FROM THE COMMISSIONER

Did you know that if you file electronically and choose direct deposit, you can receive your refund in less than 15 business days? Taxpayers who filed their returns electronically and had their refunds direct deposited into their bank accounts received their refunds within an average of 7 to 10 business days. Refunds from paper returns can take up to 12 weeks to be issued. If you've been considering electronic filing, some of the benefits include:

- Faster and more accurate processing.
- Individual taxpayers who file electronically can receive their refund by mail or direct deposit.
- The ability to file from your home PC or have your taxes prepared by a professional electronic return originator.
- Elimination of mailing paper returns.

If you file electronically and need to make a payment, you may pay by electronic check using the Department of Revenue's Georgia Tax Center (GTC) visit <https://gtc.dor.ga.gov/#1> or visit our self service Instructional Videos at <http://gataxinfo.org/> for additional information or contact the Taxpayer Services Call Center at 1-877-423-6711.

The Department of Revenue, as outlined in the Taxpayer Bill of Rights, will provide "fair, courteous and timely service" to the taxpayers of Georgia. We have implemented several initiatives to ensure we uphold that standard. Our mission is to provide the best customer service and operational performance of any state taxing authority and the IRS.

RETURN FILING TIPS

- **FILE ELECTRONICALLY** - File electronically instead of using paper tax forms. If you file electronically and choose direct deposit, you can receive your refund in less than 15 business days.
- **CHECK THE IDENTIFICATION NUMBERS** - When filing a return, carefully check the identification numbers — usually Social Security numbers — for each person listed. Incorrect or illegible Social Security numbers can delay or reduce a tax refund.
- **MAILING ADDRESS**- Make sure your mailing address is complete and accurate on your return.
- **DOUBLE-CHECK YOUR FIGURES** - You should double-check that you have correctly calculated the refund or balance due.
- **CHECK THE TAX TABLES** - If you are filing using a paper return you should double-check that you have used the right figure from the tax table.
- **SUPPORTING DOCUMENTS**- Include copies of all income statements (W-2, 1099, etc.) indicating Georgia income tax withheld. You are not required to submit 1099 forms with your Georgia return unless Georgia income tax was withheld.
- **SIGN YOUR FORM** - Taxpayers must sign and date their returns. Both spouses must sign a joint return, even if only one had income. Anyone paid to prepare a return must also sign it.
- **MAILING YOUR RETURN** –Mail your return, payment and all necessary documentation to the appropriate address listed on the return. For additional mailing addresses, please check the section called "Where Do You File?" in the tax instruction booklet. **Sending your return via certified mail or courier will not speed processing of your return and will delay your refund.**
- **ELECTRONIC PAYMENTS** - Electronic payment options are convenient, safe and secure methods for paying taxes. You can authorize an electronic funds withdrawal, or use a credit card or a debit card. For more information on electronic payment options, visit the DOR website at <https://etax.dor.ga.gov/inctax/creditcardpay.aspx> or GTC at <https://gtc.dor.ga.gov/#1>
- **MAILING A PAYMENT** – If you are filing a paper return; mail your return, 525 TV payment voucher and your payment to the address that appears on the return. The check or money order should be made payable to "Georgia Department of Revenue". Make sure to include the Social Security number and tax year on all payments and correspondence. For faster, more accurate posting of your payment, use a payment voucher with a valid scanline from the Department of Revenue's website at www.dor.ga.gov/inctax/individual_income_tax_forms.aspx .
- **EXTENSION TO FILE** - By the April due date, taxpayers should either file a return or request an extension of time to file. Remember, the extension of time to file is not an extension of time to pay. Please use form IT-560 to make an extension payment. Your extension payment can be paid via the DOR website <https://gtc.dor.ga.gov/#1> to "Make a quick payment".
- **DOR WEBSITE**- Forms and publications and helpful information on a variety of tax subjects are available around the clock on the Georgia Department of Revenue Web site at www.etax.dor.ga.gov.
- **AMENDED RETURNS**- File Form 500X to correct information reported on Form 500. Do not use Form 500 to correct a previously filed return or Form 500X as an original return. Form 500X is located on the DOR website at https://etax.dor.ga.gov/inctax/individual_income_tax_forms.aspx . Please mail your completed Form 500X to Georgia Department of Revenue, PO Box 740318, Atlanta, GA 30374-0318.

NEW DEVELOPMENTS

Increased Retirement Exclusion. See retirement exclusion worksheet for more information.

Qualified Investor Tax Credit. This provides a 35% credit for amounts invested in certain Georgia headquartered small businesses. However, the aggregate amount of credit allowed an individual for one or more qualified investments in a single taxable year, whether made directly or by a pass-through entity and allocated to such individual, shall not exceed \$50,000.00. The credit is available for investments made in 2011, 2012, and 2013. **The credit is claimed 2 years later, in 2013, 2014, and 2015 respectively.** The taxpayer must get approval between September 1 and October 31 of the year the credit is claimed as provided in O.C.G.A. § 48-7-40.30 before claiming the credit. This became effective January 1, 2011. See Code Section 48-7-40.30 and Regulation 560-7-8-.52 for more information.

HB 100 (Numerous Sections) This bill creates the Georgia Tax Tribunal which is an independent and autonomous division within the Office of State Administrative Hearings operating under the sole direction of the chief tribunal judge. The Tribunal will also have a small claims division. Although appeals to the Office of State Administrative Hearings that were previously provided pursuant to O.C.G.A. § 50-13-12 are eliminated, the taxpayer will retain the option of appealing directly to Superior Court instead of the Georgia Tax Tribunal. Petitions for appeal of Tribunal decisions will be heard by the Superior Court of Fulton County, sitting as a reviewing court. Taxpayers can file petitions in the Georgia Tax Tribunal beginning January 1, 2013.

