## FROM THE COMMISSIONER

Did you know that by registering an account with the Department of Revenue's Georgia Tax Center (GTC), you can sign up to receive notifications when any activity takes place on your account? These notifications help you closely monitor your tax status and help combat fraudulent activity. Visit [gtc.dor.ga.gov](https://gtc.dor.ga.gov) to register. For assistance, you may visit our self-service instructional videos at [dor.georgia.gov/georgia-tax-center-help](https://dor.georgia.gov/georgia-tax-center-help).

Did you also know that taxpayers who file their returns electronically and have their refunds directly deposited into their bank accounts receive their refunds much more quickly than those who filed a paper return. If you've been considering electronic filing, some of the benefits include:

- Faster and more accurate processing
- Receiving your refund by mail or direct deposit
- The ability to file from your home PC or have your taxes prepared by a professional electronic return originator
- Elimination of mailing paper returns

The Department of Revenue encourages taxpayers to take time to review and adjust their Georgia income tax withholding if they received a substantial refund last year. By reducing withholding amounts, taxpayers have immediate use of their earnings, and won't have to wait until the following year to get their money. Please use the Form G-4 (or G-4P if you are receiving a pension) to determine your withholding allowances. These forms can be found on the Department's website at [dor.georgia.gov](https://dor.georgia.gov).

If you file electronically and need to make a payment, you may pay by electronic check using the Georgia Tax Center. Visit [gtc.dor.ga.gov](https://gtc.dor.ga.gov) or visit our self-service instructional videos at [dor.georgia.gov/georgia-tax-center-help](https://dor.georgia.gov/georgia-tax-center-help). For additional information contact the Taxpayer Services Call Center at 1-877-423-6711.

The Department of Revenue, as outlined in the Taxpayer Bill of Rights, will provide "fair, courteous and timely service" to the taxpayers of Georgia. We have implemented several initiatives to ensure we uphold that standard. Our mission is to provide the best customer service and operational performance of any state taxing authority. Visit <https://dor.georgia.gov/taxpayer-bill-rights> to view a copy of the Taxpayer's Bill of Rights.

Georgia did not adopt the revised net operating loss provisions in the 2020 CARES Act and the modification to the Code Section 461(l) limitation in the 2020 CARES Act. As such:

- For losses incurred in taxable years ending after December 31, 2017, there is no carryback and unlimited carryforward of net operating losses and there is a 2 year carryback for farming losses.
- For losses incurred in taxable years beginning on or after January 1, 2018, there is an 80% limitation on the usage of net operating losses (the 80% limitation is based on Georgia taxable net income).
- The I.R.C. Section 461(l) adjustment (limitation on losses for noncorporate taxpayers) is required in the same manner as was required before the CARES Act.

**Note:** A claim for refund must be made within three (3) years from the later of the date the tax was paid or the due date of the return, including extensions.

## GENERAL INFORMATION

### What's New

#### ■ **Adoption of a Foster Child Credit (IND-CR 208)**

This credit now applies to adoptions occurring in taxable years beginning on or after January 1, 2008 and before January 1, 2021. For more information see IND-CR 208 for more details.

#### ■ **Adoption of a Foster Child Credit (IND-CR 213):**

There is a new credit for adoptions occurring in taxable years beginning on or after January 1, 2021. For more information see IND-CR 213 for more details.

■ **Historic Rehabilitation Tax Credits:** These credits have been revised, for more information, see <https://dor.georgia.gov/tax-credit-summaries>.

■ **Taxpayer and/or Spouse Date of Death:** The person filing the return should provide the date of death for the taxpayer and/or spouse, if applicable, in the space provided on the form.

■ **Standard Deductions:** The standard deductions have been increased for the next tax year 2022. For more information see the 2022 Form 500-ES instructions.

**When to File.** Calendar year taxpayers are required to file on or before April 18, 2022. Fiscal year taxpayers must file on or before the 15th day of the fourth month after the close of their taxable year.

