## WHAT'S NEW FOR 2009

#### **GROCERY CREDIT INCREASES**

The grocery credit is now \$40 per exemption if your taxable income is more than \$1,000 and \$60 per exemption if your taxable income is \$1,000 or less.

# DEDUCTION EXPANDED FOR CONTRIBUTIONS OF TECHNOLOGICAL EQUIPMENT

Donations made on or after January 1, 2009, to nonprofit private elementary or secondary schools will qualify for the technological equipment deduction.

#### **DIRECT DEPOSIT**

You must check the box on Form 40, line 58, or Form 43, line 76 if your refund is being forwarded from a United States financial institution to a financial institution or financial agency located outside of the United States.

#### **NEW FORM - IDAHO K-1**

Idaho has a new form for reporting the pass-through owners' share of Idaho adjustments, credits, credit recapture, etc. from the pass-through entity. Form ID K-1 provides detailed information on the owner's share of Idaho amounts the shareholder, partner, or beneficiary needs to complete the Idaho income tax return.

#### **NEW VOLUNTARY DONATION**

Individuals can make a voluntary donation to the Idaho Foodbank Fund.

## **CONFORMITY TO INTERNAL REVENUE CODE (IRC)**

In general, Idaho law conforms to the IRC. This includes the federal law changes by the "Tax Extenders and Alternative Minimum Tax Relief Act of 2008" and the "American Recovery and Reinvestment Tax Act of 2009." As a result, Idaho conforms to the following federal provisions for 2009:

- Bonus first-year depreciation for purchases of qualified property.
- The increased IRC section 179 expensing amounts for depreciable assets.
- The additional standard deduction for real property taxes, qualified motor vehicle taxes, and disaster losses for non-itemizers.
- The deduction of qualified motor vehicle taxes as an itemized deduction.
- Temporary suspension of taxation of the first \$2,400 of federal unemployment compensation per recipient.

There are some continuing differences between Idaho and federal law. For example, Idaho has its own net operating loss (NOL) provisions. The carryback period for Idaho NOLs continues to be two years.

### **AMERICAN INDIANS**

If you are an enrolled member of a federally recognized tribe, and live and work on a reservation, all reservation sourced income received while living and working on the reservation is exempt from Idaho taxation. If you have no other income, you aren't required to file.

If you have other income in an amount that meets the federal filing requirement, you must file an Idaho return. For specific instructions, see Form 39R or Form 39NR.

#### ASSEMBLING THE IDAHO INDIVIDUAL RETURN

To ensure the individual's tax return is correctly processed, attach all schedules and other forms in the following order:

- 1. Form 40 or 43
- 2. W-2s and/or 1099s placed on top of Form 40 or 43
- 3. Form 39R or 39NR
- 4. Form 75
- 5. Form 44
- 6. Additional schedules in alphabetical order
- 7. Additional forms in numerical order
- 8. Complete copy of federal return

#### **ATTACHMENTS**

Attach legible copies of Form(s) W-2, 1099, and other information forms that show Idaho withholding to the front of your return. A complete copy of your federal return must be attached to Form 40 or Form 43. If you are claiming credit for taxes paid to another state, you must attach Idaho Form 39R or 39NR and a copy of the other state's income tax return. If the credit applies to more than one state, use a separate Form 39R or 39NR for each state.

#### **AUDITS**

An audit is a review of a return to make sure it was prepared according to tax law. You will be contacted if your return is to be audited. The auditor will ask to see your records and compare them with your return. You may present your records yourself or have someone represent you or come with you. Any change to your return will be explained. Question anything you don't understand.

#### **Federal Audit**

If your federal taxable income or tax credits change because of a federal audit, you must send written notice to the Tax Commission within 60 days of the final federal determination. You must include copies of all schedules supplied by the Internal Revenue Service.

If you owe additional Idaho tax and don't send written notice within 60 days of the final federal determination, a 5% negligence penalty will be imposed. Interest applies on any tax due.

If the final federal determination results in an Idaho refund, you must file an amended Idaho income tax return with the written notice. See Amended Returns above. If the statute of limitations is closed, you have one year from the date of the final federal determination to file for the refund.

#### **BONUS DEPRECIATION**

FOR PROPERTY PLACED IN SERVICE PRIOR TO 2008 If you are depreciating property for which you claimed the bonus depreciation for federal purposes:

- Complete a separate federal Form 4562 or detailed computation for Idaho depreciation purposes as if the special depreciation allowance hadn't been claimed.
- Compute the Idaho adjusted basis and any gains or losses from the sale or exchange of the property using the Idaho depreciation amounts.
- Enter the differences between the Idaho and federal depreciation amounts and gains and losses from sales or exchanges of the property on the bonus depreciation line on Form 39R or 39NR

FOR PROPERTY PLACED IN SERVICE AFTER 2007 Idaho conforms to the federal bonus depreciation provisions. The amounts you use for federal will also be used for Idaho. No additional forms or computations are needed for Idaho.

#### **COMMUNITY PROPERTY**

Because Idaho is a community property state, each resident spouse has a one-half interest in the earnings of the other resident spouse during the portion of the year they were married. If married for only a part of the year, the community income includes ONLY the income earned during the time the couple was married. When filing separate returns, the community income, withholding and deductions of both resident spouses must be divided equally between husband and wife. If you have a written agreement between spouses regarding the separation of assets and income, it must be attached to your tax return.

Idaho law affects your federal return in the same manner. For more details, see federal Publication 555, Federal Tax Information on Community Property. If you were a resident of Idaho for only a portion of the year, Idaho law applies to that portion of the year you were a resident. Income is identified as community or separate income based on the laws of the state in which the recipient is a resident. In the case of real property, the law of the state in which the property is located will apply.

Community property laws don't apply when the spouses have lived apart for the entire year, no part of the income earned by one spouse has been transferred to the other spouse, and the spouses don't file a joint income tax return.

Income, withholding and deductions received or paid after divorce are separate property and must be reported on the return of the person to whom it applies.

If you divorced during 2009 or are filing separately from your spouse, attach a schedule showing how community property income and deductions were divided. See the Allocation Worksheet in federal Publication 555.

## **DECEDENT'S TAX RETURN**

If a taxpayer dies before filing his return, the return must be filed by the taxpayer's spouse or personal representative. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If your spouse died in 2009 and you didn't remarry in 2009, you can file a joint return. You can also file a joint return if your spouse died in 2010 before filing a 2009 return. A joint return should show your spouse's 2009 income before death and your income for all of 2009. Write "FILING AS SURVIVING SPOUSE" on the line where the decedent would have signed the return. If someone else is the personal representative, he must also sign the return.