HB 846 (O.C.G.A. §§48-2-15.2, 48-2-55, and 48-3-7) Section 1 authorizes the publication of redacted letter rulings, effective for letter rulings requested after May 1, 2012. Section 2 of the bill modernizes the provisions governing the Commissioner's levy and sale of personal property. Section 3 of the bill authorizes the commissioner to electronically store, retrieve, and transmit tax executions. House Bill 846 became effective upon its approval by the Governor on May 1, 2012.

HB 386 (O.C.G.A. §§48-7-26, 48-7-27, and 48-7-29.12) The income tax portions of this bill provide as follows:

Section 2-1 of the bill amends Code Section 48-7-26 by raising the personal exemption for married taxpayers filing a joint return from \$5,400 to \$7,400 and for a married taxpayer filing a separate return from \$2,700 to \$3,700 beginning January 1, 2013.

Section 2-2 caps the retirement exclusion at \$65,000 for 2012 and later for a taxpayer who is age 65 or more (it was previously slated to gradually rise to an unlimited amount by tax year 2016 for a taxpayer who is age 65 or more).

Section 3-1 of the bill amends Code Section 48-7-29.12 (conservation tax credit):

- Specifies that for each application for certification, DNR shall require submission of an appraisal of the qualified donation by the taxpayer along with a nonrefundable \$5,000 application fee; provided, however, that the nonrefundable application fee

for property donated to the state shall be 1 percent of the total value of the donation, unless such donation is being made to qualify the state for a federal or state grant.

- Specifies that appraisals received by DNR shall be forwarded to the State Properties Commission for review. The State Properties Commission shall approve the appraisal amount submitted or recommend a lower amount based on its review and inform DNR of its determination. Upon receipt of the State Properties Commission's determination, DNR may proceed with the certification process.

- Specifies that "fair market value" is as determined by the State Properties Commission. Current law states that fair market value means the value of the donated property established by a property appraisal or appraisals meeting the requirements of Section 170 of Title 26 of the United States Code, to be submitted in such manner as the Commissioner may by regulation require.

- Requires the taxpayer to file a copy of the State Property Commission's determination with their tax return to claim the credit.

- Changes the definition of "qualified donation" to specify that beginning on January 1, 2014, the bona fide charitable nonprofit organization must be accredited by the Land Trust Accreditation Commission; to specify that the qualified donation must be for use in a manner consistent with at least two conservation purposes which are now defined in the law; and to eliminate the requirement that the conservation easement must meet the requirements under paragraph (4) of Code Section 12-6A-2.

- Changes the per property credit limitation for partners in a partnership from \$1 million to \$500,000 (note the per taxpayer limitations still apply).

- Requires that the certification issued by the Department of Natural Resources (DNR) specify that the donated property meets certain additional requirements which are now specified in the law.

- Provides that the appraisal required shall be a full narrative appraisal and include:

- A certification page, as established by the Uniform Standards of Professional Appraisal Practice, signed by the appraiser; and

- An affidavit signed by the appraiser which includes a statement specifying:

- The value of the unencumbered property, the total value of the qualified donation in gross, and an accompanying statement identifying the methods used to determine such values;

- Whether a subdivision analysis was used in the appraisal;

- Whether the landowner or related persons own any other property, the value of which is increased as a result of the donation; and

- That the appraiser is certified pursuant to Chapter 39A of Title 43.

NEW DEVELOPMENTS continued

- Specifies that a final determination by DNR or the State Properties Commission shall be subject to review and appeal under Chapter 13 of Title 50, the Georgia Administrative Procedure Act.

- Changes the qualified donation limitation from stating that only one qualified donation may be made with respect to any real property that was, in the year prior to donation, within the same tax parcel of record, to stating that only one qualified donation may be made with respect to any real property that was, in the five years prior to the donation, within the same tax parcel of record (but retains the exception for a donation by a person who is not a related person with respect to any prior eligible donors of any portion of such tax parcel).

- Provides any tax credits earned by a taxpayer in a taxable year beginning on or after January 1, 2013, previously claimed and not used may be transferred or sold in whole or in part by the taxpayer to another Georgia taxpayer but the transferor may make only a single transfer or sale of tax credits earned in a taxable year; however the transfer or sale may involve one or more transferees.

- Changes the penalty relating to an appraisal that has a substantial valuation misstatement.

- Specifies that no credit shall be allowed with respect to any amount deducted from taxable net income by the taxpayer as a charitable contribution.

The income tax portions of this bill are applicable to taxable years beginning on or after January 1, 2013.

HB 729 (O.C.G.A. § 48-1-2) The income tax portion of this bill (see Section 1), for taxable years beginning on or after January 1, 2011, adopts certain provisions of all federal acts (as they relate to the computation of Federal Adjusted Gross Income (AGI) for individuals or federal taxable income for non-individuals) that were enacted on or before January 1, 2012. Please see the federal tax change section for more information.

HB 808 (O.C.G.A. § 48-7-27) This bill provides an exclusion for disability income received by a disabled veteran who is a citizen and resident of Georgia to the extent the income is included in Federal Adjusted Gross Income. "Disabled veteran" means:

- Any wartime veteran who was discharged under honorable conditions and who has been adjudicated by the United States Department of Veterans Affairs as being at least 90 percent totally and permanently disabled and entitled to receive service connected benefits; or

- Any veteran who is receiving or who is entitled to receive a statutory award from the United States Department of Veterans Affairs for:

1. Loss or permanent loss of use of one or both feet;
2. Loss or permanent loss of use of one or both hands;
3. Loss of sight in one or both eyes; or
4. Permanent impairment of vision of both eyes of the following status: Central visual acuity of 20/200 or less in the better eye, with corrective glasses, or central visual acuity of more than 20/200 if there is a field defect in which the peripheral field has contracted to such an extent that the widest diameter of visual field subtends on angular distance no greater than 20 degrees in the better eye.

This bill is applicable to taxable years beginning on or after January 1, 2013.