**Extension to File.** The Georgia return must be filed along with a copy of Federal Form 4868 or the IRS confirmation letter on or before the extended Federal due date. If you do not need a Federal extension, you may use Georgia Form IT 303 to request an extension to file your Georgia return.

**An extension to file does not extend the date for paying the tax.** Taxes must be paid electronically via GTC or with Form IT-560 by the statutory due date to avoid late payment penalty and interest. The amount paid should be entered on Form 500, Line 25.

**Amended Returns.** File Form 500X to correct information reported on Form 500. Do not use Form 500 to correct a previously filed return or use Form 500X as an original return.

**When Electronic Filing is Required.** Taxpayers that remit payments by electronic funds transfer, whether on a mandatory or voluntary basis, must file all associated returns electronically.

A return preparer who prepares an income tax return, must electronically file the return, when the federal counterpart of such return is required to be filed electronically pursuant to the Internal Revenue Code of 1986 or Internal Revenue Service regulations.

Also, a return is required to be electronically filed if the return generates, allocates, claims, utilizes, or includes in any manner a series 100 tax credit. (see page 21)

**Penalty and Interest.** Tax not paid by the statutory due date of the return is subject to interest and ½ of 1 percent late payment penalty per month, or fraction thereof. Also, a monthly late filing penalty is imposed at a rate of 5 percent of the tax not paid by the original due date. Interest accrues until the tax due has been paid in full. The combined total of late filing and late payment penalty cannot exceed 25 percent of the tax not paid by the original due date. An extension of time for filing the return does not extend the date for making the payment. Additional penalties may apply as follows:

- **Fivolous Return Penalty - \$1,000.** (A frivolous return is one that contains incorrect or insufficient information to accurately compute the appropriate tax liability with the intent to delay or impede Georgia tax law or is based on a frivolous position.)
- **Negligent Underpayment Penalty - 5 percent of the underpaid amount.**
- **Fraudulent Underpayment Penalty - 50 percent of the underpaid amount.**
- **Failure to File Estimated Tax Penalty - 9 percent per year for the period of underpayment.** Use Form 500 UET to calculate the penalty.
- **Interest accruing for months beginning before July 1, 2016 accrues at the rate of 12 percent annually.** Interest that accrues for months beginning on or after July 1, 2016 accrues as provided by Georgia Code Section 48-7-81.

**Assessments.** If your return is reviewed and it is determined that you owe additional taxes, generally, you will be issued a Proposed Assessment. Once a Proposed Assessment is issued, you have 30 days to complete a protest on the Georgia Tax Center (GTC) website. After 30 days, the Department will issue an Official Assess-

## GENERAL INFORMATION

ment and Demand for Payment. You have 30 days to file an appeal with either the Georgia Tax Tribunal or in the appropriate Superior Court. For more information and the Taxpayer Bill of Rights, see the Department's website at [dor.georgia.gov](http://dor.georgia.gov).

**Supporting Documents.** We will request information to support the amounts listed on your Georgia income tax return and related schedules when necessary. However, in addition to withholding statements (W-2s, 1099s, G2-RPs, etc.) where taxes were withheld you must include the following documentation with your Georgia return when it is filed for the following situations:

- The amount on Form 500, Line 8 is \$40,000 or more, or less than the total income on your W-2(s) - submit a copy of Pages 1, 2, and Schedule 1 of your Federal return (the Federal Schedule 1 must be included if a copy was submitted with your federal return).
- You itemize deductions - submit a copy of Federal Form 1040 Schedule A.
- You claim the Georgia child and dependent care expense credit - submit the appropriate Federal child care credit schedule.
- You claim a credit for taxes paid to another state(s) - submit a copy of your return filed with the other state(s).

**Address Changes.** You must notify the Department of your address change. Notification of an address change can be made through GTC inside a logon, by calling 1-877-423-6711 or writing the new address on your tax return and checking the address change box.

**Name Change.** The Department currently requires a copy of one of the following four documents in order to change a person's name:

- Social Security Card
- Driver's License
- Name change decree from Superior Court
- Marriage Certificate

These documents should be submitted with your tax return.

