However, taxpayers who placed property into service after September 10, 2001, are required to compute Kentucky depreciation under IRC Section 168 and the expense deduction under IRC Section 179 according to provisions in effect on December 31, 2001.

DECEASED INDICATOR—A new check box was added at the top of the 740 and 740-NP. If a taxpayer died before their return was filed for 2018, the deceased box must be checked.

Reminders

SCHEDULE KW-2—File this schedule in place of submitting Forms W-2, 1099, and W2-G for any return not electronically filed. Please retain those forms with your records and only provide them upon request.

AMENDED RETURNS—Beginning with tax year 2017, you may file an amended return by checking the “amended” box on the first page of Form 740. You will still need to provide a copy of federal Form 1040-X and any supporting schedules. Continue to file Form 740-X to amend returns prior to 2017.

IDENTITY THEFT—To help guard against the threat of fraud and identity theft, the Department of Revenue has taken steps to ensure that taxpayers’ individual income tax returns are processed safely. During the department’s initial screening, some returns may require additional verification. This verification is accomplished through the Identity Confirmation Quiz.

If selected, a letter will be sent advising the taxpayer that in order for the department to continue processing their return, a short 5-minute quiz must be taken and passed. The letter will give specifics about what the taxpayer should do to take the quiz. Please do not ignore this letter. Receiving this letter does not mean you have been a victim of identity theft; it only means that the department wishes to verify the identity of the person filing the return before issuing a refund.

General Information

Which form should I file?

File Form 740 if you are a full-year Kentucky resident and meet the filing requirements on page 7 of the Instructions for Form 740.

File Form 740-NP if you are a nonresident and:

- had income from Kentucky sources.

or are a part-year Kentucky resident and:

- moved into or out of Kentucky during the taxable year.
- had income while a Kentucky resident.
- had income from Kentucky sources while a nonresident.

File Form 740-NPR if you are a resident of a reciprocal state: Illinois, Indiana, Michigan, Ohio, Virginia, West Virginia and Wisconsin and you had Kentucky income tax withheld and had no other income from Kentucky sources.

Computer-Generated Returns and 2-D Bar Code

Most software packages produce a 2-D bar code. The Department of Revenue scans the bar code that contains all of the information needed to process your return. The bar code is printed in the upper right-hand corner of the return when you prepare your return using an approved software package. **Last minute changes** should be entered into the program and the **entire** return printed again so that the bar code also contains the correct information. This bar code should not be covered up or marked through. Using the bar code reduces data entry errors for the department and results in a faster refund for you.

Check to be sure your software generates an acceptable form. A list of vendors whose software has been approved is posted on the Internet at www.revenue.ky.gov, the Department of Revenue's Web site.

Where to Get Forms

Forms and instructions are available online from the Department of Revenue's Web site at www.revenue.ky.gov and at all Kentucky Taxpayer Service Centers. They may also be obtained by writing FORMS, Kentucky Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518, or by calling (502) 564-3658.

Address Change

If you move after you file your tax return, please notify the Kentucky Department of Revenue of your new address. This can be done by sending a change of address card (available at your local post office) to: Taxpayer Assistance Section, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181. Notification can also be made to any Kentucky Taxpayer Service Center. A list of locations is included in your packet.

Refund Inquiries

You may check the status of your refund at www.revenue.ky.gov. This system is available 24 hours a day, 7 days a week, and is updated nightly. The following information from your return will be required:

- Your Social Security Number shown on the return.
- The **exact** whole-dollar amount to be refunded to you.

Information about electronically filed returns should be available within 72 hours of receipt. Information about other refund requests filed on paper will be available after the return has completed initial processing (approximately 12 weeks).

Need a Copy of Your Tax Return?

If you need a copy of your tax return, you must send your request in writing to: Taxpayer Assistance Section, Kentucky Department of Revenue, P.O. Box

181, Station 56, Frankfort, KY 40602-0181. Please include your name(s) as it appeared on your return, Social Security number(s), your complete mailing address, and a photo ID. To ensure confidentiality, all requests must include your signature.