HB 868 (O.C.G.A. §§ 48-7-40, 48-7-40.1, 48-7-40.12, 48-7-40.15, 48-7-40.17, and 48-7-40.24) This bill changes certain provisions regarding Code Section 48-7-40 (job tax credit), Code Section 48-7-40.1 (job tax credit for business enterprises in less developed areas), Code Section 48-7-40.12 (research tax credit), Code Section 48-7-40.15 (port activity tax credit), Code Section 48-7-40.17 (quality jobs tax credit) and Code Section 48-7-40.24 (mega tax credit). This bill is applicable to taxable years beginning on or after January 1, 2012.

HB 965 (O.C.G.A. §§ 48-7-114 and 48-7-129) This bill makes the following changes:

Section 1 of the bill amends O.C.G.A. § 48-7-114(e) to provide that fiduciaries shall not be required to pay estimated tax with respect to any taxable year ending before the date two years after the date of the decedent's death in the case of:

1. The estate of such decedent; or
2. A testamentary trust as defined in IRC Section 6654(l)(2)(B).

Section 2 of the bill amends O.C.G.A. § 48-7-129, relating to nonresident withholding for partnerships, Subchapter 'S' corporations, and limited liability companies. Currently withholding is required on any monthly "distributions paid" and annual "distributions credited but not paid". This bill changes the requirement such that withholding will only be required annually on the nonresident member's share of the taxable income sourced to this state, whether distributed or not. The payment is due on or before the due date (without extensions) for filing the income tax return of the entity.

This bill became effective when the Governor signed the bill and Section 2 is applicable to taxable years beginning on or after January 1, 2012.

HB 1027 (O.C.G.A. §§ 48-7-40.24 and 48-7-40.26) Section 1 of the bill amends Code Section 48-7-40.24 (mega tax credit) and is applicable to taxable years beginning on or after January 1, 2012. Section 2 of the bill amends Code Section 48-7-40.26 (film tax credit) and is applicable to taxable years beginning on or after January 1, 2013.

The Department of Revenue has entered into an alliance with certain software companies to offer free on-line filing services to Georgia taxpayers. Under this agreement, qualified taxpayers can prepare and file their Georgia individual income tax returns for free using approved software.

Some software companies have income limitations and other restrictions for their free services. Please review each company's offer before selecting a product. For more information, visit our website at https://www.etax.dor.ga.gov/IndTax_TSD.aspx.

If you do not qualify for free electronic services, you may file electronically using software produced by an approved vendor listed at the following web address, https://www.etax.dor.ga.gov/IndTax_TSD.aspx.

WHEN ELECTRONIC FILING IS REQUIRED

Taxpayers that remit payments by electronic funds transfer, whether on a mandatory or voluntary basis, must file all associated returns electronically. Also, a return preparer who prepares an income tax return, must electronically file the return, when the federal counterpart of such return is required to be filed electronically pursuant to the Internal Revenue Code of 1986 or Internal Revenue Service regulations.

CREDIT CARD PAYMENTS

The Georgia Department of Revenue accepts Visa, American Express, MasterCard, and Discover credit cards as payment for current year individual income tax due on original Forms 500, 500EZ, and 500ES, as well as for liabilities presented to taxpayers via Georgia Department of Revenue assessment notices. To make a payment, use Official Payments Corporation's (OPC) secure website or call OPC toll-free at 1-800-2PAY-TAX. When calling, use Jurisdiction Code 2000.

For more information, visit our website at <https://etax.dor.ga.gov/inctax/creditcardpay.aspx>

ELECTRONIC PAYMENTS

In May 2009, the Department of Revenue implemented a new system, (GTC) to allow taxpayers to file and pay certain business taxes electronically. Since November 2011, the system has been expanded to accept individual income and estimated tax payments. For information about the GTC, visit our website at <https://gtc.dor.ga.gov/#1> or visit our self service Instructional Videos at <http://gataxinfo.org/> for additional information or contact the Taxpayer Services Call Center at 1-877-423-6711.

WHERE'S MY REFUND?

You may check the status of your refund on-line at <https://gtc.dor.ga.gov/#1>. You may also check the status of your refund by calling 1-877-GADOR11 (1-877-423-6711).

Before making an inquiry, please allow:

- 2 weeks for returns filed electronically.
- 7 weeks for paper returns filed prior to April 1st.
- 10 weeks for paper returns filed after April 1st.

Note: A claim for refund must be made within three (3) years from the later of the date the tax was paid or the due date of the return, including extensions. For tax years prior to 2003, a claim for refund must be made within 3 years from the date taxes were paid.

TWO-DIMENSIONAL BARCODE RETURNS

If you choose to file a paper return, we recommend using a return containing a two-dimensional (2D) barcode. A 2D barcode is similar to the one located on the back of your Georgia driver's license. Information from your return is captured by a machine-readable barcode rather than manually entered, which reduces processing errors. The 2D barcode is only visible after your return has been printed.

The Department's fill-in Form 500 and Form 500EZ have a 2D barcode option. You can print a 2D barcode on your return when you electronically complete and print the form directly from the Department's website.

A list of companies that produce forms with a 2D barcode is available at https://etax.dor.ga.gov/IndTax_TSD.aspx.

REQUESTING AN EXTENSION

You have an automatic six-month extension to file your Georgia return when you receive an extension to file your Federal return. The Georgia return must be filed along with a copy of Federal Form 4868 or the IRS confirmation letter on or before the extended Federal due date. If you do not need a Federal extension, you may use Georgia Form IT 303 to request an extension to file your Georgia return.

An extension to file does not extend the date for paying the tax. Tax must be paid with Form IT 560 by the statutory due date to avoid late payment penalty and interest. The amount paid should be entered on Form 500, Line 21.

REVIEW OF ASSESSMENTS

If you are audited and it is believed that you owe additional taxes, you will generally be issued a Proposed Assessment. If the Proposed Assessment is not protested or paid within 30 days, an Official Assessment and Demand for Payment will be issued. When either of these assessments is issued, you are entitled to an administrative review upon written request. You must complete the appropriate form. For your convenience, these forms are available on the Department's website at www.etax.dor.ga.gov.

