## What's New?

---

**Tax Rates Changed.** LB 970 (2012) reduced the first three income tax rates in the Nebraska Tax Calculation Schedule for Individual Income Tax beginning in tax year 2013 and expanded the individual income tax brackets beginning in tax year 2014.

**Alternative Minimum Tax Eliminated.** LB 308 (2013) eliminated the alternative minimum tax and the credit for prior year minimum tax beginning in tax year 2014.

**Nebraska College Savings Plan Changes.** LB 296 (2013) includes several changes to the college savings plan. These changes are effective January 1, 2014 and provide that:

- ◆ The maximum state deduction for a contribution to the Nebraska College Savings Plan is now \$10,000 for single, head of household, and married, filing jointly filers; and \$5,000 for married, filing separately filers;
- ◆ Account owners and parents/guardians who are custodians of an UGMA or UTMA NEST Direct account are eligible for the applicable deduction;
- ◆ If another state's plan is rolled over to the Nebraska College Savings Plan, the interest, earnings, and contributions received under an IRC § 529 qualified rollover are eligible for the deduction; and
- ◆ If a successor account owner is not named, the beneficiary will become the account owner upon the death or legal incapacity of the original account owner.

**Refund Claims Filing Date.** LB 851 (2014) is effective July 18, 2014 and requires that a claim for credit or refund of a refundable income tax credit must be filed by the taxpayer within three years after the due date of the return for the year that the refundable credit was allowable, except when otherwise provided by law.

**Additional Updates.** LB 987 (2014) includes changes that are effective January 1, 2015, so they do not apply to your 2014 return.

- ◆ Requires the Department to adjust the individual income tax brackets annually for inflation.
- ◆ Allows a deduction for Social Security income included in federal adjusted gross income (AGI) if a taxpayer's federal AGI is less than or equal to \$58,000 for married couples, filing jointly, or \$43,000 for all other tax returns.
- ◆ Allows an individual who retires from the uniformed services of the U.S. **on or after July 18, 2012** to make a **one-time election** to exclude from Nebraska taxable income a portion of his or her income received as a military retirement benefit that is included in federal AGI for tax years beginning on or after **January 1, 2015**. The election must be made within two years after retirement from the uniformed services.

**Apportion Sales of Intangibles and Services.** LB 872 (2012) this change is effective January 1, 2014 and requires that an individual (sole proprietorship) operating a multi-state service business must apportion income from the sales of intangibles and services to the location of the customer (market-based apportionment) rather than the location where the income-producing activity is performed (cost of performance apportionment). The sale of intangibles or services by communications companies will continue to be sourced to the location where the income-producing activity is performed.

**Nebraska Job Creation and Mainstreet Revitalization Act.** LB 191 (2014) is effective January 1, 2015 eligible person may earn a nonrefundable tax credit equal to 20% of qualifying expenditures to rehabilitate, preserve, or restore qualifying historically-significant real property. An application must be filed with the Nebraska State Historical Society to qualify for the credit.

## Important Information For All Nebraska Filers

---

*Paper Filing Tip:  
It may take up to  
3 months to receive  
your refund if you file  
a paper return.*

[More info . . .](#)

**Complete Your Federal Return.** Your federal return must be completed before starting your Nebraska return. This information is needed to complete your Nebraska return.

**Complete Only the Lines on Nebraska Individual Income Tax Return, Form 1040N, That Apply to You.** If a line does not apply to your tax calculation, please leave the line blank.

**Enter All Amounts as Whole Dollars.** Do not include cents. Do not change the pre-printed zeros in the cents column of the Form 1040N. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

**Federal Forms W-2, W-2G, 1099-R, and 1099-MISC.** A form should be sent to you by your employer or payor by February 15. **If you have not received the form by that date, you should immediately contact your employer or payor.** If the information on these forms is incorrect, get a corrected form from your employer or payor. A corrected form should be clearly marked “Corrected by Employer/Payor.” If a wage and tax statement is lost or destroyed, request a substitute copy clearly marked “Reissued by Employer.”

**Balance Due.** Any balance due must be paid in full with your return. All taxpayers are encouraged to use the Nebraska Department of Revenue’s (Department’s) e-pay system. It is fast, secure, and easy. See the Department’s [website](#).