**Innocent Spouse Relief.** Individuals who were granted innocent spouse relief by the Internal Revenue Service may be eligible for relief from liability for Georgia tax, interest and penalty.

**Individual Retirement Accounts.** The provisions concerning taxability and conversion from a traditional IRA to a Roth IRA are the same for Georgia and the Internal Revenue Service.

**Withholding on Lump-sum Distributions.** The payee of any non-periodic payment may elect to have withholding made on the non-periodic distributions from a pension, annuity, or similar fund. The election shall remain in effect until revoked by the payee. See Form G-4P for more information.

**Income from Partnerships and S Corporations.** Nonresident partners must pay Georgia income tax on their portion of the partnership's Georgia income. Nonresident shareholders must pay Georgia income tax on their portion of the S Corporation's Georgia income; resident shareholders and partners must report their total S Corporation or partnership income (but may be eligible for the credit for taxes paid to other states or a subtraction when the income is taxed at the entity level in Georgia or another state).

**Federal Audit.** Whenever a Federal audit or other Federal adjustment results in a change in net income for any year, you are required to furnish under separate cover, within 180 days, a schedule reflecting all changes. Please include the schedule when you file form 500X. Additionally, if the changes result in a refund, the refund must be claimed within one year of the date the changes are submitted. If you do not submit a return reflecting all changes and the Commissioner receives this information in a report from the United States Government, the Commissioner will issue an assessment for tax due within five years from the date the report is received from the United States Government.

A taxpayer who fails to notify the Commissioner within 180 days forfeits any Georgia refund as a result of an IRS audit if the normal statute of limitations has expired. However, 90 percent of any overpayment can be applied to a balance due for another year that is a result of the same IRS audit.

**Withholding on Nonresidents.** Withholding is required on the members share of the taxable income sourced to this state, whether distributed or not, from Partnerships, Limited Liability Companies and S Corporations. Withholding should be reported on Form G2-A and entered on Form 500, Line 24. Include a copy of Form G2-A with your return.

Withholding is also required on the sale or transfer of real property and associated tangible personal property

### Part-year and Nonresidents

1. Part-year residents and nonresidents who work in Georgia or receive income from Georgia sources are required to file Georgia Form 500 and complete Form 500 Schedule 3 to calculate Georgia taxable income. Note: Form 500 Schedule 3 should only be attached if it is applicable.

3. If one spouse is a resident and one is a part-year resident or nonresident, enter 3 in the residency status box and complete Form 500, Schedule 3 to calculate Georgia taxable income.

2. Part-year residents who claim a credit for taxes paid to another state for income earned while a resident must include a copy of the individual income tax return filed with that state(s) with their Georgia return. Otherwise the credit will not be allowed.

### Nonresidents

2. Legal residents of other states are not required to file a Georgia tax return if their only activity for financial gain or profit in Georgia consists of performing services for an employer as an employee where the wages for such services does not exceed the lesser of five percent of the income received from performing services in all places during the taxable year or \$5,000.

3. A nonresident, who receives deferred compensation or income from the exercise of stock options that were earned in Georgia in a prior year is required to pay tax on the income, but only if the prior year's income exceeds the lesser of: 1) 5 percent of the income received by the person in all places during the current taxable year; or 2) \$5,000. However, the income is not taxed if federal law prohibits the state from taxing it. Federal law prohibits state taxation of some types of retirement income including pensions as well as income received from nonqualified deferred compensation plans if the income is paid out over the life expectancy of the person or at least 10 years. See Regulation 560-7-4-.05 for more information.

## FILING REQUIREMENTS

### Taxpayers Required to File Form 1040NR

Individuals who are required to file Federal Form 1040NR must file Georgia Form 500. Similar to Federal income tax rules, most of these Georgia taxpayers are only allowed to deduct the applicable Georgia personal exemption and expenses reflected on Form 1040NR. Most taxpayers are not allowed to take the standard deduction and are allowed only limited itemized deductions as shown on Form 1040NR, Schedule A.