How Long Should Records be Kept?

Keep a copy of your tax return, worksheets and records of all items appearing on it (such as Forms W-2 and 1099 or other receipts) until the statute of limitations runs out for that return. Usually, this is four years from the date the return was due or filed (with extensions), or the date the tax was paid, whichever is later. You should keep some records longer. For example, keep property records (including those on your home) as long as they are needed to figure the basis of the original or replacement property.

Filing as an Injured Spouse on Your Federal Form 1040?

Kentucky does not recognize the federal injured spouse form. Income tax refunds may be withheld by the department if you owe money to the Kentucky Department of Revenue, another state agency or the Internal Revenue Service.

Kentucky law requires the offset of the entire refund if a joint return is filed. **If spouses want to keep their tax liabilities and/or refunds separate, each must file a separate tax form.** If you choose to file separately on a combined return, for agencies other than the Department of Revenue, the refund will be apportioned between spouses, based on each spouse's income. The indebted spouse's refund will then be paid to the appropriate agency.

Death of a Taxpayer

If a taxpayer died before filing a return for 2018, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator or anyone who is in charge of the deceased taxpayer's property. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund. The person who files the return should check the applicable deceased box at the top of the return.

If your spouse died in 2018 and you did not remarry in 2018, you can file jointly or separately on a combined return. The return should show your spouse's 2018 income before death and your income for all of 2018. You can also file jointly or separately on a combined return if your spouse died in 2019 before filing a 2018 return. Write "**Filing as surviving spouse**" in the area where you sign the return. If someone else is the personal representative, he or she must also sign.

Death of Military Personnel Killed in Line of Duty

KRS 141.019(k) exempts all income earned by soldiers killed in the line of duty from Kentucky tax for the year during which the death occurred and the year prior to the year during which the death occurred.

The exemption applies to tax years beginning after December 31, 2001. The income exclusion applies to all income from all sources of the decedent, not just military income. The exclusion includes all federal and state death benefits payable to the estate or any beneficiaries.

Amended returns may be filed for the year the soldier was killed in the line of duty and the year prior to the year of death. The amended returns must be filed within the statute of limitations period; four years from the due date, the extended due date or the date the tax was paid, whichever is later.

If a combined return was filed, the exclusion would apply to the income reported in Column A or Column B of the Kentucky return attributable to the military member. If a joint return was

filed, the income must be separated accordingly. Refunds will be issued in the names on the original return. Beneficiaries or estates that received death benefits that were included in a Kentucky return may file an amended return to request a refund of taxes paid on the benefit.

The Department of Revenue will use the Veterans Administration definition for "in the line of duty," which states that a soldier is in the line of duty when he is in active military service, whether on active duty or authorized leave; unless the death was the result of the person's own willful misconduct.

Income Tax Withholding for 2019

If the amount you owe or the amount you overpaid is large, you may want to change the amount of income tax withheld from your 2019 pay. To do so you must file a new Form K-4 with your employer.

The Family Size Tax Credit is based on modified gross income and the size of the family. See instructions for lines 20 and 21 for further explanation of these limitations. If you do not expect to have any tax liability for the current year and you meet the modified gross income requirements, you may be entitled to claim exemption from withholding of Kentucky income tax.

You must update your K-4 with your employer.

2019 Estimated Tax Payments

Persons who reasonably expect to have income in excess of \$5,000 from which no Kentucky income tax will be withheld may be required to make estimated tax payments on Form 740-ES. However, if the amount of estimated tax is \$500 or less, no estimated payments are required. Persons who do not prepay at least 70 percent of the tax liability may be subject to a 10 percent penalty for underpayment of estimated tax. If you are required to make estimated tax payments you may also be subject to interest if the payments are not made timely. Prepayments for 2019 may be

made through withholding, a credit forward of a 2018 overpayment or estimated tax installment payments.