FILING REQUIREMENTS

Full-year Residents

Full-year residents are taxed on all income, except tax exempt income, regardless of the source or where derived. You are required to file a Georgia income tax return if:

2. Under 65, and blind	5,500
3. 65 or over, not blind	5,500
4. 65 or over, and blind	6,800

These requirements apply as long as your legal residence is Georgia, even if you are absent from or live outside the State temporarily. A credit for taxes paid to another state is allowed. See the worksheet on page 15 and the instructions for Line 17 on page 13 for more information.

Filing for Deceased Taxpayers

The surviving spouse, administrator, or executor may file a return on behalf of a taxpayer who dies during the taxable year. When filing, use the same filing status that was used on the Federal income tax return. The due date for filing is the same as for Federal purposes.

To have a refund check in the name of a deceased taxpayer reissued, mail Georgia Form 5347 and a copy of the death certificate along with the check to the address on the form.

Part-year Residents and Nonresidents

Instructions for part-year residents and nonresidents are available on pages 17 through 18.

Military Personnel

Residents. Military personnel whose home of record is Georgia or who are otherwise residents of Georgia are subject to Georgia income tax on all income regardless of the source or where earned, unless specifically exempt by Georgia law. Military personnel who serve outside of the continental U.S. may file their Georgia income tax return within six months after they come back to the continental U.S. No penalties or interest will accrue during this period.

Members of the National Guard or Air National Guard who are on active duty for a period of more than 90 consecutive days are allowed a tax credit against their individual income tax. The credit cannot exceed the amount expended for qualified life insurance premiums or the taxpayer's income tax liability and should be claimed on Form IND-CR.

Nonresidents. Military personnel whose home of record is not Georgia and who are not otherwise residents of Georgia are only required to file a Georgia income tax return if they have earned income from Georgia sources other than military pay. If required, nonresident military personnel should file Georgia Form 500 and use Schedule 3 to calculate Georgia taxable income. (See pages 17-18 for instructions on completing Schedule 3.)

Combat Zone Pay. Effective tax year 2003, military income earned by a member of the National Guard or any reserve component of the armed services while stationed in a combat zone or stationed in defense of the borders of the United States pursuant to military orders is not subject to Georgia income tax. The exclusion from income is only with respect to military income earned during the period covered by such military orders. A copy of the Federal return must be enclosed with the Georgia return to claim this exclusion. The exclusion is limited to the amount included in Federal Adjusted Gross Income.

Taxpayers Required to File Form 1040NR

Individuals who are required to file Federal Form 1040NR must file Georgia Form 500. Similar to Federal income tax rules, most Georgia taxpayers are only allowed to deduct the applicable Georgia personal exemption and expenses reflected on Form 1040NR. Most taxpayers are not allowed to take the standard deduction and they are allowed only limited itemized deductions as shown on Form 1040NR, Schedule A.

Other State's Tax Return

If you claim a credit for taxes paid to another state(s), you must include a copy of your return filed with that state along with your Georgia return. No credit for taxes paid to another state will be allowed unless the other state's return is enclosed with the Georgia return.

Amended Returns

File Form 500X to correct information reported on Form 500. Do not use Form 500 to correct a previously filed return or Form 500X as an original return.

FEDERAL TAX CHANGES

The Governor signed House Bill 729 into law. Consequently, for taxable years beginning on or after January 1, 2012, with exceptions as discussed below, Georgia has adopted the provisions of all federal acts (as they relate to the computation of federal adjusted gross income (AGI) for individuals or federal taxable income for non-individuals) that were enacted **on or before** January 1, 2012. For 2012, the I.R.C. Section 179 deduction is **\$139,000** and the related phase out is **\$560,000**. Georgia has not adopted the Section 179 deduction for certain real property.

Exceptions

Georgia has **not** adopted I.R.C. Section 168(k) (the 30%, 50% and 100% bonus depreciation rules) except for I.R.C. Section 168(k)(2)(A)(i) (the definition of qualified property), I.R.C. Section 168(k)(2)(D)(i) (exceptions to the definition of qualified property), and I.R.C. Section 168(k)(2)(E) (special rules for qualified property) and Georgia has not adopted I.R.C. Section 199 (federal deduction for income attributable to domestic production activities).

Georgia has also **Not** adopted the following:

- The exclusion of \$2,400 of unemployment income for 2009, I.R.C. Section 85(c).
- Additional itemized deduction for the sales tax on the purchase of a new vehicle in 2009, I.R.C. Sections 164(a)(6) and 164(b)(6). Please note: Georgia also does not allow the increased standard deduction for sales tax on the purchase of a new vehicle in 2009 because Georgia has its own standard deduction.
- The election to increase the normal two year net operating loss carryback to 3, 4, or 5 years for tax years 2008 and 2009, I.R.C. Sections 172(b)(1)(H) and 810(b)(4).
- The transition rule that would allow a taxpayer to revoke a prior election to forego the net operating loss carryback period.

- Deferral of debt discharge income from reacquisitions of business debt at a discount in 2009 and 2010; federally deferred for up to five years, then included ratably over five years, I.R.C. Section 108(i).
- Modified rules for high yield original issue discount obligations, I.R.C. Sections 163(e)(5)(F) and 163(i)(1).
- New York Liberty Zone Benefits, I.R.C. Section 1400L.
- 50% first year depreciation for post 8/28/2006 Gulf Opportunity Zone property, I.R.C. Section 1400N(d)(1).
- 50% bonus depreciation for most tangible property and computer software bought after May 4, 2007 and placed in service in the Kansas Disaster Area, I.R.C. Section 1400N(d)(1).
- 50% bonus depreciation for "qualified reuse and recycling property", I.R.C. Section 168(m).
- 50% bonus depreciation in connection with disasters federally declared after 2007, I.R.C. Section 168(n).
- Increased (\$8,000) first-year depreciation limit for passenger automobiles if the passenger automobile is "qualified property," I.R.C. Section 168(k).
- 15 year straight-line cost recovery period for certain improvements to retail space, I.R.C. Sections 168(e)(3)(E)(ix), 168(e)(8), and 168(b)(3)(I).
- Modified rules relating to the 15 year straight-line cost recovery for qualified restaurant property (allowing buildings to now be included), I.R.C. Section 168(e)(7).
- 5 year depreciation life for most new farming machinery and equipment, I.R.C. Section 168(e)(3)(B)(vii).