### Military Personnel

**Residents.** Military personnel who are legal residents of Georgia are subject to Georgia income tax on all income regardless of the source or where earned, unless specifically exempt by Georgia law. Military personnel who serve outside of the continental U.S. may file their Georgia income tax return within six months after they come back to the continental U.S. No penalties or interest will accrue during this period.

Members of the National Guard or Air National Guard who are on active duty for a period of more than 90 consecutive days are allowed a tax credit against their individual income tax. The credit cannot exceed the amount expended for qualified life insurance premiums or the taxpayer's income tax liability and should be claimed on Form IND-CR.

**Nonresidents.** Military personnel who are not legal residents of Georgia are only required to file a Georgia income tax return if the person earns income during their off duty hours from sources in Georgia or if the person has income from property located in Georgia or the person receives business income from Georgia sources. If required, nonresident military personnel should file Georgia Form 500 and use Schedule 3 to calculate Georgia taxable income. (See pages 17 -18 for instructions on completing Schedule 3.)

**Spouses of Military Personnel.** A spouse of a military person shall neither lose or acquire their legal residence solely to be with the military person serving in compliance with military orders but this provision only applies if the legal residence of the spouse is the same as the military person or the spouse of a military person has elected to use the same residence for purposes of taxation as the military person. Income for services performed by the spouse of a military person shall not be considered Georgia income if the military person is not a legal resident of Georgia but this only applies if the spouse is in Georgia solely to be with the military person serving in compliance with military orders and the legal residence of the spouse is the same as the military person or the spouse of a military person has elected to use the same residence for purposes of taxation as the military person. The affected taxpayer should exclude the income on Schedule 3, Column C, Line 7 of the Form 500. No amounts should be entered on Schedule 3, Column A, Line 7 of Georgia Form 500.

### Combat Zone Pay

Military income earned by a member of the National Guard or any reserve component of the armed services while stationed

in a combat zone or stationed in defense of the borders of the United States pursuant to military orders is not subject to Georgia income tax. The exclusion from income is only with respect to military income earned during the period covered by such military orders. A copy of the Federal return must be enclosed with the Georgia return to claim this exclusion. The exclusion is limited to the amount included in Federal Adjusted Gross Income.

### Estimated Tax

Estimated tax is required for each individual subject to Georgia income tax who reasonably expects to have gross income during the year which exceeds (1) personal exemption, plus (2) credits for dependents, plus (3) estimated deductions, plus (4) \$1,000 of income not subject to withholding.

Estimated tax required from persons not regarded as farmers or fishermen shall be filed on or before April 15 of the taxable year, except if the above requirements are first met on or after April 1 and before June 1, estimated tax must be filed by June 15; on or after June 1 but before September 1, by September 15; and on or after September 1, by January 15 of the following year. Individuals filing on a fiscal year basis ending after December 31 must file on corresponding dates.

### Other State's Tax Return

If you claim a credit for taxes paid to another state(s), you must include a copy of your return filed with that state along with your Georgia return. No credit for taxes paid to another state will be allowed unless the other state's return is enclosed with the Georgia return.

### Filing for Dependents (children, etc.)

If the parent or guardian prepared the minor child or dependent's return, the Department recommends that the parent or guardian check the box allowing the preparer to discuss the return with the Department. If this is not done and the parent did not sign the return on the child's behalf as allowed by IRS Publication 929, then the parent or guardian will have to be included on a Power of Attorney (Form RD-1061) prepared by the minor in order for the Department to discuss the return with the parent or guardian.

### Filing for Deceased Taxpayers

The surviving spouse, administrator, or executor may file a return on behalf of a taxpayer who dies during the taxable year. When filing, use the same filing status that was used on the Federal income tax return. The due date for filing is the same as for Federal purposes.

**Note:** To have a refund check in the name of a deceased taxpayer reissued, mail Georgia Form GA-5347, a copy of the death certificate, and the information specified on Georgia Form GA-5347 along with the check to the address on the form.

