*This dollar amount represents your individual Adjusted Gross Income, NOT a total combined with anyone else.

**Assumes only one spouse meets age or blindness criteria.

- 2. If you are a **Part-Year Resident**, you must file a Delaware tax return:
 - a. If you had income from any source while a resident of Delaware, **or**
 - b. If you had income from a Delaware source while you were a non-resident of Delaware.

Part-Year Residents may elect to file either a resident or non-resident return. You may wish to prepare both a resident and non-resident return. File <u>only</u> the return which is more advantageous for you.

Part-Year Residents electing to file a resident return – This option may be advantageous if, during the period of non-residency, you had no income from sources in other states and/or your only income was from Delaware. Report all income from Delaware and from all other sources on Form 200-01.

Part-Year Residents electing to file **a non-resident return** – This option may be advantageous if, during the period of non-residency, you had any income from other states or sources outside of Delaware. Report all income from your Federal return in Column 1 and all Delaware Source income in Column 2 of Form 200-02. To determine your Delaware tax, your modified Delaware source income will be divided by your Federal modified income to compute a proration decimal. Your tax liability and personal credits will be prorated accordingly, based on the proration decimal.

Note: Volunteer Firefighter, Child Care and Earned Income Tax Credits cannot be taken on the non-resident return (Form 200-02).

3. If you are a **Non-Resident** who had gross income in 2010 from sources in Delaware, you must file a Delaware Tax return.

Who is a Resident

A resident is an individual who either:

- Is domiciled in this State for any part of the taxable year; or
- Maintains a place of abode in this State and spends more than 183 days of the taxable year in this State.

A domicile is the place an individual intends to be his permanent home. An individual can have only one domicile. A domicile, once established, continues until the individual moves to a new location and exhibits a bona fide intention of making it his or her permanent home.

Full-Time Students with a legal residence in another state remain legal residents of that state unless they exhibit intentions to make Delaware their permanent residence.

NOTE*: Foreign Travelers – If you were out of the United States for at least 495 days in the last 18 consecutive months and (at the same time) you did not maintain a permanent place of abode in this State at which you, your spouse, your children or your parents were present for more than 45 days, you are not considered a resident of this State.

*The above NOTE does not apply to members of the Armed Forces, employees of the United States, its agencies, or instrumentalities.

Minors – Disabled – Deceased

If an individual is unable to file a return because he is a minor or is disabled, the return shall be filed by his authorized agent, guardian, fiduciary or the person charged with the care of the person or property of such individual. See the federal instructions for authorized signature. If an individual is deceased, his final return shall be filed by his executor, administrator or other person responsible for the property of the decedent. Please see Deceased on Page 12 for further instructions on deceased taxpayers.

When to File

Individual income tax returns are due on or before May 2, 2011, for all taxpayers filing on a calendar year basis. All others must file by the last day of the fourth month following the close of their taxable year.

Extension of Time to File a Return

CAUTION:

THERE IS NO EXTENSION OF TIME FOR PAYMENT OF TAX An extension of time to file your tax return is granted when the Application for Automatic Extension (Form 1027) includes a payment for the amount of any tax reasonably estimated to be due. Interest accrues at the rate of $\frac{1}{2}$ % per month, or fraction of a month, on any unpaid tax from the original due date of the return until paid.

If an extension is not filed and if there is a balance due when the return is filed, a penalty will be charged for filing the return late. If you have doubt as to whether the final return will show a balance due, file Form 1027 for an extension.

To extend your due date for submitting your completed income tax return (from May 2, 2011 to October 17, 2011), submit the following to the Division of Revenue no later than May 2, 2011:

- 1. Your payment of any balance of tax liability estimated to be due for tax year 2010 **AND**
- 2. The completed copy of Form 1027.

The application for an automatic extension, Form 1027, may be filed on-line at our website at www.revenue.delaware.gov. If you owe tax with your extension for 2010 and file on-line, you may use a direct debit from your checking or savings account or pay by credit card. If you are paying by direct debit you may specify a later payment date, up to the due date. Payments by Direct Debit must not come from an account outside the U.S. and may be made in any amount without dollar limitation. Payments up to \$2,500 can be made by credit card. If you choose not to file on-line, a blank copy of Form 1027 is available from the Division of Revenue or from our website above.

Blanket requests for extensions will not be granted. YOU MUST submit a separate application for each return.