Estimated tax installments may now be made electronically at www.revenue.ky.gov, using Form EPAY, or when electronically filing your return using Form 8879-K, or through mailing a 740-ES with payment.

The instructions for Form 740-ES include a worksheet for calculating the amount of estimated tax due and for making installment payments. These forms may be obtained from the Kentucky Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518, or any Kentucky Taxpayer Service Center, or by calling (502) 564-3658.

Return Adjustments

If the Department of Revenue adjusts your return and you do not understand the adjustment, you may write to Taxpayer Assistance, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181 or call (502) 564-4581. If you disagree with an adjustment made to your return, you may appeal that adjustment by submitting a written protest within 60 days of notification.

Amended Returns

If you discover that you omitted deductions or otherwise improperly prepared your return, you may obtain a refund by filing an amended return within four years of the due date of the original return. *You are required to file an amended return to report omitted income.* For 2017 and 2018 use form 740 and check the box for amended. For 2016 and prior, use Form 740-X. You may obtain these forms by contacting a Kentucky Taxpayer Service Center or writing FORMS, Kentucky Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518. You may also download forms at <http://revenue.ky.gov> the Department of Revenue's website.

Federal Audit Adjustments

Taxpayers who have received a final determination of an Internal Revenue Service audit must submit a copy to the department **within 180 days of its conclusion**. The information should be submitted to the Individual Governmental Program Section, Kentucky Department of Revenue, P.O. Box 1074, Station 68, Frankfort, KY 40602-1074.

Confidentiality

Kentucky Revised Statute 131.190 requires the Department of Revenue to maintain strict confidentiality of all taxpayer records. No employee of the Department of Revenue may divulge any information regarding the tax returns, schedules or reports required to be filed. However, the Department of Revenue is not prohibited from providing evidence to or testifying in any court of law concerning official tax records. **Also, Department of Revenue employees or any other person authorized to access confidential state information are prohibited from intentionally viewing such information without an official need to view.**

The department may provide official information on a confidential basis to the Internal Revenue Service or to any other governmental agency with which it has an exchange of information agreement whereby the department receives similar or useful information in return.

Extension of Time to File

Taxpayers who are unable to file a return by April 15 may request an extension. Taxpayers may elect to file this request electronically or by mailing the extension to the Department of Revenue on or before the due date of the return. The request must state a reasonable cause for the inability to file. Inability to pay is not an acceptable reason. Acceptable reasons include, but are not limited to, destruction of records by fire or flood and serious illness of the taxpayer. Extensions are limited to six months. **A copy of the Kentucky extension request must be enclosed with the return.**

Individuals who receive a federal extension are not required to request a

separate Kentucky extension. They can meet the requirements by enclosing a copy of the application for automatic federal extension to the Kentucky return.

IRS extensions by e-file (by personal computer or a tax professional)—Enclose a copy of Form 4868 with the confirmation number in the lower right-hand corner of the form  or a copy of the electronic acknowledgment.

Military Personnel—Kentucky residents who are in the military are often granted extensions for tax filings when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

Combat Zone Extension—Members of the Army, Navy, Marines, Air Force, or Public Health Service of the United States government who serve in an area designated as a combat zone by presidential proclamation shall not be required to file an income tax return and pay the taxes, which would otherwise become due during the period of service, until 12 months after the service is completed. Members of the National Guard or any branch of the Reserves called to active duty to serve in a combat zone are granted the same extension.

Interest and Penalties—Interest at the “tax interest rate” applies to any income tax paid after the original due date of the return. If the amount of tax paid by the original due date is less than 75 percent of the tax due, a **late payment penalty** may be assessed (minimum penalty is \$10).

