Important Information

DUE DATE FOR FILING. April 18, 2022 is the due date for filing 2021 income tax returns. See page 4.

ITEMIZED DEDUCTIONS. Beginning with tax year 2021, individual taxpayers may choose to either itemize or claim the standard deduction on the Kansas individual income tax return. You will complete and file Kansas Schedule A with your individual income tax return if choosing to claim itemized deductions.

KANSAS TAXPAYER PROTECTION ACT. Effective January 1, 2022, paid tax return preparers must sign any return prepared or partially prepared and must include the federal preparer tax identification number (PTIN) on every return they prepared or partially prepared. See Notice 21-21 for definitions and signature requirements.

EXCLUSION OF COMPENSATION FRAUDULENTLY OBTAINED BY ANOTHER PERSON. Individuals whose identity was fraudulently used to secure any type of compensation including unemployment compensation, and never received the compensation will subtract this fraudulently acquired compensation from federal adjusted in gross income. The amounts of such compensation may be reported on the Kansas Department of Revenue website see Notice 21-20.

Kansas Compensating Use Tax.

What is Compensating Use Tax? Since 1937 Kansas has imposed a compensating use tax on goods purchased from outside Kansas and used, stored or consumed in Kansas. Its purpose is to protect Kansas retailers from unfair competition from out-of-state retailers who sell goods tax-free by applying a tax on these items

equal to the Kansas rate. It also helps to assure fairness to Kansans who purchase the same items in Kansas and pay Kansas sales tax. Individuals and businesses buying items from retailers in other states may be subject to Kansas use tax on those purchases. This tax applies to the total cost of the merchandise, including postage, shipping, handling or transportation charges. It is the same as the combined state and local sales tax rate in effect where the buyer takes delivery in Kansas. For individuals, it is usually the home. For businesses, it is where the items are used (office, shop, etc).

Do I owe this tax? Kansans that buy goods in other states or through catalogs, internet, mail-order companies, or from TV, magazine and newspaper ads must pay Kansas use tax on the purchases if the goods are used, stored or consumed in Kansas and the seller does not charge a sales tax rate equal to or greater than the Kansas retailers' sales tax rate in effect where the item is delivered or first used. **EXAMPLE:** An Anytown, KS resident goes to Missouri to purchase a laptop computer during a Missouri sales tax "Holiday." The cost of the computer is \$2,000. The Anytown resident will owe Kansas use tax of 8.95% (current Anytown rate) on the total charge of \$2,000 when that resident brings the laptop computer back to Anytown, KS. ($\$2,000 \times 0.0895 = \179.00).

How do I pay the Compensating Use Tax? To pay Kansas use tax on your untaxed out-of-state purchases made during calendar year 2021, refer to the instructions for line 20 of Form K-40. You may use the chart or compute the tax due by applying the state and local sales tax rate in effect for your address to the total purchases subject to the tax. Don't know your sales tax rate? Go to www.ksst.dor.ks.gov/lookup.cfm to look up the rate for your location.

Contact our Taxpayer Assistance Center (back cover) if you have questions about the Kansas Use Tax.

Pallid Bats are a large bat (for Kansas) with body sizes of nearly 3 inches and a 15-16 inch wingspan. Pallid bats have large ears which they use to locate large insect prey, such as crickets, on the ground. Pallid bats are typically found in arid or semi-arid habitats, and its range in Kansas is restricted to the Red Hills of south-central Kansas. The Red Hills are considered an Ecological Focus Area by the Kansas Department of Wildlife and Parks, and Pallid Bats and their habitats both benefit from Chickadee Checkoff.

GENERAL INFORMATION

If any due date falls on a Saturday, Sunday, or legal holiday, substitute the next regular workday.

Who Must File a Return

You must file a Kansas individual income tax return to receive any refund of taxes withheld, regardless of the amount of total income.

KANSAS RESIDENTS. A Kansas resident for income tax purposes is anyone who lives in Kansas, regardless of where they are employed. An individual who is away from Kansas for a period of time and has intentions of returning to Kansas is a resident.

If you were a Kansas resident for the entire year, you must file a Kansas individual income tax return if: 1) you are required to file a federal income tax return; **or**, 2) your Kansas adjusted gross income is more than the total of your Kansas standard deduction and exemption allowance.

The minimum filing requirements are shown in the following table. If you are not required to file a federal return, you may use this table to determine if you are required to file a Kansas return. For example, if your filing status is single, and you are over 65, you need not file a Kansas return unless your gross income is over \$6,600. A married couple filing jointly would not be required to file a Kansas return unless their gross income is over \$12,500.

A Kansas resident must file if he or she is:	And gross income is at least:
SINGLE	
Under 65.....	\$ 5,750
65 or older or blind	\$ 6,600
65 or older and blind.....	\$ 7,450
MARRIED FILING JOINT	
Under 65 (both spouses).....	\$12,500
65 or older or blind (one spouse)	\$13,200
65 or older or blind (both spouses).....	\$13,900
65 or older and blind (one spouse).....	\$13,900
65 or older or blind (one spouse) and 65 or older and blind (other spouse)	\$14,600
65 or older and blind (both spouses).....	\$15,300
HEAD OF HOUSEHOLD	
Under 65.....	\$10,500
65 or older or blind	\$11,350
65 or older and blind.....	\$12,200
MARRIED FILING SEPARATE	
Under 65.....	\$ 6,250
65 or older or blind	\$ 6,950
65 or older and blind.....	\$ 7,650

Kansas law provides that if a husband or wife is a resident of Kansas while the other is a nonresident of Kansas, and file a Married Filing Joint federal return, they must file a Married Filing Joint Kansas return and file as "nonresidents" of the state of Kansas.

NONRESIDENTS. If you are not a resident of Kansas but received income from Kansas sources, you must file a Kansas return regardless of the amount of income received from Kansas sources (see Kansas Source Income as provided in Schedule S Part B Instructions). If your employer withheld Kansas taxes from your wages in error, you must also file a Kansas return in order to receive a refund, even though you had no income from Kansas sources. A letter from your employer on company letterhead and signed by an authorized company official explaining the error must accompany your return. The letter must state the amount of wages and withholding applicable to Kansas.