If a refund is due, attach federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer. Form 1310 isn't required when a surviving spouse files a joint return with the decedent or a personal representative files for the decedent.

#### **ESTIMATED TAX PAYMENTS**

Idaho doesn't require estimated tax payments for personal income tax. If you wish to make a voluntary estimated tax payment, file Form 51 with your payment.

#### **EXTENSION OF TIME FOR FILING**

If you can't file your Idaho state income taxes by April 15, you may be eligible to get an automatic six-month extension without filing a form.

In order to qualify, you need to pay either an estimated 80 percent of your current year's tax liability or 100 percent of what you paid for state income taxes the prior year. You can avoid a penalty for late filing, but will be charged interest on the remaining tax until it's paid. Complete the worksheet on Idaho Form 51, Estimated Payment of Idaho Income Tax, to see if you meet the extension requirements.

If you need to make a payment to avoid a penalty, you can mail Form 51 with your check or money order. Form 51 is available in the Idaho income tax booklet or on the Web site.

If you qualify for an extension to file your Idaho return, you must send the return and any payment by October 15, 2010.

#### **FILING STATUS**

Your Idaho filing status must be the same as the filing status used on your federal return. For example, if you file a joint federal return, you must also file a joint Idaho return.

## FILING YOUR RETURN When To File

You must file your return and pay any income tax due:

- On or before April 15, 2010, for the calendar year 2009, or
- On or before the 15th day of the fourth month following the close of the fiscal year, if you file on a fiscal year basis.

### Where To File

Mail the return and payment to:

IDAHO STATE TAX COMMISSION PO BOX 56 BOISE ID 83756-0056

If you are sending your return using a delivery service that requires a physical address, use the following:

IDAHO STATE TAX COMMISSION 800 PARK BLVD PLAZA IV BOISE ID 83712-7742

#### INCOME

An Idaho resident is taxed on all income, including income from outside the state. A nonresident of Idaho is taxed only on income from Idaho sources. An Idaho part-year resident is taxed on all income received while living in Idaho plus any income received from Idaho sources when not living in Idaho.

#### **GROSS INCOME**

Gross income means all income you received in the form of money, goods, property, and services that isn't exempt from tax. Gross income is measured before subtracting allowable deductions. Gross income includes, but isn't limited to:

- All income from wages, salaries, tips, interest and dividends that isn't exempt from tax
- Self-employment income before expenses
- Farm income before expenses

- Rental income before expenses
- Shareholders and partners include their share of the gross income from S corporations and partnerships
- · Unemployment compensation
- · Certain scholarship and fellowship grants
- Gains derived from sales of property
- Pensions and annuities

Scholarships used for tuition, fees, supplies, books, and equipment required for courses leading to a degree aren't included in gross income.

#### **INTEREST**

Interest applies on delinquent tax from the original due date of the return until the tax is paid at the rate of 5% per year (rate effective for 2010.)

#### **MILITARY PERSONNEL**

Idaho law generally follows federal law regarding which type of military pay (active duty, disability, reserve and retirement) is taxable.

The residency of a qualified servicemember is presumed to be that member's military home of record.

## NATIONAL GUARD MEMBERS CALLED TO ACTIVE DUTY IN A COMBAT ZONE

Idaho follows federal law and Internal Revenue Code to provide income tax relief for servicemembers on active duty in combat zones. Below is a summary of how these laws affect Idaho National Guard members.

- All tax filing deadlines are extended for at least 180 days after your last day in a combat zone.
- No interest or penalty will accrue for nonpayment of individual income taxes while you are in a combat zone.
- If you are an enlisted soldier or warrant officer, you don't owe tax on military pay received while in a combat zone. If you are a commissioned officer, the monthly exclusion is capped at the highest enlisted pay, plus any hostile fire or imminent danger pay received.
- This federal law doesn't cover business tax returns, employment taxes, or sales/use tax obligations.
- You must write "COMBAT ZONE" and the date of deployment in red on top of the tax return you are filing.

For information see our Web site at **tax.idaho.gov**, or call us toll free at (800) 972-7660 or 334-7660 in the Boise area.

### Idaho resident on active duty stationed in Idaho

If Idaho was your military home of record and you were on active duty stationed in Idaho, all of your military wages and all nonmilitary income, regardless of the source, are subject to Idaho tax. File Form 40.

## Idaho resident on active duty stationed outside of Idaho

- You joined the armed forces while a resident of Idaho and Idaho is your military home of record; and
- You were on active duty for 120 or more consecutive days; and
- You were stationed outside of Idaho for all or part of the year.

You must report all of your income to Idaho. However, only military wages you receive while stationed in Idaho and all nonmilitary income, regardless of the source, is subject to Idaho tax. File Form 40 if you are single, or if you are married and your spouse is also a resident of Idaho.

File Form 43 if you are married and your spouse is a nonresident, part-year resident, or military nonresident of Idaho. Check the "Idaho Resident on Active Military Duty" residency status box for yourself. Check the applicable residency status box for your spouse.

Under the Servicemembers Civil Relief Act, a servicemember will neither lose nor acquire a residence or domicile with regards to his income tax as a result of being absent or present in a state due to his military orders. A qualified servicemember is not a resident of or domiciled in Idaho solely as a result of being stationed in Idaho.

A servicemember includes any member of the uniformed services such as:

- A member of the armed forces which includes a member of the Army, Navy, Air Force, Marine Corps, or Coast Guard on active duty. It would also include a member of the National Guard who has been called to active service by the President of the United States or the Secretary of Defense of the United States for a period of more than thirty (30) consecutive days, for purposes of responding to a national emergency declared by the President and supported by federal funds.
- A member of the commissioned corps of the National Oceanic and Atmospheric Administration in active service; and
- A member of the commissioned corps of the Public Health Service in active service.

The safe harbor exception to being a resident of Idaho explained in the "Special-case Idaho Residents" does not apply to a qualified servicemember.

### Nonresident on active duty stationed in Idaho

If your military home of record isn't Idaho and you were on active duty stationed in Idaho for all or part of the year, Idaho doesn't tax your military income. Nonmilitary income from Idaho sources is subject to Idaho tax. File Form 43 if your gross income from Idaho sources exceeds \$2,500. The instructions for Form 43 begin on page 12.

## **NET OPERATING LOSS (NOL)**

An NOL is the excess of business deductions (computed with certain modifications) over total gross income in a particular tax year. Use Form 56 to compute your loss and application of the loss, or a schedule showing the application of the loss.

The NOL generally must be carried back to the two preceding years. The carryback is limited to a maximum of \$100,000. Any remaining loss may be carried forward until used, but no longer than 20 years.