To extend your due date **beyond October 17, 2011**, file with the Delaware Division of Revenue a photocopy of your approved Federal extension on or before the expiration of the extension granted on Form 1027. The approved federal extension will extend the due date of your Delaware return to the same date as your federal extension due date and must be attached to your Delaware return.

Members of Armed Forces

While you are stationed in Delaware, your military and non-military pay is subject to Delaware state income tax as follows:

Members of the Armed Forces									
Are You a		Delaware Filing Required							
Legal	Military Active	Military Active Other Income Other Income							
Resident of	Duty Income Earned in DE Earned in Other								
Delaware?	States								
Yes	Yes* Yes* Yes*								
No No Yes* No									
*Whether you	*Whether you are stationed in Delaware or not.								

Your state of legal residence is the same as it was when you entered the Armed Forces unless you voluntarily changed it while in the Armed Forces. For example, if you were a legal resident of Delaware when you entered the Armed Forces, you remain a legal resident of Delaware for Delaware state income tax purposes unless you voluntarily abandoned your Delaware residency and established a new legal domicile in another state.

If you change your legal residence, in the year you change, you are a part-year resident of both states. A change in legal residence is documented by filing DD Form 2058 and DD Form 2058-1 with your military personnel office.

The following examples illustrate this:

- Airman John Green, who is a legal resident of Delaware (domiciled in Delaware), was ordered to duty in, and moved his family to, New Jersey. The family has no income other than Green's military pay. Airman Green will file a federal and Delaware Resident tax return only. A New Jersey state tax return is not required.
- 2. Sergeant Paul Smith, whose domicile is Ohio and to which he is liable for income taxes, has been on active duty in Delaware for 12 months. Sergeant Smith is single and has non-military income from Delaware. Sergeant Smith will file as a non-resident of Delaware (using Form 200-02 NR) reporting all his income in Column A. He will also deduct his military compensation from his Delaware Non-Resident Return as a federal adjustment to gross income. (Column A, Line 16.) Sergeant Smith should contact Ohio for his filing requirements for Ohio.

Military Spouses

All income of a non-military spouse is taxed in the state of their legal residence. The following examples illustrate this:

- Airman Dan Brown and his spouse are legal residents of Delaware (domiciled in Delaware). Airman Brown was ordered to duty in, and moved with his spouse to, New Jersey. Besides Airman Brown's military pay, his spouse has New Jersey source wages. Airman Brown and his spouse will file both a federal and Delaware Resident tax return reporting both military and nonmilitary income. A New Jersey state tax return is not required.
- Sergeant Michael Jones, whose domicile is Ohio and to which he is liable for income taxes, has been on active duty in Delaware for 12 months. Sergeant Jones is married and his spouse has non-military income from Delaware. If Sergeant

Jones' spouse maintains a legal residence in a state other than Delaware, a Delaware state tax return will not be required. Sergeant Jones and his spouse should contact their state of legal residence for their filing requirements.

A military spouse claiming an exemption from Delaware's income Tax withholding requirements must complete an Annual Withholding Tax Exemption Certification Form, Form W-4DE, with their employer. This form is also available on our website at <u>www.revenue.delaware.gov</u>. A military spouse claiming an exemption must meet the conditions set forth under the Service Members Civil Relief Act, as amended by the Military Spouses Residency Relief Act.

Requirement to File Estimated Taxes

Every person who is either a resident of Delaware or has income from Delaware sources may be required to file quarterly Declarations of Estimated Tax to the Delaware Division of Revenue *if the Delaware tax liability less payments and credits can reasonably be expected to exceed \$400.* (See worksheet on this page.)

You may be required to make Estimated tax payments *if you* receive Unemployment Compensation, a lump sum distribution or a large bonus at the end of the year.

Also, you may be required to make Estimated tax payments if you are a Delaware resident and:

- Your employer does not withhold Delaware tax or
- You work in another state whose tax withholding rate is lower than Delaware's.

The estimated tax booklet, containing the worksheet for computing your estimated tax liability and the payment vouchers (Form 200-ES), will be sent after January 15, 2011. If you did not file estimated taxes for 2010 and need estimated tax coupons, call the **Estimated Tax forms voice mailbox at (302) 577-8588** to order them or call toll free 1-800-292-7826 (Delaware only).

Estimated tax payments may be filed on-line at www.revenue.delaware.gov by direct debit from your checking or savings account or by credit card. If you are paying by direct debit you may specify a later payment date, up to the due date. Payments by direct debit must not come from an account outside the U.S. and may be made in any amount without dollar limitation. Payments up to \$2,500 can be made by credit card. If you want to pay by check, you must use the paper Form 200-ES. Form 200-ES cannot be printed from our website at this time and must be ordered as indicated above.