PART-YEAR RESIDENTS. You are considered a part-year resident of Kansas if you were a Kansas resident for less than 12 months during the tax year. As a part-year resident, you must include the dates that you were a resident in Kansas on Form K-40 and complete Part B of Schedule S.

MILITARY PERSONNEL. The active and reserve duty service pay of military personnel is taxable **ONLY** to your state of legal residency, no matter where you are stationed during the tax year. If your home of record on your military records is Kansas, and you have not established residency in another state, you are still a Kansas resident and all of your income, including your military compensation, is subject to Kansas income tax.

If you are a nonresident of Kansas but are stationed in Kansas due to military orders, you must file a Kansas return if you received income from Kansas sources. Only income from Kansas sources is used to determine the Kansas income tax due for *nonresident* military service members. Nonresident service members will subtract out the amount of their military compensation on Schedule S, line A13.

Kansas income for services performed by a non-military spouse of a nonresident military service member is exempt from Kansas income tax. To qualify for this exemption, the non-military spouse must be residing in Kansas solely because the military service member is stationed in Kansas under military orders. Non-military spouses of service members stationed in Kansas will subtract out their Kansas source income on Schedule S, line A13.

NATIVE AMERICAN INDIANS. Income received by native American Indians that is exempt from federal income tax is also exempt from Kansas income tax. Income earned by a native American Indian residing on his/her tribal reservation is exempt from Kansas income tax only when the income is from sources on his/her tribal reservation. If any such income is included in the federal adjusted gross income, it is subtracted on Schedule S, line A21.

When to File

You can "file now" and "pay later" using our Direct Payment option. See page 9.

If your 2021 return is based on a calendar year, it must be filed and the tax paid no later than April 18th, 2022.
If your Kansas return is based on a fiscal year, it is due the 15th day of the 4th month following the end of your fiscal year. The instructions in this booklet apply to a calendar year filer.
AMENDED RETURNS: If the amended return will result in a refund to you, the amended return must be filed within three (3) years of when the original return was filed (including extensions allowed) or within two (2) years from the date the tax was paid, whichever is later.

Where to File

Mail your Kansas individual income tax return to the following address:

INDIVIDUAL INCOME TAX
KANSAS DEPARTMENT OF REVENUE
PO BOX 750260
TOPEKA, KS 66699-0260

WebFile is a *simple, secure, fast and free* Kansas electronic filing option. See back cover for details!

If You Need Forms

Due to the sensitivity of the Kansas Department of Revenue's imaging equipment for tax return processing, only an **original** preprinted form or an **approved** computer-generated version of the K-40, Schedule S, and K-40V should be filed. Do not send the Kansas Department of Revenue a copy of your form.

Kansas income tax forms are available by calling or visiting our office (see back cover). Forms that do not contain colored ink for imaging purposes can be downloaded from our website at: **ksrevenue.gov**

Extension of Time to File

An extension of time to file is NOT an extension of time to pay the tax.

If you are unable to complete your Kansas return by the filing deadline, you may request an extension of time to file. If you filed federal Form 4868 with the IRS for an automatic extension to file, enclose a copy of this form with your completed Form K-40 to automatically receive an extension to file your Kansas return. Kansas does not have a separate extension request form. If you are entitled to a refund, an extension is not required.

To pay the tax balance due for an extension, use the Kansas Payment Voucher (K-40V) and mark the box indicating an extension payment. If you do not pay the tax due (may be estimated) by the original due date, you will owe interest and penalty on any balance due.

Your Federal Return

If you file Form K-40 using a Kansas address, you do not need to include a copy of your federal return. However, keep a copy as it may be requested by the Kansas Department of Revenue at a later date. If your Form K-40 shows an address other than Kansas, you must enclose a copy of your federal return (1040, applicable Schedules A through F and Schedules 1-3) with your Kansas return.

Confidential Information

Income tax information disclosed to the Kansas Department of Revenue, either on returns or through department investigation, is held in strict confidence by law. The Kansas Department of Revenue, the Internal Revenue Service, and several other states have an agreement under which some income tax information is exchanged. This is to verify the accuracy and consistency of information reported on federal and Kansas income tax returns.

Innocent Spouse Relief

In cases where husband and wife file as married filing joint for Kansas and one spouse is relieved of federal liability by the IRS under 26 U.S.C. 6013(e) or 6015, he or she is also relieved of Kansas tax, penalty, and interest. Innocent spouse relief is also provided in Kansas cases where such relief would have been provided on the federal level had there been a federal liability.

Estimated Tax

If two-thirds of your income is from farming or fishing, you are not required to make estimated tax payments – but your return must be filed and your tax paid on or before March 1, 2022.

If you have self-employment income or other income not subject to Kansas withholding, you may be required to prepay your Kansas income tax through estimated tax payments (Form K-40ES). Estimated tax payments are required if: 1) your Kansas income tax balance due, after withholding and prepaid credits, is \$500 or more; and 2) your withholding and prepaid credits for the current tax year are less than 90% of the tax on your current year's return, or 100% of the tax on your prior year's return.

For your convenience Kansas offers simple electronic payment solutions that are available 24 hours a day, 7 days a week! There are many advantages to paying electronically – no check to write or voucher to complete and mail; and you get immediate acknowledgment of payment. Additionally, reducing paper consumption is both cost effective and environmentally friendly. To choose an electronic payment option visit **ksrevenue.gov** and sign in to the *KDOR Customer Service Center*.

Underpayment Penalty: If line 30 minus line 20 of Form K-40 is at least \$500 and is more than 10% of the tax on line 19 of Form K-40, you may be subject to a penalty for underpayment of estimated tax. Use Schedule K-210 to see if you will have a penalty or if you qualify for one of the exceptions to the penalty.

Amending Your Return

If you filed Sch S with your original return, then you must file a Sch S with your amended return, even if there are no amended changes to the Schedule.

You must file an amended Kansas return when: 1) an error was made on your Kansas return, 2) there is a change (error or adjustment) on another state's return, or 3) there is a change (error or adjustment) on your federal return. **In the Amended Return section of Form K-40, mark the box that explains the reason for amending your 2021 Kansas return.**

Pay the full amount of tax and interest due on an amended return and no late pay penalty will be assessed. Refer to the Kansas Department of Revenue's website for annual interest rates.