**Note:** For all taxpayers (full year, part year, and nonresident), if state & local income taxes were limited on the federal return to \$10,000 (\$5,000 MFS), the following formula should be used to determine the disallowed other state income taxes: Other state income taxes divided by the total taxes on line 5d of schedule A multiplied by the lesser of the amount on line 5d of schedule A or \$10,000 (\$5,000 if married filing separate). For part year and nonresidents on the schedule 3, the same computation should be used in arriving at the amount of itemized deductions that would then be subject to proration using the part-year/nonresident income ratio on form 500 schedule 3 line 9.

**Line 13:** Subtract Line 11c or 12c from Line 10, enter total.

### Lines 14a-c: Exemption and Dependent Totals

**Line 15c:** Subtract Line 15b from Line 15a.

**Line 16:** Take the amount from Line 15c and find the

Taxpayers filing a separate return for a taxable year in which a joint return could have been filed can only claim the credit that would have been allowed had a joint return been filed. You cannot claim this credit if you are an inmate in a correctional facility. This credit must be claimed on or before the end of the 12th month following the close of the tax year. The credit cannot exceed the taxpayer's income tax liability.

**Line 18:** Enter the other state(s) tax credit used. If you paid tax to more than one state, use the total of the other state's income and the worksheet on page 19 to calculate the Other State's Tax Credit.

**Line 42a:** Complete the direct deposit information

■ Check the appropriate box (Checking or Savings) for the type of account.

**Note: Do not check more than one box. You must check**

**the correct box to ensure your direct deposit is accepted.**

■ Enter your nine digit routing number.

**Note: The first two digits must be 01 through 12 or 21 through 32.**

Ask your financial institution for the correct routing number to enter on line 42a if:

- The routing number on a deposit slip is different from the routing number on your checks.
- The deposit is to a savings account that does not allow you to write checks or
- Your checks state they are payable through a financial institution different from the one at which you have your checking account.

■ Enter your account number from left to right and leave unused boxes blank. Include hyphens, but omit spaces and special symbols.  
**Note: The account number can be up to 17 characters (both numbers and letters).**

### Example

On the sample check below, the routing number is 807100013. John Doe would use that routing number unless their financial institution instructed them to use a different routing number for direct deposits. The account number is 978653421. Do not include the check number. On the sample check above, the check number is 5678.

### Direct Deposit Rejects

If any of the following apply, your direct deposit request will be rejected and a check will be mailed:

- Any numbers or letters are crossed out or whited out.
- An invalid checking, savings, or routing number was entered.
- Your financial institution will not allow a joint refund to be deposited to an individual account. The State of Georgia is not responsible if a financial institution rejects a direct deposit.
- You request a deposit of your refund to an account that is not in your name (such as your tax preparer's own account).

### Signature Section

Please sign and date your return. If filing a joint return you and your spouse must sign and date the return. If applicable, the paid preparer should also sign the return. If the taxpayer and/or spouse is deceased, check the "Deceased checkbox" and provide the date of death.

## **SCHEDULE 1 ADDITIONS AND SUBTRACTIONS**

### **Schedule 1 Instructions**

**Lines 1 - 6:** Enter your additions to income (see page 14 Additions section for detailed information).

**Lines 7 - 13:** Enter your subtractions from income (see pages 14 - 16 Subtractions section for detailed information).

**Lines 14:** Enter your total net adjustments here and on Line 9 of page 2 of Form 500.

**Note: Please complete and include your Retirement Income Exclusion calculation (Page 2 of Schedule 1), if you entered information on Schedule 1, Lines 7 a and/or b.**

### **Additions**

**The following adjustments must be added if applicable**

1. Interest received from non-Georgia municipal bonds and dividends received from mutual funds that derived income from non-Georgia municipal bonds. These may only be reduced by direct and indirect interest expenses which are attributable to the income and which have not already been deducted in arriving at Federal adjusted gross income or itemized deductions.

2. Loss carryovers from years when you were not subject to Georgia income tax.

3. Lump sum distributions from employee benefit plans reported on IRS Form 4972.

4. Depreciation because of differences in Georgia and Federal law during tax years 1981 through 1986.

5. Adjustments due to Federal tax changes (see [dor.georgia.gov/rules-policies/income-tax/income-tax-federal-tax-changes](http://dor.georgia.gov/rules-policies/income-tax/income-tax-federal-tax-changes)).