To estimate your 2011 tax liability prior to receiving the booklet, complete your 2010 return using estimated income and deduction amounts for 2011.

When to Make Your Estimated Tax Payment

For estimated tax purposes, the year is divided into four payment periods. Each period has a specific payment due date as indicated below:

For the Period:	The payment due date is:
1/1/11 through 3/31/11	May 2, 2011

Penalties and Interest

1. <u>Interest</u> – Underpayment or late payment

The Delaware Code provides that interest on any underpayment or late payment of income taxes due shall accrue at the rate of $\frac{1}{2}$ % per month, from the date prescribed for payments to the date paid.

- <u>Penalty</u> Late-filing of balance due return
 The law imposes substantial penalties for failure to file a timely
 return. Late-filed returns with a balance due are subject to a
 penalty of 5% per month of the balance due.
- 3. <u>Penalty</u> Negligence/fraud/substantial understatement The law also provides severe penalties for a false or fraudulent return, or for a false certification. The mere fact that the figures you report on your Delaware return are taken from your Federal return will not relieve you from the imposition of penalties for negligence or for filing a false or fraudulent return.
- 4. <u>Penalty</u> Failure to pay

The law provides a penalty of 1% per month (not to exceed 25%) of the net tax liabilities for failure to pay the tax liability due on a timely filed or late-filed return. This penalty is in addition to the interest charged for late payment.

5. <u>Penalty</u> – Failure to File/Pay Estimated Taxes The law provides a penalty of 1½% per month of the computed tax payment for failure to file/pay estimated taxes due. This penalty is in addition to those penalties and interest listed above. The penalty is also assessed if the estimated payment is filed late.

Federal Privacy Act Information

Social Security Numbers must be included on your income tax return. The mandatory disclosure of your Social Security Number is authorized by Section 306, Title 30 of the <u>Delaware Code</u>. Such numbers are used primarily to administer and enforce all tax laws, both civil and criminal, for which the Division of Revenue has statutory responsibility.

Amended Returns

If any changes made to your federal return affect your state income tax liability, you are required to report the change to the Delaware Division of Revenue within ninety (90) days after the final determination of such a change and indicate your agreement with the determination or the grounds of your disagreement. Use Form 200-01-X to change an income tax return you have already filed, and attach a copy of any federal adjustments.

Rounding Off Dollars

Dollar amounts on your return must be rounded off to the nearest whole dollar. This means that amounts from 50 to 99 cents are increased to the next dollar. For example, \$1.50 becomes \$2.00 and \$1.49 becomes \$1.00.

Address Change

If you move after you file your return, you should notify the Division of Revenue of your address change. Please be sure to include your and your spouse's Social Security Number(s) in any correspondence with the Division of Revenue, or you may change your address by calling the Address Change voice mailbox at (302) 577-8589. You may also call toll free 1-800-292-7826 (Delaware only).

FRONT OF FORM 200-01

Name, Address and Social Security Number

Attach the preprinted label with your booklet to the front of the form in the space provided, *if your name, address and social security number has NOT changed since last year.* **NOTE**: To protect your privacy, the number on your label is not your social security number.

DO NOT use the mailing label if your name, address, social security number or marital filing status **HAS** changed since last year. Print your name(s), address, and social security number(s) in the space provided. If you are married, give names and social security numbers for both you and your spouse whether you file joint or separate returns. If you are a Jr., Sr., II, III, etc., please indicate it in the Jr., Sr., III, block.

DO NOT use the label if either the primary taxpayer or spouse is deceased. The surviving spouse information should be entered first under "Your Social Security No. and Your Last Name". The deceased person's data should be entered under "Spouse's Social Security No. and Spouse's Last Name". Also, write DECD after their first name and insert the date of death on Page 2 of the Delaware return. For an example, please see Page 12 of the Instruction Booklet.

Filing Status

Please indicate your filing status by marking the appropriate box.

FILING STATUS 1 – SINGLE TAXPAYER

If you were single on December 31, 2010, consider yourself Single for the whole year and use Filing Status 1.

FILING STATUS 2, 3, AND 4 - MARRIED TAXPAYERS

You may file Joint, Separate, or Combined Separate Delaware returns even if you filed Joint federal returns. However, if you filed Separate federal returns, you must file Separate Delaware returns. By using Filing Status 4, you are in fact filing two separate returns which have been combined on the same form for convenience.

