# Instructions for Schedule IN-EIC

Here are some important things to know when figuring this credit:

- You must be eligible for and have claimed an EIC on your federal tax return. If not, **STOP**. You are not eligible to claim Indiana's EIC.
- Your income on Form IT-40, line 1 (or Indiana's Schedule A, line 36A), must be less than $49,399. If it is the same amount or more, **STOP**. You are not eligible to claim Indiana's EIC.
- You must complete Worksheet A or Worksheet B. See the IT-40 or IT-40PNR instruction booklets for further details.
- Schedule IN-EIC must be completed and enclosed by all filers claiming the EIC.
- Indiana's Publication EIC is available for additional information. It may be viewed online at www.in.gov/dor/tax-forms/2022-individual-income-tax-forms/.

---

**Caution:** You must know what your federal earned income credit is before you can figure your Indiana EIC. If you don't know what your federal EIC is by Indiana's filing due date, go ahead and file your Indiana return without claiming the EIC. Then, when you find out what your federal EIC is, file an amended (corrected) Indiana tax return to claim your Indiana EIC.

---

If, during 2022:
- you were an Indiana resident, and/or
- had income from Indiana sources, and
- you claimed the EIC on your federal income tax return, Form 1040,

then you may be eligible to claim Indiana's EIC.

**STOP.** You <u>must</u> get the 2022 IT-40 or IT-40PNR instruction booklet before you can continue. The instructions for how to figure Indiana's EIC are located within those booklets. You may find these booklets online www.in.gov/dor/tax-forms/2022-individual-income-tax-forms/.

Once you get the instructions, review Step 1 through Step 7, and complete either **Worksheet A** or **Worksheet B** to figure your Indiana EIC. After you have completed the worksheet, return to these instructions and finish Schedule IN-EIC.

**Caution:** Schedule IN-EIC must be filed with your tax return in order for you to be eligible to claim Indiana's EIC.

**Section A – Figure Your Indiana Earned Income Credit**
**Line A-1.** Enter the amount of earned income credit from your federal income tax return.

**Line A-2.** Enter your earned income from **Worksheet A**, Part 1, line 1, or from **Worksheet B**, Part 4, line 4b.

**Line A-3.** Enter your earned income credit from **Worksheet A**, Part 3, line 11, or from **Worksheet B**, Part 7, line 16.

**Section B – Qualifying Child (Children)**
You must complete Section B if you are claiming one or two children when figuring Indiana's EIC.

First, complete Step 3 of the EIC instructions. There you'll find the descriptions of who is a qualifying child for Indiana EIC purposes.

**Social Security Number.** Your qualifying child must have a valid Social Security number (SSN) unless the child was born and died in 2022.*

**Important:** Enter information for the same child (or children) you entered on your federal Schedule EIC wherever possible.

**Example.** Marie has four children, three of whom she claimed for federal EIC purposes. All three children meet the requirements to be a qualified child within Indiana. Since Marie may claim up to two qualified children on this schedule, she should list two of the three she claimed for federal EIC purposes.

**Example.** Tim and Jane claimed their daughter and a foster child (who lived with them for six months) as qualifying children for federal EIC purposes. Since their foster child did not live with them the entire year, the child is not a qualifying child for Indiana EIC purposes. They may only claim their daughter as a qualifying child in Section B.

In **Section B-1**, the 'Foster Child (not related)' box (line D) is an unrelated child who was placed with you by an authorized placement agency and lived with you the entire year.

In **Section B-1**, the 'Other' box (line F) includes a related foster child who lived with you the entire year, or your brother, sister, stepbrother, stepsister, or a descendant of your brother and/or sister, etc. (for example, your niece or nephew), whom you cared for as your own child.

***Exception.** If your qualified dependent child was born and died in 2022 and you do not have a SSN for the child, enter the word "Died" in the third (largest) Social Security Number box associated with your child's name. You must keep a copy of the child's birth certificate, death certificate and/or hospital records with your records as the Indiana Department of Revenue (DOR) may request this information at a later date. The documents must show the child was born alive.

*Exception Example*    ☐  ☐  Died