- You may elect to forego the two-year carryback provision and carry the loss forward up to 20 years.
- This election must be made before the due date, including extensions, of the loss year return and can't be revoked.
- To make the election, check the box on line 13, Form 40, or line 29, Form 43, or attach a copy of the federal NOL election, or attach a statement to the loss year tax return clearly indicating that you elect to forego the carryback. Include your name, address, Social Security number, and the amount of loss.

## **NONRESIDENT ALIENS**

Taxpayers who are nonresident aliens for federal purposes and who are required to file an income tax return for Idaho must file using Form 43. Nonresident aliens for federal purposes are nonresidents for Idaho income tax purposes.

#### **PAYMENTS**

Make your check, cashier's check, or money order payable to the Idaho State Tax Commission. Be sure to write your Social Security number on it and attach it to your return.

To pay by credit card, debit card or e-check, visit our Web site at **tax.idaho.gov**; or call (800) 972-7660.

#### **PENALTIES**

Penalties may be imposed on the tax due as follows:

- 0.5% per month or fraction of a month to a maximum of 25% for failure to pay the tax due (if return is filed)
- 2% per month or fraction of a month for failure to meet the
  extension criteria (the return must be filed by the extended due
  date, and the taxes paid by the earlier of the date the return is
  filed or the extended due date)
- 5% per month or fraction of a month to a maximum of 25% for failure to file the return timely
- 5% for negligence or disregard of rules
- 10% for substantial understatement of tax
- 50% for filing a false or fraudulent return

The minimum penalty is \$10.

#### **RECORDKEEPING**

You are required by law to keep records that will enable you to prepare a complete and accurate income tax return. Although the law doesn't require any special form of records, you must retain all receipts, canceled checks, and other evidence to prove amounts claimed as deductions. Keep all supporting records for income or deductions until the statute of limitations for the return expires. Usually this is three years from the due date or the date the return was filed. In property transactions, the basis of new or replacement property may be determined by the basis of the old property. Keep these records as long as they are needed to determine the basis of the original or replacement property.

### **REFUNDS WHEN NOT REQUIRED TO FILE**

If you aren't required to file an Idaho return, no tax is due even if the calculation shows taxable income. If you are filing only to receive a refund of amounts withheld, you don't pay the \$10 permanent building fund tax. Write "NRF" (Not Required to File) on the lines for "Tax from tables or rate schedule" and "Permanent building fund tax."

#### **REFUND SEIZURE**

Under state law, the Tax Commission may retain state income tax refunds to satisfy other outstanding tax debts. The Department of Health and Welfare, the Department of Labor, and the Supreme Court may seize all or part of your income tax refund to offset debts you may owe these agencies. Also, refunds may be seized to satisfy bankruptcy claims, sheriffs' garnishments, or debts owed to the Internal Revenue Service. Additionally, the Tax Commission may seize federal income tax refunds to offset Idaho income tax liabilities.

The agency or party seizing the refund is required to send you notice of the action. Questions regarding a refund seizure should be directed to the agency or party that initiated the claim for seizure.

#### **ROUNDING**

The amounts on your return must be rounded to the whole dollar. An amount less than 50 cents is reduced to the whole dollar. Amounts of 50 cents or more are increased to the next whole dollar.

## **RESIDENCY**

**Are you a resident, a nonresident, or a part-year resident?** The following will help you decide:

- You are an Idaho resident, even though you live outside Idaho, if the following are true:
- You think of Idaho as your permanent home.
- Idaho is the center of your financial, social, and family life.
- Idaho is the place you intend to return to when you are away.

- · You are also an Idaho resident if the following are true:
- You maintained a home in Idaho the entire year.
- You spent more than 270 days in Idaho during the tax year.
- You are a nonresident if your permanent home is outside of Idaho all year.
- You are a part-year resident if you moved into or out of Idaho during the tax year. You are still a resident if:
  - You temporarily moved outside of Idaho, or
  - You moved back to Idaho after a temporary absence.

#### SPECIAL-CASE IDAHO RESIDENTS

You are considered a nonresident if **all** of the following are true:

- You are an Idaho resident who lived outside of Idaho for at least 445 days in a 15-month period.
- After satisfying the 15-month period, you spent less than 60 days in Idaho during the year.
- You didn't have a personal residence in Idaho for yourself or your family during any part of 2009.
- You didn't claim Idaho as your federal tax home.
- You weren't employed on the staff of a U.S. senator or representative.
- You didn't hold an elective or appointive office of the U.S. Government other than the armed forces or a career appointment in the U.S. Foreign Service.

This exception to being a resident of Idaho doesn't apply to a qualified servicemember.

#### **SIGNATURES**

You must sign your return. Your spouse also must sign if you file a joint return. If your return is prepared by a paid preparer, he

must enter his name, address, and identification number. If a taxpayer is deceased or can't sign his return, an authorized person may sign the return indicating his status or relationship. Write "FILING AS SURVIVING SPOUSE" or "unable to sign" in the signature space. If a taxpayer signs with an "X", his mark must be witnessed.

#### TAX PREPARER CONTACT BOX

This box applies only if you paid a tax preparer to complete your return. If you check the box, you are authorizing the Tax Commission to discuss your return with the paid preparer identified on the return.

You are also authorizing the paid preparer to:

- Give the Tax Commission any information that is missing from your return, and
- Call the Tax Commission for information about the processing of your return or the status of your refund or payments.

You are not authorizing the paid preparer to receive any refund check, bind you to anything including any additional tax liability, or otherwise represent you before the Tax Commission.

This authorization is valid for up to 180 days from the date the Tax Commission receives the return. If you want the Tax Commission to contact you rather than your preparer, leave the box blank.

#### TAX YEAR AND ACCOUNTING METHOD

The tax year and accounting method used on your Idaho return must match those used on your federal return.

## **FORM 40**

Instructions are for lines not fully explained on the form. General information instructions beginning on page 2 also apply to this form.

#### **GROCERY CREDIT REFUND ONLY**

You must complete Form 40 as follows:

- Complete the top of the form through line 6d, exemptions and dependents.
- Skip lines 7 and 8.
- Write "NRF" on line 9.

- Skip lines 59 through 62.
- Complete the bottom of Form 40 below line 62.

#### **HEADING**

Write your name, address, and Social Security number (SSN) in the spaces provided. If filing a joint return, write the SSN of both you and your spouse.

If you don't have an SSN, contact the Social Security Administration, U.S. Postal Service or the Internal Revenue Service to obtain an application, Form SS-5. File this form with the local office of the Social Security Administration. Apply early

enough to make sure you receive a number by April 15. If your return is due before you receive your number, file the return and write "Applied for" in the space for the number. The Tax Commission will contact you for the number.

