared by the President and supported by federal funds.
- A member of the commissioned corps of the National Oceanic and Atmospheric Administration in active service; and
- A member of the commissioned corps of the Public Health Service in active service.

The safe harbor exception to being a resident of Idaho explained in the "Special-case Idaho Residents" does not apply to a qualified servicemember.

Nonresident on active duty stationed in Idaho

If your military home of record isn't Idaho and you were on active duty stationed in Idaho for all or part of the year, Idaho doesn't tax your military income. Nonmilitary income from Idaho sources is subject to Idaho tax. File Form 43 if your gross income from Idaho sources exceeds \$2,500. The instructions for Form 43 begin on page 12.

NET OPERATING LOSS (NOL)

An NOL is the excess of business deductions (computed with certain modifications) over total gross income in a particular tax year. Use Form 56 to compute your loss and application of the loss, or a schedule showing the application of the loss.

The NOL generally must be carried back to the two preceding years. The carryback is limited to a maximum of \$100,000. Any remaining loss may be carried forward until used, but not longer than 20 years.

- You may elect to forego the two-year carryback provision and carry the loss forward up to 20 years.
- This election must be made before the due date, including extensions, of the loss year return and can't be revoked.
- To make the election, check the box on Form 40, line 11, or Form 43, line 27, or include a statement to the loss year tax return clearly indicating that you elect to forego the carryback. Include your name, address, Social Security Number, and the amount of loss. You can't make the Idaho election by attaching a copy of your federal election to forego the federal net operating loss carryback.

NONRESIDENT ALIENS

Taxpayers who are nonresident aliens for federal purposes and who are required to file an income tax return for Idaho must file using Form 43. Nonresident aliens for federal purposes are nonresidents for Idaho income tax purposes.

PAYMENTS

Make your check, cashier's check, or money order payable to the Idaho State Tax Commission. Be sure to write your Social Security Number on it and include it with your return.

To pay by credit card, debit card or e-check, visit our website at tax.idaho.gov; or call (800) 972-7660.

PENALTIES

Penalties may be imposed on the tax due as follows:

- 0.5% per month or fraction of a month to a maximum of 25% for failure to pay the tax due (if return is filed)
- 2% per month or fraction of a month for failure to meet the extension criteria (the return must be filed by the extended due date, and the taxes paid by the earlier of the date the return is filed or the extended due date)
- 5% per month or fraction of a month to a maximum of 25% for failure to file the return timely
- 5% for negligence or disregard of rules
- 10% for substantial understatement of tax
- 50% for filing a false or fraudulent return

The minimum penalty is \$10.

RECORDKEEPING

You are required by law to keep records that will enable you to prepare a complete and accurate income tax return. Although the law doesn't require any special form of records, you must retain all receipts, canceled checks, and other evidence to prove amounts claimed as deductions. Keep all supporting records for income or deductions until the statute of limitations for the return expires. Usually this is the later of three years from the due date or the date the return was filed. In property transactions, the basis of new or replacement property may be determined by the basis of the old property. Keep these records as long as they are needed to determine the basis of the original or replacement property.

REFUNDS WHEN NOT REQUIRED TO FILE

If you aren't required to file an Idaho return, no tax is due even if the calculation shows taxable income. If you are filing only to receive a refund of amounts withheld, you don't pay the \$10 permanent building fund tax. Write "NRF" (Not Required to File) on the lines for "Tax from tables or rate schedule" and "Permanent building fund tax."

REFUND SEIZURE

Under state law, the Tax Commission may retain state income tax refunds to satisfy other outstanding tax debts. The Department of Health and Welfare, the Department of Labor, and the Supreme Court may seize all or part of your income tax refund to offset debts you may owe these agencies. Also, refunds may be seized to satisfy bankruptcy claims, sheriffs' garnishments, or debts owed to the Internal Revenue Service. The Tax Commission may seize federal income tax refunds to offset Idaho income tax liabilities.

The agency or party seizing the refund is required to send you notice of the action. Questions regarding a refund seizure should be directed to the agency or party that initiated the claim for seizure.

ROUNDING

The amounts on your return must be rounded to the whole dollar. An amount less than 50 cents is reduced to the whole dollar. Amounts of 50 cents or more are increased to the next whole dollar.

GENERAL INFORMATION

RESIDENCY

Are you a resident, a nonresident, or a part-year resident?

The following will help you decide:

- You are an Idaho resident, even though you live outside Idaho, if the following are true:
 - You think of Idaho as your permanent home.
 - Idaho is the center of your financial, social, and family life.
 - Idaho is the place you intend to return to when you are away.
- You are also an Idaho resident if the following are true:
 - You maintained a home in Idaho the entire year.
 - You spent more than 270 days in Idaho during the tax year.
- You are a nonresident if your permanent home is outside of Idaho all year.
- You are a part-year resident if you moved into or out of Idaho during the tax year. You are still a resident if:
 - You temporarily moved outside of Idaho, **or**
 - You moved back to Idaho after a temporary absence.

SPECIAL-CASE IDAHO RESIDENTS

You are considered a nonresident if **all** of the following are true:

- You are an Idaho resident who lived outside of Idaho for at least 445 days in a 15-month period.
- After satisfying the 15-month period, you spent less than 60 days in Idaho during the year.
- You didn't have a personal residence in Idaho for yourself or your family during any part of 2011.
- You didn't claim Idaho as your federal tax home.
- You weren't employed on the staff of a U.S. senator or representative.
- You didn't hold an elective or appointive office of the U.S. Government other than the armed forces or a career appointment in the U.S. Foreign Service.

This exception to being a resident of Idaho doesn't apply to a qualified servicemember.

SIGNATURES

You must sign your return. Your spouse also must sign if you file a joint return. If your return is prepared by a paid preparer, he must enter his name, address, and identification number. If a taxpayer is deceased or can't sign his return, an authorized person may sign the return indicating his status or relationship. Write "FILING AS SURVIVING SPOUSE" or "unable to sign" in the signature space. If a taxpayer signs with an "X", his mark must be witnessed.

TAX PREPARER CONTACT BOX

This box applies only if you paid a tax preparer to complete your return. If you check the box, you are authorizing the Tax Commission to discuss your return with the paid preparer identified on the return.

You are also authorizing the paid preparer to:

- Give the Tax Commission any information that is missing from your return, and
- Call the Tax Commission for information about the processing of your return or the status of your refund or payments.

You are not authorizing the paid preparer to receive any refund check, bind you to anything including any additional tax liability, or otherwise represent you before the Tax Commission.

This authorization is valid for up to 180 days from the date the Tax Commission receives the return. If you want the Tax Commission to contact you rather than your preparer, leave the box blank.

TAX YEAR AND ACCOUNTING METHOD

The tax year and accounting method used on your Idaho return must match those used on your federal return.

FORM 40

Instructions are for lines not fully explained on the form.
General information instructions beginning on page 2 also apply to this form.

GROCERY CREDIT REFUND ONLY

If you're not required to file an income tax return, but are filing Form 40 to receive a grocery credit refund, you don't need to include a copy of a federal return.

You must complete Form 40 as follows:

- Complete the top of the form through line 6d, exemptions and dependents.
- Write "**NRF**" on line 7.
- **Skip** lines 8 through 11.
- Complete line 12a if you or your spouse are age 65 or older.
- **Skip** lines 12b through 30.
- Cross through the \$10 on line 31, Permanent Building Fund, and write "NRF."

- Complete applicable lines 43 through 56.
- **Skip** lines 57 through 60.
- Complete the bottom of Form 40 below line 60.

HEADING

Write your name, address, and Social Security Number (SSN) in the spaces provided. If you don't have a SSN, write in your Individual Tax Identification Number (ITIN).

Idaho won't process the return if the SSN space doesn't contain a valid SSN or ITIN. If you've applied for an ITIN and haven't

received it from the Internal Revenue Service before you file your Idaho return, enter "Form W-7" in the space provided for the SSN. If you enter "Form W-7", include a copy of your federal Form W-7 with your return. Once you receive your ITIN from the Internal Revenue Service, you must provide it to the Tax Commission before your return can finish processing.

If you receive an SSN after using an ITIN, you must use the SSN and stop using your ITIN. It's your responsibility to notify the Tax Commission so your return can finish processing.

Be sure that your return and W-2 form(s) show the correct SSN or ITIN. An error in your SSN or ITIN will delay your refund.

AMENDED RETURN

NEXT YEAR'S FORMS

If you need forms mailed to you next year, check the box below your Social Security Number.

LINES 1 THROUGH 5 FILING STATUS

Check the box indicating the same filing status shown on your federal return. Refer to federal instructions for further information on filing status.

