## IMPORTANT CHANGES for 2019

**Use tax (sales tax). 36 M.R.S. § 1861-A.** For tax years beginning on or after January 1, 2019, the calculation used to report unpaid use tax on the Maine individual income tax return is lowered from .08% to .04% of Maine adjusted gross income.

**Municipal volunteer program for property tax assistance subtraction modification. 36 M.R.S. §§ 5122(2)(EE) and 6232(1-A).** The \$750 limitation on benefit earnings under the municipal volunteer property tax assistance program is increased to \$1,000 or 100 times the state minimum hourly wage under Title 26, section 664, subsection 1, whichever is greater. To the extent included in federal adjusted gross income, the benefits earned may be excluded from Maine taxable income.

**Installment sales of real or tangible property – nonresident individuals. 36 M.R.S. § 5147.** For tax years beginning on or after January 1, 2019, nonresident individual taxpayers may elect to recognize the entire gain from an installment sale of real or tangible property located in Maine in the taxable year of the transfer or the remaining gain in a subsequent taxable year to the extent the gain has not been reported in a previous tax year. The election is irrevocable and may only be made on a timely filed original income tax return.

**Apportionment of Income – sale of a partnership interest. 36 M.R.S. § 5211.** For tax years beginning on or after January 1, 2019, the income tax apportionment calculation with respect to the sale of a partnership interest owned by another business entity (C corporation, S corporation, partnership, etc.) must be based on the gross receipts, rather than on the gains or losses, from such sales. This change is made to effect consistency with the general business apportionment calculation, which is based on gross receipts.

**Maine Fishery Infrastructure Investment Tax Credit. 36 M.R.S. § 5216-D.** For tax years beginning on or after January 1, 2019, the Maine fishery infrastructure investment tax credit is repealed.

**Partnership audit adjustments. 36 M.R.S. c. 815.** For tax years beginning on or after January 1, 2018, a partnership that has not elected out of the federal centralized audit regime under Internal Revenue Code, Section 6221(b) and is subject to an IRS audit must report information affecting the Maine tax liability of its partners to the assessor within 180 days from the final determination date of the audit. A pass-through entity that is a partner in an audited partnership is also subject to the reporting requirement with respect to the portion of adjustments applicable to that partner. In some cases, the partnership could be subject to tax on some or all of the audit adjustments at the partnership level.

## MAINE REVENUE SERVICES MISSION STATEMENT

The mission of Maine Revenue Services is to fairly and efficiently administer the tax laws of the State of Maine, while maintaining the highest degree of integrity and professionalism.

## GENERAL INSTRUCTIONS

**Who must file?** A Maine income tax return must be filed by **April 15, 2020** if you are a resident of Maine who is required to file a federal income tax return or if you are not required to file a federal return, but do have income subject to Maine income tax resulting in a Maine income tax liability. Even if you are required to file a federal income tax return, [you do not have to file a Maine income tax return if you have no addition income modifications \(Form 1040ME, Schedule 1, line 1i\) and your income subject to Maine income tax is less than the sum of your Maine standard deduction amount plus your personal exemption amount.](#) However, you must file a return to claim any refund due to you. Generally, if you are a nonresident or a "Safe Harbor" resident who has income from Maine sources resulting in a Maine income tax liability, you must file a Maine income tax return. See below for more information on residency, including "Safe Harbors." Nonresidents - see Schedule NR instructions for minimum taxability thresholds. Also see, 36 M.R.S. § 5142(8-B) and Rule 806.

### What is my Residence Status?

To determine your residency status for 2019, read the following.

**Domicile:** *Domicile is the place an individual establishes as his or her permanent home and includes the place to which he or she intends to return after any period of absence. A number of factors associated with residency are relevant in the evaluation of a claimed domicile. A domicile, once established, continues until a new, fixed and permanent home is acquired. To change domicile, a taxpayer must exhibit actions consistent with a change. No change of domicile results from moving to a new location if the intent is to remain only for a limited time, even if it is for a relatively long duration.*

● **Full-Year Resident:** 1) Maine was my domicile for the entire year of 2019; or 2) I maintained a permanent place of abode in Maine for the entire year and spent a total of more than 183 days in Maine.

● **"Safe Harbor" Resident** (treated as a nonresident):

**General Safe Harbor** - Maine was my domicile in 2019, I did not maintain a permanent place of abode in Maine, I maintained a permanent place of abode outside Maine and I spent no more than 30 days of 2019 in Maine. Individuals qualifying under the safe harbor rule will be treated as a nonresident for Maine individual income tax purposes. **File Form 1040ME and Schedule NR or NRH.**

**Foreign Safe Harbor** - I spent at least 450 days in a foreign country during any 548-day period occurring partially or fully in the tax year. The taxpayer must also meet other eligibility criteria. If you qualify for the Foreign Safe Harbor, you will be considered a "Safe Harbor" Resident and treated as a nonresident for the 548-day period even though you were domiciled in Maine.