Interest and penalty charges can be avoided or reduced by sending payment with your extension request by the due date. If you wish to make a payment prior to the due date of your return when using the:

- (1) *Kentucky Extension*—Complete Section II, Kentucky Extension Payment Voucher, of the Application for Extension of Time to File, Form 740EXT, and send with payment. Write “KY Income Tax—2018” and your Social Security number(s) on the face of the check.
- (2) *Federal Automatic Extension*—Make a copy of the lower portion of the federal Application for Automatic Extension, Form 4868, and send with payment. Write “KY Income Tax—2018” and your Social Security number(s) on the face of the check.

Personal Property Forms

Kentucky business taxpayers are reminded to report all taxable personal property, except motor vehicles, owned on January 1 to either the property valuation administrator in the county of residence (or location of business) or the Office of Property Valuation in Frankfort. Tangible personal property is to be reported on the Tangible Personal Property Tax Return, Form 62A500. The due date for this return is May 15. **Do not mail this return with your income tax return; use a separate envelope.**

Kentucky State Treasury—Unclaimed Property

Individuals—The Kentucky State Treasury may be holding unclaimed property for you or your family. The Treasury holds hundreds of millions of dollars from bank accounts, payroll checks, life insurance, utility deposits, and other types of property that have been unclaimed by the owners. Please visit treasury.ky.gov or www.missingmoney.com for more information on how to locate and claim any funds that may belong to you.

Businesses—Kentucky businesses are required to comply with the Kentucky Revised Uniform Unclaimed Property Act, codified as KRS Chapter 393A. If you have uncashed vendor checks, payroll checks, unclaimed customer deposits or refunds, or other types of property belonging to third-parties, you may be required to turn the property over to the Kentucky State Treasury. Please review KRS Chapter 393A, or visit treasury.ky.gov for more information.

INSTRUCTIONS

2018 FORM 740

Do You Have to File a Kentucky Return?

If you were a Kentucky resident for the entire year, your filing requirement depends upon your family size, modified gross income, Kentucky adjusted gross income and income from self-employment. You must file if your modified gross income exceeds the amount in Chart A and your Kentucky adjusted gross income exceeds the amount in Chart B.

Complete your federal tax return first. If you are not required to file a federal tax return, see instructions for line 5.

MODIFIED GROSS INCOME AND FAMILY SIZE (Use With Chart A)

Family Size—Consists of yourself, your spouse if married and living in the same household and qualifying children. For the purposes of computing the Family Size Tax Credit, the maximum family size is four.

Qualifying Dependent Child—Means a qualifying child as defined in Internal Revenue Code Section 152(c), and includes a child who lives in the household but cannot be claimed as a dependent if the provisions of Internal Revenue Code Section 152(e)(2) and 152(e)(4) apply. In general, to be a taxpayer's qualifying child, a person must satisfy four tests:

- **Relationship**—The taxpayer's child or stepchild (whether by blood or adoption), foster child, sibling or stepsibling, or a descendant of one of these.
- **Residence**—Has the same principal residence as the taxpayer for more than half the tax year. A qualifying child is determined without regard to the exception for children of divorced or separated parents. Other federal exceptions apply.
- **Age**—Must be under the age of 19 at the end of the tax year, or under the age of 24 if a full-time student for at least five months of the year, or be permanently and totally disabled at any time during the year.
- **Support**—Did not provide more than one-half of his/her own support for the year.

Modified Gross Income—Modified gross income is the greater of federal adjusted gross income adjusted to include interest income derived from municipal bonds (non-Kentucky) and lump-sum pension distributions not included in federal adjusted gross income; **or** Kentucky adjusted gross income adjusted to include lump-sum pension distributions not included in federal adjusted gross income.

If Your Family Size is:	Your <i>Modified Gross Income</i> is greater than:
One.....	and \$12,140
Two.....	and \$16,460
Three.....	and \$20,780
Four or More	and \$25,100

KENTUCKY ADJUSTED GROSS INCOME (Use Chart B if Modified Gross Income is Greater Than the Amounts in Chart A)

Kentucky Adjusted Gross Income—Consists of your federal adjusted gross income plus any additions and subtractions from Schedule M, Modifications to Federal Adjusted Gross Income.