6. Net operating loss carryover deducted on federal return.

7. Payments for more than \$600 in a taxable year made to employees which are not authorized employees and which are not excepted by Code Section 48-7-21.1. An authorized employee is someone legally allowed to work in the United States.

8. Taxable portion of withdrawals on the Path2College 529 Plan (see Regulation 560-7-4-.04).

9. For the qualified education expense credit, the deduction relating to the credit. See Regulation 560-7-8-.47.

10. For the Land Conservation credit, the deduction relating to the credit. See Regulation 560-7-8-.50 for more information.

11. For the qualified rural hospital organization expense tax credit, the deduction relating to the credit. See Regulation 560-7-8-.57 for more information.

12. For the qualified education donation tax credit, the deduction relating to the credit. See Regulation 560-7-8-.60 for more information.

**Note:** If the contribution relating to the above credits is treated as a deduction of state taxes, then the following formula should be used to determine the disallowed state income

taxes: Contribution treated as state income taxes divided by the total taxes on line 5d of schedule A multiplied by the lesser of the amount on line 5d of schedule A or \$10,000 (\$5,000 if married filing separate).

**Note:** Also, for both other state income taxes and when the contribution relating to the above credits is treated as a deduction of state taxes, the federally taxable state income tax refund that is later received may be eligible to be reduced. The reduction equals the federally taxable refund times the proportion that was used to figure out how much of the deduction had to be reduced in the year of the deduction (Contribution treated as state income taxes divided by the total taxes on line 5d of schedule A).

**Note:** If a taxpayer receives a state refund and is not required to include the refund in Federal AGI since they were subject to Federal Alternative Minimum Tax, they are not required to include the refund for Georgia purposes.

**Note:** Georgia does not allow the 20% qualified business income deduction. (I.R.C. Section 199A). However, since Georgia starts with Federal AGI, no adjustment is necessary on the Georgia return.

### **Subtractions**

***The following adjustments may be SUBTRACTED:***

1. Retirement income. The maximum retirement income exclusion is \$35,000 for taxpayers who are:  
(A) 62 - 64 years of age, or  
(B) less than 62 and permanently disabled to such an extent that they are unable to perform any type of gainful employment

The retirement exclusion is \$65,000 if the taxpayer is 65 or older.

The exclusion is available for the taxpayer and his/her spouse; however, each must qualify on a separate basis. If both spouses qualify, each spouse may claim the amounts above. Income from property that is jointly owned should be allocated to each taxpayer at 50% of the total value. Up to \$4,000 of the maximum allowable exclusion may be earned income. Use the instructions on page 16 and complete Form 500, Schedule 1, Page 2.

2. Interest and dividends on U.S. Government bonds and other U.S. obligations. These must be reduced by direct and indirect interest expenses which are attributable to the income.  
**Note:** Interest received from the Federal National Mortgage Association, Government National Mortgage Association, Federal Home Loan Mortgage Corporation, and from repurchase agreements is taxable and should not be subtracted.

3. Social security or railroad retirement (tier 1 and tier 2) paid by the Railroad Retirement Board included in Federal adjusted gross income.

4. Salaries and wages reduced from Federal taxable income because of the Federal Jobs Tax Credit.

5. Individual retirement account, Keogh, SEP and SUB-S plan withdrawals where tax has been paid to Georgia because of the difference between Georgia and Federal law for tax years 1981 through 1986.