LINE 6 EXEMPTIONS

Exemptions claimed on your Idaho return must match the exemptions claimed on your federal return.

Line 6a and 6b. Yourself and Spouse. CAUTION: If you can be claimed as a dependent on another person's tax return, such as a parent's return, leave the box "yourself" blank. Instead, check the box on line 12c.

If you can't be claimed as a dependent on another person's return, you may claim one exemption for yourself. Enter "1" in the box for "Yourself." If you are married filing a joint return, you can also claim an exemption for your spouse. Enter "1" in the box for "Spouse." If your spouse died during 2011 and you are filing a joint return, you may claim the exemption for your spouse.

Line 6c. Dependents. List dependents claimed on your federal return. If you have more than four dependents, continue on Form 39R, Part G. Enter the total number of dependents in the box.

Line 6d. Total Exemptions. Add lines 6a through 6c.

If you are filing an amended return, you must check the same boxes as checked on the original return.

LINE 7 FEDERAL ADJUSTED GROSS INCOME

Enter the adjusted gross income reported on your federal return: Form 1040, line 37; Form 1040A, line 21; or Form 1040EZ, line 4.

LINE 11 IDAHO ELECTION TO FOREGO NET OPERATING LOSS (NOL) CARRYBACK

Check the box on line 11 if you elect under Section 63-3022(c), Idaho Code, to forego the Idaho carryback period for an NOL. If you check this box, you don't need to include a separate statement electing to forego the Idaho carryback period.

TAX COMPUTATION

LINE 12a AGE 65 OR OLDER

If you are 65 or older, check the box for "Yourself." If you are filing a joint return and your spouse is 65 or older, check the box for "Spouse." Age is determined as of December 31. However, if your 65th birthday was on January 1, 2012, you may consider yourself 65 on December 31, 2011. The boxes you check must match your federal return.

LINE 12b BLIND

The box for "Yourself" must be checked if you are blind. If you are filing a joint return and your spouse is blind, check the box for "Spouse." Blindness is determined as of December 31. The boxes you check must match your federal return.

LINE 12c CLAIMED DEPENDENT

If your parents or someone else can claim you as a dependent on their tax return, check this box.

LINES 13-16 ITEMIZED OR STANDARD DEDUCTIONS

Most people can find their standard deduction by looking at the instructions to the left of Form 40, line 16. However, if

- you check any boxes on lines 12a through 12c;
- someone can claim you, or your spouse if filing jointly, as a dependent;

use the worksheet below to calculate your standard deduction to be entered on line 16 since you may use either your federal itemized deductions or standard deduction, whichever benefits you more. (For exceptions, see YOU MUST ITEMIZE.)

Your itemized deductions are the same as those used on your federal Form 1040. Idaho requires that all state or local income or general sales taxes shown on federal Schedule A be subtracted from your total itemized amount before you use this figure to reduce your income. Because of this addback, it may be more beneficial to itemize for federal purposes, but use the standard deduction for Idaho.

If you or your spouse are nonresident aliens for federal purposes and aren't from India, your standard deduction is zero. If you are nonresident aliens from India, use the standard deduction indicated for your filing status.

If an itemized deduction allowable for federal income tax purposes is reduced for the mortgage interest credit or the foreign tax credit, the amount that would have been allowed if the federal credit hadn't been claimed is allowed as an itemized deduction.

If line 15 is more than line 16, you should use your itemized deductions on line 15. If line 16 is more than line 15, you should use your standard deduction on line 16.

YOU MUST ITEMIZE if you are married, filing a separate return (filing status 3) and your spouse itemizes. You must itemize if you had dual status as a nonresident alien for part of 2011 and during the rest of the year you were a resident alien or a U.S. citizen.

However, you don't have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2011 and you and your spouse agree to be taxed on your combined worldwide income.

STANDARD DEDUCTION WORKSHEET

Use this worksheet if someone can claim you, or your spouse if filing jointly, as a dependent; you or your spouse were born before January 2, 1947; or were blind.

3. Is your earned income* more than \$650?

 - No. Enter \$950
4. Enter the smaller of line 1 or line 3. If born after January 1, 1947, and not blind, enter this amount on line 6. Otherwise, go to line 5

6. Add lines 4 and 5. Enter the total here and on Form 40, line 16

*Earned income includes wages, salaries, tips, professional fees, and other compensation received for personal services you performed. It also includes any amount received as a scholarship that you must include in your income. Generally, your earned income is the total of the amount(s) you reported on federal Form 1040, lines 7, 12, and 18, minus the amount, if any, on line 27.

CREDITS

LINE 22 INCOME TAX PAID TO OTHER STATES

When the same income is taxed by both Idaho and another state, you may be entitled to a credit for tax paid to the other state. Use Form 39R to compute the credit. You must include a copy of the other state's income tax return and Form 39R. If credit applies to more than one state, use a separate Form 39R for each state. See instructions, page 24.

You may be entitled to a credit for tax paid to another state by a pass-through entity. If a pass-through entity paid a tax to another state, it should report that information to you.

Examples of income that may be taxed by both Idaho and another state include:

- Wages earned in another state that has an income tax, such as Oregon or Utah, while living in Idaho.
- Income from a business or profession earned in another state that has an income tax, while a resident of Idaho.

LINE 23 TOTAL CREDITS FOR CHARITABLE CONTRIBUTIONS AND LIVE ORGAN DONATIONS

LINE 28 SALES/USE TAX DUE

If you made purchases during the year without paying sales tax, you must report use tax on such purchases. Examples include magazine subscriptions, out-of-state catalog purchases, merchandise purchased over the Internet, book and record clubs, purchases in a state where no sales tax is charged, etc. Multiply the total amount of such purchases by 6% (.06). If you computed use tax on Form 75, add it to the use tax on other purchases and enter the total on line 28.

If you have a sales or use tax account, don't report your sales or use tax on this line, but continue to report the tax on these purchases on your sales and use tax returns.

LINE 29 TOTAL TAX FROM RECAPTURE OF INCOME TAX CREDITS

DONATIONS

The donations on lines 33 through 40 are voluntary and will either reduce your refund or increase your tax due. Your choice to donate is irrevocable; you can't get a refund later. These donations may be itemized as charitable contribution deductions on your 2012 income tax return. If you have questions regarding your donation(s), you may contact the agencies listed.

If you are filing an amended return, your donations can't be less than the amounts on the original return.

LINE 33 NONGAME WILDLIFE CONSERVATION FUND

PAYMENTS AND OTHER CREDITS

HEADING

Write your name, address, and Social Security Number (SSN) in the spaces provided. If you don't have an SSN, write in your Individual Tax Identification Number (ITIN).

Idaho won't process the return if the SSN space doesn't contain a valid SSN or ITIN. If you've applied for an ITIN and haven't received it from the Internal Revenue Service before you file your Idaho return, enter "Form W-7" in the space provided for the SSN. If you enter "Form W-7", include a copy of your federal Form W-7 with your return. Once you receive your ITIN from the Internal Revenue Service, you must provide it to the Tax Commission before your return can finish processing.

If you receive an SSN after using an ITIN, you must use the SSN and stop using your ITIN. It's your responsibility to notify the Tax Commission so your return can finish processing.

Be sure that your return and W-2 form(s) show the correct SSN or ITIN. An error in your SSN or ITIN will delay your refund.

You may be entitled to an Idaho deduction if you claimed a deduction on federal Form 1040, lines 24, 35, or 36 relating to reservists, performing artists, fee-based government officials; domestic production activities; or as a write-in deduction for rental of personal property, reforestation amortization and expenses*, repayment of supplemental unemployment benefits, attorney fees and court costs, and jury duty pay. Divide the amount of income relating to that item included in Idaho total income by the income relating to the item included in federal adjusted gross income. This percentage is multiplied by the deduction claimed on your federal return to calculate the deduction allowed on your Idaho return. For example, divide Idaho jury pay, included in Idaho total income, by total jury pay included in federal adjusted gross income, to arrive at a percentage (can't exceed 100%). Multiply that percentage by the amount of the jury pay claimed as a deduction on your federal return. Repeat this step for each of the aforementioned deductions, total the result for each deduction, and enter the amount on line 25. Include a copy of your calculations with your return.

*If there is no income from the related timber operations for the year of the reforestation deduction, the deduction for reforestation shall be based on the percentage of property in Idaho to total property to which the reforestation amortization and expense relates.