- 5 year carryback of certain disaster losses, I.R.C. Sections 172(b)(1)(J) and 172(j).

FEDERAL TAX CHANGES (continued)

- The election to deduct public utility property losses attributable to May 4, 2007 Kansas storms and tornadoes in the fifth tax year before the year of the loss, I.R.C. Section 1400N(o).
- Special rules relating to a financial institution being able to use ordinary gain or loss treatment for the sale or exchange of certain preferred stock after Dec. 31, 2007, I.R.C. Section 1221.
- Temporary tax relief provisions relating to the Midwestern disaster area, I.R.C. Sections 1400N(f) and 1400N(k).

Depreciation Differences. Depreciation differences due to the Federal acts mentioned above should be treated as follows (If the taxpayer has depreciation differences from more than one Federal act, it is not necessary to make a separate adjustment for each act):

- A. Depreciation must be computed one way for Federal purposes and another way for Georgia purposes. To compute depreciation for Federal purposes, taxpayers should use the current year IRS Form 4562 and attach it to the Georgia return. This should be entered on the other addition line of the return.
- B. Depreciation must also be computed for Georgia purposes. Taxpayers should use Georgia Form 4562 to compute depreciation for Georgia purposes and attach it to the Georgia return. This should be entered on the other subtraction line of the return.

Federal deduction for income attributable to domestic production activities (IRC Section 199). This adjustment should be entered on the addition line of the applicable return. An adjustment to the Georgia partnership or S Corporation return is not required if the partnership or S Corporation is not allowed the Section 199 deduction directly, but instead passes through the information, needed to compute the deduction, to the partners or shareholders.

Other Differences. Other differences should be placed on the other addition or subtraction line of the applicable return. Attach a statement to the return explaining these differences. Additionally, the provisions listed above may have an indirect effect on the calculation of Georgia taxable income. Adjustments for the items listed below should be added or subtracted on your Georgia income tax form.

1. When property is sold for which the bonus depreciation was claimed, there will be a difference in the gain or loss on the sale of the property.
2. The depreciation adjustment may be different if the taxpayer is subject to the passive loss rules and is not able to claim the additional depreciation on the Federal return.
3. Other Federal items that are computed based on Federal Adjusted Gross Income or Federal Taxable Income will have to be recomputed if the provisions of the Federal Acts are claimed.

Furthermore, in 2003 the IRS started requiring separate reporting, to shareholders of S Corporations and partners of partnerships, for the gain from asset sales for which an I.R.C. Section 179 deduction was claimed. Georgia follows the separate reporting treatment of the gain and the Section 179 deduction. Accordingly, the gain should not be reported directly on the S Corporation or partnership return, but the gain, along with any Georgia adjustment to the gain (due to the Federal acts), should be reported separately to the shareholders or partners.

Withholding on Lump-sum Distributions. For taxable years beginning on or after January 1, 2008, the payee of any non-periodic payment may elect to have withholding made on such non-periodic distributions from a pension, annuity, or similar fund. Such an election shall remain in effect until revoked by the payee.

Innocent Spouse Relief. In accordance with O.C.G.A. Section 48-7-86(g), individuals granted innocent spouse relief under Section 6015 of the Internal Revenue Code are eligible for relief from liability for tax, interest and penalty to the extent relief was granted by the Internal Revenue Service.

Federal Audit. Whenever a Federal audit or other Federal adjustment results in a change in net income for any year, you are required to furnish under separate cover, within 180 days, a schedule reflecting all changes to the Taxpayer Services Division, Department of Revenue, P.O. Box 740380, Atlanta, Georgia 30374-0380. If you do not submit a return reflecting all changes and the Commissioner receives this information in a report from the United States Government, the Commissioner will issue an assessment for tax due within five years from the date the report is received from the United States Government.

A taxpayer who fails to notify the Commissioner within 180 days forfeits any Georgia refund as a result of an audit if the normal statute of limitations has expired. However, 90 percent of any overpayment can be applied to a balance due for another year that is a result of the same IRS audit.

Consent Requirement for Nonresident Shareholders.

For tax years beginning on or after January 1, 2008, nonresident shareholders of an S Corporation will only need to file a single consent form in the year in which the S Corporation is first required to file a Georgia income tax return. Form 600S-CA may be downloaded and printed from the Departments website.

Withholding on Nonresidents. Withholding is required on the members share of the taxable income sourced to this state, whether distributed or not, from Partnerships, Limited Liability Companies and S Corporations. Withholding should be reported on Form G-2A and entered on Form 500, Line 20. Include a copy of Form G-2A with your return.

As an alternative to withholding, an entity may file a composite return for its nonresident members. Form IT-CR may be downloaded and printed from the Departments website.

Withholding is also required on the sale or transfer of real property and associated tangible personal property by nonresidents of Georgia. Tax withheld is reported on Form G-2RP and should be entered on Form 500, Line 20. Include a copy of Form G-2RP with your return.

However, if one spouse is a resident and the other is a nonresident without any Georgia-source income, your Georgia return may be filed jointly or separately with each spouse claiming the appropriate personal allowances and deductions. LINE 9 If you have income that is taxable by the Federal Government but not taxable to Georgia or vice versa, you must adjust your Federal adjusted gross income. The following adjustments must be ADDED if applicable:

1. Interest received from non-Georgia municipal bonds and dividends received from mutual funds that derived income from non-Georgia municipal bonds.
2. Loss carryovers from years when you were not subject to Georgia income tax.
3. Lump sum distributions from employee benefit plans reported on IRS Form 4972.