## Schedule 1 Subtractions (continued)

6. Depreciation because of differences in Georgia and Federal law during tax years 1981 through 1986. \$8,000 per beneficiary.
7. Dependent's unearned income included in parents' Federal adjusted gross income.
8. Income tax refunds from states other than Georgia included in Federal adjusted gross income. **Do not subtract Georgia income tax refunds.**
9. Income from any fund, program or system which is specifically exempted by Federal law or treaty.
10. Adjustment to Federal adjusted gross income for Georgia resident shareholders for Subchapter S income where the Sub S election is not recognized by Georgia or another state or for Georgia resident partners in a partnership or members in an LLC where such entities' income has been taxed at the entity level by another state.
- This adjustment is only allowed for the portion of income on which the tax was actually paid by the corporation or partnership to another state(s).*
- The subtraction amount is calculated as follows:
1. Determine the Georgia taxable net income received from the entity. This should include any income, gains, losses and deductions from the entity which are separately reported and included on the taxpayer's return including any guaranteed payments received from a partnership. This does not include wages paid to the partner, shareholder, or member. However, if such wages are taxed by another state, the partner, shareholder, or member may be eligible for the other state(s) tax credit.
  2. Multiply the above income by the entity's apportionment ratio in such other state.
- Only states which have a tax on the entity which is on or measured by income are eligible for the subtraction. Income subject to the Texas Margin Tax is eligible for this subtraction. Please see Code Section 48-7-27(d) and Regulation 560-7-4-.01 for more information.
- In cases where the Sub S election is recognized by another state(s) the income should not be subtracted. Credit for taxes paid to other states may apply.
11. Adjustment for teachers retired from the Teacher's Retirement System of Georgia for contributions paid between July 1, 1987 and December 31, 1989 that were reported to and taxed by Georgia.
12. Amount claimed by employers in food and beverage establishments who took a credit instead of a deduction on the Federal return for FICA tax paid on employee cash tips.
13. An adjustment of 10% of qualified payments to minority subcontractors or \$100,000, whichever is less, per taxable year by individuals, corporations or partnerships that are party to state contracts. For more information call the Department of Administrative Services at 404-657-6000 or visit their website: <http://doas.ga.gov/state-purchasing/suppliers>.
14. Deductible portion of contributions to the Path2College 529 Plan. The deduction is limited on a return to the amount contributed but cannot exceed \$4,000 per beneficiary unless a married filing joint return is filed then the amount cannot exceed
15. Adjustments due to Federal tax changes (see [dor.georgia.gov/rules-policies/income-tax/income-tax-federal-tax-changes](http://dor.georgia.gov/rules-policies/income-tax/income-tax-federal-tax-changes)).
16. Combat zone pay exclusion. See page 10 for more information.
17. Up to \$10,000 of unreimbursed travel expenses, lodging expenses and lost wages incurred as a direct result of a taxpayer's donation of all or part of a kidney, liver, pancreas, intestine, lung or bone marrow during the taxable year.
18. An amount equal to 100 percent of the premium paid by the taxpayer during the taxable year for high deductible health plans as defined by Section 223 of the Internal Revenue Code. The amount may only be deducted to the extent the deduction has not been included in federal adjusted income and the expenses have not been provided from a health reimbursement arrangement and have not been included in itemized deductions. In the event the taxpayer claims the expenses as itemized deductions, the taxpayer should multiply the expense by the ratio of total allowed itemized deductions after the federal limitation to the total allowed itemized deductions before the federal limitation to determine the amount that is not allowed to be deducted pursuant to this paragraph. For example, the taxpayer has \$1,000 in high deductible health insurance premiums. They also have \$7,000 of other medical expenses which means they have total medical expenses of \$8,000. After the limitation, the taxpayer is only allowed to deduct \$2,000 of medical expenses. The \$1,000 deduction must be reduced by \$250 ( $\$2,000/\$8,000 \times \$1,000$ ). Which means the taxpayer is allowed to deduct \$750 pursuant to this paragraph.
19. Federally taxable interest received on Georgia municipal bonds designated as "Build America Bonds" under Section 54AA of the Internal Revenue Code of 1986. "Recovery Zone Economic Development Bonds" under Section 1400U-2 of the Internal Revenue Code or any other bond treated as a "Qualified Bond" under Section 6431(f) of the Internal Revenue Code are considered "Build America Bonds" for this purpose.
20. Federally taxable interest received on Georgia municipal bonds issued by the State of Georgia and certain authorities or agencies of the State of Georgia for which there is a special exemption under Georgia law from Georgia tax on such interest.
21. Interest eliminated from federal itemized deductions due to the Federal Form 8396 credit.
22. An amount equal to 100 percent of the payments made to and received by a disabled first responder pursuant to Code Section 45-9-85 (Payment of indemnification for death or disability) provided that and to the extent such amounts are included in the taxpayer's federal adjusted gross income and are not otherwise exempt from the tax imposed by this article under any other provision of law. The term 'disabled first responders' means a law enforcement officer, fireman, publicly employed emergency medical technician, or a surviving spouse of such an individual, receiving payments pursuant to Code Section 45-9-85 (Payment of indemnification for death or disability) due to total permanent disability, organic brain damage, or death occurring in the line of duty.
23. For a firefighter, payments received pursuant to O.C.G.A. 25-3-23(b)(2) (certain insurance benefits related to cancer) to the extent such amounts are included in the taxpayer's federal adjusted gross income and are not otherwise exempt on the Georgia return.