NOTE: Generally, separate returns (filing status 3 or 4) will be advantageous if both spouses have a Delaware adjusted gross income in excess of \$9,400.

If you elect to use Filing Status 3 or 4, both you and your spouse must compute your taxable income the same way. This means if one itemizes deductions, the other must itemize. If one takes the standard deduction, the other must take the standard deduction in computing taxable income.

For Filing Status 3 or 4, you each report only your own income, personal credits, deductions, and one half of the income derived from securities, bank accounts, real estate, etc., which are titled or registered in joint names.

FILING STATUS 5 – HEAD OF HOUSEHOLD

If you filed as Head of Household on your federal return or qualify as certain married persons living apart, you may file as Head of Household on your Delaware return.

PART-YEAR RESIDENTS

If you were a part-year resident of Delaware in 2010 electing to file as a full-year resident, indicate the dates of your Delaware residency.

DE 2210 Indicator

Check the "Form DE2210 Attached" box and attach a copy of DE2210 to your return if you have calculated the Underpayment of Estimated taxes and an Estimated penalty is due OR if you completed Part 3. Use Form DE2210 to determine if you owe a penalty for the underpayment of estimated tax and to calculate the amount of the penalty.

To obtain Form DE2210, please contact our offices or visit the Division of Revenue website at <u>www.revenue.delaware.gov</u>. Do NOT check this box if a completed DE2210 (Pages 1 and 2) is not being sent with your return. Do NOT submit a Federal Form 2210 instead of a Delaware Form 2210. Do not submit computer worksheets in lieu of Form DE2210.

Next, complete the back of this form beginning with Line 28. **Instructions begin on Page 9.** Once the back is completed, return to the front and use the following instructions.

3	\$3,250	Column B	
4	\$3,250	Column A & B	
5	\$3,250	Column B	

NOTE: If you have itemized deductions greater than your allowable Delaware standard deduction, you can itemize deductions on your Delaware return even though you did not itemize deductions on your federal return.

2b Itemized Deductions

If you elect to itemize deductions:

a. Check the block on Line 2b.

- b. Complete Section C, Lines 42 through 47 on the back of your Delaware return.
- c. Enter the amount from Line 47 on Line 2.
- d. Attach a copy of Federal Form 1040 Schedule A and/or Schedule L to your Delaware return.
- e. If you claim a deduction on Federal Schedule A, Line 21 for Unreimbursed Employee Expenses, you must attach a copy of Federal Form 2106 or 2106 EZ.

NOTE: You cannot deduct Schedule L, Line 18 as itemized deductions on the Delaware return. Only Schedule A itemized deductions are allowable on the Delaware return. If you claimed a standard deduction on your federal return, you may still elect to itemize your deductions on the Delaware return. In this case, complete and attached Federal Schedule A, showing the itemized deductions you would have claimed on the federal return.

3 Additional Standard Deduction

The additional standard deduction is allowable only for those persons 65 and over OR blind, electing to use the Delaware standard deduction (Line 2a).

NOTE: If you elect to itemize your deductions, you do not qualify for the additional standard deduction even though you may be 65 years of age or older and/or blind. If you itemize deductions, do not check the "65 or over" box.

If you qualify for the additional standard deduction:

- 1. Be sure you checked the block on Line 2a to indicate you are using the standard deduction.
- 2. Check the appropriate box(es) relating to age and/or blindness on Line 3.
- 3. Multiply the number of boxes checked on Line 3 by \$2,500 and determine the total (a maximum of \$5,000 per individual).
- 4. If you are filing a combined separate return, enter the amount pertaining to each spouse (boxes checked x \$2,500) in the spouses' respective columns (\$5,000 per spouse age 65 or over and blind; \$2,500 per spouse age 65 and over or blind).
- 5. All other filing statuses should enter the total for both individuals in Column B.

6 Tax Liability

If Line 5 is less than \$60,000, use the tax table to compute your tax liability. If line 5 is \$60,000 or greater, use the tax schedule at the end of the tax table to compute your tax liability. Enter your tax liability on Line 6.

Lump Sum Distribution

This line applies, in the case of someone who is not selfemployed, only when the distribution is made:

- Due to the participant's death;
- Due to the participant's separation from employment;
- After the participant had attained age 59 ¹/₂.