Be sure that your return and Form(s) W-2 show the correct SSN. An error in your SSN will delay your refund.

#### **AMENDED RETURN**

Form 40 can be used as an original return or as an amended return.

If you are filing this form as an amended return, check the box at the top of the form. Enter the applicable reason(s) for amending, as listed below. Complete the entire form and schedules using the corrected amounts.

#### **LINES 1 THROUGH 5 FILING STATUS**

Check the box indicating the same filing status shown on your federal return. Refer to federal instructions for further information on filing status.

#### **LINE 6 EXEMPTIONS**

Exemptions claimed on your Idaho return must match the exemptions claimed on your federal return.

**Line 6a and 6b. Yourself and Spouse. CAUTION**: If you can be claimed as a dependent on another person's tax return, such as a parent's return, leave the box "yourself" blank. Instead, check the box on line 14c.

If you are married filing a joint return, you can also claim an exemption for your spouse. Enter "1" in the box for "Spouse." If your spouse died during 2009 and you are filing a joint return, you may claim the exemption for your spouse.

**Line 6c. Dependents.** List dependents claimed on your federal return. If you have more than four dependents, continue on Form 39R, Part F. Enter the total number of dependents in the box.

Line 6d. Total Exemptions. Add lines 6a through 6c.

#### **LINES 7-8 IDAHO ELECTION CAMPAIGN FUND**

The Idaho Legislature established this fund to provide financing for qualified political parties. If you want \$1 of your income tax to go to the Idaho Election Campaign Fund, check the box beside the party of your choice. If you are filing a joint return, your spouse may also designate \$1 to the same party or to a different party. If you check "No specific party," the amount will be divided among the parties by a formula prescribed by law. This won't increase your tax or decrease your refund.

If you are filing an amended return, you must check the same boxes as checked on the original return.

### **LINE 9 FEDERAL ADJUSTED GROSS INCOME**

Enter the adjusted gross income reported on your federal return: Line 37, Form 1040; Line 21, Form 1040A; or Line 4, Form 1040EZ.

# LINE 13 IDAHO ELECTION TO FOREGO NET OPERATING LOSS (NOL) CARRYBACK

Check the box on line 13 if you elect under Section 63-3022(c), Idaho Code, to forego the Idaho carryback period for an NOL. If you check this box, you don't need to attach a separate statement electing to forego the Idaho carryback period.

## TAX COMPUTATION

## LINE 14a AGE 65 OR OLDER

If you are 65 or older, check the box for "Yourself." If you are filing a joint return and your spouse is 65 or older, check the box for "Spouse." Age is determined as of December 31. However, if your 65th birthday was on January 1, 2010, you may consider yourself 65 on December 31, 2009. The boxes you check must match your federal return.

#### **LINE 14b BLIND**

The box for "Yourself" must be checked if you are blind. If you are filing a joint return and your spouse is blind, check the box for "Spouse." Blindness is determined as of December 31. The boxes you check must match your federal return.

### LINE 14c CLAIMED DEPENDENT

If your parents or someone else can claim you as a dependent on their tax return, check this box.

### **LINES 15-18 ITEMIZED OR STANDARD DEDUCTIONS**

Most people can find their standard deduction by looking at the instructions to the left of line 18, Form 40. However, if

- you check any boxes on lines 14a through 14c;
- someone can claim you, or your spouse if filing jointly, as a dependent;

- you paid real estate taxes;\*
- you incurred a disaster loss; or\*
- you paid qualified motor vehicle taxes\*

use Federal Form 1040 Schedule L, Standard Deduction for Certain Filers as a worksheet, to calculate your standard deduction to be entered on line 18 since you may use either your federal itemized deductions or standard deduction, whichever benefits you more. (For exceptions, see YOU MUST ITEMIZE.)

\*If included on line 18, complete Form 39R, Part G.

Your itemized deductions are the same as those used on your federal Form 1040. Idaho requires that all state or local income or general sales taxes shown on federal Schedule A be subtracted from your total itemized amount before you use this figure to reduce your income. Because of this addback, it may be more beneficial to itemize for federal purposes, but use the standard deduction for Idaho.

If you or your spouse are nonresident aliens for federal purposes and aren't from India, your standard deduction is zero. If you are nonresident aliens from India use the standard deduction indicated for your filing status.

If an itemized deduction allowable for federal income tax purposes is reduced for the mortgage interest credit or the foreign tax credit, the amount that would have been allowed if the federal credit hadn't been claimed is allowed as an itemized deduction.

If line 17 is more than line 18, you should use your itemized deductions on line 17. If line 18 is more than line 17, you should use your standard deduction on line 18.

YOU MUST ITEMIZE if you are married, filing a separate return (filing status 3) and your spouse itemizes. You must itemize if you had dual status as a nonresident alien for part of 2009 and during the rest of the year you were a resident alien or a U.S. citizen.

However, you don't have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2009 and you and your spouse agree to be taxed on your combined worldwide income.

FEDERAL LIMITATIONS ON ITEMIZED DEDUCTIONS. Some of your itemized deductions may be phased out if your federal adjusted gross income is more than \$166,800 (\$83,400 if you are married filing separately). Since this figure is the same as the limit on your federal itemized deductions, use the amount reported on your federal return.

Since state income or general sales taxes are affected by the limitation, your state income or general sales tax addback (line 16) must be reduced if your itemized deductions are limited. Adjust your state income or general sales tax addback as follows:

1.	Itemized deductions after federal limitation (federal Schedule A, line 29)	
2.	Itemized deductions prior to federal limitation (federal Schedule A, lines 4, 9, 15, 19, 20, 27,	
_	and 28)	
3.	Divide line 1 by line 2. Round to four digits to the right of the decimal point. (.66666 = .6667 = 66.67%) (Can't exceed 100%)	%
4.	State and local income or general sales taxes reported on federal Schedule A	
5.	Multiply line 4 by line 3. Enter this amount on line 16	

### **LINE 20 EXEMPTIONS**

Multiply \$3,650 by the total number of exemptions entered on line 6d. If your federal adjusted gross income on line 9 is more than the amount shown below for your filing status, use the amount

allowed on your federal Form 1040, line 42, or Form 1040A, line 26.

- \$125,100 Married filing separate return
- \$250,200 Married filing joint return or qualifying widow(er)
- \$166,800 Single
- \$208,500 Head of household

Your Idaho exemption amount should be the same as your federal exemption amount.

#### **LINE 22 TAX**

Enter the tax on this line. If line 21 is less than \$100,000, use the tax tables on page 35. If line 21 is \$100,000 or more, use the schedules on page 46. Be sure you use the correct column in the tax table or the correct schedule for your filing status. See the example at the beginning of the tax table.

If you don't meet the filing requirement (see page 2) and are filing only to receive a refund of withheld taxes, write "NRF" (Not Required to File) on this line.

#### TAX COMPUTATION

#### LINE 34a AGE 65 OR OLDER

If you are 65 or older, check the box for "Yourself." If you are filing a joint return and your spouse is 65 or older, check the box for "Spouse." Age is determined as of December 31. However, if your 65th birthday was on January 1, 2010, you may consider yourself 65 on December 31, 2009. The boxes you check must match your federal return.

### **LINE 34b BLIND**

The box for "Yourself" must be checked if the taxpayer is blind. If you are filing a joint return and your spouse is blind, check the box for "Spouse." Blindness is determined as of December 31. The boxes you check must match your federal return.

#### LINE 34c CLAIMED DEPENDENT

If your parents or someone else can claim you as a dependent on their tax return, check this box.

### **LINES 35-38 ITEMIZED OR STANDARD DEDUCTIONS**

Most people can find their standard deduction by looking at the instructions to the left of line 38, Form 43. However, if

- you check any boxes on lines 34a through 34c;
- someone can claim you, or your spouse if filing jointly, as a dependent;
- you paid real estate taxes;\*
- you incurred a disaster loss; or\*
- you paid qualified motor vehicle taxes\*

use Federal Form 1040 Schedule L, Standard Deduction for Certain Filers, as a worksheet to calculate your standard deduction to be entered on line 38 since you may use either your federal itemized deductions or standard deduction, whichever benefits you more. (For exceptions, see YOU MUST ITEMIZE.)

\*If included on line 38, complete Form 39NR, Part G.

If you or your spouse are nonresident aliens for federal purposes and aren't from India, your standard deduction is zero. If you are nonresident aliens from India use the standard deduction indicated for your filing status.

Your itemized deductions are the same as those used on your federal Form 1040. Idaho requires that all state or local income or general sales taxes shown on federal Schedule A be subtracted from your total itemized amount before you use this figure to reduce your income. Because of this addback, it may be more beneficial to itemize for federal purposes, but use the standard deduction for Idaho.

If an itemized deduction allowable for federal income tax purposes is reduced for the mortgage interest credit or the foreign tax credit, the amount that would have been allowed if the federal credit hadn't been claimed is allowed as an itemized deduction.

If line 37 is more than line 38, you should use your itemized deductions on line 37. If line 38 is more than line 37, you should use your standard deduction on line 38.

YOU MUST ITEMIZE if you are married, filing a separate return (filing status 3) and your spouse itemizes. You must itemize if you were a nonresident alien for any part of 2009. However, you don't have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2009 and you and your spouse agree to be taxed on your combined worldwide income.

FEDERAL LIMITATIONS ON ITEMIZED DEDUCTIONS. Some of your itemized deductions may be phased out if your federal adjusted gross income is more than \$166,800 (\$83,400 if you are married filing separately). Since this figure is the same as the limit on your federal itemized deductions, use the amount reported on your federal return.

Since state income or general sales taxes are affected by the limitation, your state income or general sales tax addback (line 36) must be reduced if your itemized deductions are limited. Adjust your state income or general sales tax addback as follows:

- İtemized deductions prior to federal limitation (federal Schedule A, lines 4, 9, 15, 19, 20, 27, and 28)
- Divide line 1 by line 2. Round to four digits to the right of the decimal point. (Can't exceed 100%) (.66666 = .6667 = 66.67%)

%

- 5. Multiply line 4 by line 3. Enter this amount on line 36.....

#### **LINE 39 EXEMPTIONS**

Multiply \$3,650 by the total number of exemptions entered on line 6d. If Column A, line 30 is more than the amount shown below for your filing status, use the amount allowed on your federal Form 1040, line 42, or Form 1040A, line 26.

- \$125,100 Married filing separate return
- \$250,200 Married filing joint return or qualifying widow(er)
- \$166,800 Single
- \$208,500 Head of household

Your Idaho exemption amount should be the same as your federal exemption amount.

#### **LINE 41 IDAHO PERCENTAGE**

Divide the amount from line 33, Column B, by the amount from line 33, Column A. Round to four digits to the right of the decimal point. For example .66666 is rounded to .6667 and should be entered as 66.67%. The percentage can't exceed 100%, or be less than zero.

## **LINE 44 TAX**

Enter the tax on this line. If line 43 is less than \$100,000, use the tax tables on page 35. If line 43 is \$100,000 or more, use the schedules on page 46. If you have interest income from a mutual fund that invests in both nonexempt securities and exempt U.S. government securities, you may deduct the portion of the interest that is attributable to direct U.S. government obligations. This amount must be identified by the mutual fund to be deductible.

This includes your distributive share from Form ID K-1, Part B, line 4, net of the expenses related to the federal obligations from Form ID K-1, Part B, line 5.

#### **LINE 4 INSULATION OF AN IDAHO RESIDENCE**

To qualify for this deduction, your Idaho home must have existed, been under construction, or had a building permit issued on or before January 1, 1976. The insulation must be in addition to any existing insulation and can't be a replacement.

Insulation means any material commonly used in the building industry and installed to retard the passage of heat into or out of a building, such as fiberglass, rock wool, weather stripping, double-pane windows, storm doors and storm windows.

Insulated siding doesn't qualify unless the cost of the siding and the insulating material is separately stated, in which case the cost of the insulating material alone qualifies. The amount charged for labor to install the insulation is also deductible.

## LINE 5 ALTERNATIVE ENERGY DEVICE DEDUCTION

If you install an alternative energy device in your Idaho residence, you may deduct a portion of the amount actually paid or accrued (billed but not paid). Qualifying devices include:

- a system using solar radiation, wind or geothermal resource primarily to provide heating or cooling, or produce electrical power, or any combination thereof
- a fluid-to-air heat pump operating on a fluid reservoir heated by solar radiation or geothermal resource but not an air-to-air heat pump unless it uses geothermal resources as part of the system
- · a natural gas or propane heating unit that replaces a noncertified wood stove
- an Environmental Protection Agency (EPA) certified wood stove or pellet stove meeting the most current industry and state standards that replaces a noncertified wood stove

A noncertified wood stove is a wood stove that doesn't meet the most current EPA standards. The noncertified wood stove must be taken to a site authorized by the Division of Environmental Quality (DEQ) within 30 days from the date of purchase of the qualifying device.

The natural gas or propane heating unit, the EPA-certified wood stove, or pellet stove must be installed the same tax year that the nonqualifying wood stove is turned in to the DEQ.

In the year the device is placed in service, you can deduct 40% of the cost to construct, reconstruct, remodel, install or acquire the device, but not more than \$5,000.

In the next three years after installation, you can deduct 20% of these costs per year, but not more than \$5,000 in any year. Lines a - d Complete the line(s) that apply to the year you acquired the device(s). For example, if your device was acquired in 2006, complete line d. Enter the type of device and total cost. Only the following are qualified retirement benefits:

- Civil Service Employees: Retirement annuities paid by the United States of America Civil Service Retirement System to a retired civil service employee or the unremarried widow of the employee if the recipient is age 65 or older, or disabled and age 62 or older. To qualify for the deduction, the employee must have established eligibility before 1984. Retirement annuities paid to a retired federal employee under the Federal Employees Retirement System don't qualify for the deduction
- Idaho Firemen: Retirement benefits paid from the firemen's retirement fund of the state of Idaho to a retired fireman or the unremarried widow of a retired fireman if the recipient is age 65 or older, or disabled and age 62 or older.
- Policemen of an Idaho city: Retirement benefits paid from the policemen's retirement fund of a city within Idaho to a retired policeman or the unremarried widow of a retired policeman if the recipient is age 65 or older, or disabled and age 62 or older.
- Servicemen: Retirement benefits paid by the United States to a retired member of the U.S. military or the unremarried widow of such member if the recipient is age 65 or older, or disabled and age 62 or older.

The amount deducted must be reduced by retirement benefits paid under the Federal Social Security Act and the Tier I benefits paid under the Federal Railroad Retirement Act received by you and your spouse.

Disability pension paid by the Federal Railroad Retirement Act may not be included in Box 5 of your Form RRB-1099, if you are under the minimum retirement age. Instead it may be included on line 7 of Form 1040 as wages.

The maximum amounts that may be deducted for 2009 are:

Items that qualify for this deduction are limited to computers, computer software, and scientific equipment or apparatus manufactured within five years of the date of donation. The amount deducted can't reduce Idaho taxable income to less than zero. Any unused deduction can't be carried to another year.

#### **LINE 11 MILITARY PAY EARNED OUTSIDE OF IDAHO**

If you are serving in the United States Army, Navy, Marine Corps, Air Force, or Coast Guard on active military duty that is continuous and uninterrupted for 120 days, your active duty military wages for service outside of Idaho aren't subject to Idaho tax. The continuous 120 days don't have to be in the same tax year. Enter your nontaxable military wages.

Do not include military wages earned while stationed in Idaho. Your wage and tax statement (W-2) doesn't show this amount separately and you may have to compute the amount of income earned outside of Idaho. You should see your unit of assignment or use your orders in making the computation. Attach a copy of your worksheet.

National Guard or Reserve pay, including annual training pay, generally doesn't qualify as active duty pay unless you have been called into full-time duty for 120 days or more. If you are a commissioned officer of the Public Health Service or of the National Oceanic and Atmospheric Administration militarized by the President of the United States and attached to the armed forces, your active duty military wages earned outside Idaho qualify for this deduction. #### LINE 15 MAINTAINING A HOME FOR AGED AND/OR DEVEL-OPMENTALLY DISABLED

You may deduct \$1,000 for each family member, not including yourself or your spouse, who is age 65 or older and for whom you maintain a household and provide more than one-half of his support for the year.

You may deduct \$1,000 for each family member, including yourself and your spouse, who is developmentally disabled and for whom you maintain a household and provide more than one-half of his support for the year.

No more than three deductions of \$1,000 are allowed. If you claim this deduction, you can't claim the \$100 credit in Part E.

Developmental disability means a chronic disability that:

- 1. Is attributable to an impairment such as:
  - Mental retardation
  - · Cerebral palsy
  - Epilepsy
  - Autism
  - Other condition found to be closely related to, or similar to, one of these impairments; and
- Results in substantial functional limitation in three or more of the following areas of life activity:
  - Self-care
  - · Receptive and expressive language
  - Learning
  - Mobility
  - Self-direction
  - · Capacity for independent living
  - · Economic self-sufficiency; and
- Reflects the need for a combination and sequence of special, interdisciplinary or generic care, treatment or other services which are of lifelong or extended duration and individually planned and coordinated.

If the home was maintained for the family member for less than a full year, the deduction is allowed at the rate of \$83.33 for each month the home was maintained.

A family member is any person who meets the relationship test to be claimed as a dependent on income tax returns. Refer to the federal Form 1040 instructions for more information.

Maintaining a household means paying more than one-half the expenses incurred for the benefit of all the household's occupants. Social Security benefits aren't support provided by you but must be included in the computation of total support provided. Some examples of expenses of maintaining a household include: property taxes, mortgage interest, rent, utility charges, upkeep and repairs, property insurance and food consumed on the premises.

### **LINE 16 IDAHO LOTTERY WINNINGS**

You may deduct Idaho lottery prizes of less than \$600 per prize included in federal adjusted gross income on line 9, Form 40. You can't deduct lottery prizes from other states.

## LINE 17 INCOME EARNED ON A RESERVATION BY AN AMERICAN INDIAN

American Indians who are enrolled members of a federally recognized tribe, who live and work on a reservation can deduct all reservation sourced income received while living and working on the reservation, if the income is included on line 9, Form 40. Income earned off the reservation can't be deducted. Income earned on the reservation can't be deducted if you live off the reservation.

### **LINE 18 HEALTH INSURANCE PREMIUMS**

Deduct premiums you paid for health insurance for yourself, your spouse, and your dependents if those premiums haven't already been deducted or excluded from your income.

If you claimed a deduction for health insurance premiums on your federal Form 1040, Schedule A, use the worksheet to calculate the deduction allowed for health insurance premiums. The worksheet follows the priority that itemized deductions first apply to health insurance premiums, then to long-term care insurance.

#### IDAHO MEDICAL SAVINGS ACCOUNT

If you take money out of your Idaho medical savings account to pay medical insurance premiums, no deduction is allowed. Since the health insurance costs are already deducted or accounted for, they can't be deducted a second time.

### SALARY REDUCTION PLANS

Premiums paid through a cafeteria plan or other salary-reduction arrangement can't be included in the Idaho deduction for health insurance costs. For example, if your health insurance payments are deducted from your pay check pretax, they don't qualify for the deduction.

## **BUSINESS DEDUCTIONS**

Premiums deducted as a business expense can't be included in the Idaho deduction for health insurance costs since these amounts are already deducted.