AMENDED FEDERAL RETURN (1040X): If you are filing a 1040X for the same taxable year as this amended return, you must enclose a complete copy of the 1040X and a full explanation of all changes made on your Kansas return. If your 1040X is adjusted or disallowed, then provide the Kansas Department of Revenue with a copy of the adjustment or denial letter.

If you did not file a Kansas return when you filed your original federal return, and the federal return has since been amended or adjusted, use the information on the amended or adjusted federal return to complete your original Kansas return. A copy of both the original and amended federal returns should be enclosed with the Kansas return along with an explanation of the changes.

FEDERAL AUDIT: If a previously filed federal return was not correct, or if your original return was adjusted by the IRS, amended returns or copies of the Revenue Agent's Reports must be submitted within 180 days of the date the federal adjustments are paid, agreed to, or become final, whichever is earlier. Failure to properly notify the Director of Taxation within the 180 day period will cause the statute of limitations to remain open (the Kansas Department of Revenue could make assessments for as many years back as necessary).

Deceased Taxpayers

If you are the *survivor* or *representative* of a deceased taxpayer, you must file a return for the taxpayer who died during the calendar year. If you are a *surviving spouse* filing a joint federal income tax return, a joint Kansas return must also be filed. Include the decedent's Social Security number in the space provided in the heading of the return. Be sure to mark the appropriate box below the heading.

Decedent Refund Documentation. If you are a surviving spouse requesting a refund of \$100 or less, you must enclose **ONE** of the following with your Form K-40:

- Federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer
- Death certificate
- Obituary statement
- Funeral home notice
- Letters Testamentary
- Kansas Form RF-9, Decedent Refund Claim

If you are a surviving spouse requesting a refund of **OVER \$100**, or if a refund of **ANY** amount is being requested by someone other than the surviving spouse, you must submit with your Form K-40:

- Proof of death (death certificate, obituary statement or funeral home notice), AND
- Kansas Form RF-9, Decedent Refund Claim

Food Sales Tax Credit

You must have a Kansas income tax liability to obtain a food sales tax credit.

For qualifying taxpayers, an allowance is available to offset the cost of sales tax paid on food purchased in Kansas. The allowance is in the form of a nonrefundable tax credit, which means your credit amount will reduce your Kansas tax liability. If you do not have a Kansas tax liability, this credit is not available to you.

To qualify, you must be 55 years of age or older for all of 2021; or be permanently blind or disabled, regardless of age; or have a dependent child under the age of 18, who lived with you all year, whom you claim as a personal exemption on your income tax return. You must also be a Kansas resident (residing in Kansas the entire year) with a federal adjusted gross income of \$30,615 or less. The amount of credit is \$125 for each qualified exemption.

NOTE: Dependents that are 18 years of age or older (born before January 1, 2004) do not qualify as exemptions for this tax credit and no additional exemption is allowed for head of household filing status.

Homestead & Property Tax Relief Refunds

These claims can be filed electronically. Refer to the K-40H and K-40PT instructions on our website for details.

The Homestead Refund program offers a property tax rebate of up to \$700 for **homeowners**. To qualify, the claimant must be a Kansas resident (residing in Kansas the entire year) whose 2021 household income was \$36,600 or less, and who is over 55 years old, or is blind or disabled, or has a dependent child under 18 who lived with them all year. "Household income" is generally the total of all taxable and nontaxable income received by all household members. This refund is claimed on Kansas Form K-40H, Kansas Homestead Claim.

A property tax refund for homeowners, 65 years of age or older with household income of \$20,900 or less, is also available on Form K-40PT. The refund is 75% of the property taxes paid. Claimants who receive this property tax refund **cannot** claim a Homestead refund.

The Homestead and Property Tax Relief forms and instructions are available by calling or visiting our office (see back cover).

K-40 Instructions

TAXPAYER INFORMATION

Complete all information at the top of the K-40 by printing neatly. If your name or address changed, or if you are filing with or for a deceased taxpayer, indicate so by marking the appropriate boxes.

AMENDED RETURN

If you are filing an amended return for 2021, mark the box that states the reason. **Note:** You **cannot** amend to change your filing status from “joint” to “separate” after the due date of the return.

FILING STATUS

Your Kansas filing status must be the same as your federal filing status. If your federal filing status is **QUALIFYING WIDOW(ER) WITH DEPENDENT CHILD**, check the **HEAD OF HOUSEHOLD** box. If you and your spouse file a joint federal return, you must file a joint Kansas return, even if one of you is a nonresident. If you each file separate federal returns, you must file separate Kansas returns.

RESIDENCY STATUS

Check the appropriate box for your residency status (see page 3 for definitions). If you mark the **Part-year resident** box, enter the dates that you lived in Kansas and complete Schedule S, Part B. Nonresidents must also complete Part B of Schedule S.

EXEMPTIONS AND DEPENDENTS

Enter the total exemptions for you, your spouse (if applicable), and each person you claim as a dependent.

If your filing status is **Head of Household**, you are allowed an additional Kansas exemption; enter a “1” in the box provided. Enter the total number of exemptions in the **Total Kansas exemptions** box. **Important**—If you are claimed as a dependent by another taxpayer, enter “0” in the **Total Kansas exemptions** box.

In the spaces provided, enter the name, date of birth, relationship, and Social Security number of each person you claimed as a dependent (do not include you or your spouse). If additional space is needed, enclose a separate schedule.

FOOD SALES TAX CREDIT

To qualify for a credit for sales tax paid on food purchases you must meet the qualifications for residency, taxpayer status, and qualifying income.

If you were a **resident of Kansas for all of 2021**, you meet the residency qualification. If you resided in Kansas less than 12 months of 2021, you do NOT qualify for the food sales tax credit.

LINES A through C: If you meet the residency qualification, complete lines A through C. If you answer YES to at least one question, you meet the taxpayer status qualification. If you answer NO to all three questions, you do NOT qualify for the credit.