In the case of a self-employed person, this line applies only when the distribution is made:

- Due to the participant's death;
- After the participant reached age 59 ¹/₂.
- The participant was previously disabled.

This line does not apply when your distribution was:

- Rolled over; An early distribution including an early distribution received for
- medical, education or housing exclusions; Subject to the early withdrawal penalty on Line 58 of your
- Federal Form 1040.

Delaware does not impose a penalty for early withdrawal from IRAs and Pension Plans. The law provides for separate tax treatment of lump sum distributions received from qualified pension plans, profit sharing or stock bonus plans. The law provides for ten year averaging of the distribution designated to be taxed as ordinary income. Under this provision, lump sum distributions will be taxed separately as ordinary income in the year of receipt. However, the federal "rollover" provisions apply to this income, so recipients have sixty days in which to invest the proceeds of the lump sum distributions into an IRA or other qualified pension plan without being subjected to tax. Persons receiving a lump sum distribution in 2010 must complete Delaware Form 329 to compute the tax liability on this income. The amount of tax (from Line 16, Form 329) should be placed on Line 7 of the Delaware return. You must attach Form 329 to your return. If you received a lump sum distribution, but did not qualify for or did not elect lump sum averaging on your federal return, you can still use Form 329 for Delaware purposes. See instructions for Line 36 (page 11) to exclude your lump sum distribution from your Delaware Adjusted Gross Income.

9a Personal Credits

Enter the total number of personal exemptions claimed on your federal return, multiply by \$110 and enter the total on Line 9a. If you are married and filing a combined separate return (Filing Status 4), split the total between Columns A and B in increments of \$110. If you are married and filing separate returns (Filing Status 3), allocate exemptions appropriately to each return and multiply by \$110, entering the total for each return in Column B. Please see example below. All other filing statuses place the total in Column B.

If you were not required to file a federal return, enter \$110 for each spouse reporting income plus \$110 for each person who could have been claimed as a personal exemption had you been required to file a federal return. Allocate the totals for your filing status as described in the paragraph above.

If you filed a federal EZ return, enter \$110 if you filed as single.

NOTE: You are not entitled to a Delaware Personal Credit if you are claimed as a dependent on another individual's Federal return. Enter "0" in the space provided on Line 9a.

Example: If you filed the federal return as a married couple filing jointly and have no dependents, enter \$220

- \$110 in each column if Filing Status 4
- \$110 per return in Column B if Filing Status 3, or
- \$220 in Column B if Filing Status 2.

Please ensure that the number of personal credits claimed on the Delaware return does not exceed the Federal number of exemptions. This data will be verified with the IRS.

9b Additional Personal Credits

If you and/or your spouse were 60 years of age or over on December 31, 2010, check the appropriate box(es), multiply the number of boxes checked by \$110, and enter the total on Line 9b.

If you are filing a combined separate return (Filing Status 4), enter \$110 in the column(s) that correspond to the checked box(es).

10 Other State Tax Credit

If you are a resident of Delaware (or elect to be taxed as one) and pay income taxes to another State on income earned in the other State which is also included in your Delaware taxable income, the law allows you a tax credit against your Delaware income tax. Do not include city wage taxes or county taxes payable with your other State return. (See Worksheet below.)

If you claim the tax credit, you must attach to your Delaware return a signed copy of the income tax return filed with the other State(s). In addition, your Delaware return information will be shared with the other State(s) that you claimed the credit for.

- a. The Delaware tax liability;
- b. The tax liability due and paid, after the application of all credits (example: tax forgiveness credit, earned income credit, poverty level credit), to the other state (not including amounts paid on your state return to local jurisdictions). The amount due and paid **is not the amount on your W-2**; or
- c. The amount computed by multiplying the Delaware tax by a fraction, the numerator of which is your adjusted gross income from sources in the other state and the denominator of which is your Delaware Adjusted Gross Income (Line 1).

If the other state income is not included in Delaware Source Income, then the other State tax credit cannot be taken in Delaware for that income.

NOTE: If you file using filing status 4 – Married filing combined separate – enter the credit in the column for the person who actually worked or was taxed by the other state.

NOTE: Taxes paid to a political subdivision of a state cannot be claimed as credit. The District of Columbia, however, is classified as a "State" for the purpose of this credit and, therefore, can be claimed as credit on Line 10.

Interest on State and Local

Obligations other than Delaware

Interest you received from any obligations of States other than Delaware or their political subdivisions, is taxable and must be added on Line 29. Examples of interest that is taxable:

Interest received on Pennsylvania Turnpike Bonds.