TAX COMPUTATION

LINE 32a AGE 65 OR OLDER

If you are 65 or older, check the box for "Yourself". If you are filing a joint return and your spouse is 65 or older, check the box for "Spouse". Age is determined as of December 31. However, if your 65th birthday was on January 1, 2012, you may consider yourself 65 on December 31, 2011. The boxes you check must match your federal return.

LINE 32b BLIND

The box for "Yourself" must be checked if the taxpayer is blind. If you are filing a joint return and your spouse is blind, check the box for "Spouse." Blindness is determined as of December 31. The boxes you check must match your federal return.

LINE 32c CLAIMED DEPENDENT

If your parents or someone else can claim you as a dependent on their tax return, check this box.

LINES 33-36 ITEMIZED OR STANDARD DEDUCTIONS

Most people can find their standard deduction by looking at the instructions to the left of Form 43, line 36. However, if

- you check any boxes on lines 32a through 32c;
- someone can claim you, or your spouse if filing jointly, as a dependent;

use the worksheet below to calculate your standard deduction to be entered on line 36 since you may use either your federal itemized deductions or standard deduction, whichever benefits you more. For exceptions, see YOU MUST ITEMIZE.

If you or your spouse are nonresident aliens for federal purposes and aren't from India, your standard deduction is zero. If you are nonresident aliens from India, use the standard deduction indicated for your filing status.

Your itemized deductions are the same as those used on your federal Form 1040. Idaho requires that all state or local income or general sales taxes shown on federal Schedule A be subtracted from your total itemized amount before you use this figure to reduce your income. Because of this addback, it may be more beneficial to itemize for federal purposes, but use the standard deduction for Idaho.

If an itemized deduction allowable for federal income tax purposes is reduced for the mortgage interest credit or the foreign tax credit, the amount that would have been allowed if the federal credit hadn't been claimed is allowed as an itemized deduction.

If line 35 is more than line 36, you should use your itemized deductions on line 35. If line 36 is more than line 35, you should use your standard deduction on line 36.

FORM 43

YOU MUST ITEMIZE if you are married, filing a separate return (filing status 3) and your spouse itemizes. You must itemize if you were a nonresident alien for any part of 2011. However, you don't have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2011 and you and your spouse agree to be taxed on your combined worldwide income.

STANDARD DEDUCTION WORKSHEET

Use this worksheet if someone can claim you, or your spouse if filing jointly, as a dependent; you or your spouse were born before January 2, 1947; or were blind.

1. Enter the amount shown below for your filing status.
 - Single or married filing separately, enter \$5,800.
 - Married filing jointly or qualifying widow(er), enter \$11,600.

2. Can you be claimed as a dependent?
 - No. Enter the amount from line 1 on line 4. Skip line 3.

3. Is your earned income* more than \$650?
 - Yes. Add \$300 to your earned income. Enter the total.
 - No. Enter \$950
4. Enter the smaller of line 1 or line 3. If born after January 1, 1947, and not blind, enter this amount on line 6. Otherwise, go to line 5
5. If born before January 2, 1947, or blind, multiply the total number of boxes checked on Form 43, lines 32a and 32b, by \$1,150 (\$1,450 if single or head of household)
6. Add lines 4 and 5. Enter the total here and on Form 43, line 36

*Earned income includes wages, salaries, tips, professional fees, and other compensation received for personal services you performed. It also includes any amount received as a scholarship that you must include in your income. Generally, your earned income is the total of the amount(s) you reported on federal Form 1040, lines 7, 12, and 18, minus the amount, if any on line 27.

LINE 37 EXEMPTIONS

Multiply \$3,700 by the total number of exemptions entered on line 6d.

Your Idaho exemption amount should be the same as your federal exemption amount.

LINE 39 IDAHO PERCENTAGE

Divide the amount from line 31, Column B, by the amount from line 31, Column A. Round to four digits to the right of the decimal point. For example .66666 is rounded to .6667 and should be entered as 66.67%. The percentage can't exceed 100%, or be less than zero.

LINE 42 TAX

Enter the tax on this line. If line 41 is less than \$100,000, use the tax tables on page 36. If line 41 is \$100,000 or more, use the schedules on page 47. Penalty: If you file a return after the due date or fail to pay the required amount by the due date, a penalty may be due. To avoid paying any penalty, you must:

- Pay by the original due date at least 80% of the tax due on the return or 100% of the total tax reported last year, and
- File the return by the extended due date and pay the tax due by the earlier of the date the return is filed or the extended due date.

If you pay at least 80% of the tax due on the return or 100% of the total tax reported last year by the original due date, but fail to file the return by the extended due date or pay the remaining tax by the earlier of the date the return is filed or the extended due date, the following penalties will apply:

- If the return is filed on or before the extended due date, a 0.5% per month late payment penalty will be computed on tax due from the date the return is filed to the date of payment, or
- If the return is filed after the extended due date, a 5% per month late filing penalty will be computed on tax due from the extended due date to the earlier of the date the return is filed or the date the tax is paid, plus a 0.5% per month late payment penalty will be computed on tax due from the date the return is filed to the date the tax is paid if the tax is paid after the return is filed.

PART A. ADDITIONS

LINE 1 FEDERAL NET OPERATING LOSS (NOL) CARRYOVER

Generally the allowable federal NOL carryover isn't the same amount allowed on the Idaho return. Therefore, you must enter on line 1 any NOL carryover included on your federal return. The allowable Idaho NOL carryover will then be claimed as a subtraction on Part B, line 1.

LINE 2 CAPITAL LOSS CARRYOVER

Enter on line 2 any capital loss claimed on your federal return (Schedule D) incurred before you became a resident of Idaho, or capital losses from activities that weren't taxable by Idaho.

LINE 3 NON-IDAHO STATE AND LOCAL BOND INTEREST AND DIVIDENDS

Enter the amount of interest and dividends, net of related expenses, you received from municipal bonds of other state governments, including their counties or cities, or from obligations of any foreign country. This income isn't reported on your federal return.

This includes your distributive share of interest and dividends not taxable under the IRC from Form ID K-1, Part B, line 3. However, don't include the interest income from Idaho municipal securities reported on Form ID K-1, Part B, line 4, or the expenses relating to Idaho municipal securities reported on Form ID K-1, Part B, line 6.

LINE 4 IDAHO COLLEGE SAVINGS ACCOUNT WITHDRAWAL

If you make a nonqualified withdrawal from an Idaho college savings account, enter the amount withdrawn less any amounts reported on your federal Form 1040.

Withdrawals from Idaho College Savings Programs that are transferred to a qualified program operated by another state must be included on line 4. The amount added back is limited to your contributions deducted in the year of transfer and the prior tax year.

LINE 5 BONUS DEPRECIATION

If you claimed bonus depreciation for federal purposes for property acquired before 2008 or after 2009:

- Complete a separate federal Form 4562 or detailed computation for Idaho depreciation purposes as if the special depreciation allowance hadn't been claimed.
- Compute the Idaho adjusted basis and any gains or losses from the sale or exchange of the property using the Idaho depreciation amounts.

- If the federal depreciation (including gains and losses) is more than the Idaho depreciation (including Idaho gains and losses), include the difference on this line; otherwise, enter the difference on Part B, line 21.

Include on this line your distributive share of bonus depreciation from Form ID K-1, Part B, line 2.

Don't enter any amounts for property acquired after 2007 and before 2010.

LINE 6 OTHER ADDITIONS

RETIREMENT PLAN LUMP-SUM DISTRIBUTIONS

Enter the taxable amount of a lump-sum distribution from a retirement plan reported on federal Form 4972. The amount subject to Idaho tax includes the ordinary income portion and the amount eligible for the federal capital gain election.

PARTNER AND SHAREHOLDER ADDITIONS

Include on this line your other additions from Form ID K-1, Part B, line 10.

IDAHO MEDICAL SAVINGS ACCOUNT WITHDRAWALS

If you withdraw funds from an Idaho medical savings account and don't use the funds to pay eligible medical expenses, the withdrawal is subject to Idaho tax. Report this amount as an other addition. Eligible medical expenses include medical, vision and dental care, medical insurance premiums, and long-term care expenses.

If you make a withdrawal that is subject to tax and you are under age 59 1/2, the withdrawal is subject to penalty. The penalty is 10% of the amount withdrawn. Report the penalty on Form 40, line 51, and check the box for an ineligible withdrawal.

EDUCATOR EXPENSES

If you are claiming the deduction up to \$250 for educator out-of-pocket expenses allowed by the IRC, report this amount as an other addition.

PART B. SUBTRACTIONS

LINE 1 IDAHO NET OPERATING LOSS (NOL) CARRYOVER AND CARRYBACK

Enter the Idaho NOL carryover. Include Form 56 or a schedule showing the application of the loss.