LINE D: If you meet the residency and taxpayer status qualifications, enter your federal adjusted gross income (AGI) on line D. If the amount is a negative number, shade the minus [-] sign in the box to the left of the number.

If your federal AGI is \$30,615 or less, complete lines E through H to determine your credit. If your federal AGI is more than \$30,615, you do not qualify for the food sales tax credit.

LINE E: Enter your total number of exemptions.

LINE F: Enter the number of dependents you claimed that are 18 years of age or older (born before January 1, 2004).

LINE G: To determine your qualifying exemptions, subtract line F from line E.

LINE H: Compute the amount of your food sales tax credit by multiplying line G by \$125. Enter the result on line H and on line 18 of Form K-40.

INCOME

LINES 1 through 3: Complete these line items as indicated on Form K-40. If any are negative numbers, shade the minus [-] sign in the box to the left of the negative number. **Note:** Many taxpayers will not have modifications. If you do not, skip line 2 and enter amount from line 1 on line 3. If, however, you have income that is taxable at the federal level but not taxable to Kansas, or income that is exempt from federal but taxable to Kansas, you must complete Part A of Schedule S.

DEDUCTIONS

LINE 4 (Standard deduction or itemized deductions): If you did not itemize your deductions on your federal return, you may choose to itemize your deductions or claim the standard deduction on your Kansas return whichever is to your advantage. If you itemized on your federal return, you may either itemize or take the standard deduction on your Kansas return, whichever is to your advantage. If you are married and file separate returns, you and your spouse must use the same method of claiming deductions – if one of you itemize, the other must also itemize.

Kansas Standard Deduction

The following amounts will be the **standard deduction for most people** to enter on line 4:

LINE 6 (Total deductions): Add lines 4 and 5 and enter result.

LINE 7 (Taxable income): Subtract line 6 from line 3; if less than zero, enter 0.

TAX COMPUTATION

LINE 8 (Tax): If line 7 is **\$100,000 or less**, use the **Tax Tables** beginning on page 23 to find the amount of your tax. If line 7 is **more than \$100,000**, you will need to use the **Tax Computation Worksheet** on page 30 to compute your tax.

If you are **filing as a resident**, skip lines 9 and 10 and proceed to line 11. If you are **filing as a nonresident**, you must complete Part B of Schedule S.

If you are a *resident*, enter **13%** of the federal tax on your lump sum distribution (from federal Form 4972) on line 11. If a *nonresident*, leave line 11 blank.

If you are paying federal tax on a lump sum distribution received from the Kansas Public Employees’ Retirement System (KPERs), prorate the federal tax. Divide the Kansas taxable portion of the distribution (accumulated interest plus contributions made since July 1, 1984 that have not been previously added back on your Kansas income tax returns) by the total portion of the distribution.

LINE 12 (Total income tax): If you are filing as a **resident**, add lines **8** and **11** and enter result on line 12. If you are filing this return as a **nonresident**, enter the amount from line 10 on line 12.

CREDITS

LINE 13 (Credit for taxes paid to other states): If you paid income tax to another state, you may be eligible for a credit against your Kansas tax liability. If you had income from a state that has no state income tax, make no entry on line 13.

If you are eligible for a tax credit paid to another state, the credit amount cannot exceed the tax liability shown on the other state’s tax return and the income derived from the other state must be included in your Kansas adjusted gross income (KAGI), line 3 of Form K-40. The tax liability is NOT the amount of tax withheld for the other state. **Important**—To receive a credit for taxes paid to another state, you must enclose a copy of the other state(s) tax return and supporting schedules with Form K-40. Copies of the other state’s W-2 forms are NOT acceptable.

Foreign Tax Credit. As used in this section, state means any state of the United States, District of Columbia, Puerto Rico, any territory or possession of the United States and any foreign country or political subdivision of a foreign country. The Kansas credit for foreign taxes is first limited to the difference between the actual tax

paid to the foreign country and the foreign tax credit allowed on your federal return. If you claimed the foreign tax paid as an itemized deduction on your federal return, no credit is allowed in this section. **Important**—If claiming a foreign tax credit, and you completed federal Form 1116, enclose a copy with your Kansas return.

Worksheet for Foreign Tax Credit

EQUALS: Kansas foreign tax limitation. Enter this amount on line 1 of the other state’s tax credit worksheet for your Kansas residency status	\$ _____

Taxes Paid to Other States by Kansas Residents

If you are a Kansas resident you may claim this credit if: 1) your KAGI (line 3) includes income earned in the other state(s); **and** 2) you were required to pay income tax to the other state(s) on that income. **Important**—Your credit is NOT the amount of tax withheld in the other state(s); it is determined from the “Worksheet for Residents” that follows. Complete the tax return(s) for the other state(s) and the income or earnings tax return filed with any local jurisdiction. If a return was not required for the local jurisdiction, complete a local return showing the amount of tax paid to the local jurisdiction and include it with your K-40 before using the worksheet.

The amount of income tax paid to another state includes tax paid to that state and to any local political subdivision.

If you paid taxes to more than one state, complete a worksheet for each state, combine the results, and enter the total on line 13 of your Form K-40.

- you were a Kansas resident for part of the year;
- your total income reported to Kansas includes income earned in the other state while you were a Kansas resident; and,
- you were required to pay taxes on that other state’s income.

Complete the following worksheet to determine your credit. If your credit is based on taxes paid to more than one state, complete a worksheet for each state, combine the results, and enter the total on line 13, Form K-40.

The Department of Revenue offers three options to pay your Kansas income tax: credit card, direct payment, or check/money order.

Credit Card

Payment by credit card is available online through third-party vendors. Visit our Electronic Services website at <https://www.ksrevenue.gov/eservices.html> for a current list of vendors

authorized to accept individual income tax payments for Kansas. A convenience fee, based on the amount of tax you are paying, will be charged.

Direct Payment

If you choose WebFile or IRS e-File to file your Kansas return, **Direct Payment** is an option during the filing process to pay your balance due. Electronic payments can also be made if you file a paper return by calling 785-368-8222; or log into our KDOR *Customer Service Center* at ksrevenue.gov for an online transaction.