Mutual fund dividends not included on Line 28 that are attributable to interest on state or local obligations (minus those attributable to the State of Delaware and its authorities and political subdivisions - provided the mutual fund reports that amount to you in writing).

Fiduciary Adjustments, Oil 30 **Percentage Depletion**

Fiduciary Adjustments

Net additions from fiduciary adjustments derived from income received from an estate or trust as shown on Federal Form K-1, Beneficiary's Share of Federal Income and Deductions, should be included on Line 30.

Oil Percentage Depletion

The law provides for the disallowance of any percentage depletion deduction allowable under federal law, to the extent it is in excess of cost depletion. Add the excess to the amount of fiduciary adjustments and enter the total on Line 30.

U.S. Obligations 33

Interest received on obligations of the United States, and included on your federal tax return, is exempt from Delaware tax and should be entered on Line 33. Failure to identify the payor on Federal Schedule B will result in the disallowance of the deduction. Interest received on obligations for which the United States is NOT the primary obligor or which are NOT guaranteed by the full faith and credit of the United States is not exempt from tax and may not be entered on Line 33. (Examples are shown in the table below.)

- 4. Enter Line 3 or \$12,500, whichever is less here and on Line 34..... \$

Eligible retirement income includes dividends, capital gains, interest, net rental income from real property and qualified retirement plans (IRC Sec. 4974), such as IRA, 401(K), Keogh plans, and government deferred compensation plans (IRC Sec. 457).

Disability pension income paid by your employer is reported as wages on the federal return, until you reach the minimum retirement age. Minimum retirement age generally is the age at which you can first receive a pension or annuity if you are not disabled. Therefore, Disability pension income would not qualify for the pension exclusion.

Pension Exclusion Example: The primary taxpayer received \$10,000 in pension income. The secondary taxpayer received no pension income. The taxpayers had joint bank accounts and mutual fund accounts. They earned \$5,000 in interest from the bank, \$1,000 in dividends and \$3,000 in capital gains. These accounts would be split equally between the two taxpayers. Both taxpayers, in this example, are over 60 years old. The primary taxpayer's exclusion is 12,500 (10,000 + 2,500 + 500 + 1,500 = 14,500). The maximum exclusion for the primary taxpayer is \$12,500. The secondary taxpayer's exclusion is \$4,500 (2,500 + 500 + 1,500 = 4,500). The secondary taxpayer cannot include in the pension exclusion calculation the amount by which the primary taxpayer exceeded the \$12,500 maximum exclusion.

Delaware State Tax Refund

Delaware state tax refunds may be excluded to the extent they are included in federal adjusted gross income.

Fiduciary Adjustment

Net subtractions from fiduciary adjustments derived from income received from an estate or trust, as shown on your Federal Form K-1, Beneficiary's Share of Income and Deductions,

should be included on Line 35.

Work Opportunity Credit

The law allows a deduction for the portion of wages paid but disallowed as a deduction for federal tax purposes by reason of claiming the work opportunity credit on the federal return. That portion of the deduction for wages, which is disallowed for federal purposes, should be entered on Line 35. In order to claim this modification, you must attach Federal Form 5884.

Travelink Program

You may enter on this line any income you received by virtue of your employer's providing or subsidizing a vehicle for your commuting to and from work, provided:

- 1. Your employer is an approved participant in the Department of Transportation Travelink Program; and
- The amount you are subtracting on this line was included in the 2. total income on Line 28.

34 Pension Exclusion

Amounts received as pensions from employers (including pensions of a deceased taxpayer) may qualify for an exclusion from Delaware taxable income, subject to the limitations described below.

An early distribution from an IRA or Pension fund due to emergency reasons or a separation from employment does not qualify for the pension exclusion. If the distribution code(s) listed in Box 7 of your 1099 R(s) is a 1 (one), then that amount DOES NOT qualify for the pension exclusion. Also, if you were assessed an early withdrawal penalty on Line 58 of Federal 1040, that amount DOES NOT qualify for the pension exclusion.

NOTE: Each taxpayer may receive ONLY ONE exclusion, even if he or she is receiving more than one pension or other retirement distribution. A husband and wife who each receive pensions are entitled to one exclusion each.

IF YOU WERE UNDER 60 on December 31, 2010, your exclusion equals \$2,000 or the amount of your pension, whichever is less.