## Schedule 1 Subtractions (continued)

24. For a firefighter, an amount equal to 100% of any premium paid by the firefighter during the taxable year for coverage pursuant to O.C.G.A. 25-3-23(b)(2) (premiums paid to continue coverage by a firefighter that departs employment) to the extent such deduction has not been included in the taxpayer's federal adjusted gross income and is not otherwise deductible on the Georgia return.

25. Income received by a surviving family member that is based on the service record of a deceased veteran without regard to the age of the surviving family member.

26. For taxable years beginning on or after January 1, 2019, and ending on or before December 31, 2023, a subtraction is allowed for certain disaster relief payments. The payments that qualify are those that are received from a federal disaster relief or assistance grant program administered by Georgia or its instrumentalities or the United States Department of Agriculture but only if the federal grant program was established specifically to address agricultural losses suffered due to Hurricane Michael during the 2018 calendar year. Also, the subtraction is only allowed to the extent the income is included in federal adjusted gross income. Finally, any amounts that came from a pass-through entity are also eligible.

27. A Charitable Contributions Deduction is allowed for taxpayers who entered an amount on Form 1040 or 1040-SR, Line 12b. Please enter that amount (up to \$300 or \$600 married filing jointly) on the Form 500, Schedule 1, Line 12 with the description "Charitable Ded".

**Note regarding ABLE PROGRAMS** - NO DEDUCTION is allowed as a subtraction item for any contribution made pursuant to the Georgia ABLE Program or any other state ABLE programs.

### **RETIREMENT INCOME EXCLUSION**

Social security and railroad retirement paid by the Railroad Retirement Board, exempt interest, or other income that is not taxable to Georgia should not be included in the retirement income exclusion calculation. Income or losses should be allocated to the person who owns the item. If any item is held jointly, the income or loss should be allocated to each taxpayer at 50%.

Part-year residents and nonresidents must prorate the retirement income exclusion. The earned income portion and the unearned income portion must be separately prorated. The earned income portion shall be prorated using the ratio of Georgia source earned income to total earned income computed as if the taxpayer were a resident of Georgia for the entire year. The unearned portion shall be prorated using the ratio of Georgia source unearned retirement income to total unearned retirement income computed as if the taxpayer were a resident of Georgia for the entire year.

\*Retirement income does not include income received directly or indirectly from lotteries, gambling, illegal sources or similar income.

\*\* Rental, Royalty or Partnership income that is subject to FICA tax or Self employment tax should be included on line 2 not line 13. Trade or business income from an S Corp in which the taxpayer or their spouse materially participated should be included on line 2 not line 13.

• **Note: For Lines 7a and 7b of Schedule 1 (Date of Birth and Date of Disability), the Retirement Exclusion can only be used if you meet the age or disability requirements. Both dates should not be entered. Only enter the date for which option you are using for the retirement exclusion.**

This is necessary so that the returns can be processed and the credits flow to the proper taxpayer.

**Note:** Credit certificate numbers are issued by the Department for preapproved credits. Once a credit is pre-approved, an official letter will be issued by the Department which will contain the certificate number to the generator of the credit.