When you select Direct Payment and provide your bank routing number and account number, you are authorizing the Department of Revenue to initiate an electronic payment from your account for payment of your balance due. Direct Payment allows you to *file now, pay later* – For example, if you file your return on March 20 and elect Direct Payment, you can have your bank account debited on the due date (see *When to File* on page 4).

With Direct Payment, you are also assured that your payment is made on time. Direct payment authorizations on returns filed by midnight of the due date (see page 4) are considered to be timely paid. **Important**—You should check with your financial institution to be sure they allow an electronic debit (withdrawal) from your account.

Direct Payment saves time – no check to write and no voucher to complete and mail. If you need to revoke this payment authorization, you must notify the Department of Revenue at 785-368-8222 by 4:00 PM, two business days before the scheduled payment date.

Check or Money Order

If you choose to pay by check or money order, **you must complete and submit Form K-40V with your payment.** Write the last 4 digits of your Social Security number on your check or money order (example: XXX-XX-1234), ensure it contains a valid telephone number, and make it payable to *Kansas Income Tax*. If making a payment for someone else (i.e., daughter, son, parent), write that person's name, telephone number, and last 4 digits of their Social Security number (as shown in the example above) on the check. **DO NOT** send cash. **DO NOT** staple or tape your payment to the K-40V or K-40 – instead, enclose it loosely with your return.

OVERPAYMENT

Returned checks: A fee of \$30.00 plus costs for a registered letter will be charged on all returned checks.

LINE 35 (Overpayment): If your tax balance, line 21, is less than your total credits, line 29, enter the difference on line 35. **Note:** An overpayment less than \$5 will not be refunded but may be carried forward as a credit to next year's return (line 36), or contributed to any of the donation programs on lines 37 through 43.

LINE 36 (Credit forward): Enter the portion of line 35 you wish to have applied to your 2022 Kansas estimated income tax (must be \$1 or more). If the amount is less than \$5, you may carry it forward to 2022 as an additional credit, even if you do not make estimated tax payments. Additionally, you may make voluntary contributions to any of the donation programs listed on lines 37 through 43 – see the following instructions. Your contribution(s) **will reduce** your **refund** or **increase** the **amount you owe**.

EXAMINATION ADJUSTMENT: *If your overpayment is decreased due to an adjustment to your return, any contributions you have made will be reduced by that amount. If your overpayment is increased, your contribution amount(s) will remain the same.*

LINE 37 (Chickadee checkoff): Contributions to the Chickadee Checkoff Program are allocated to programs focused on species, habitat, outreach, and education. These programs allow us to address multiple objectives within our State Wildlife Action Plan. Specific projects include:

LINE 44 (Refund): Add lines 36 through 43 and subtract line 35. This is your refund amount. If line 44 is less than \$5 it will not be refunded, however, you may carry it forward to be applied to your 2022 Kansas income tax liability (enter the amount on line 36). If you

carry it forward, remember to claim it as an estimated payment on your 2022 return. Or, you may apply a refund less than \$5 to one of the donation programs on lines 37 through 43.

If you file a **paper K-40**, you need to **allow 16 weeks** from the date you mail it to receive your refund. Errors, inaccurate forms, photocopied forms, or incomplete information will delay processing even longer. **For a fast refund – file electronically!** See back cover.

- **Exclusion of compensation fraudulently obtained by another person.** An individual whose identity has been fraudulently used to obtain unemployment compensation, or other compensation, which was never received by the individual, but has been included in the individual's compensation of federal adjusted income, may subtract the compensation included in federal adjusted gross income.

LINE A22: Add lines A8 through A21 and enter result.

LINE A23: Subtract line A22 from line A7 and enter the result here and on line 2 of Form K-40. **If line A22 is larger than line A7 (or if line A7 is zero), enter the result on line 2 of Form K-40 and mark the box to the left to indicate it is a negative amount.**

PART B – INCOME ALLOCATION FOR NONRESIDENTS AND PART-YEAR RESIDENTS

If you are filing as a nonresident or part-year resident, complete this section to determine what percent of your total income from all sources and states is from Kansas sources.

Income

LINES B1 through B11: In the left-hand column, enter the amounts from your 2021 federal return. In the right-hand column enter amounts from Kansas sources.

A part-year resident electing to file as a nonresident must include as income subject to Kansas income tax, unemployment compensation derived from sources in Kansas, any items of income, gain or loss, or deduction received while a Kansas resident (whether or not items were from Kansas sources), and any income derived from Kansas sources while a nonresident of Kansas.

Kansas source income includes all income earned while a Kansas resident; income from services performed in Kansas, Kansas lottery, pari-mutuel, casino and gambling winnings; income from real or tangible personal property located in Kansas; income from a business, trade, profession or occupation operating in Kansas, including partnerships and S corporations; income from a resident estate or trust, or from a nonresident estate or trust that received income from Kansas sources; and, unemployment compensation derived from sources in Kansas.

Income received by a nonresident from Kansas sources does NOT include income from annuities, interest, dividends, or gains from the sale or exchange of intangible property (such as bank accounts, stocks or bonds) unless earned by a business, trade, profession or occupation carried on in Kansas; amounts received by nonresident individuals as retirement benefits or pensions, even if the benefit or pension was “earned” while the individual was a resident of Kansas. This rule also applies to amounts received by nonresidents from 401k, 403b, 457s, IRAs, etc.; compensation paid by the United States for service in the armed forces of the U.S., performed during an induction period; and, qualified disaster relief payments under federal IRC Section 139.

LINE B12: Add lines B1 through B11 and enter result.

Adjustments to Income

In the *Federal* column enter adjustments to income as shown on your federal return. Federal adjustments are allowed to Kansas source income only as they apply to income related to Kansas. NOTE: The instructions for the following lines apply to the *Amount from Kansas Sources* column only.

LINE B13: Enter any IRA payments applicable to particular items of Kansas source income.

LINE B14: Enter only those penalties for early withdrawal assessed during Kansas residency.

LINE B16: Enter only those moving expenses for members of the armed forces incurred in 2021 for a move into Kansas.

LINE B17: Enter total of all other allowed Federal Adjustments* including, but not limited to those in the following list.