● **Part-year Resident:** I was domiciled in Maine for part of the year and was not a full-year resident as defined in 2) above. **File Form 1040ME and Schedule NR or NRH.**

● **Nonresident:** I was not a resident or part-year resident in 2019, but I do have Maine-source income. **Follow the federal filing requirements for filing status, federal adjusted gross income, and standard or itemized deductions. File Form 1040ME and Schedule NR or NRH.**

For additional information on determining Maine residency or if you are in the military, see the Maine Revenue Services *Guidance to Residency Status* and *Guidance to Residency "Safe Harbors"* available at [www.maine.gov/revenue/forms](http://www.maine.gov/revenue/forms) (click on Income Tax Guidance Documents) or call the forms line at (207) 624-7894.

## SCHEDULE 1 — INCOME MODIFICATIONS - See page 17

For more information on Maine income modifications, visit [www.maine.gov/revenue/forms](http://www.maine.gov/revenue/forms).

**Line 1. ADDITIONS.** *Also include the taxpayer's distributive share of addition modification items from partnerships, S corporations and other pass-through entities.*

**Line 1a.** Enter the **income from municipal and state bonds, other than Maine**, that is not included in your federal adjusted gross income (i.e., enter bond interest from City of New York but not Portland, Maine).

**Line 1b. Net Operating Loss Recovery Adjustment.** Enter on this line any amount of federal net operating loss carry forward that has been previously used to offset Maine addition modifications. For more information, go to [www.maine.gov/revenue/forms](http://www.maine.gov/revenue/forms) (select *Income Tax Guidance Documents*).

**Line 1c.** Enter 2019 **Maine Public Employees Retirement System contributions.** See your Maine state or municipal W-2 form.

**Lines 1d and 1e. BONUS DEPRECIATION ADD-BACK.** Lines 1d and

1e relate to Maine's decoupling from the federal special depreciation deduction through IRC § 168(k), commonly known as bonus depreciation. To calculate the amount to enter on these lines, complete a pro forma federal Form 4562 as if no bonus depreciation was claimed on the property placed in service in tax year 2019. The total addition modification is the difference between the federal depreciation claimed on Form 4562 and the depreciation calculated on the pro forma Form 4562. If any of the property placed in service in tax year 2019 is located in Maine and the Maine capital investment credit is claimed, the total addition modification must be divided between lines 1d and 1e. Otherwise, the entire addition must be entered on line 1d. Enclose copies of the original and pro forma federal Forms 4562, along with the add-back calculation, with the return.

For more information, go to [www.maine.gov/revenue/forms](http://www.maine.gov/revenue/forms) (select *Income Tax Guidance Documents*). Also, refer to the instructions for line 2h below.

**Line 1d. BONUS DEPRECIATION ADD-BACK:** Enter on this line the total bonus depreciation add-back calculated above less the amount of

Maine capital investment credit add-back from line 1e. Amounts entered on this line are eligible for the recapture subtraction modification on line 2h in future years.

**Line 1e. MAINE CAPITAL INVESTMENT CREDIT BONUS DEPRECIATION ADD-BACK:** The Maine capital investment credit is available to businesses that place depreciable property in service in Maine during the taxable year beginning in 2019. Enter on this line the portion of the bonus depreciation add-back calculated above relating to property for which the Maine capital investment credit is claimed, based on original basis of property placed in service in tax year 2019. For example, if you purchased \$400,000 of eligible property and \$100,000 of that property is located in Maine and included in the credit base, the portion of the add-back to include on this line is \$100,000/\$400,000 or 25% of the total bonus depreciation add-back calculated above.

Property that is transferred out of state or disposed of within 12 months after being placed in service in Maine is not eligible for the Maine capital investment credit. Amounts claimed on this line are not eligible for the recapture subtraction modification on line 2h.

**Line 1f.** Enter your share of a **fiduciary adjustment** (addition modifications) relating to income from an estate or trust (36 M.R.S. § 5122(3)). Attach a copy of your federal Schedule K-1.

**Line 1g. Election to recognize total gain from the sale of Maine real or tangible property – nonresidents only.** Nonresident individuals may elect to recognize the entire gain from an installment sale during the taxable year of real or tangible property located in Maine. The election may only be made on a timely filed original return and, once made, is irrevocable. Enter on this line the total gain from the sale of the Maine property that would have been included in your federal adjusted gross income if you had not reported the gain on the installment sale basis, less the amount of the gain from the sale already included in your federal adjusted gross income reported on Form 1040ME, line 14. An entry on this line constitutes an election under this paragraph.

**Line 1h. Other additions.** See the 2019 Worksheet for Form 1040ME, Schedule 1, Line 1h available at [www.maine.gov/revenue/forms](http://www.maine.gov/revenue/forms) that lists the addition income modifications required to be entered on this line.

**Line 2. SUBTRACTIONS. NOTE: You may subtract only the items listed below on this schedule.