**Use Tax.** Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. This often occurs when making purchases over the Internet or from out-of-state retailers. [See the instructions for line 38.](#)

**More info . . .**

**Penalty and Interest.** Either or both may be imposed under the following circumstances:

1. Failure to file a return and pay the tax due on or before the due date;
2. Failure to pay the tax due on or before the due date;
3. Failure to file an amended Nebraska income tax return to report changes made to your federal income tax return; **More info . . .**
4. Preparing or filing a fraudulent income tax return; or
5. Understatement of income on an income tax return.

The interest rate for any unpaid tax is 3%, and is calculated from the original due date of the return, even if an extension of time to file is granted.

**A Nebraska Extension of Time.** The Department accepts the federal extension of time to file. It is only necessary to file a Nebraska extension of time if you are making a tentative tax payment or when a federal extension is not filed. A six-month extension to file Form 1040N may only be obtained by:

1. Attaching a copy of a timely-filed Application for Automatic Extension of Time to File U.S. Individual Income Tax Return, Federal Form 4868, to the Nebraska return when filed;
2. Attaching a schedule to your Nebraska return listing your federal confirmation number and providing an explanation that you received an automatic federal extension by making a payment of your federal estimate of tax due using a credit card;
3. Filing a [Nebraska Application for Extension of Time, Form 4868N](#), on or before the due date of the return, when you need to make a tentative Nebraska payment or when a federal extension is not being requested; or
4. Attaching a copy of the statement or letter submitted with your federal return requesting the automatic extension of time to file for a U.S. citizen residing outside the U.S. or Puerto Rico, to the Nebraska return when filed.

If you have an authorized IRS tax preparer e-file your return, Nebraska will grant you an automatic extension to file. If you e-file your own return using software you have purchased or accessed from the Internet, you will be required to mail in a Nebraska Form 4868N. See number 3 above for further instructions.

NOTE: If you have a combat zone-related or contingency operation-related extension, see the Department’s Information Guide titled “[Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces.](#)”

If the extension documentation is not attached, a late filing penalty may be imposed. Any tax not paid by April 15 is subject to interest. An extension of time cannot exceed a total of six months after the original due date of the return.

**Estimating Your 2015 Income Tax.** The [2015 Nebraska Individual Estimated Income Tax Payment Vouchers booklet](#) is available on the Department’s website or you can contact the Department. You are encouraged to make estimated income tax payments using the Department’s [e-pay](#) system.

**Estimated Income Tax Payments and Penalty for Underpayment of Estimated Income Tax.** You may owe a penalty if your estimated income tax payments did not total at least:

- ◆ 90% of the tax shown on your 2014 Nebraska return; or
- ◆ 100% of the tax shown on your 2013 return; or

- ◆ 110% of the tax shown on your 2013 return if adjusted gross income (AGI) on the return was more than \$150,000 or, if your filing status is married, filing separately, more than \$75,000.

See the [Individual Underpayment of Estimated Tax, Form 2210N](#), instructions.

An individual who did not pay enough estimated income tax by any of the applicable due dates (April 15, June 15, September 15, and January 15), or who did not have enough state income tax withheld, will be assessed a penalty. This may be true even if you are due a refund. The underpayment penalty is calculated separately for each installment due date (four equal and timely payments). You may owe a penalty for an earlier payment that was due, even if you paid enough estimated income tax later to make up the underpayment.

**Note:** Taxpayers impacted by a federal disaster declaration should note the declaration at the top of the form when filing a paper return.

*See the Department's website for this information guide: "[Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces.](#)"*

**Active Duty Military Servicemembers.** Your active duty military pay is taxed only by the state where you are a legal resident. Your place of legal residence at the time of entry into the service is presumed to be your state of legal residence. Your state of legal residence stays the same until it is established in another state. Moving to a new location for a limited period of time, including a permanent change of station, does not change your legal residence. Nebraska income tax is imposed on the total federal AGI of a Nebraska resident who is a member of the uniformed services, regardless of where the income is received.

Check the box "Active Military" on [Form 1040N](#) if you or your spouse were active military servicemembers at any time during the tax year (including National Guard or Reserve personnel called to active duty). Taxpayers receiving combat pay have the same extended due date for filing a Nebraska return as for the federal return.

Military pay received by a nonresident servicemember stationed in Nebraska is not subject to Nebraska income tax. Other income derived from Nebraska sources by a servicemember, such as income earned from a separate job not connected with the servicemember's military service, is subject to Nebraska income tax. See special instructions for line 64, Nebraska Schedule I.

The federal Servicemembers Civil Relief Act provides that Nebraska cannot tax the income of a nonresident servicemember's spouse when the spouse has the same state of residence as the servicemember and is in Nebraska only in support of the servicemember. A Nebraska resident servicemember's spouse, who is also a Nebraska resident and who works and resides in another state, is required to file a Nebraska income tax return. More information is available in the instructions for lines [64](#), Nebraska Schedule I and [77](#), Nebraska Schedule III, or on the Department's website.

**More info . . .**

**Foreign Income.** Income earned by a Nebraska resident while living in another country is taxable by Nebraska when the taxpayer maintains Nebraska residency.

**More info . . .**

**Deceased Taxpayer.** A deceased taxpayer's spouse, personal representative, or other person may file and sign a return for a taxpayer who died before filing a 2014 return. A personal representative is an executor, administrator, or anyone else who is in charge of the deceased taxpayer's property. Additional documentation will be required when claiming a refund on behalf of a deceased taxpayer unless the deceased is your spouse with whom you are filing as married, filing jointly for this tax year. "DECEASED" must be written across the top of a paper return and the taxpayer's name and the date of death must be shown in the space provided. See additional instructions for deceased taxpayers in the "How to Complete your Form 1040N" section of these instructions on page 5.

**Fiscal Year Returns.** The taxable year used for Nebraska must be the same as the taxable year used for federal income tax purposes. For fiscal years beginning after January 1, 2014, the [2014 Nebraska Tax Calculation Schedule](#) or Tax Table and Nebraska Additional Tax Rate Schedule must be used without adjustment.

**More info . . .**

**Due Date for Fiscal Year Returns.** The due date for a fiscal year return is the 15th day of the fourth month following the end of the taxable year.

Refer to instructions for [line 28](#) for additional information on a fiscal year taxpayer claiming the income tax withholding credit.

Taxpayers filing fiscal year returns may not e-file their Nebraska return.

## Who Must File?

---

### A Nebraska resident who:

- ◆ Is required to file a federal return reporting a federal liability; or
- ◆ Has \$5,000 or more of net Nebraska adjustments to federal AGI including non-Nebraska state and local bond interest exempt from federal tax (see Nebraska Schedule I instructions).

### A partial-year resident or a nonresident who:

- ◆ Has income derived from or connected with Nebraska sources.

## Definitions

---

**Domicile.** Domicile is the place an individual has his or her permanent place of abode and home. Even if the individual is absent at times, domicile is the place where the individual intends to return. Actual residence is not necessarily domicile. An individual establishes domicile in Nebraska on the date he or she arrives in the state for other than temporary or transitory purposes. Once domicile is established, it remains the individual's domicile until it is abandoned. Domicile in Nebraska is abandoned when an individual leaves the state, abandons the Nebraska domicile with no intention of returning to the state, and establishes a domicile in another state while present in the other state for other than temporary or transitory purposes.

**Partial-Year Resident.** A partial-year resident is an individual who is a resident for part of the year, but less than the entire year. To be a partial-year resident, a taxpayer must change domicile during the year, either moving into or out of Nebraska.

**Permanent Place of Abode.** A permanent place of abode is a dwelling place permanently maintained by the taxpayer, whether or not it is owned by the taxpayer. A dwelling means a house, apartment, room, or other accommodation suitable for human occupation. It does not include a vacation camp, cottage, or dwelling place kept only for a temporary purpose.

**Resident.** A resident is an individual whose domicile is Nebraska, or an individual who is physically present in this state and maintains a permanent place of abode within this state for an aggregate of more than six months. Nebraska residence will be determined by Nebraska law. If an individual maintains a permanent place of abode in Nebraska and is present in Nebraska for at least 183 days during the tax year, that individual is a Nebraska resident even if living in another state. For this purpose, Nebraska considers any part of a day spent in Nebraska as a full day spent in the state.

For additional information, refer to the [Determining Residency Status for Nebraska Individual Income Tax Filing Information Guide](#) on the Department's website.

## How to Complete your Form 1040N

---

**Name and Address.** When filing a paper return, enter or clearly print your name and correct mailing address information in the spaces provided. Include your spouse's name if filing a joint return.

**Social Security Numbers.** You must enter your Social Security number (SSN) or Individual Tax Identification Number (ITIN) on the form in the boxes indicated. Include your spouse's SSN or ITIN if filing a joint return.

*The Privacy Act of 1974 provides that when the Department asks you for your Social Security number (SSN), you must first be told of the Department's legal right to ask for this information, why the Department is asking for it, and how it will be used. The Department must also tell you what would happen if it is not received and whether your response is voluntary, required to obtain a benefit, or mandatory under the law.*

*The legal right to ask for the information is [Neb. Rev. Stat. § 77-27,119](#). This law says that you must include your SSN on your return. Your response is mandatory under this section. The SSN is needed to properly identify you and process your return and other documents.*

---

**Public High School District Data.** All residents and partial-year residents domiciled in Nebraska on December 31, 2014, must enter the high school district code where you are domiciled (permanent residence). This information is also required if you reside outside Nebraska but are still domiciled in Nebraska. Nonresidents or partial-year residents not residing in Nebraska on December 31, 2014, do not enter a high school district code. This information is required by law to assist the Nebraska Department of Education in determining the state aid for Nebraska’s K-12 public school systems.

**Farmer/Rancher.** Farmers or ranchers deriving at least two-thirds of their yearly gross income for the current or previous tax year from farming or ranching must check the box below the SSN block. A farmer or rancher, who files the 2014 Form 1040N and pays the Nebraska income tax due on or before March 2, 2015, is not required to make estimated income tax payments during 2014; otherwise, the entire amount of estimated income tax must be paid by January 15, 2015. If you file or pay after March 2, 2015, you will be assessed a penalty for failure to properly pay estimated income tax. An extension of time cannot be used to extend the March 2 filing date.

**Active Military.** Check the box “Active Military” only if you or your spouse were on active military duty status at any time during 2014. This includes National Guard/Reservists called to active duty during 2014.

**More info . . .**

**Deceased.** If the taxpayer or spouse is deceased, enter the first name of the decedent and the date of death in the space provided.

◆ **Surviving Spouse** filing for a deceased taxpayer’s refund must:

Write “surviving spouse” in the signature block on a paper filed Form 1040N for the deceased. No further documentation is required.

When a court-appointed personal representative files an original or amended return on behalf of a deceased person, he or she must attach a copy of one of the following with the completed and signed Form 1040N or 1040XN:

- ◆ The court order showing proof of appointment (Letters of Appointment); or
- ◆ A copy of the probated will.

Other persons requesting a deceased taxpayer’s refund should complete a [Statement of Person Claiming a Refund Due to a Deceased Person, Form 1310N](#), and attach one the following:

- ◆ Death certificate (need not be certified); or
- ◆ Formal notification from the appropriate government office (for example, Department of Defense, Department of Health and Human Services, or Department of State) informing the next of kin of the decedent’s death.

---

**Line 1**

**Federal Filing Status.** Your Nebraska filing status is the same as your federal filing status.

There is an exception for married, filing jointly taxpayers where one spouse is a Nebraska resident and the other spouse is a nonresident or partial-year resident of Nebraska. These taxpayers may elect to file either a married, filing jointly return (both spouses are taxed as residents) or married, filing separately returns with Nebraska.

If you file a married, filing separately return for Nebraska, it must be calculated as if a married, filing separately federal return had been filed. The married, filing separately income, deductions, and exemptions must be used. The spouse’s SSN and name must be entered on the married, filing separately line.

There is an additional exception for individuals in a same-sex marriage, who file a federal income tax return using a married filing status. These individuals may not use a married filing status in Nebraska and must instead file using the single or, if qualified, head of household filing status.

**More info . . .**

For additional information for individuals in a same-sex marriage, please visit our [Frequently Asked Questions](#) or contact the Department. See [Revenue Ruling 22-13-01](#).

**Nonresident military servicemembers should review the line 64 instructions.**

---

**Line 2a** Check the appropriate boxes if, during 2014:  
Box 1. You were 65 or older (taxpayers born before January 2, 1950);  
Box 2. You were blind;  
Box 3. Your spouse was 65 or older (taxpayers born before January 2, 1950); or  
Box 4. Your spouse was blind.

---

**Line 2b** Check the appropriate boxes if someone, such as a parent, can claim you or your spouse as a dependent on their return.

Box 3. You were a nonresident.

Partial-year residents must also complete dates of residency. Nonresidents and partial-year residents must complete and attach Nebraska [Schedule III](#), even if all income is earned in Nebraska. If one spouse is a full-year resident and the other is a nonresident or partial-year resident, and they elect to file a married, filing jointly return, a resident return must be filed and Schedule III cannot be used. For additional information, refer to the [Determining Residency Status for Nebraska Individual Income Tax Filing Information Guide](#) on the Department’s website.

*You **MUST** attach all Forms W-2, W-2G, 1099-R, 1099-MISC, and Schedules K-1N.*

Nonresidents claiming credit for Nebraska tax withheld by a [partnership, limited liability company, S corporation, estate, or trust](#) must attach a copy of the appropriate Schedule K-1N. A fiscal year taxpayer who receives Forms W-2 issued on a calendar-year basis must attach any 2014 Forms W-2 to the 2014 Form 1040N for a fiscal year beginning in 2014. If you receive any 2015 Forms W-2 before filing your 2014 Form 1040N, save them to attach to the 2015 Form 1040N.

**Line 34** **More info . . .** **Angel Investment Tax Credit.** Enter the credit awarded by the Nebraska Department of Economic Development for investments made in certain qualified businesses.

**Line 36** **More info . . .** **Penalty for Underpayment of Estimated Tax.** Use Nebraska [Individual Underpayment of Estimated Tax, Form 2210N](#), to determine if you owe this penalty. Also, see [page 3 of the instructions](#). If you are required to calculate a Form 2210N penalty, report it on line 36, check the box, and attach Form 2210N to your return. See the Department's website for this form, or call the Department at 800-742-7474 (NE and IA), or 402-471-5729. Do not include any late filing penalty on this line.

**Line 37** **Total Tax and Penalty.** Add lines 27 and 36.

**Line 38** **More info . . .** **Use Tax.** Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. You may owe use tax if you have not paid the Nebraska sales tax or any applicable local sales tax on purchases delivered into Nebraska from out-of-state, mail order, or Internet sellers. Nebraska law requires that if sales tax is not collected by the seller on any taxable sale, the purchaser must remit the tax directly to the state.

Enter your total taxable 2014 purchases if Nebraska sales tax was not collected by the seller. Multiply this amount by 5.5% (.055). If local tax applies, enter your local code from the local sales and use tax codes and rates schedule on page 31 and multiply your total taxable purchases by the local rate (.005, .010, .015, or .02). Add the state and local tax amounts together and enter on line 38. You can also report only local tax not paid if your vendor charged you the state tax but not the local tax.

**Example.** You purchase a computer from a seller in South Dakota over the Internet for \$1,470 plus \$30 shipping and handling charges. Both charges are taxable. The computer is shipped to you in Scottsbluff, Nebraska and no tax is charged or collected by the seller. Your state tax is \$83 ( $\$1,500 \times 5.5\% = \$83$ ) and the local tax is \$23 ( $\$1,500 \times 1.5\% = \$23$ ). The total use tax owed is \$106 ( $\$83 + \$23 = \$106$ ). When calculating state and local tax, round your results, and then add together to arrive at your line 38 entry. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

**Note:** If you owe use tax to more than one Nebraska local jurisdiction, do not report use tax here. Instead, report state and local use taxes by filing the [Nebraska Individual Use Tax Return, Form 3](#).

**Line 39** **More info . . .** **Total Amount Due.** Enter the amount owed, including the applicable underpayment of estimated tax penalty. A balance due of less than \$2 need not be paid.

**Electronic Funds Withdrawal (EFW).** With this payment option, you provide your payment information within your electronically-filed return. Your payment will automatically be withdrawn from your bank account on the date you specify.

**Nebraska e-pay.** Nebraska e-pay is the Department's web-based electronic payment system. You enter your payment and bank account information, and choose a date (up to a year in advance) to have your account debited. You will receive an email confirmation for each payment scheduled.

**Credit Card.** Secure credit card payments can be initiated through Official Payments at [officialpayments.com](#); via phone at 800-272-9829; or by downloading the OPAY app from your smart phone's app store. Eligible credit cards include American Express, Discover, MasterCard, and VISA. A convenience fee (2.49% of the tax payment, \$1 minimum) is charged to the card you use. This fee is paid to the credit card vendor, not the state, and will appear on your credit card statement separately from the tax payment. At the end of your transaction, you will be given a confirmation number. Keep this number for your records. [If you are making your credit card payment by phone, you will need to provide the Nebraska Jurisdiction Code, which is 3700.]

**Payment Plan.** If you are unable to pay the full amount of tax due, you should file your Nebraska income tax return and pay as much as you can by the filing date. You have three options if you cannot pay all your tax when you file your tax return. See our website for additional information on these payment plans options. Interest will accrue on any unpaid balance until it is fully paid.

**Line 39 (Cont.)** **Check or Money Order.** If you are not using one of the electronic payment options described above, include a check or money order payable to the “Nebraska Department of Revenue.” Checks written to the Department may be presented for payment electronically.

**Line 40** **Overpayment.** If line 35 is more than the total of lines 37 and 38, subtract this total from line 35 and enter your overpayment.

**Line 41** **2015 Estimated Tax.** Enter the amount of overpayment from line 40 you want applied to your 2015 estimated income tax.

**Line 42** **Wildlife Conservation Fund.** You may contribute \$1 or more of your refund to this fund. Your contributions are used by the Nebraska Game and Parks Commission to protect and manage Nebraska’s nongame and at-risk birds, mammals, amphibians, fish, reptiles, plants, and invertebrates. The fund will help prevent species from becoming endangered by managing, restoring, and protecting their habitat. If you are not entitled to a refund, you may still send your tax-deductible contribution directly to the Wildlife Conservation Fund at [nebraskawildlifefund.org](http://nebraskawildlifefund.org). For more information, contact the Nebraska Game and Parks Commission, Wildlife Division, 2200 North 33rd Street, Lincoln, NE 68503-0370, call 402-471-0641, or visit [outdoornebraska.ne.gov](http://outdoornebraska.ne.gov).

**Line 43** **Amount You Want Refunded to You.** Enter the amount of overpayment to be refunded after subtracting lines 41 and 42 from line 40. Amounts less than \$2 will not be refunded.

*If you use e-file with direct deposit, you can generally expect your refund in less than 21 calendar days after we receive your e-filed tax return.*

If a taxpayer has any existing tax liabilities owed to the Department, the federal government, or other state agencies, any overpayment shown on this return will be applied to the amount owed. You will receive a letter explaining any amounts retained.

You can check the status of your refund by calling the Department’s refund line 800-742-7474 (NE and IA) or 402-471-5729 or by visiting [revenue.nebraska.gov](http://revenue.nebraska.gov). It may take up to three months to receive your refund if you file a paper return.

**Line 44** **Direct Deposit Your Refund.** To have your refund directly deposited into your checking or savings account, enter the routing number and account number found on the bottom of the checks used with the account. The routing number is listed first and must be nine digits. The account number is listed to the right of the routing number and can be up to 17 digits. Also complete line 44b, Type of Account. Incorrect banking information will cause your refund to be issued as a paper warrant. Always double check that you entered the correct banking information, since this cannot be changed by the Department. Box 44d is used to comply with banking rules regarding International ACH Transactions (IATs). The box must be checked whenever a refund will go to a bank account outside the U.S. or if a refund is sent to a bank account inside the territorial jurisdiction of the U.S. and 100% of the original refund is later transferred to a bank outside of the U.S. These refunds cannot be processed as direct deposits and instead will be mailed.

**More info . . .** **sign here** **Sign and Date Your Tax Return.** Include your daytime phone number and email address in case the Department needs to contact you about your account. By including your email address, you are agreeing that the Department may use it to transmit confidential information through a secure website. A married, filing jointly return must be signed by both spouses.

If another person signs the return for the taxpayer, a copy of a power of attorney or court order authorizing the person to sign the return must be on file with the Department or attached to the return.

An unsigned return delays processing. The act of e-filing a return is your signature. By e-filing the return, taxpayers, and their tax preparer, if applicable, are declaring under penalties of perjury, that they have examined the electronic return, and to the best of their knowledge and belief, it is true, correct, and complete.

**More info . . .** **Tax Preparer E-File Mandate.** Any person who is paid for preparing a taxpayer’s return must also sign the return as preparer. Additionally, the preparer must enter his or her Preparer Tax ID Number (PTIN) and Federal Employer ID Number (EIN).

## Nebraska Schedule II Instructions

Full-year Nebraska residents claiming a credit for income tax paid to another state, political subdivision of another state, or the District of Columbia must complete [Nebraska Schedule II](#). Partial-year residents must use [Nebraska Schedule III](#).

A separate Schedule II must be completed for each state where income tax was paid. The total credits cannot exceed the Nebraska tax liability. If some income is subject to an income tax of both another state and a political subdivision in that state, complete only one Nebraska Schedule II and combine the state and political subdivision income taxes paid.

**More info . . .** **Credit for Income Tax Paid to Another State.** A credit will not be allowed unless you attach a complete copy of the other state's or political subdivision's return, including all schedules. If the tax is not reported on an income tax return, attach a copy of a letter or statement from the other state or political subdivision showing the income and the tax paid. For political subdivisions not requiring a return, attach the Form W-2 showing the subdivision's tax withheld.

**Nebraska law does not allow credit for taxes paid to a foreign country or its political subdivisions.**

**Note:** When completing lines 73 and 75, refer to the [Conversion Chart](#) on the Department's website.

**Line 72** **Total Nebraska Tax.** Enter the amount from line 17, Form 1040N.

---

**Line 73** **Adjusted Gross Income Derived From Another State.** Refer to the Conversion Chart. Enter the amount shown on the return filed with the other state as AGI, or gross income derived from sources within that state. Do not include any income from S corporations or LLCs reported on line 63, Nebraska Schedule I, or income that is not included in federal AGI after Nebraska adjustments from lines 12 and 13, Form 1040N.

---

**Line 74** **Calculated Tax Credit.** Calculate the ratio to at least six decimal places, and then round to five decimals. For example, if your division result is .123467, round to .12347 (12.347%). Then multiply this ratio by the total Nebraska tax, line 72, Nebraska Schedule II.

---

**Line 75** **Tax Due and Paid to Another State.** Refer to the Conversion Chart. Enter the amount shown on the return filed with the other state as tax paid to that state. Do not enter the total of the other state's tax withheld. For tax paid to a political subdivision of another state that does not require the filing of an annual income tax return, enter the income tax withholding for that subdivision.

If you and your spouse file married, filing separately in Nebraska, but file married, filing jointly in another state, attach a calculation of each spouse's share of the total tax paid to the other state. Use the net income of each spouse that is taxed by the other state in the calculation.

---

## Nebraska Schedule III Instructions

---

Taxpayers filing a nonresident or partial-year resident return must complete [Nebraska Schedule III](#) to calculate the tax on their income derived from or connected with Nebraska sources.

---

**Line 77** **Income Derived from Nebraska Sources.** Enter the total of all income from Nebraska sources. Include all sources and amounts of income and deductions, as they were stated on the federal return. If more space is needed, attach a list of all income sources to Nebraska Schedule III. Partial-year residents must include all items of Nebraska income for a nonresident, plus all income earned while a Nebraska resident that is not taxed by another state. This includes dividends, interest, pension income, sales of intangibles, and wages earned outside Nebraska.

Detailed information on the types of income that must be listed and included on line 77 is available on the Department's website. A partial list is shown below:

**More info . . .**

- ◆ Wages, salaries, tips, and commissions;
- ◆ Nebraska unemployment payments;
- ◆ Severance pay associated with Nebraska employment;
- ◆ Dividends, interest, and other passive income;
- ◆ Business income;
- ◆ Farming and ranching income;
- ◆ Partnership, S corporation, LLC, estate, or trust income;
- ◆ Gain or loss;
- ◆ Rent and royalty income;
- ◆ Lottery prizes;
- ◆ Net operating loss carryforward; and
- ◆ Financial institution tax credit claimed.

**Income of a Servicemember's Spouse.** Because of the federal Servicemembers Civil Relief Act, Nebraska cannot tax the income of a nonresident servicemember's spouse when the spouse has the same state of residence as the servicemember and is in this state only in support of the servicemember. The spouse's income should not be included as Nebraska source income on line 77. For more information, see the Information Guide titled, "[Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces.](#)"

<b>Line 78</b>	<b>More info . . .</b> <b>Adjustments as Applied to Nebraska Income.</b> If you claimed adjustments to income on lines 16-19 of Federal Form 1040A, or lines 23-35 of Federal Form 1040, a portion of these amounts may be allowable as a deduction on line 78. List the type of adjustment on line 78a and the corresponding amount on line 78b.
<b>Line 80</b>	<b>Ratio, Nebraska's Share of the Total Income.</b> Use the equation to calculate a ratio that represents Nebraska's share of total income. Calculate the ratio to at least six decimal places and then round to five decimals. For example, if the line 80 result is .123467, round to .12347 (12.347%) before computing line 85. Even if lines 5 and 77 are negative numbers, the ratio computed in line 80 cannot exceed 100%. If the ratio is 100% or more, report 1.0000.
<b>Line 81</b>	<b>Nebraska Taxable Income.</b> Enter the amount from line 14, <a href="#">Form 1040N</a> .
<b>Line 82</b>	<b>Nebraska Tax Calculation.</b> Paper filers use the Nebraska Tax Table and the income shown on line 81, to find the tax amount to enter on line 82. Electronic filers must use the Nebraska Tax Calculation Schedule to calculate tax on Nebraska Taxable Income. Both paper and electronic filers must use the Additional Tax Rate Schedule if their federal AGI is more than \$254,200 (single), \$305,050 (married, filing jointly or qualifying widow[er]), \$152,525 (married, filing separately), or \$279,650 (head of household).  <b>Partial-year residents</b> enter your Nebraska credit for the elderly or disabled, or credit for child/dependent care expenses. See applicable instructions for lines 16, 20, 21, 24, and 31. Partial-year residents with federal AGI of \$29,000 or less cannot claim child care credit here and must complete the line 31 worksheet to calculate the amount to enter on line 31.  Calculate the Nebraska earned income credit on lines 87 and 88.  <b>Nonresidents</b> are not allowed any credits on the line 82, Schedule III calculation.
<b>Line 83</b>	<b>Personal Exemption Credit.</b> Enter your credit for personal exemptions. (\$128 multiplied by the number of exemptions shown on line 4, Form 1040N). Do not enter on line 19.
<b>Line 84</b>	<b>Tax After Personal Exemption Credit.</b> Line 82 minus line 83.
<b>Line 85</b>	<b>Nebraska Income Tax.</b> Multiply line 84 by the ratio you computed on line 80.
<b>Line 86</b>	<b>Nebraska Other Tax.</b> Complete all of lines 86a-f that are applicable to your tax calculation. See line 16 instructions.
<b>Lines 87 and 88</b>	<b>Earned Income Credit.</b> Partial-year residents may claim this credit by entering the number of qualifying children on line 87a, and the federal earned income credit information on line 87b. The allowable credit is 10% of the federal credit multiplied by the ratio calculated on line 80. Enter the result on line 88 and on line 33. To receive this credit, paper filers <b>must attach</b> a copy of pages 1 and 2 of their federal return. Nonresidents cannot claim the Nebraska earned income credit.