- One-half of Self-Employment Tax Deduction – the portion of the federal deduction applicable to self-employment income earned in Kansas.
- Self-Employed Health Insurance Deduction – payments for health insurance on yourself, your spouse, and dependents applicable to self-employment income earned in Kansas.
- Student Loan Interest Deduction – interest payments made while a Kansas resident.
- Self-employed SEP, SIMPLE and qualified plans – amount of the federal deduction applicable to income earned in Kansas.
- Business expenses for Reservists, Artists and fee-basis government officials – the portion of the federal deduction applicable to income earned in Kansas.
- Health Savings Account Deduction – the portion of the federal deduction applicable to income earned in Kansas.
- Tuition and Fees Deduction – the portion of the federal deduction applicable to income earned in Kansas. **Note:** At the time these instructions went to print, some tax benefits had expired. This includes the deduction for qualified tuition and fees. To find out if legislation extended this provision, go to [IRS.gov/Form1040](https://www.irs.gov/Form1040).
- Educator Expenses – the portion of the federal deduction applicable to income earned in Kansas.

* *This is the list of allowed federal adjustments as of publication of these instructions (in addition to those on lines B13 through B16). You may enter on line B17 any federal adjustment allowed by federal law for tax year 2021 (not already entered on lines B13 through B16).*

LINE B18: Add lines B13 through B17 and enter result.

LINE B19: Subtract line B18 from B12 and enter result.

LINE B20: Enter the net modifications from Schedule S, Part A that are applicable to Kansas source income. If this is a negative amount, shade the minus (–) in the box to the left of line B20.

LINE B21: If line B20 is a positive amount, add lines B19 and B20. If line B20 is a negative amount, subtract line B20 from line B19. Enter the result on line B21.

LINE B22: Enter amount from line 3, Form K-40.

Nonresident Allocation Percentage

LINE B23: Divide line B21 by line B22. Round the result to the fourth decimal place; not to exceed 100.0000. Enter the result here and on line 9 of Form K-40.

CAUTION: References to the federal form numbers listed on the Kansas forms K-40, Schedule S and Schedule A may have changed. Do not rely solely upon referenced numbers for calculating your Kansas Itemized Deductions. Please look at the requested information and locate this on your federal form(s) to insure **accurate calculation and to avoid any processing delays.**

Kansas Schedule A Instructions

CAUTION: Line numbers on Kansas Schedule A that reference federal Form Schedule A are from the 2020 tax forms and subject to change for 2021.

Itemized Deduction Computation

Individual taxpayers may choose to either itemize their individual nonbusiness deductions or claim a standard deduction. If your Kansas itemized deductions are greater than the Kansas standard deduction for your filing status, it will be to your advantage to complete and file Kansas Schedule A. If the Kansas standard deduction for your filing status is greater than the amount of Kansas itemized deductions you can substantiate, it is to your advantage to claim the Kansas standard deduction.

Use Kansas Schedule A, Kansas Itemized Deductions Schedule to calculate your Kansas itemized deductions. Your Kansas itemized deductions may be different from your federal itemized deductions as some federal deductions are not allowed on your Kansas return.

MEDICAL AND DENTAL EXPENSES

Skip lines 1 through 4 if you are not deducting medical and dental expenses.

Kansas allows 100% of the expenses for medical care allowable as deductions in section 213 of the federal internal revenue code. Medical care means amounts paid for the following:

- diagnosis, cure, mitigation, treatment, or prevention of disease, or for the purpose of affecting any structure or function of the body,
- transportation primarily for and essential to medical care,
- qualified long-term care services as defined in section 7702B(c) of the internal revenue code, or
- insurance covering medical care or for any qualified long-term care insurance contract as defined in section 7702B(b) of the internal revenue code.

Line 1: (Medical and dental expenses) If you filed federal Schedule A and entered an amount on line 1 of federal Schedule A, enter that amount on line 1 of Kansas Schedule A. If you did not file federal Schedule A, enter the total of your medical and dental expenses after you reduce these expenses by any payments received by you from insurance or other sources. Include amounts you paid for doctors, dentists, nurses, hospitals, prescription medicines and drugs or insulin. Also include the total amount you paid for insurance premiums for medical and dental care, amounts paid for transportation and lodging, and other expenses such as hearing aids, dentures, eyeglasses, and contact lenses.

If your insurance company paid your doctor or dentist directly for part of your medical expenses and you paid only the amount that remained, include in your medical expenses ONLY the amount you paid. Do not include insurance premiums paid by your employer.

In general, you can include medical and dental bills you paid in 2021 for yourself and your spouse and all dependents you claim on your return.

Federal Publication 502, Medical and Dental Expenses, describes the types of expenses you can and cannot deduct in greater detail.

Line 2: (Federal adjusted gross income) Enter the amount from Federal Form 1040 or 1040-SR, line 11.

Line 3: (Federal limitation) Multiply line 2 by 7.5%.

Line 4: (Total medical and dental expenses) Subtract line 3 from line 1. If line 3 is greater than line 1, enter zero.

TAXES YOU PAID

Skip lines 5 through 7 if you are not deducting taxes you paid.

Kansas allows 100% of the amount of taxes on real and personal property as provided in section 164(a) of the federal internal revenue

code. In general, you may deduct state and local real property taxes as well as state and local personal property taxes.

The 10,000 (\$5,000 if married filing separate) federal cap on the itemized deduction for state and local taxes calculated on federal form 1040, Schedule A, line 5e, does not apply for Kansas purposes. Taxpayers may deduct all state and local real estate and property taxes paid, independent of the federal dollar limitation.

Line 5: (State and local real estate taxes) Enter on line 5 the state and local taxes you paid on real estate you own that wasn't used for business, but only if the taxes are assessed uniformly at a like rate on all real property throughout the community, and the proceeds are used for general community or governmental purposes. Federal Publication 530, Tax Information for Homeowners, explains the deductions homeowners can and cannot take.

If your mortgage payments include your real estate taxes, you can include only the amount the mortgage company actually paid to the taxing authority in 2021.

Line 6: (State and local personal property taxes) Enter on line 6 the state and local personal property taxes you paid, but only if the taxes were based on value alone and were imposed on a yearly basis. See federal instructions for Schedule A for additional information.