Delaware Net Operating Loss Carryovers

Taxpayers who were prevented in previous years from carrying federal net operating losses to their Delaware returns (because of Delaware's \$30,000 limit on net operating loss carrybacks) are permitted to carry these additional losses forward on their Delaware return in years following the loss year.

Social Security/Railroad 3<u>6</u> **Retirement Benefits**

Social Security and Railroad Retirement benefits are not taxable in Delaware and, therefore, should not be included in taxable income. Enter on Line 36 the total of any taxable payments included on Line 28.

Higher Education

Distributions received from gualified retirement plans (IRC Sec. 4974, including IRAs), cash or deferred arrangements (such as 401(k) plans) and government deferred compensation plans (IRC Sec. 457) may be excluded from Delaware adjusted gross income to the extent they are used in the same tax year to pay for books, tuition or fees at an institution of higher education attended by the taxpayer or by his or her dependents who have NOT attained the age of 26 by December 31, 2010; and as long as such amounts have been included in federal adjusted gross income.

Certain Lump Sum Distributions

Enter on Line 36 the amount, if any, of lump sum distributions included in federal adjusted gross income which you used Form 329 to calculate the tax on Line 7.

38 Subtotal

This line is used to calculate the 60 or Over OR Disabled credit.

39 Persons 60 or Over OR Disabled

The law provides for exclusions from gross income to persons meeting certain qualifications. Please refer to the Line 39 Worksheet below.

42
74

Itemized Deductions From Schedule A

Enter on Line 42 the total amount of itemized deductions as shown on Line 29, Federal Schedule A.

If you are filing a joint federal return and separate Delaware returns, the deductions must be determined as if each spouse had filed separate federal returns.

If you are unable to specifically allocate deductions between spouses, prorate the deductions based on the ratio of your separate incomes to total joint income. For example, if one spouse earns 60% of the household income and the other earns 40%, designate 60% of the deductions to the spouse earning 60% of the household income and 40% of the deductions to the spouse earning 40% of the household income.

43 Foreign Taxes Paid

If you elected the Foreign Tax Credit on your federal return, your federal itemized deductions, allowed as Delaware itemized deductions, will be increased by the amount of foreign taxes actually paid. Foreign taxes accrued, but not paid, are not allowed as an addition on Line 43. On Line 43, enter the amount of foreign taxes paid included on Line 8 of Federal Form 1116. If you were not required to file Federal Form 1116, enter on Line 43 the amount of foreign tax paid.

44 Charitable Mileage Deduction

If you used your automobile to perform a voluntary service for a charitable organization, you may increase your itemized deductions as follows:

Miles driven 1/1/10–12/31/10 _____ x .17 = \$_____ (enter this amount on Line 44.)

LINE 39 WORKSHEET. PERSONS 60 OR OVER OR DISABLED									
Single or married filing separate returns	Y	Ν	Joint Returns	Y	Ν				
Were you at least 60 years old or totally and permanently disabled on 12/31/2010?			Were both spouses at least 60 years old or totally and permanently disabled on 12/31/2010?						
Did your earned income (i.e., wages, tips, farm or business income) total less than \$2,500?			Is combined earned income (i.e., wages, tips, farm or business income) less than \$5,000?						
Is Line 38 \$10,000 or less?			Is Line 38 \$20,000 or less?						
If you answered YES to all, Enter \$2,000 on Line 39			If you answered YES to all, Enter \$4,000 on Line 39						
NOTE: If you are filing a joint return and only one spouse qualifies for this exclusion, you should consider filing separate returns (Filing Status 3 or 4).									

Itemized Deductions

If you elect to itemize deductions, complete Section C, Lines 42-47, to determine the amount of itemized deductions which you may claim on your Delaware return; otherwise, you may skip this section.

NOTE: You cannot deduct Schedule L, Line 18 as itemized deductions on the Delaware return. Only Schedule A itemized deductions are allowable on the Delaware return. If you claimed a standard deduction on your federal return, you may still elect to itemize your deductions on the Delaware return. In this case, complete and attached Federal Schedule A, showing the itemized deductions you would have claimed on the federal return.

NOTE: You cannot deduct the cost of taking a bus or driving a car between your home and your regular place of work as an Itemized Deduction on Schedule A. You cannot deduct commuting expenses no matter how far your home is from your regular place of work.

Do not enter motor vehicle title, realty transfer tax fees or transfer fees as other taxes. They do not qualify.