4. Depreciation because of differences in Georgia and Federal law during tax years 1981 through 1986.
5. Adjustments due to Federal tax changes (see pages 7-8).
6. Federal deduction for income attributable to domestic production activities under I.R.C. Section 199.
7. Payments for more than \$600 in a taxable year made to employees which are not authorized employees and which are not excepted by Code Section 48-7-21.1. An authorized employee is someone legally allowed to work in the United States.
8. Portion of charitable contributions for which a qualified education expense credit was claimed.
9. Taxable portion of withdrawals on the Georgia Higher Education Savings Plan (see Regulation 560-7-4-.04).
Note: If a taxpayer receives a state refund and is not required to include the refund in Federal AGI since they were subject to Federal Alternative Minimum Tax, they are not required to include the refund for Georgia purposes.

The following adjustments may be SUBTRACTED:

1. **Retirement income.** For tax year 2012, the maximum retirement income exclusion is \$35,000 for taxpayers who are:
 - (A) 62 - 64 years of age, or
 - (B) less than 62 and permanently disabled to such an extent that they are unable to perform any type of gainful employment.

The retirement exclusion is \$65,000 if the taxpayer is 65 or older.

The exclusion is available for the taxpayer and his/her spouse; however, each must qualify on a separate basis. If both spouses qualify, each spouse may claim the amounts above. Income from property that is jointly owned should be allocated to each taxpayer at 50% of the total value. Up to \$4,000 of the maximum allowable exclusion may be earned income. Use the worksheet on page 14 to calculate the exclusion and document the adjustment on Form 500, Schedule 1.

2. Interest and dividends on U.S. Government bonds and other U.S. obligations. These must be reduced by direct and indirect interest expenses which are attributable to the income. Interest received from the Federal National Mortgage Association, Government National Mortgage Association, Federal Home Loan Mortgage Corporation, and from repurchase agreements is taxable.
3. Social security or railroad retirement (tier 1 and tier 2) paid by the Railroad Retirement Board included in Federal adjusted gross income.
4. Salaries and wages reduced from Federal taxable income because of the Federal Jobs Tax Credit.

FORM 500 INSTRUCTIONS (continued)

5. Individual retirement account, Keogh, SEP and SUB-S plan withdrawals where tax has been paid to Georgia because of the difference between Georgia and Federal law for tax years 1981 through 1986.
6. Depreciation because of differences in Georgia and Federal law during tax years 1981 through 1986.
7. Dependent's unearned income included in parents' Federal adjusted gross income.
8. Income tax refunds from states other than Georgia included in Federal adjusted gross income. **Do not subtract Georgia income tax refunds.**
9. Income from any fund, program or system which is exempted by Federal law or treaty.
10. Adjustment to Federal adjusted gross income for Georgia resident shareholders for Subchapter S income where the Sub S election is not recognized by Georgia or another state in order to avoid double taxation. *This adjustment is only allowed for the portion of income on which the tax was actually paid by the corporation to another state(s).*
In cases where the Sub S election is recognized by another state(s) the income should not be subtracted. Credit for taxes paid to other states may apply.
11. Adjustment for teachers retired from the Teacher's Retirement System of Georgia for contributions paid between July 1, 1987 and December 31, 1989 that were reported to and taxed by Georgia.
12. Amount claimed by employers in food and beverage establishments who took a credit instead of a deduction on the Federal return for FICA tax paid on employee cash tips.
13. An adjustment of 10% of qualified payments to minority subcontractors or \$100,000, whichever is less, per taxable year by individuals, corporations or partnerships that are party to state contracts. For more information call the Department of Administrative Services at 404-657-6000 or visit their website: <http://doas.ga.gov/Suppliers/Pages/SupplierMBE.aspx>.
14. Deductible portion of contributions to the Georgia Higher Education Savings Plan. The deduction is limited on a return to the amount contributed but cannot exceed \$2,000 per beneficiary.
15. Adjustments due to Federal tax changes. (See pages 7-8 for information.)
16. Combat zone pay exclusion. See page 6 for more information.
17. Up to \$10,000 of unreimbursed travel expenses, lodging expenses and lost wages incurred as a direct result of a taxpayer's donation of all or part of a kidney, liver, pancreas, intestine, lung or bone marrow during the taxable year.
18. Adjustments to Federal adjusted gross income for Georgia resident partners in a partnership or member(s) in a LLC where such entities income has been taxed at the entity level by another state. Adjustment is only allowed for the portion of income on which the tax was actually paid.

19. An amount equal to 100 percent of the premium paid by the taxpayer during the taxable year for high deductible health plans as defined by Section 223 of the Internal Revenue Code. The amount may only be deducted to the extent the deduction has not been included in federal adjusted income and the expenses have not been provided from a health reimbursement arrangement and have not been included in itemized deductions. In the event the taxpayer claims the expenses as itemized deductions, the taxpayer should multiply the expense by the ratio of total allowed itemized deductions after the 7.5% federal limitation to the total allowed itemized deductions before the 7.5 percent federal limitation to determine the amount that is not allowed to be deducted pursuant to this paragraph. For example the taxpayer has \$1,000 in high deductible health insurance premiums. They also have \$7,000 of other medical expenses which means they have total medical expenses of \$8,000. After the 7.5% limitation, the taxpayer is only allowed to deduct \$2,000 of medical expenses. The \$1,000 deduction must be reduced by \$250 ($\$2,000/\$8,000 \times \$1,000$). Which means the taxpayer is allowed to deduct \$750 pursuant to this paragraph.
 20. Federally taxable interest received on Georgia municipal bonds designated as "Build America Bonds" under Section 54AA of the Internal Revenue Code of 1986. "Recovery Zone Economic Development Bonds" under Section 1400U-2 of the Internal Revenue Code or any other bond treated as a "Qualified Bond" under Section 6431(f) of the Internal Revenue Code are considered "Build America Bonds" for this purpose.
 21. Federally taxable interest received on Georgia municipal bonds issued by the State of Georgia and certain authorities or agencies of the State of Georgia for which there is a special exemption under Georgia law from Georgia tax on such interest.
- LINE 10** Georgia adjusted gross income (net total of Line 8 and Line 9). If the amount is negative, fill in the circle next to the line number.
- LINES 11a-c** Enter the standard deduction that corresponds to your marital status as indicated below and any additional deductions on Lines 11a and 11b. Enter the total standard deduction on Line 11c. **If you use the standard deduction on your Federal return, you must use the Georgia standard deduction on your Georgia return. The additional deduction applies if you and/or your spouse are age 65 or over and/or blind.**
- Leave Lines 12a-c blank if you use the standard deduction.**
- | | |
|---------------------------|---------|
| Single/Head of Household: | \$2,300 |

When Federal itemized deductions are reduced because of high income, the reduced amount should be used as the starting point to compute Georgia itemized deductions.

If you itemize deductions on your Federal return, or if you are married filing separate and your spouse itemizes deductions, you must itemize deductions on your Georgia return. Include a copy of Federal Schedule A with your Georgia return.

LINE 13 Subtract Line 11c or 12c from Line 10. If the amount is negative, fill in the circle next to the Line number.

LINES 14a-c Multiply the number on Line 6c by \$2,700; enter the total on Line 14a. Multiply the number on Line 7a by \$3,000; enter the total on Line 14b. Add the amounts on Lines 14a and 14b; enter the total on Line 14c.

LINE 15 Subtract Line 14c from Line 13 to determine your Georgia taxable income. If this amount is negative, fill in the circle next to the line number.

LINE 16 Use the amount on Line 15 and the tax tables on pages 20 through 22 to determine your tax liability.

LINE 17 If you paid tax to more than one state, use the total of the other state's income and the worksheet on page 15 to calculate the Other State's Tax Credit. *You must complete Schedule 2 and include a copy of the return filed with the other state(s) with your Georgia return or the credit will not be allowed.*

LINE 18 Subtract Line 17 from Line 16. If zero or less, enter zero.

LINE 25 Enter the amount you want credited to estimated tax.

LINES 26 - 33 Enter donation amount (not less than \$1).

LINE 34 Enter estimated tax penalty from Form 500 UET.

LINE 35 Add Lines 23 and 26 through 34 and enter the total amount due. Mail your return and payment along with Form 525 TV (see page 19) to the address on Form 500.

LINE 36 Subtract the sum of Lines 25 through 34 from Line 24 and enter the amount to be refunded to you.

It costs the State of Georgia approximately \$1 to print mail and process each tax refund check. Last year, the State of Georgia spent over 1 Million dollars processing tax refund checks. Please consider choosing Direct Deposit, which is free to the State of Georgia, or a Debit Card, which is also free, for your tax refund method.

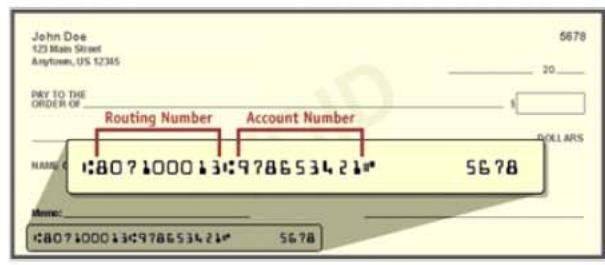

Direct Deposit Option

Line 36a Check the appropriate box for the type of account. **Do not check more than one box.** You must check the correct box to ensure your direct deposit is accepted.

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check below, the routing number is 807100013. John Doe would use that routing number unless their financial institution instructed them to use a different routing number for direct deposits.

Ask your financial institution for the correct routing number to enter on line 36a if:

- The routing number on a deposit slip is different from the routing number on your checks.
- The deposit is to a savings account that does not allow you to write checks or
- Your checks state they are payable through a financial institution different from the one at which you have your checking account.

The account number can be up to 17 characters (both numbers and letters). Include hyphens, but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check above, the account number is 978653421. Do not include the check number. On the sample check above, the check number is 5678.

Reasons your direct deposit may be rejected – If any of the following apply, your direct deposit request will be rejected and a check will be sent:

- Any numbers or letters are crossed out or whited out.
- Your financial institution will not allow a joint refund to be deposited to an individual account. The State of Georgia is not responsible if a financial institution rejects a direct deposit.
- You request a deposit of your refund to an account that is not in your name (such as your tax preparer's own account).

LINE 36b Select this box to opt-in to receive a Debit Card. With the Georgia Department of Revenue Tax Refund Debit Card, your refund is faster, easier and more secure.

LINE 36c Select this box to receive a paper check in the amount of the refund on Line 36.

Low Income Credit Worksheet

You may claim the low income credit if your Federal adjusted gross income is less than \$20,000 and you are not claimed or eligible to be claimed as a dependent on another taxpayer's Federal or Georgia income tax return. Full-year residents should claim the credit on Form 500, Schedule 2, Line 11 or Form 500EZ, Line 5. Part-year residents may only claim the credit if they were residents at the end of the tax year. Taxpayers filing a separate return for a taxable year in which a joint return could have been filed can only claim the credit that would have been allowed had a joint return been filed. **You cannot claim this credit if you are an inmate in a correctional facility or if you receive a food stamp allotment. Please note for tax years beginning on or after January 1, 2010, the credit cannot exceed the taxpayer's income tax liability.**

Social security and railroad retirement paid by the Railroad Retirement Board, exempt interest, or other income that is not taxable to Georgia should not be included in the retirement income exclusion calculation. Income or losses should be allocated to the person who owns the item. If any item is held jointly, the income or loss should be allocated to each taxpayer at 50%.

Part-year residents and nonresidents must prorate the retirement income exclusion. The earned income portion and the unearned income portion must be separately prorated. The earned income portion shall be prorated using the ratio of Georgia source earned income to total earned income computed as if the taxpayer were a resident of Georgia for the entire year. The unearned portion shall be prorated using the ratio of Georgia source unearned retirement income to total unearned retirement income computed as if the taxpayer were a resident of Georgia for the entire year.

*Retirement income does not include income received directly or indirectly from lotteries, gambling, illegal sources or similar income.

** Rental, Royalty or Partnership income that is subject to FICA tax or Self employment tax should be included on line 2 not line 13. Trade or business income from an S Corp in which the taxpayer or their spouse materially participated should be included on line 2 not line 13.

WORKSHEET FOR OTHER STATE(S) TAX CREDIT

Enter the Total Tax Credit on Form 500, Schedule 2, Line 1. **Enclose a copy of tax return(s) filed with other state(s).** The credit is for state income tax only. No other income taxes such as local, city, province, U.S. Possession, foreign countries, etc., qualify for this credit.

INSTRUCTIONS FOR PART-YEAR RESIDENTS AND NONRESIDENTS

Part-year residents and nonresidents who work in Georgia or receive income from Georgia sources are required to file Georgia Form 500 and complete Schedule 3 to calculate Georgia taxable income. A married part-year resident or nonresident with income earned in Georgia whose spouse is a nonresident with no Georgia source income may file either a separate return claiming himself/herself only, or a joint return claiming total allowable deductions. If one spouse is a resident and one is a part-year resident or nonresident, enter 3 in the residency status box and complete Form 500, Schedule 3 to calculate Georgia taxable income.

Part-year Residents. If you are a legal resident of Georgia for only a portion of the tax year and are required to file a Federal income tax return, you are required to file a Georgia income tax return.

Part-year residents who claim a credit for taxes paid to another state for income earned while a resident must include a copy of the individual income tax return filed with that state(s) with a copy of their Georgia return. Otherwise the credit will not be allowed.

Nonresidents. Nonresidents who work in Georgia or receive income from Georgia sources and are required to file a Federal return are required to file a Georgia income tax return.

Legal residents of other states are not required to file a Georgia tax return if their only activity for financial gain or profit in Georgia consists of performing services for an employer as an employee where the wages for such services does not exceed the lesser of five percent of the income received from performing services in all places during the taxable year or \$5,000.

A nonresident, who receives deferred compensation or income from the exercise of stock options that were earned in Georgia in a prior year is required to pay tax on the income, but only if the prior year's income exceeds the lesser of: 1) 5 percent of the income received by the person in all places during the current taxable year; or 2) \$5,000. However, the income is not taxed if federal law prohibits the state from taxing it. Federal law prohibits state taxation of some types of retirement income including pensions as well as income received from nonqualified deferred compensation plans if the income is paid out over the life expectancy of the person or at least 10 years. See Regulation 560-7-4-.05 for more information.

Adjusted Gross Income. The percentage on Schedule 3, Line 9 is zero if Georgia adjusted gross income (AGI) is zero or negative. If the adjusted Federal AGI is zero or negative, the Line 9 percentage is 100%. The percentage is also considered to be 100% if both adjusted Federal and Georgia AGI are zero or negative. In this case, the taxpayer is entitled to the full exemption amount and deductions.

COMMON MISTAKES THAT WILL DELAY YOUR REFUND

1. **Sending your return by certified mail.** The postal service imposes special handling procedures for certified mail that could delay processing of your return.
2. Not filling in the name, social security number(s), address, residency code, and/or filing status.
3. Failing to list your spouse's social security number when filing a separate return.
4. Incorrectly listing or failing to list exemptions, dependents, income, and deductions.
5. Failing to submit required schedules, statements, and supporting documentation, including W-2s, other states' tax returns, or necessary federal returns and schedules.
6. Entering information on a special funds line when a donation is not being made; including a check for a donation with a refund return.
7. Not entering the amount owed or the refund amount. **Do not enter amounts on both lines.**
8. Not verifying calculations, including the tax rate, or placing zeros on lines that are not being used.
9. Incorrectly completing Schedule 3 or failing to include it with your return when required.
10. Mailing your Georgia return to the wrong address.

REMINDERS

- Mail your return, payment and all necessary documentation to the appropriate address listed on the return. For additional mailing addresses, please check the section called "Where Do You File?" in the tax instruction booklet.
- Enclose copies of required returns, schedules and other documentation with your return. Failure to enclose proper documentation could delay your refund.
- If you have an overpayment, indicate the amount to be refunded, credited to estimated tax and/or contributed to one of the special funds.
- Mail Payment Voucher 525 TV with your return and payment to the address on Form 500 or 500EZ to ensure proper posting to your account. **If you file electronically, mail the voucher and your payment to the address on the voucher.**
- Make your check or money order payable to the Georgia Department of Revenue. If you owe less than \$1, you do not need to send a payment. If you are due a refund of less than \$1, submit Form IT 550 to request a refund.
- Do not staple your check, W-2s or any other documents to your return.

PENALTY AND INTEREST

Tax not paid by the statutory due date of the return is subject to 1 percent interest and ½ of 1 percent late payment penalty per month, or fraction thereof. Also a late filing penalty is imposed at 5% of the tax not paid by the original due date. Interest accrues until the tax due has been paid in full; the combined total of late filing and late payment penalty cannot exceed 25 percent of the tax not paid by the original due date. An extension of time for filing the return does not extend the date for making the payment. Additional penalties may apply as follows:

- **Frivolous Return Penalty - \$1,000.** (A frivolous return is one that contains incorrect or insufficient information to accurately compute the appropriate tax liability with the intent to delay or impede Georgia tax law or is based on a frivolous position.)
- **Negligent Underpayment Penalty - 5 percent** of the underpaid amount.
- **Fraudulent Underpayment Penalty - 50 percent** of the underpaid amount.
- **Failure to File Estimated Tax Penalty - 9 percent per year** for the period of underpayment. Use Form 500 UET to calculate the penalty.