Example. You paid a yearly fee for the registration of your car. Part of the fee was based on the car's value and part was based on its weight. You can deduct only the part of the fee that was based on the car's value.

Line 7: (Total taxes you paid) Add lines 5 and 6 and enter result on line 7.

INTEREST YOU PAID

Skip lines 8 and 9 if you are not deducting interest you paid.

Kansas allows 100% of the qualified residence interest paid as provided in section 163(h) of the federal internal revenue code with respect to any qualified residence, including mortgage insurance premiums. You cannot deduct personal interest. However, you can deduct qualified home mortgage interest.

A home mortgage is any loan that is secured by your main home or second home, regardless of how the loan is labeled. It includes first and second mortgages, home equity loans, and refinanced mortgages.

Federal Publication 530, Tax Information for Homeowners, explains the deductions homeowners can and cannot take.

Line 8: (Home mortgage interest and points checkbox) If you didn't use all of your home mortgage loans to buy, build or improve your home check the box. See federal instructions for Schedule A for additional information.

Line 8a: (Home mortgage interest and points) reported to you on federal Form 1098. Enter the home mortgage interest and points reported to you on Federal Form 1098, Mortgage Interest Statement unless one or more of the limits on home mortgage interest apply to you. See federal instructions for Schedule A for additional information.

Line 8b: (Home mortgage interest not reported to you on Form 1098) Enter the home mortgage interest you paid to a recipient who didn't provide you with a Federal Form 1098. If the recipient was the person from whom you bought the home, enter the person's name, address and social security number (SSN) if an individual, or employer identification number (EIN) in the space provided.

Line 8c: (Points not reported to you on Form 1098) Points are shown on your settlement statement. Points you paid only to borrow

money are generally deductible over the life of the loan. See Federal Publication 936, Home Mortgage Interest Deduction to compute the amount you can deduct and for more information.

Line 8d: (Mortgage insurance premiums) Enter the qualified mortgage insurance premiums you paid under a mortgage insurance contract issued after December 31, 2006, in connection with home acquisition debt that was secured by your first or second home. Box 5 of Form 1098 shows the amount of premiums you paid in 2021. If you and at least one other person (other than your spouse if filing jointly) were liable for and paid the premiums in connection with the loan, and the premiums were reported on the other person's Form 1098, report your share of the premiums on line 8d. Refer to federal Schedule A instructions for mortgage insurance premiums for additional information.

Line 9: (Total interest you paid) Add lines 8a through 8d and enter result on line 9.

GIFTS TO CHARITY

Skip lines 10 through 13 if you are not deducting gifts you made to a charity.

Kansas allows 100% of the charitable contributions that qualify as deductions in section 170 of the federal internal revenue code.

You can deduct contributions or gifts you gave to organizations that are religious, charitable, educational, scientific, or literary in purpose. You may also deduct what you gave to organizations that work to prevent cruelty to children or animals. See Federal Publication 526, Charitable Contributions for limitations and other details.

You may deduct contributions that are cash, property, or out-of-pocket expenses you paid to do volunteer work for qualified organizations. You can deduct a gift of \$250 or more only if you have a contemporaneous written acknowledgment from the charitable organization showing the amount of any money contributed, a description (but not value) of any property donated and whether the organization did or didn't give you any goods or services in return for your contribution. To be contemporaneous, you must get the written acknowledgment from the charitable organization by the date you file your return or the due date (including extensions) for filing your return, whichever is earlier. Be sure to keep records of all your contributions, including pay statements if you made cash contributions through payroll deductions, receipts, written statements from organizations, and any appraisals or other required documentation. Unless directed otherwise, keep all statements and other documentation with your tax records as we may request to see them at a later time.

In general, you may not deduct contributions to charitable organizations, to the extent that you receive a state tax credit in return

for your contribution. You may not deduct political contributions or dues you paid to fraternal orders or similar groups or the value of services you performed or benefits you received in connection with your contribution. You may not deduct any amount paid to or for the benefit of a college or university in exchange for the right to purchase tickets to an athletic event in the college or university's stadium. See Federal Publication 526, Charitable Contributions, for more details.

Line 10: (Gifts by cash or check) Enter on line 10 the total value of gifts you made in cash or by check (including out-of-pocket expenses), unless a limit on deducting gifts applies to you. See Federal Publication 526, Charitable Contributions, for more details. For any contribution made in cash, regardless of the amount, you must maintain as a record of the contribution a bank record (such as a canceled check or credit card statement) or a written record from the charity. The written record must include the name of the charity, date, and amount of the contribution. If you made contributions through payroll deduction, see Federal Publication 526, Charitable Contributions, for information on the records you must keep. Don't attach the record to your tax return. Instead, keep it with your other tax records.

Line 11: (Gifts other than by cash or check) Enter the total value of your contributions of property other than by cash or check, unless a limit on deducting gifts applies to you. See Federal Publication 526, Charitable Contributions for more information. Retain federal form 8283 if you made non-cash contributions in excess of \$500, as it may be requested by the Department of Revenue at a later date.

Line 12: (Carryover from prior year) You may have contributions that you couldn't deduct in an earlier year because they exceeded the limits on the amount you could deduct. In most cases, you have 5 years to use contributions that were limited in an earlier year. The same limits apply this year to your carryover amounts as applied to those amounts in the earlier year. After applying those limits, enter the amount of your carryover that you are allowed to deduct this year. See Federal Publication 526, Charitable Contributions for details.

Line 13: (Total gifts to charity) Add lines 10 through line 12 and enter result on line 13.

TOTAL KANSAS ITEMIZED DEDUCTIONS

Line 14: (Total Kansas itemized deductions) Add lines 4, 7, 9 and 13. Enter result here and on line 4, form K-40.

CAUTION: References to the federal form numbers listed on the Kansas forms K-40, Schedule S and Schedule A may have changed. Do not rely solely upon referenced numbers for calculating your Kansas Itemized Deductions. Please look at the requested information and locate this on your federal form(s) to insure **accurate calculation and to avoid any processing delays.**

INSTRUCTIONS FOR SCHEDULE K-210

If any due date falls on a Saturday, Sunday, or legal holiday, substitute the next regular work day.