46a State Income Tax

Enter the amount of (1) Delaware state income taxes claimed in your federal itemized deductions plus (2) any taxes imposed and paid to another State that are included in your federal itemized deductions and claimed as a credit on Line 10 of this form. For example, if you had \$1,000 of taxes withheld in another state, but the tax liability to the other state was \$700, you should only include \$700 on Line 46a.

NOTE: Local taxes included in your federal itemized deductions should not be included

on Line 46a. Also, state taxes paid to another state for which you will not claim a credit on Line 10 of your Delaware return should not be included on Line 46a.

Form 700 Tax Credits 46b

Enter the amount of the charitable contribution claimed in your federal itemized deductions for permanent gifts of land, or interest in land, to public agencies and qualified private nonprofit charitable organizations and any investment in Neighborhood Assistance for which you claimed a tax credit for Form 700 on Line 12 of your Delaware return. Form 1801AC and/or Form 2001AC and the Division of Revenue approval letter must be attached to your return.

47 Total Itemized Deductions

Subtract Line 46a and 46b from Line 45 and enter the results on Line 47 and on Line 2 of your Delaware return. Make sure you have checked the block on Line 2b to indicate that you are electing to itemize your deductions.

Always compare the results of Line 47 to the standard deduction; you may benefit from using the standard deduction and from any allowable additional standard deductions.

Section D

Direct Deposit of Refund

Complete Section D if you want us to directly deposit the amount shown on Line 27, Form 200-01 or Line 23, Form 200-03 into your bank account. Refunds may not be direct deposited to a bank account outside the U.S.

Why Use Direct Deposit?

- You get your refund fast even faster if you file through the internet.
- Payment is more secure there is no check to get lost.
- More convenient. No trip to the bank to deposit your check.

Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers.

Delaware College Investment Plan (529 Plan)

Individuals can deposit their State income tax refund directly into a 529 Plan account. To obtain information on Delaware's Plan or how to contribute go to <u>www.savingforcollege.com</u> and select the State of Delaware in the US map area.

Line a – Routing Number

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. Otherwise, the direct deposit will be rejected and a check sent instead. On the sample check on this page, the routing number is 031100000.

Your check may state that it is payable through a bank different from the financial institution at which you have your checking account. If so, do not use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter on this line.

Line b – Type

Please check the type of account: checking or savings.

Line c – Account Number

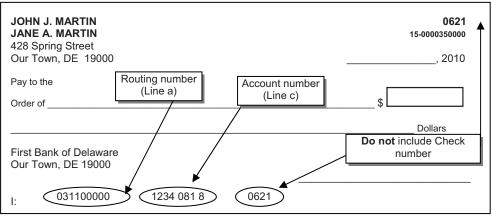

The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check on this page, the account number is 12340818. Be sure not to include the check number.

Line d – Bank

In order to comply with new federal banking rules, you must declare whether your refund will go to a bank account outside the United States. If the answer is yes, do not enter your account information. We will instead mail your refund by check.

NOTE: Some financial institutions will not deposit joint refunds into an individual account. The Delaware Division of Revenue is not responsible if a financial institution refuses a direct deposit.

SAMPLE CHECK:

NOTE: If your refund is adjusted by \$100.00 or more, a paper check will be issued and mailed to the address on your return.

Deceased

The executor, administrator or other person responsible for the filing of the Decedent's tax return, shall write DECD after the Decedent's first name on Page 1 and insert the Date of Death on Page 2. If there is a surviving spouse, the surviving spouse information should be entered FIRST under "Your Social Security No. and Your Last Name." The deceased person's data should be entered under "Spouse's Social Security No. and Spouse's Last Name."

Decedent example: John and Mary Jones have been married for 30 years and file jointly (Filing Status 2). John Jones passed away on June 30, 2010. Mary, as the surviving souse, will enter her data in "Your Social Security No., Your Last Name, First Name and Middle Initial." The Decedent's, John Jones, data will be entered in "Spouse's Social Security No., Spouse's Last Name and Spouse's First Name." DECD will also be written after "John" under "Spouse's First Name." Lastly, John Jones' Date of Death of June 30, 2010, shall be written on Page 2 of Form 200-01 under the Spouse's Column: Column A. For Form 200-03EZ filers, the Date of Death shall be listed on Page 1 under the Spouse's Column, which is the FIRST column.

Signature

Please review your tax return before you sign it. Complete the return to the bottom of Page 1 to ensure you receive all credits and exclusions.

Paid Preparer

Please complete all the fields in the Paid Preparer section. You must also sign the return.