If this is an amended return to claim an NOL carryback, enter the amount of the NOL carryback. Include Form 56 or a schedule showing the application of the loss.

Enter the total of the NOL carryover and carryback amounts.

FORM 39R

LINE 2 STATE INCOME TAX REFUND

LINE 3 INTEREST FROM U.S. GOVERNMENT OBLIGATIONS

Interest income you received from obligations of the U.S. Government isn't subject to the Idaho tax. Deduct any U.S. Government interest included in federal adjusted gross income, Form 40, line 7. Examples of obligations of the U.S. Government include:

- Banks for Cooperatives
- Federal Farm Credit Banks
- Federal Financing Bank
- Federal Homeowners Loan Bank
- Federal Intermediate Credit Bank
- Federal Land Bank
- Guam
- Puerto Rico
- Student Loan Marketing Association
- Tennessee Valley Authority Bonds
- Territory of Alaska
- Territory of Hawaii
- Territory of Samoa
- U.S. Series EE and HH Bonds
- U.S. Treasury Bills and Notes
- Virgin Islands

Interest income received from the Federal National Mortgage Association (FNMA) and the Government National Mortgage Association (GNMA) isn't paid by the U.S. Government and is subject to Idaho income tax.

If you have interest income from a mutual fund that invests in both nonexempt securities and exempt U.S. government securities, you may deduct the portion of the interest that is attributable to direct U.S. government obligations. This amount must be identified by the mutual fund to be deductible.

This includes your distributive share from Form ID K-1, Part B, line 5, net of the expenses related to the federal obligations from Form ID K-1, Part B, line 6.

LINE 4 INSULATION OF AN IDAHO RESIDENCE

To qualify for this deduction, your Idaho home must have existed, been under construction, or had a building permit issued on or before January 1, 1976. The insulation must be in addition to any existing insulation and can't be a replacement.

Insulation means any material commonly used in the building industry and installed to retard the passage of heat into or out of a building, such as fiberglass, rock wool, weather stripping, double-pane windows, storm doors and storm windows.

Insulated siding doesn't qualify unless the cost of the siding and the insulating material is separately stated, in which case the cost of the insulating material alone qualifies. The amount charged for labor to install the insulation is also deductible.

LINE 5 ALTERNATIVE ENERGY DEVICE DEDUCTION

If you install an alternative energy device in your Idaho residence, you may deduct a portion of the amount actually paid or accrued (billed but not paid).

In the year the device is placed in service, you can deduct 40% of the cost to construct, reconstruct, remodel, install or acquire the device, but not more than \$5,000.

In the next three years after installation, you can deduct 20% of these costs per year, but not more than \$5,000 in any year.

Qualifying devices include:

- a system using solar radiation, wind or geothermal resource primarily to provide heating or cooling, or produce electrical power, or any combination thereof
- a fluid-to-air heat pump operating on a fluid reservoir heated by solar radiation or geothermal resource but not an air-to-air heat pump unless it uses geothermal resources as part of the system
- a natural gas or propane heating unit that replaces a noncertified wood stove
- an Environmental Protection Agency (EPA) certified wood stove or pellet stove meeting the most current industry and state standards that replaces a noncertified wood stove

A noncertified wood stove is a wood stove that doesn't meet the most current EPA standards. The noncertified wood stove must be taken to a site authorized by the Division of Environmental Quality (DEQ) within 30 days from the date of purchase of the qualifying device.

The natural gas or propane heating unit, the EPA-certified wood stove, or pellet stove must be installed the same tax year that the nonqualifying wood stove is turned in to the DEQ.

LINES 5a - 5d

Complete the line(s) that apply to the year you acquired the device(s). For example, if your device was acquired in 2008, complete line 5d. Enter the type of device and total cost. Multiply the total cost by the appropriate percentage. Line 5e can't be more than \$5,000.

LINE 6 CHILD AND DEPENDENT CARE

If you were able to claim the federal Credit for Child and Dependent Care Expenses, you are allowed an Idaho deduction for the child care expenses you paid for the care of your dependents. The Idaho deduction is a different amount than the federal credit.

Complete this worksheet to determine your Idaho child or dependent care deduction. Refer to federal Form 2441 to determine amounts to enter on lines 1 through 6.

1. Enter the amount of qualified expenses you incurred and paid in 2011. Don't include amounts paid by your employer or excluded from taxable income _____
2. Enter \$3,000 for one child or dependent, \$6,000 for more than one child or dependent, cared for during the year _____
3. Enter excluded benefits from Part III of Form 2441 _____
4. Subtract line 3 from line 2. If zero or less, stop. You can't claim the deduction _____
5. Enter your earned income _____
6. If married filing a joint return, enter your spouse's earned income. All others enter the amount from line 5 _____
7. Enter the smallest of line 1, 4, 5, or 6 here and on Form 39R, Part B, line 6 _____

Include federal Form 2441, Child and Dependent Care Expenses, with your return.

LINE 7 SOCIAL SECURITY AND RAILROAD BENEFITS

Idaho doesn't tax Social Security benefits, benefits paid by the Railroad Retirement Board or Canadian Social Security benefits (OAS, QPP or CPP) that are taxable on your federal return.

Exempt payments from the Railroad Retirement Board include:

- Retirement, supplemental, and disability annuities.
- Unemployment and sickness benefits.

FORM 39R

Enter the taxable amount of Social Security benefits shown on your federal Form 1040, line 20b, or Form 1040A, line 14b. Don't enter the amount reported on Form 1040, line 20a, or Form 1040A, line 14a.

Enter the taxable amount of railroad benefits shown on your federal Form 1040, line 16b, or Form 1040A, line 12b. Don't enter the amount reported on Form 1040, line 16a, or Form 1040A, line 12a.

If subtracting benefits from the Railroad Retirement Board, include Form RRB-1099 or RRB-1099-R with your return.

Disability pension paid by the Federal Railroad Retirement Act may be included on Form 1040, line 7, as wages, if you are under the minimum retirement age.

LINE 8 RETIREMENT BENEFITS DEDUCTION FOR QUALIFIED RETIREMENT BENEFITS

If you are age 65 or older, or if you are disabled and age 62 or older, you may be able to deduct some of the retirement benefits and annuities you receive. You can't claim this deduction if you file married filing separate.

Only the following are **qualified retirement benefits**:

- **Civil Service Employees:** Retirement annuities paid by the United States of America Civil Service Retirement System (CSRS) to a retired civil service employee or the unmarried widow of the employee if the recipient is age 65 or older, or disabled and age 62 or older. To qualify for the deduction, the employee must have established eligibility before 1984. Retirement annuities paid to a retired federal employee under the Federal Employees Retirement System (FERS) don't qualify for the deduction. If you received a CSA-1099, you can tell if your benefits are paid under the CSRS or FERS by looking at the first digit of the account number shown on your CSA-1099. If the first digit of the account number is 7 or 8, the benefits are paid out of FERS and do not qualify. If the first digit is 0, 1, 2, 3, or 4, the benefits are paid out of CSRS.
- **Idaho Firemen:** Retirement benefits paid by the Public Employee Retirement System of Idaho (PERSI) relating to the Firemen's Retirement Fund to a retired fireman or the unmarried widow of a retired fireman if the recipient is age 65 or older, or disabled and age 62 or older. Benefits paid out of the PERSI Base Plan don't qualify for the deduction.
- **Policemen of an Idaho city:** Retirement benefits paid from the policemen's retirement fund of a city within Idaho to a retired policeman or the unmarried widow of a retired policeman if the recipient is age 65 or older, or disabled and age 62 or older. For example, benefits paid out of the city police retirement funds for the cities of Coeur d'Alene, Lewiston, and Pocatello may qualify for the deduction. Similarly, benefits paid by PERSI relating to the old Idaho Falls policeman's retirement fund may qualify for the deduction. Benefits paid out of the PERSI Base Plan don't qualify for the deduction.
- **Servicemen:** Retirement benefits paid by the United States to a retired member of the U.S. military or the unmarried widow of such member if the recipient is age 65 or older, or disabled and age 62 or older.

The amount deducted must be reduced by retirement benefits paid under the Federal Social Security Act and the Federal Railroad Retirement Act received by you and your spouse.

Disability pension paid by the Federal Railroad Retirement Act may not be included on your Form RRB-1099 or RRB-1099-R, if you are under the minimum retirement age. Instead it may be included on Form 1040, line 7, as wages.

The maximum amounts that may be deducted for 2011 are:

- Married filing jointly:
- age 65 or older \$41,814
 - age 62 or older and disabled \$41,814

Single:

- age 65 or older \$27,876
- age 62 or older and disabled \$27,876

Complete Part C and include with your return Form(s) 1099 for all qualified retirement benefits claimed.

LINE 9 TECHNOLOGICAL EQUIPMENT DONATION

Enter the fair market value of technological equipment donated to a public or nonprofit private elementary or secondary school, public or nonprofit private college or university, public library, or library district located in Idaho. Items that qualify for this deduction are limited to computers, computer software, and scientific equipment or apparatus manufactured within five years of the date of donation. The amount deducted can't reduce Idaho taxable income to less than zero. Any unused deduction can't be carried to another year.

Include on this line your distributive share from Form ID K-1, Part B, line 9. The amount entered may not exceed the amount of the pass-through income less deductions of the entity making the contribution.

LINE 10 IDAHO CAPITAL GAINS DEDUCTION

If you had capital gain net income from the sale of qualified Idaho property described below, you may be able to deduct 60% of the capital gain net income reported on federal Schedule D.

- (a) Real property held for at least 12 months, or
- (b) Tangible personal property used in a revenue-producing enterprise and held for at least 12 months. A revenue-producing enterprise means:
 - 1) Producing, assembling, fabricating, manufacturing or processing any agricultural, mineral or manufactured product;
 - 2) Storing, warehousing, distributing or selling at wholesale any products of agriculture, mining or manufacturing;
 - 3) Feeding livestock at a feedlot;
 - 4) Operating laboratories or other facilities for scientific, agricultural, animal husbandry or industrial research, development or testing.
- (c) Cattle and horses held for at least 24 months, and other livestock used for breeding held for at least 12 months, if the owner received more than one-half of his gross income from farming or ranching in Idaho, or
- (d) Timber held for at least 24 months.

NOTE: Gains from the sale of stocks, easements, leasehold real properties, and other intangibles don't qualify.

Complete Idaho Form CG to compute your capital gains deduction.

LINE 11 MILITARY PAY EARNED OUTSIDE OF IDAHO

If you are serving in the United States Army, Navy, Marine Corps, Air Force, or Coast Guard on active military duty that is continuous and uninterrupted for 120 days, your active duty military wages for service outside of Idaho aren't subject to Idaho tax. The continuous 120 days don't have to be in the same tax year. Enter your nontaxable military wages.

Do not include military wages earned while stationed in Idaho. Your wage and tax statement (W-2) doesn't show this amount separately and you may have to compute the amount of income earned outside of Idaho. You should see your unit of assignment or use your orders in making the computation. Include a copy of your worksheet.

National Guard or Reserve pay, including annual training pay, generally doesn't qualify as active duty pay unless you have been called into full-time duty for 120 days or more. If you are a commissioned officer of the Public Health Service or of the National Oceanic and Atmospheric Administration militarized by the President of the United States and attached to the armed forces, your active duty military wages earned outside Idaho qualify for this deduction. Enter these wages on line 11.

FORM 39R

LINE 12 ADOPTION EXPENSES

If you adopt a child, you may deduct the expenses incurred in the adoption. You may claim legal and medical expenses incurred up to a maximum of \$3,000 per adoption. Travel expenses don't qualify. If the expenses are incurred in two or more years, deduct the costs in the year paid until the \$3,000 limit has been met. The expenses related to an unsuccessful attempt to adopt aren't deductible. If expenses were claimed in a year prior to such a determination, file an amended return to add back any deduction claimed for the unsuccessful attempt.

LINE 13 IDAHO MEDICAL SAVINGS ACCOUNT CONTRIBUTIONS AND INTEREST

You may contribute up to \$2,000 (\$4,000 if married filing a joint return) to an Idaho medical savings account and deduct the contribution. Deductible contributions don't include reimbursements that were redeposited into your Idaho medical savings account. Don't include amounts deducted on federal Form 1040.

An Idaho medical savings account is generally established with a bank, savings and loan, or credit union. The account is established to pay eligible medical expenses of the account holder and the account holder's dependents.

Interest earned on the account is included on line 13, but only if included on Form 40, line 7. Add your qualifying contributions to the interest earned on the account. Enter the name of the financial institution and your account number in the spaces provided.

LINE 14 IDAHO COLLEGE SAVINGS PROGRAM

You may contribute up to \$4,000 (\$8,000 if married filing a joint return) per year to a qualified Idaho college savings program and deduct the contribution. The account must be established with Upromise Investments, Inc. The account owner and beneficiary will be designated at the time the account is established. The account owner will have the right to make withdrawals for payment of higher education expenses for the beneficiary. The person that withdraws the funds must report the withdrawal amounts as income in accordance with IRC Section 529.

Additional information can be obtained at idsaves.org or by calling (866) 433-2533.

LINE 15 MAINTAINING A HOME FOR AGED AND/OR DEVELOPMENTALLY DISABLED

You may deduct \$1,000 for each family member, not including yourself or your spouse, who is age 65 or older and for whom you maintain a household and provide more than one-half of his support for the year.

You may deduct \$1,000 for each family member, including yourself and your spouse, who is developmentally disabled and for whom you maintain a household and provide more than one-half of his support for the year.

No more than three deductions of \$1,000 are allowed. If you claim this deduction, you can't claim the \$100 credit in Part F.

Developmental disability means a chronic disability that:

1. Is attributable to an impairment such as:

- Intellectual disability
- Cerebral palsy
- Epilepsy
- Autism
- Other condition found to be closely related to, or similar to, one of these impairments; and

2. Results in substantial functional limitation in three or more of the following areas of life activity:

- Self-care
- Receptive and expressive language
- Learning
- Mobility
- Self-direction
- Capacity for independent living
- Economic self-sufficiency; and

3. Reflects the need for a combination and sequence of special, interdisciplinary or generic care, treatment or other services which are of lifelong or extended duration and individually planned and coordinated.

If the home was maintained for the family member for less than a full year, the deduction is allowed at the rate of \$83.33 for each month the home was maintained.

A family member is any person who meets the relationship test to be claimed as a dependent on income tax returns. Refer to the federal Form 1040 instructions for more information.

Maintaining a household means paying more than one-half the expenses incurred for the benefit of all the household's occupants. Social Security benefits aren't support provided by you but must be included in the computation of total support provided. Some examples of expenses of maintaining a household include: property taxes, mortgage interest, rent, utility charges, upkeep and repairs, property insurance and food consumed on the premises.

LINE 16 IDAHO LOTTERY WINNINGS

You may deduct Idaho lottery prizes of less than \$600 per prize included in federal adjusted gross income on Form 40, line 7. You can't deduct lottery prizes from other states.

LINE 17 INCOME EARNED ON A RESERVATION BY AN AMERICAN INDIAN

American Indians who are enrolled members of a federally recognized tribe, who live and work on a reservation can deduct all reservation sourced income received while living and working on the reservation, if the income is included on Form 40, line 7. Income earned off the reservation can't be deducted. Income earned on the reservation can't be deducted if you live off the reservation.

LINE 18 HEALTH INSURANCE PREMIUMS

Deduct premiums you paid for health insurance for yourself, your spouse, and your dependents if those premiums haven't already been deducted or excluded from your income.

If you claimed a deduction for health insurance premiums on your federal Form 1040, Schedule A, use the worksheet to calculate the deduction allowed for health insurance premiums. The worksheet follows the priority that itemized deductions first apply to health insurance premiums, then to long-term care insurance.

IDAHO MEDICAL SAVINGS ACCOUNT

If you take money out of your Idaho medical savings account to pay medical insurance premiums, no deduction is allowed. Since the health insurance costs are already deducted or accounted for, they can't be deducted a second time.

SALARY REDUCTION PLANS

Premiums paid through a cafeteria plan or other salary-reduction arrangement can't be included in the Idaho deduction for health insurance costs. For example, if your health insurance payments are deducted from your pay check pretax, they don't qualify for the deduction.

FORM 39R

BUSINESS DEDUCTIONS

Premiums deducted as a business expense can't be included in the Idaho deduction for health insurance costs since these amounts are already deducted.

SOCIAL SECURITY MEDICARE A AND B

No deduction is allowed for the amount paid for employer-required Social Security Medicare A. This is the amount listed as a deduction on almost every federal Form W-2.

If you voluntarily enroll in Medicare B or Medicare D, or aren't covered under Social Security and voluntarily enroll in Medicare A, the premiums you paid may be deducted.

IDAHO STANDARD DEDUCTION

If you don't itemize deductions for Idaho income tax purposes, but instead use the Idaho standard deduction, you don't have to reduce your health insurance costs by any amount claimed as a federal itemized deduction.