WHO MAY USE THIS SCHEDULE

If you are an individual taxpayer (including farmer or fisher), use this schedule to determine if your income tax was fully paid throughout the year by withholding and/or estimated tax payments. If your 2021 tax due (line 19 of Form K-40 — DO NOT include use tax from line 20 of the K-40), less withholding and tax credits (excluding estimated tax payments made) is \$500 or more, you may be subject to an underpayment of estimated tax penalty and must complete this form.

Taxpayers (other than farmers or fishers) are not required to make a payment for the January 15th quarter if a Form K-40 was filed and the tax was paid in full on or before January 31, 2022.

Farmers and Fishers: If at least two-thirds of your annual gross income is from farming or fishing and you filed Form K-40 and paid the tax on or before March 1, 2022, you may be exempt from any penalty for underpayment of estimated tax. If exempt, write "Exempt-farmer/fisher" on line 1 and do not complete the rest of this schedule. If you meet this gross income test, but you did not file a return and pay the tax on or before March 1, 2022, you must use this schedule to determine if you owe a penalty for underpayment of estimated tax.

COMPLETING THIS SCHEDULE

Enter your name and your Social Security number in the space provided at the top of this schedule.

LINES 1 through 4: Complete these lines based on information on your income tax return for this tax year and last tax year.

If you did not file an income tax return for the prior tax year, or if you did file a return but your income tax balance (line 19, Form K-40) was zero, then enter zero on line 3 of this schedule.

PART I – EXCEPTIONS TO THE PENALTY

You are NOT subject to a penalty if your 2021 tax payments (line 7) equal or exceed the amounts for one of the exceptions (lines 8 or 9a or 9b) for the same payment period.

LINE 5: Multiply the amount on line 4 by the percentage shown in each column of line 5.

LINE 6: Enter the cumulative amount of timely paid estimated tax payment made in each quarter. For example, Column 3 will be the total of your estimated tax payments made from January 1 through September 15, 2021.

LINE 7: For each column, add lines 5 and 6 and enter the result on line 7.

LINE 8: *Exception 1* applies if the amount on line 7 of a column equals or exceeds the amount on line 8 for the same column. Multiply line 2 or 3 (whichever is less) by the percentages shown in each column of line 8. **If the amount on line 7 (for each column) is equal to or greater than the amount on line 8 (for each column) – no penalty is due and no further entries are required.**

LINE 9: *Exception 2* applies if your 2021 tax payments equal or exceeds 90% (66 2/3% for farmers and fishers) of the tax on your annualized income for these 2021 periods:

January 1 – March 31	Multiply income by 4
January 1 – May 31	Multiply income by 2.4
January 1 – August 31	Multiply income by 1.5
January 1 – December 31	Multiply income by 1

This exception applies if the amount on line 7 exceeds the amount on line 9a or 9b (as applicable). If you are a farmer or fisher, you will only complete the last column on line 9b.

For example, to figure the first column, total your income from January 1 to March 31, 2021 and multiply by 4. Subtract your deductions (standard or itemized) and your exemption allowance amount. Using this net annualized income figure, compute the tax. Multiply the tax by the percentage rate in the first column.

Repeat these instructions for the remaining three columns, using the multiplication factors given above to annualize the income for that period. Enclose a schedule showing your computation of annualized income and tax amounts. **If the amount on line 7 (for each column) is equal to or greater than the amount on line 9a (for each column), or line 9b, for farmers or fishers – no penalty is due and no further entries are required.**

PART II – FIGURING THE PENALTY

LINE 10: Enter on line 10 the amount of underpayment of tax, which is the **lesser** of one of the following computations:

- Line 8 less line 7; **or,**
- Line 9a less line 7; **or,**
- Line 9b less line 7

LINE 11: This line contains the due date of each installment for a calendar year taxpayer.

LINE 12: The number of days on line 12 are precomputed for a calendar year taxpayer that made timely payments. If you did not make timely payments, you should disregard the precomputed number of days on line 12 and compute the number of days on each quarter to the date paid.

EXAMPLE: If you paid the 6/15/21 installment on 6/28/21 the number of days to enter on line 12, column 2 will be computed from 6/15/21 to 6/28/21, which equals 13 days. If you then paid the next quarter timely at 9/15/21, the number of days will be from 9/15/21 to 1/15/22, which equals the 122 days (107 already entered + 15).

LINE 13: The penalty rate begins in column 3 for a calendar year taxpayer, therefore no entry is required in columns 1 and 2. The 15 days in the 3rd column are from 1/1/22 to 1/15/22. If you did not make timely payments, you should disregard the precomputed number of days on line 13 and compute the number of days on each quarter to the date paid.

- If you file your return prior to 1/15/22, enter in the third column the number of days from 1/1/21 to the date filed and disregard the precomputed number of days (15) entered on line 13.
- The fourth column must be completed by you. Enter the number of days from 1/15/22 to the date the return was filed and paid.

LINES 14 and 15: Penalty is computed to 12/31/21 at 4% and from 1/1/22 to the date the tax was paid or 4/15/22, whichever is earlier, at 4%.

LINE 16: For each column, add lines 14 and 15 and enter the result on line 16.

LINE 17: Add the amounts on line 16 together and enter the result on line 17. Also enter this amount on Form K-40, line 33, Estimated Tax Penalty.

FORM K-40V INSTRUCTIONS

Print your name, address, Social Security number, and the first four letters of your last name in the spaces provided. If you are filing a joint return, print that same information for your spouse in the spaces provided. If your name or address information has changed since last year, be sure to mark the "Name or Address Change" box with "X".

Make your check or money order payable to "Kansas Income Tax" for the full amount of your tax due. Be sure the last 4 digits of your Social Security number (example: XXX-XX-1234) are printed on your check or money order. If payment is not made on or before April 15, 2022, the tax due is subject to penalty and interest.

If you are filing an extension of time to file your return, mark the appropriate box with "X". Note that an extension of time is an extension to file, NOT an extension to pay.

Do not attach the payment voucher or payment to your return or to each other. **Place them loosely** in the envelope with your return. If you have already mailed your return, or you filed electronically and didn't pay electronically, mail your payment and the voucher to:
