Who Can Use Form 140ET?

NOTE: *You must have a Social Security Number (SSN) that is valid for employment to claim this credit.*

*If you also claim a credit for your spouse and/or qualifying children, your spouse and qualifying children **must** each have a valid SSN or individual taxpayer identification number (ITIN) issued by the Internal Revenue Service.*

Do **not** file Form 140ET if you are filing an income tax return using Arizona Form 140, Form 140A, Form 140EZ, or Form 140PY. You may claim this credit on those forms by completing the worksheet in the instructions for those forms.

If you meet **all** of the following you may claim a credit for increased excise taxes paid using Form 140ET. Complete Form 140ET to figure your credit.

File Form 140ET **only** if you meet the following:

- You are not required to file an income tax return and you do not qualify for the property tax credit on Arizona Form 140PTC.
- You were an Arizona resident during 2019.
- You are not claimed as a dependent by any other taxpayer.
- You were not sentenced for at least 60 days of 2019 to a county, state, or federal prison.

NOTE: *For complete information about how incarceration affects this credit, see the department's publication, Pub. 709, Excise Tax Credit – How Does Incarceration Affect Eligibility.*

- Your federal adjusted gross income is:
 - \$25,000 or less if you are married filing a joint claim,
 - \$25,000 or less if you are filing as head of household,
 - \$12,500 or less if single, or
 - \$12,500 or less if married filing a separate claim.

Your federal adjusted gross income is income that you must report on your federal income tax return less adjustments to income allowed on the federal income tax return. If you are not sure if your federal adjusted gross income meets the limit, you may want to complete a federal income tax return.

NOTE: *The credit cannot exceed \$100 per household. Do not file Form 140ET if someone else in your household has already claimed \$100 of the credit. If someone else in your household has filed Form 140ET claiming less than \$100, you may file Form 140ET. The total of all credit claims filed from your household cannot be more than \$100.*

How do I Know if I Must File an Income Tax Return?

You must file an Arizona income tax return if:

- Your gross income is \$15,000 or more. Figure your gross income the same as you would figure your gross income for federal income tax purposes.
- Your Arizona adjusted gross income is \$11,000 or more if married filing a joint return.
- Your Arizona adjusted gross income is \$5,500 or more if single, head of household or married filing a separate return.

Your Arizona adjusted gross income is your federal adjusted gross income modified by additions and subtractions allowed under Arizona law. If you are not sure if your Arizona adjusted gross income meets this limit, you may want to complete an Arizona income tax return.

How do I Know if I Qualify for the Property Tax Credit?

You may claim the property tax credit using Arizona Form 140PTC if you meet **all** the following.

- You were either 65 or older in 2019 or, if under age 65, you were receiving Supplemental Security Income (SSI) Title 16 income from the Social Security Administration.

NOTE: *If a taxpayer's 65th birthday was January 1, 2020 (born 1/1/55), that person would be considered to be age 65 at the end of 2019 for federal income tax purposes and likewise for Arizona income tax purposes.*

- You were an Arizona resident for the full year in 2019.
- You paid property tax on your Arizona home in 2019. You paid rent on taxable property for the entire year or you did a combination of both.
- If you lived alone, your total household income was under \$3,751. If you lived with others, the total household income was under \$5,501. To see what income is included in household income, see the instructions for Form 140PTC.

Do not file Form 140ET if you are filing Form 140PTC. You may claim this credit on Form 140PTC.

When Should I File Form 140ET?

You should file this form by April 15, 2020. You may request an extension using Form 204.

You do not have to include a copy of the extension with this form when you file, but make sure that you check box **82F** on page 1 of the form.

What if a Claimant Died?

If a claimant died before filing a claim for 2019, the taxpayer's spouse or personal representative may file and sign a Form 140ET for that person. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

Enter the word "deceased" after the decedent's name in the address section of the form. Also enter the date of death after the decedent's name.

You must also complete **Arizona Form 131, Claim for Refund on Behalf of Deceased Taxpayer**. Place this form on top of Form 140ET.

How do I Amend a Claim?

For 2019, if you need to make changes to your claim once you have filed, you should file a corrected Form 140ET. Be sure to check box 95 at the top of the amended claim form.

General Instructions

Taxpayer Identification Number

Make sure that you enter your SSN on your claim form. Make sure that all SSNs and ITINs are clear and correct.

You may be subject to a penalty if you fail to include your SSN. **It will take longer to process your claim form if SSNs and ITINs are missing, incorrect, or unclear.**

If you are filing a joint claim, enter your SSNs in the same order as your names. If your name appears first on Form 140ET, make sure your SSN is the first number listed.

If you pay someone else to prepare your claim form, that person must also include an identification number where asked. A paid preparer may use any of the following:

A paid preparer who fails to include the proper identification number may be subject to a penalty.

Line 8 -

If you answered, “No”, STOP! Do not file Form 140ET to claim this credit.

Line 9 - Dependents

You may claim this credit for dependents that are residents of Arizona. You cannot claim this credit for a dependent that is an Arizona nonresident. List only those people that qualify as your dependent for federal income tax purposes. **Do not list any dependent that is not an Arizona resident.**

On lines 9A1 through 9A3, enter each dependent's name and SSN or ITIN.

For federal income tax purposes, a dependent is either a qualifying child or a qualifying relative. A qualifying child or relative must be a U.S. citizen or resident alien, or a resident of Canada or Mexico. There is an exception for certain adopted children.

To claim a **qualifying child** as a dependent for federal purposes, you must meet the following five tests:

1. **Relationship test.** The child must be your son, daughter, stepchild, foster child, brother, sister, half brother, half sister, stepbrother, stepsister, or a descendant of any of them;
2. **Age test.** The child must be under age 19 at the end of the year and younger than you, or under age 24 at the end of 2019 if a full-time student (and younger than you), or any age if permanently and totally disabled;
3. **Domicile test.** The child must live with you for more than half of the year. Temporary absences for special circumstances, such as for school, vacation, medical care, military service, or detention in a juvenile facility count as time lived at home;
4. **Support test.** The child must not have provided over half of his or her own support during the year; and
5. **Joint Return Test.** If the child is married, the child is not filing a joint federal return for the year, unless that joint return is filed only as a claim for refund.

To claim a **qualifying relative** as a dependent for federal purposes, you must meet the following four tests:

1. **Relationship Test.** The person must be either your relative or have lived in your home as a member of your household all year. The person cannot be a qualifying child;
2. **Joint Return Test.** If the person is married, he or she cannot file a joint federal return. But the person can file a joint federal return if the return is filed only as a claim for refund;

3. **Income Test.** The person’s gross income must be less than \$4,150; and
4. **Support Test.** You must have provided over half of the person’s total support in 2019.

To learn more about who may be a dependent, see federal publication 501.

Direct Deposit of Refund

Complete the direct deposit line if you want us to directly deposit the amount shown on line 14 into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) instead of sending you a check.

NOTE: Check box 14A if the direct deposit will ultimately be placed in a foreign account. If you check box 14A, do not enter your routing or account numbers. If this box is checked, we will not direct deposit your refund. We will mail you a check instead.

Why Use Direct Deposit?

If amending, check box 95 on the top of Form 140ET. Use the following lines to correct an already filed 2019 Form 140ET.

Line 15 -

Use the following worksheet to figure the amount to enter on this line.

1. Enter the total credit you received from your original 2019 Form 140ET.	\$
2. If this is not your first amended claim, enter any additional credit received from previously filed amended 2019 Form 140ET claims.	\$

Make sure you put enough postage on the envelope

The U.S. Post Office or United States mail service must postmark your return or extension request by midnight April 15, 2020.

The term "United States mail" includes any private delivery service designated by the United States Secretary of the Treasury pursuant to Internal Revenue Code § 7502(f) and the

term "postmark" includes any date recorded or marked by any such designated delivery service.

An income tax return that is mailed to the department is timely filed if it is delivered on or before its due date. Additionally, if the envelope or wrapper containing the return sent through the United States mail bears a postmark of the United States mail and that tax return is delivered to the department after its due date that return will be considered timely filed if all of the following apply:

1. The return was deposited in an official depository of the United States mail;
2. The date of the postmark is no later than the due date;
3. The return was properly addressed; and
4. The return had proper postage.

If the envelope or wrapper containing a return sent through the United States mail bears a private meter postmark made by other than the United States mail, the return is treated as timely filed if both of the following apply:

1. The private meter postmark bears a date on or before the due date for filing; and
2. The return is received no later than the time it would ordinarily have been received from the same point of origin by the same class of U.S. postage. If the return is received by the department within five business days of the private meter postmark date the department will consider this requirement satisfied.

You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

For more information, see the department's ruling, GTR 16-1, *Timely Filing of Income, or Withholding Tax Returns Through the United States Mail*.