FEDERAL ITEMIZED DEDUCTION LIMITATIONS

For federal purposes, the amount of medical expenses allowed as a deduction on the federal Form 1040, Schedule A, is required to be reduced by 7.5% of adjusted gross income. The following worksheet shows how the limitation of the 7.5% of adjusted gross income required for federal purposes, affects the amount of health insurance costs deductible for Idaho purposes.

If you aren't itemizing deductions for Idaho, skip lines 1-6 and enter zeros on lines 8, 12, and 13.

insurance on your federal Form 1040, Schedule A, calculate the long-term care insurance allowed as a deduction by using the worksheet in the instructions for line 18.

Qualified long-term care insurance includes any insurance policy that provides coverage for at least twelve consecutive months for yourself, your spouse, or your dependents for one or more necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance or personal care services, provided in a setting other than an acute care unit of a hospital. Group and individual annuities and life insurance policies that provide directly or that supplement long-term care insurance qualify. - Compute the Idaho adjusted basis and any gains or losses from the sale or exchange of the property using the Idaho depreciation amounts.
- If the federal depreciation (including gains and losses) is less than the Idaho depreciation (including Idaho gains and losses), include the difference on this line; otherwise, enter the difference on Part A, line 5.

Include on this line your distributive share of bonus depreciation from Form ID K-1, Part B, line 7.

Don't enter any amounts for property acquired after 2007 and before 2010.

LINE 22 OTHER SUBTRACTIONS

Identify any other subtraction to which you are entitled and claim the amount on this line. Don't include income earned in another state as a subtraction.

Don't include foreign taxes as a subtraction, since they are claimed as part of the Idaho itemized deduction, if allowable. See the instructions for Itemized or Standard Deductions. Include on this line your distributive share of other subtractions from Form ID K-1, Part B, line 11.

On this line, include interest from Idaho Build America Bonds that was included in federal adjusted gross income, Form 40, line 7. Don't include on this line any interest from non-Idaho Build America Bonds.

Complete lines 1 through 6 and enter the amount from line 6 on Part B, line 8. See page 21 for qualified retirement benefits.

PART D. CREDIT FOR INCOME TAX PAID TO OTHER STATES

When the same income is taxed by both Idaho and another state, you may be entitled to a credit for tax paid to the other state. Use this section to compute the credit. You must include a copy of the other state's income tax return and Idaho Form 39R with your income tax return. If your S corporation or partnership paid income tax to another state, include a copy of Form ID K-1 or the schedule you received from the partnership or S corporation that paid the tax. If credit applies to more than one state, use a separate Form 39R for each state.

Examples of income that may be taxed by both Idaho and another state include:

- Wages earned in another state that has an income tax, such as Oregon or Utah, while living in Idaho.
- Income from a business or profession earned in another state that has an income tax, while a resident of Idaho.

LINE 1 Enter the tax shown on Form 40, line 20.

LINE 2 Enter the total portion of federal adjusted gross income derived in the other state, modified to reflect Idaho additions and subtractions. In computing the income derived in the other state, you must reverse any adjustments to federal taxable income allowed by the other state that aren't applicable to Idaho. If you reported your income derived in the other state by filing an:

- individual return, enter your adjusted gross income from the other state restated to a basis comparable to Idaho adjusted income. For example, if the other state taxes interest received from U.S. obligations, deduct this amount from the other state's adjusted gross income as Idaho doesn't tax this interest.
- S corporation or partnership composite or group return, enter your pro rata share of the S corporation or partnership income derived in the other state.

LINE 3 Enter your Idaho adjusted income from Form 40, line 11, if you reported the double-taxed income on an individual income tax return in the other state. However, if the double-taxed income was reported to the other state and taxed as part of an S corporation or partnership composite or group return, enter your federal adjusted income from Form 40, line 7.

LINE 4 Divide line 2 by line 3. Round to four digits to the right of the decimal point. For example .66666 is rounded to .6667 and should be entered as 66.67%. The percentage can't exceed 100%.

LINE 6 Enter the other state's tax due from its tax table or rate schedule less its income tax credits. If your income derived in the other state was reported on a composite or group return filed

by an S corporation or partnership, enter your pro rata share of the tax paid by the S corporation or partnership less your pro rata share of the income tax credits. Income tax credits are those credits that relate to income tax. An example of a credit that isn't an income tax credit is a special fuels or gasoline tax credit or refund.

LINE 7 Your allowable credit for tax paid to other states is the smaller of line 5 or line 6. Enter this amount on Form 40, line 22.

Any interest earned on the account is included on line 8, but only if included on Form 43, line 8. Add your qualifying contributions to the interest earned on the account, and enter the total on line 8.

LINE 9 IDAHO COLLEGE SAVINGS PROGRAM

You may contribute up to \$4,000 (\$8,000 if married filing a joint return) per year to a qualified Idaho college savings program and deduct the contribution. The account must be established with Upromise Investments, Inc. The account owner and beneficiary will be designated at the time the account is established. The account owner will have the right to make withdrawals for payment of higher education expenses for the beneficiary. The person that withdraws the funds must report the withdrawal amounts as income in accordance with IRC Section 529.

Additional information can be obtained at idsaves.org or by calling (866) 433-2533.

LINE 10 ADOPTION EXPENSES

Column A: If you adopt a child, you may deduct the expenses incurred in the adoption. You may claim legal and medical expenses incurred up to a maximum of \$3,000 per adoption. Travel expenses don't qualify. If the expenses are incurred in two or more years, deduct the costs in the year paid until the \$3,000 limit has been met. The expenses related to an unsuccessful attempt to adopt aren't deductible. If expenses were claimed in a year prior to the unsuccessful attempt to adopt, file an amended return to add back any deduction claimed for the unsuccessful attempt.

Column B: Enter the amount included in Column A in the proportion that total Idaho income bears to total income from all sources. Complete the following worksheet.

4. Total adoption expenses from line 10, Column A
5. Multiply line 4 by line 3. Enter this amount on line 10, Column B

LINE 11 MAINTAINING A HOME FOR AGED AND/OR DEVELOPMENTALLY DISABLED

Columns A and B: You may deduct \$1,000 for each family member, not including yourself or your spouse, who is age 65 or older and for whom you maintain a household and provide more than one-half of his support for the year.

You may deduct \$1,000 for each family member, including yourself and your spouse, who is developmentally disabled and for whom you maintain a household and provide more than one-half of his support for the year.

No more than three deductions of \$1,000 are allowed.

Developmental disability means a chronic disability which:

1. Is attributable to an impairment such as:
 - Intellectual disability
 - Cerebral palsy

 - Other condition found to be closely related to, or similar to, one of these impairments; and
2. Results in substantial functional limitation in three or more of the following areas of life activity:

3. Reflects the need for a combination and sequence of special, interdisciplinary or generic care, treatment or other services which are of lifelong or extended duration and individually planned and coordinated.

If the home was maintained for the family member for less than a full year, the deduction is allowed at the rate of \$83.33 for each month the home was maintained.

A family member is any person who meets the relationship test to be claimed as a dependent on income tax returns. Refer to the federal Form 1040 instructions for more information on dependents.

Maintaining a household means paying more than one-half the expenses incurred for the benefit of all the household's occupants. Social Security benefits aren't support provided by you but must be included in the computation of total support provided. Some examples of expenses of maintaining a household include: property taxes, mortgage interest, rent, utility charges, upkeep and repairs, property insurance and food consumed on the premises. The amounts entered in Columns A and B must be the same.

LINE 12 IDAHO LOTTERY WINNINGS

Columns A and B: Enter the amount of Idaho lottery prizes of less than \$600 per award included in other income on Form 43, line 19. The amounts entered in Columns A and B must be the same.

LINE 13 INCOME EARNED ON A RESERVATION BY AN AMERICAN INDIAN

Column B: American Indians who are enrolled members of a federally recognized tribe, who live and work on a reservation can deduct all reservation sourced income received while living and working on the reservation, if the income is included on the front of Form 43. Income earned off the reservation can't be deducted. Income earned on the reservation can't be deducted if you live off the reservation.

LINE 14 WORKER'S COMPENSATION INSURANCE

Columns A and B: A self-employed individual may deduct the actual cost of amounts paid for worker's compensation insurance coverage in Idaho, if the cost isn't deducted elsewhere.

Don't enter amounts paid for coverage in other states. The amounts entered in Columns A and B must be the same.

LINE 15 PARTNERS AND SHAREHOLDERS

Column A: Include the amount of other subtractions included on Form ID K-1, Part B, line 11.