### SOCIAL SECURITY MEDICARE A AND B

No deduction is allowed for the amount paid for employerrequired Social Security Medicare A . This is the amount listed as a deduction on almost every federal Form W-2.

If you voluntarily enroll in Medicare B or Medicare D, or aren't covered under Social Security and voluntarily enroll in Medicare A, the premiums you paid may be deducted.

## IDAHO STANDARD DEDUCTION

If you don't itemize deductions for Idaho income tax purposes, but instead use the Idaho standard deduction, you don't have to reduce your health insurance costs by any amount claimed as a federal itemized deduction.

### FEDERAL ITEMIZED DEDUCTION LIMITATIONS

For federal purposes, the amount of medical expenses allowed as a deduction on the federal Form 1040, Schedule A, is required to be reduced by 7.5% of adjusted gross income. The following worksheet shows how the limitation of the 7.5% of adjusted gross income required for federal purposes, affects the amount of health insurance costs deductible for Idaho purposes.

If you aren't itemizing deductions for Idaho, skip lines 1-6 and enter zeros on lines 8, 12, and 13.

If you claimed a deduction for long-term care insurance on your federal Form 1040, Schedule A, calculate the long-term care insurance allowed as a deduction by using the worksheet in the instructions for line 18.

Qualified long-term care insurance includes any insurance policy that provides coverage for at least twelve consecutive months for yourself, your spouse, or your dependents for one or more necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance or personal care services, provided in a setting other than an acute care unit of a hospital. Group and individual annuities and life insurance policies that provide directly or that supplement long-term care insurance qualify. This includes a policy that provides for payment of benefits based upon cognitive impairment or loss of functional capacity.

Qualified long-term care insurance doesn't include any insurance policy that is offered primarily to provide coverage for:

- · Basic Medicare supplement,
- · Basic hospital expense,
- · Basic medical surgical expense,
- · Hospital confinement indemnity,
- Major medical expense,
- Disability income or related asset protection,
- · Accident only,

When the same income is taxed by both Idaho and another state, you may be entitled to a credit for tax paid to the other state. Use this section to compute the credit. You must attach a copy of the other state's income tax return and Idaho Form 39R to your income tax return. If your S corporation or partnership paid income tax to another state, attach a copy of Form ID K-1 or the schedule you received from the partnership or S corporation that paid the tax. If credit applies to more than one state, use a separate Form 39R for each state.

Examples of income that may be taxed by both Idaho and another state include:

Income tax credits are those credits that relate to income tax. An example of a credit that isn't an income tax credit is a special fuels or gasoline tax credit or refund.

## LINE 15 PARTNERS AND SHAREHOLDERS

Column A: Include the amount of other subtractions included on Form ID K-1, Part B, line 10.

Column B: Enter your Idaho apportioned share of the Idaho subtractions from Form ID K-1, Part B, line 10. Your apportioned share is usually the amount of the other subtraction included on Form ID K-1, Part B, line 10 multiplied by the percentage shown on Form ID K-1, Part A, line 1.

## LINE 16 INSULATION OF IDAHO RESIDENCE

Columns A and B: You may be able to deduct the amount you paid to install additional insulation in your Idaho residence. To qualify for this deduction, your Idaho home must have existed, been under construction, or had a building permit issued on or before January 1, 1976. The insulation must be in addition to any existing insulation and can't be a replacement, e.g. replacing double pane windows with triple pane windows doesn't qualify.

Insulation means any material commonly used in the building industry and installed to retard the passage of heat into or out of a building, such as fiberglass, rock wool, weather stripping, double-pane windows, storm doors and storm windows.

Insulated siding doesn't qualify unless the cost of the siding and the insulating material is separately identified, in which case the cost of the insulating material alone qualifies.

The amount charged for labor to install the insulation is also deductible.

### LINE 17 TECHNOLOGICAL EQUIPMENT DONATION

Columns A and B: Enter the fair market value of technological equipment donated to a public or nonprofit private elementary or secondary school, public or nonprofit private college or university, public library, or library district located in Idaho. Items that qualify for this deduction are limited to computers, computer software, and scientific equipment or apparatus manufactured within five years of the date of donation. The amount deducted can't reduce Idaho taxable income to less than zero. Any unused deduction can't be carried to another year.

Columns A and B: Include your distributive share from Form ID K-1, Part B, line 8. The deduction from a pass-through entity may not exceed the amount of pass-through income less deductions of the entity making the contribution.

#### **LINE 18 HEALTH INSURANCE PREMIUMS**

Column A: Deduct premiums you paid for health insurance for yourself, your spouse, and your dependents if those premiums haven't already been deducted or excluded from your income. If you claimed a deduction for health insurance premiums on your federal Form 1040, Schedule A, use the worksheet below, to calculate the deduction allowed for health insurance premiums. The worksheet follows the priority that itemized deductions first apply to health insurance premiums, then to long-term care insurance.

## IDAHO MEDICAL SAVINGS ACCOUNT

If you take money out of your Idaho medical savings account to pay medical insurance premiums, no deduction is allowed. Since the health insurance costs are already deducted or accounted for, they can't be deducted a second time.

#### SALARY REDUCTION PLANS

Premiums paid through a cafeteria plan or other salary-reduction arrangement can't be included in the Idaho deduction for health insurance costs. For example, if your health insurance payments are deducted from your pay check pretax, then they don't qualify for the deduction.

#### **BUSINESS DEDUCTIONS**

Premiums deducted as a business expense can't be included in the Idaho deduction for health insurance costs since these amounts are already deducted.

### SOCIAL SECURITY MEDICARE A AND B

No deduction is allowed for the amount paid for employerrequired Social Security Medicare A. This is the amount listed as a deduction on almost every federal W-2.

If you voluntarily enroll in Medicare B or Medicare D, or aren't covered under Social Security and voluntarily enroll in Medicare A, the premiums you paid may be deducted.

### IDAHO STANDARD DEDUCTION

If you don't itemize deductions for Idaho income tax purposes, but instead use the Idaho standard deduction, you don't have to reduce your health insurance costs by any amount claimed as a federal itemized deduction.

#### FEDERAL ITEMIZED DEDUCTION LIMITATIONS

For federal purposes, the amount of medical expenses allowed as a deduction on the federal Form 1040, Schedule A, is required to be reduced by 7.5% of adjusted gross income. The following worksheet shows how the limitation of the 7.5% of adjusted gross income required for federal purposes, affects the amount of health insurance costs deductible for Idaho purposes.

If you aren't itemizing deductions for Idaho, skip lines 1-6 and enter zeros on lines 8, 12, and 13.

#### LINE 19 LONG-TERM CARE INSURANCE

Column A: You may deduct the amount you paid in premiums for qualified long-term care insurance that aren't otherwise deducted or accounted for.

