Once the donation is made, it can't be changed.

LINE 5 DIRECT DEPOSIT

If your refund is being forwarded from a United States financial institution to a financial institution or financial agency located outside the United States, check the box on line 5. If, after filing your Idaho income tax return, you become aware that your electronic refund payment will be electronically deposited in a financial institution or financial agency located outside of the United States, please notify us at:

Contact your bank to make sure your deposit will be accepted and that you have the correct routing and account numbers.

Enter your nine-digit routing number. The routing number must begin with 01 through 12, or 21 through 32.

Enter the account number of the account into which you want your refund deposited. The account number can be up to 17 characters (both numbers and letters). Don't include hyphens, spaces, or special symbols. Enter the number left to right and leave any unused boxes blank.

Check the appropriate box for account type. Check **either** checking or savings, but not both.