Column B: Enter your Idaho apportioned share of the Idaho subtractions from Form ID K-1, Part B, line 11. Your apportioned share is usually the amount of the other subtraction included on Form ID K-1, Part B, line 11 multiplied by the percentage shown on Form ID K-1, Part A, line 1.

LINE 16 INSULATION OF IDAHO RESIDENCE

Columns A and B: You may be able to deduct the amount you paid to install additional insulation in your Idaho residence. To qualify for this deduction, your Idaho home must have existed, been under construction, or had a building permit issued on or before January 1, 1976. The insulation must be in addition to any existing insulation and can't be a replacement, e.g. replacing double pane windows with triple pane windows doesn't qualify.

FORM 39NR

Insulation means any material commonly used in the building industry and installed to retard the passage of heat into or out of a building, such as fiberglass, rock wool, weather stripping, double-pane windows, storm doors and storm windows.

Insulated siding doesn't qualify unless the cost of the siding and the insulating material is separately identified, in which case the cost of the insulating material alone qualifies.

The amount charged for labor to install the insulation is also deductible.

LINE 17 TECHNOLOGICAL EQUIPMENT DONATION

Columns A and B: Enter the fair market value of technological equipment donated to a public or nonprofit private elementary or secondary school, public or nonprofit private college or university, public library, or library district located in Idaho. Items that qualify for this deduction are limited to computers, computer software, and scientific equipment or apparatus manufactured within five years of the date of donation. The amount deducted can't reduce Idaho taxable income to less than zero. Any unused deduction can't be carried to another year.

Columns A and B: Include your distributive share from Form ID K-1, Part B, line 9. The deduction from a pass-through entity may not exceed the amount of pass-through income less deductions of the entity making the contribution.

LINE 18 HEALTH INSURANCE PREMIUMS

Column A: Deduct premiums you paid for health insurance for yourself, your spouse, and your dependents if those premiums haven't already been deducted or excluded from your income. If you claimed a deduction for health insurance premiums on your federal Form 1040, Schedule A, use the worksheet below, to calculate the deduction allowed for health insurance premiums. The worksheet follows the priority that itemized deductions first apply to health insurance premiums, then to long-term care insurance.

IDAHO MEDICAL SAVINGS ACCOUNT

If you take money out of your Idaho medical savings account to pay medical insurance premiums, no deduction is allowed. Since the health insurance costs are already deducted or accounted for, they can't be deducted a second time.

SALARY REDUCTION PLANS

Premiums paid through a cafeteria plan or other salary-reduction arrangement can't be included in the Idaho deduction for health insurance costs. For example, if your health insurance payments are deducted from your pay check pretax, then they don't qualify for the deduction.

BUSINESS DEDUCTIONS

Premiums deducted as a business expense can't be included in the Idaho deduction for health insurance costs since these amounts are already deducted.

SOCIAL SECURITY MEDICARE A AND B

No deduction is allowed for the amount paid for employer-required Social Security Medicare A. This is the amount listed as a deduction on almost every federal W-2.

If you voluntarily enroll in Medicare B or Medicare D, or aren't covered under Social Security and voluntarily enroll in Medicare A, the premiums you paid may be deducted.

IDAHO STANDARD DEDUCTION

If you don't itemize deductions for Idaho income tax purposes, but instead use the Idaho standard deduction, you don't have to reduce your health insurance costs by any amount claimed as a federal itemized deduction.

FEDERAL ITEMIZED DEDUCTION LIMITATIONS

For federal purposes, the amount of medical expenses allowed as a deduction on the federal Form 1040, Schedule A, is

required to be reduced by 7.5% of adjusted gross income. The following worksheet shows how the limitation of the 7.5% of adjusted gross income required for federal purposes, affects the amount of health insurance costs deductible for Idaho purposes.

If you aren't itemizing deductions for Idaho, skip lines 1-6 and enter zeros on lines 8, 12, and 13.

LINE 19 LONG-TERM CARE INSURANCE

Column A: You may deduct the amount you paid in premiums for qualified long-term care insurance that aren't otherwise deducted or accounted for.

Qualified long-term care insurance includes any insurance policy that provides coverage for at least 12 consecutive months for yourself, your spouse, or your dependents for one or more necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance or personal care services, provided in a setting other than an acute care unit of a hospital. Group and individual annuities and life insurance policies that provide directly or that supplement long-term care insurance qualify. This includes a policy that provides for payment of benefits based upon cognitive impairment or loss of functional capacity.

FORM 39NR

Qualified long-term care insurance doesn't include any insurance policy that is offered primarily to provide coverage for:

- Basic Medicare supplement,
- Basic hospital expense,
- Basic medical surgical expense,
- Hospital confinement indemnity,
- Major medical expense,
- Disability income or related asset-protection,
- Accident only,
- Specified disease or specified accident, or
- Limited benefit health.

Life insurance policies that accelerate death benefits generally don't qualify.

If you claimed a deduction for long-term care insurance on your federal Form 1040, Schedule A, as an itemized deduction, calculate the long-term care insurance allowed as a deduction by using the worksheet in the instructions for line 18.

Column B: Enter the amount from line 5 of this worksheet.

1.	Total Idaho income from Form 43, line 20		
2.	Total income from federal Form 1040, line 22, or Form 1040A, line 15		
3.	Divide line 1 by line 2. (Can't exceed 100%)		%
4.	Enter the amount from Form 39NR, line 19, Column A		
5.	Allowable Idaho deduction. Multiply line 4 by line 3		

LINE 20 ALTERNATIVE ENERGY DEVICE DEDUCTION

Columns A and B: If you install an alternative energy device in your Idaho residence, you may deduct a portion of the amount actually paid or accrued (billed but not paid).

In the year the device is placed in service, you can deduct 40% of the cost to construct, reconstruct, remodel, install or acquire the device, but not more than \$5,000.

In the next three years after installation, you can deduct 20% of these costs per year, but not more than \$5,000 in any year.

Qualifying devices include:

- a system using solar radiation, wind or geothermal resource primarily to provide heating or cooling, to produce electrical power, or any combination thereof
- a fluid-to-air heat pump operating on a fluid reservoir heated by solar radiation or geothermal resource but not an air-to-air heat pump unless it uses geothermal resources as part of the system
- a natural gas or propane heating unit that replaces a noncertified wood stove
- an Environmental Protection Agency (EPA)-certified wood stove or pellet stove meeting the most current industry and state standards that replaces a noncertified wood stove

A noncertified wood stove is a wood stove that doesn't meet the most current EPA standards. The noncertified wood stove must be taken to a site authorized by the Division of Environmental Quality (DEQ) within 30 days from the date of purchase of the qualifying device.

The natural gas or propane heating unit and the EPA-certified wood stove or pellet stove must be installed in the same tax year that the nonqualifying wood stove is turned in to the DEQ.

LINES 20a - 20d Complete the line(s) that apply to the year you acquired the device(s). For example, if your device was acquired in 2008, complete line 20d. Enter the type of device and total cost. Multiply the total cost by the appropriate percentage. Line 20e can't be more than \$5,000.

LINE 22 RETIREMENT BENEFITS DEDUCTION

If you are age 65 or older, or if you are disabled and age 62 or older, you may be able to deduct some of the retirement benefits and annuities you receive. You can't claim this deduction if you file married filing separate.

Only the following are qualified retirement benefits:

- **Civil Service Employees:** Retirement annuities paid by the United States of America Civil Service Retirement System (CSRS) to a retired civil service employee or the unremarried widow of the employee if the recipient is age 65 or older, or disabled and age 62 or older. To qualify for the deduction, the employee must have established eligibility before 1984. Retirement annuities paid to a retired federal employee under the Federal Employees Retirement System (FERS) don't qualify for the deduction. If you received a CSA-1099, you can tell if your benefits are paid under the CSRS or FERS by looking at the first digit of the account number shown on your CSA-1099. If the first digit of the account number is 7 or 8, the benefits are paid out of FERS and do not qualify. If the first digit is 0, 1, 2, 3, or 4, the benefits are paid out of CSRS.
- **Idaho Firemen:** Retirement benefits paid by the Public Employee Retirement System of Idaho (PERSI) relating to the Firemen's Retirement Fund of the state of Idaho to a retired fireman or the unremarried widow of a retired fireman if the recipient is age 65 or older, or disabled and age 62 or older. Benefits paid out of the PERSI Base Plan don't qualify for the deduction.
- **Policemen of an Idaho city:** Retirement benefits paid from the policeman's retirement fund of a city within Idaho to a retired policeman or the unremarried widow of a retired policeman if the recipient is age 65 or older, or disabled and age 62 or older. For example, benefits paid out of the older city police retirement funds for the cities of Coeur d'Alene, Lewiston, and Pocatello may qualify for the deduction. Similarly, benefits paid by PERSI relating to the old Idaho Falls policeman's retirement fund may qualify for the deduction. Benefits paid out of the PERSI Base Plan don't qualify for the deduction.
- **Servicemen:** Retirement benefits paid by the United States to a retired member of the U.S. military or the unremarried widow of such member if the recipient is age 65 or older, or disabled and age 62 or older.