Qualified long-term care insurance includes any insurance policy that provides coverage for at least twelve consecutive months for yourself, your spouse, or your dependents for one or more necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance or personal care services, provided in a setting other than an acute care unit of a hospital. Group and individual annuities and life insurance policies that provide directly or that supplement long-term care insurance qualify. This includes a policy that provides for payment of benefits based upon cognitive impairment or loss of functional capacity.

Qualified long-term care insurance doesn't include any insurance policy that is offered primarily to provide coverage for:

- · Basic Medicare supplement,
- · Basic hospital expense,
- · Basic medical surgical expense,
- · Hospital confinement indemnity,
- Major medical expense,
- · Disability income or related asset-protection,
- · Accident only,
- · Specified disease or specified accident, or
- · Limited benefit health.

Life insurance policies that accelerate death benefits generally don't qualify.

If you claimed a deduction for long-term care insurance on your federal Form 1040, Schedule A, as an itemized deduction, calculate the long-term care insurance allowed as a deduction by using the worksheet in the instructions for line 18.

Column B: Enter the amount from line 5 of this worksheet.

### **LINE 20 ALTERNATIVE ENERGY DEVICE DEDUCTION**

Columns A and B: If you install an alternative energy device in your Idaho residence, you may deduct a portion of the amount actually paid or accrued (billed but not paid).

Qualifying devices include:

- a system using solar radiation, wind or geothermal resource primarily to provide heating or cooling, to produce electrical power, or any combination thereof
- a fluid-to-air heat pump operating on a fluid reservoir heated by solar radiation or geothermal resource but not an air-to-air heat pump unless it uses geothermal resources as part of the system
- a natural gas or propane heating unit that replaces a noncertified wood stove

 an Environmental Protection Agency (EPA)-certified wood stove or pellet stove meeting the most current industry and state standards that replaces a noncertified wood stove

A noncertified wood stove is a wood stove that doesn't meet the most current EPA standards. The noncertified wood stove must be taken to a site authorized by the Division of Environmental Quality (DEQ) within 30 days from the date of purchase of the qualifying device.

The natural gas or propane heating unit and the EPA-certified wood stove or pellet stove must be installed in the same tax year that the nonqualifying wood stove is turned in to the DEQ.

In the year the device is placed in service, you can deduct 40% of the cost to construct, reconstruct, remodel, install or acquire the device, but not more than \$5,000.

In the next three years after installation, you can deduct 20% of these costs per year, but not more than \$5,000 in any year.

**LINES 20a - 20d** Complete the line(s) that apply to the year you acquired the device(s). For example, if your device was acquired in 2006, complete line 20d. Enter the type of device and total cost. Multiply the total cost by the appropriate percentage. Line 20e can't be more than \$5,000.

#### **LINE 22 RETIREMENT BENEFITS DEDUCTION**

If you are age 65 or older, or if you are disabled and age 62 or older, you may be able to deduct some of the retirement benefits and annuities you receive. You can't claim this deduction if you file married filing separate.

Only the following are qualified retirement benefits:

- Civil Service Employees: Retirement annuities paid by the United States of America Civil Service Retirement System to a retired civil service employee or the unremarried widow of the employee if the recipient is age 65 or older, or disabled and age 62 or older. To qualify for the deduction, the employee must have established eligibility before 1984. Retirement annuities paid to a retired federal employee under the Federal Employees Retirement System don't qualify for the deduction.
- Idaho Firemen: Retirement benefits paid from the firemen's retirement fund of the state of Idaho to a retired fireman or the unremarried widow of a retired fireman if the recipient is age 65 or older, or disabled and age 62 or older.
- Policemen of an Idaho city: Retirement benefits paid from the policemen's retirement fund of a city within Idaho to a retired policeman or the unremarried widow of a retired policeman if the recipient is age 65 or older, or disabled and age 62 or older.
- **Servicemen:** Retirement benefits paid by the United States to a retired member of the U.S. military or the unremarried widow of such member if the recipient is age 65 or older, or disabled and age 62 or older.

Attach Form(s) 1099 for all qualified retirement benefits claimed.

# PART C. INCOME TAX PAID TO OTHER STATES BY PART-YEAR RESIDENTS

### NONRESIDENTS DON'T QUALIFY FOR THIS CREDIT.

When the same income is taxed by both Idaho and another state while you are an Idaho resident, you may be entitled to a credit for tax paid to the other state.

Use this section to compute the credit. You must attach a copy of the other state's income tax return and Idaho Form 39NR to your income tax return. If your S corporation or partnership paid income tax to another state, attach a copy of Form ID K-1 or the schedule received from the partnership or S corporation that paid the tax. If credit applies to more than one state, use a separate Form 39NR for each state.

Examples of income that may be taxed by both Idaho and another state include:

If your income derived in the other state was reported on a composite or group return filed by an S corporation or partnership, enter your pro rata share of the tax paid by the S corporation or partnership less your pro rata share of the income tax credits. Income tax credits are those credits that relate to income tax. An example of a credit that isn't an income tax credit is a special fuels or gasoline tax credit or refund.

**LINE 8** Divide line 3 by line 2. Round to four digits to the right of the decimal point. For example .66666 is rounded to .6667 and should be entered as 66.67%. The percentage can't exceed 100%.

If you have claimed a small employer new jobs tax credit and you failed to maintain the required level of new employees for the entire five-year recapture period, you must compute the small employer new jobs tax credit recapture.

You must also compute recapture if you failed to meet the tax incentive criteria required to qualify for this credit at the project site during the project period.

Enter the amount from Form 85R, line 13. Attach Form 85R.

## LINE 6 BIOFUEL INFRASTRUCTURE INVESTMENT TAX CREDIT

If you have claimed a biofuel infrastructure investment tax credit on property that ceases to qualify before the end of the five-year recapture period, you must compute biofuel infrastructure investment tax credit recapture. This includes property no longer used to sell biofuel in Idaho.

Enter the amount from Form 71R, Part III, line 15. Attach Form 71R.

# **TAX TABLES**

Use the following tables if your taxable income is less than \$100,000.

If your taxable income is \$100,000 or more, use the Tax Rate Schedules on page 46.

Example: Mr. and Mrs. Brown are filing a joint return. Their taxable income on line 21, Form 40, or line 43, Form 43, is \$25,360. First, they find the \$25,350 - \$25,400 income line. Next they find the column for married filing jointly and read down the column. The amount shown where the income line and filing status column meet is \$1,422. This is the tax amount they must write on line 22, Form 40, or line 44, Form 43.