The amount deducted must be reduced by retirement benefits paid under the Federal Social Security Act and the Federal Railroad Retirement Act.

The maximum amounts that may be deducted for 2011 are:

Married filing jointly:

- age 65 or older \$41,814
- age 62 or older and disabled \$41,814

Single:

- age 65 or older \$27,876
- age 62 or older and disabled \$27,876

Include with your return Form(s) 1099 for all qualified retirement benefits claimed.

LINE 22a Enter \$41,814 or \$27,876, whichever is applicable to your filing status. Note: Only one deduction is allowed even though you and your spouse receive more than one annuity.

LINE 22b Enter the amount of retirement benefits you (and your spouse) received under the Federal Railroad Retirement Act. The amounts to be included on this line would be the Net Social Security equivalent benefit portion, reported on federal Form RRB-1099, Box 5; the "total gross paid" amount reported on federal Form RRB-1099-R, Box 7 less any repayment reported on Box 8; and any railroad retirement disability benefit included as wages on federal Form 1040, line 7.

FORM 39NR

LINE 22c Enter the amount of retirement benefits you (and your spouse) received under the Federal Social Security Act, Box 5 of your Forms SSA-1099. If you or your spouse receive Canadian Social Security benefits that are included in your federal taxable income, include those amounts received.

LINE 22e Enter the amount of qualified retirement benefits included on Form 43, line 28, Column A.

LINE 22g Enter the amount of qualified retirement benefits included in Idaho gross income. This amount must have been included on Form 43, line 28, Column B.

LINE 22h Divide line 22g, Column B, by line 22e, Column A. Round the percentage to the nearest whole number. For example, 45.49% should be entered as 45%; 45.50% should be entered as 46%.

LINE 23 NONRESIDENT MILITARY PAY

Column A: If you are a nonresident of Idaho, enter the amount of military pay included on Form 43, line 28, Column A.

LINE 24 BONUS DEPRECIATION

If you claimed bonus depreciation for federal purposes for property acquired before 2008 or after 2009:

- Complete a separate federal Form 4562 or detailed computation for Idaho depreciation purposes as if the special depreciation allowance hadn't been claimed.
- Compute the Idaho adjusted basis and any gains or losses from the sale or exchange of the property using the Idaho depreciation amounts.
- If the federal depreciation (including gains and losses) is less than the Idaho depreciation (including Idaho gains and losses), include the difference on this line; otherwise, enter the difference on Part A, line 3.

Include the federal Form(s) 4562 or detailed computations used to compute the depreciation and gains and losses.

Don't enter any amounts for property acquired after 2007 and before 2010.

Column A: If the federal depreciation (including gains and losses) is less than the depreciation (including gains and losses) calculated without the bonus depreciation, include the difference on line 24.

LINE 25 OTHER SUBTRACTIONS

Columns A and B: Identify any other subtraction to which you are entitled and claim the amount on this line.

Don't include foreign taxes as a subtraction, since they are claimed as part of the Idaho itemized deduction, if allowed. See the instructions for Itemized or Standard Deductions. Do not include other subtractions from Form ID K-1, Part B, line 11 on this line. Include Form ID K-1, Part B, line 11 other subtractions on line 15.

On this line in the applicable column, include interest from Idaho Build America Bonds that was included on Form 43, line 28, Column A and B. Don't include on this line any interest from non-Idaho Build America Bonds.

PART C. INCOME TAX PAID TO OTHER STATES BY PART-YEAR RESIDENTS

NONRESIDENTS DON'T QUALIFY FOR THIS CREDIT.

When the same income is taxed by both Idaho and another state while you are an Idaho resident, you may be entitled to a credit for tax paid to the other state.

Use this section to compute the credit. You must include a copy of the other state's income tax return and Idaho Form 39NR with your income tax return. If your S corporation or partnership paid income tax to another state, include a copy of Form ID K-1 or the schedule received from the partnership or S corporation that paid the tax. If credit applies to more than one state, use a separate Form 39NR for each state.

Examples of income that may be taxed by both Idaho and another state include:

- Wages earned in another state that has an income tax, such as Oregon or Utah, while living in Idaho.
- Income from a business or profession earned in another state that has an income tax, while a resident of Idaho.

LINE 1 Enter your Idaho adjusted income from Form 43, line 31, Column B, if you reported the double taxed income on an individual income tax return in the other state. However, if the double taxed income was reported to the other state and taxed as part of an S corporation or partnership composite or group return, enter your federal adjusted gross income from Form 43, line 28, Column A.

LINE 2 Enter the total portion of federal adjusted gross income derived in the other state, modified to reflect Idaho additions and subtractions. In computing the income derived in the other state, you must reverse any adjustments to federal taxable income allowed by the other state that aren't applicable to Idaho. If you reported your income derived in the other state by filing an:

- Individual return, enter your adjusted gross income from the other state restated to a basis comparable to Idaho adjusted income. For example, if the other state taxes interest received from U.S. obligations, deduct this amount from the other state's adjusted gross income as Idaho doesn't tax this interest.
- S corporation or partnership composite or group return, enter your pro rata share of the S corporation or partnership income derived in the other state.

LINE 3 Enter the amount of income that is taxed twice. Only income that is taxed by Idaho and also taxed by another state is double-taxed.

LINE 4 Enter the tax shown on Form 43, line 42.

LINE 5 Divide line 3 by line 1. Round to four digits to the right of the decimal point. For example .66666 is rounded to .6667 and should be entered as 66.67%. The percentage can't exceed 100%.

LINE 7 Enter the other state's tax due from its tax table or rate schedule less its income tax credits. If your income derived in the other state was reported on a composite or group return filed by an S corporation or partnership, enter your pro rata share of the tax paid by the S corporation or partnership less your pro rata share of the income tax credits. Income tax credits are those credits that relate to income tax. An example of a credit that isn't an income tax credit is a special fuels or gasoline tax credit or refund.

FORM 39NR

LINE 8 Divide line 3 by line 2. Round to four digits to the right of the decimal point. For example .66666 is rounded to .6667 and should be entered as 66.67%. The percentage can't exceed 100%.

PART D. INCOME TAX PAID TO OTHER STATES BY IDAHO RESIDENTS ON ACTIVE MILITARY DUTY

When the same income is taxed by both Idaho and another state, you may be entitled to a credit for tax paid to the other state.

Use this section to compute the credit. You must include a copy of the other state's income tax return and Idaho Form 39NR with your income tax return. If your S corporation or partnership paid income tax to another state, include a copy of Form ID K-1 or the schedule you received from the partnership or S corporation that paid the tax. If credit applies to more than one state, use a separate Form 39NR for each state.

Examples of income that may be taxed by both Idaho and another state include:

- Wages earned in another state that has an income tax, such as Oregon or Utah, while living in Idaho.
- Income from a business or profession earned in another state that has an income tax, while a resident of Idaho.

LINE 1 Enter the tax shown on Form 43, line 42.

LINE 2 Enter the total portion of federal adjusted gross income derived in the other state, modified to reflect Idaho additions and subtractions. In computing the income derived in the other state, you must reverse any adjustments to federal taxable income allowed by the other state that aren't applicable to Idaho. If you reported your income derived in the other state by filing an:

- Individual return, enter your adjusted gross income from the other state restated to a basis comparable to Idaho adjusted income. For example, if the other state taxes interest received from U.S. obligations, deduct this amount from the other state's adjusted gross income as Idaho doesn't tax this interest.
- S corporation or partnership composite or group return, enter your pro rata share of the S corporation or partnership income derived in the other state.

LINE 3 Enter your Idaho adjusted income from Form 43, line 31, Column B, if you reported the double taxed income on an individual income tax return in the other state. However, if the double taxed income was reported to the other state and taxed as part of an S corporation or partnership composite or group return, enter your federal adjusted gross income from Form 43, line 28, Column A.

LINE 4 Divide line 2 by line 3. Round to four digits to the right of the decimal point. For example .66666 is rounded to .6667 and should be entered as 66.67%. The percentage can't exceed 100%.