If Your Filing Status is:	Your Kentucky Adjusted Gross Income is greater than:
Single— Under age 65.....	and \$ 2,530
Single— Age 65 or over or blind.....	and \$ 3,330
Single— Age 65 or over and blind.....	and \$ 4,130
Married, filing Joint return— Both under age 65.....	and \$ 2,530
Married, filing Joint return— One age 65 or over	and \$ 3,330
Married, filing Joint return— Both age 65 or over	and \$ 4,130

TAXPAYERS WITH SELF-EMPLOYMENT INCOME—Must file a Kentucky individual income tax return regardless of the amount of Kentucky adjusted gross income used in the Chart B if you have gross receipts from self-employment in excess of modified gross income for your family size in Chart A.

Part-time or part-year workers may have income taxes withheld from their paychecks even though the filing requirements are not met. An income tax return must be filed to claim a refund of the Kentucky taxes withheld.

TIP: Even though the filing requirements are not met, an income tax return must be filed to claim a refund of the Kentucky taxes withheld.

FILING REQUIREMENTS (Continued)

A child meeting the filing requirements must file a return even though being claimed as a dependent by the parent. Kentucky income tax law contains no special provisions for taxing the income of a minor child at the parent's tax rates nor the reporting of income of a child on the parent's return.

Generally, all income of Kentucky residents, regardless of where it was earned, is subject to Kentucky income tax.

Nonresidents and part-year residents must report income on Form 740-NP.

Military Personnel—MILITARY PAY EXCLUSION—Effective for taxable years beginning on or after January 1, 2010, all military pay received by active duty members of the Armed Forces of the United States, members of reserve components of the Armed Forces of the United States, and members of the National Guard will be exempt from Kentucky income tax KRS 141.019(I).

Soldiers will claim the exemption by excluding military pay when filing a Kentucky individual income tax return starting with the 2010 return. Provided the military member has no income other than military pay, he or she would not be required to file a Kentucky income tax return. The military pay exemption applies to all Kentucky military members regardless of where the member is stationed. Kentucky income tax should no longer be withheld from checks received for military pay, beginning January 1, 2010. If Kentucky income tax is incorrectly withheld from a soldier's military pay, the Department of Revenue will refund the tax withheld.

Kentucky residents who are in the military are often granted extensions for military service when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

For Fiscal Year Filers Only—Most people pay taxes for a calendar year. However, if you file for a taxable year other than a calendar year or for part of a year, enter the beginning and ending dates of that year on the line at the top of the form.

For Deceased Taxpayers—If a taxpayer died before filing a return for 2018, the person who files the return should check the applicable deceased box.

Social Security Number—You are required to provide your social security number per Section 405, Title 42, of the United States Code. This information will be used to establish your identity for tax purposes only.

Political Party Fund Designation

You may designate \$2 of your taxes to either the Democratic or Republican party if you have a tax liability of at least \$2 (\$4 for married persons filing joint returns). Fifty cents will be paid to the corresponding political organization in your county of residence and the remainder will be paid to the respective state political party. *This designation will not increase your tax or decrease your refund.* You may make this designation by checking the applicable box. A taxpayer and spouse may each make a designation. Persons making no designation should check the "No Designation" box.

Reporting Periods and Accounting Procedures

Kentucky law requires taxpayers to report income on the same calendar or fiscal year and to use the same methods of accounting as required for federal income tax purposes. Any federally approved change in accounting period or methods must be reported to the Kentucky Department of Revenue. Enclose a copy of the federal approval.

Changes to federal income tax law made after the Internal Revenue Code reference date contained in KRS 141.010(14) shall not apply for purposes of Chapter 141 unless adopted by the General Assembly.

Filing Status

Legal liabilities are affected by the choice of filing status. Married persons who file joint or combined returns are jointly and severally liable for all income taxes due for the period covered by the return. That is, each spouse may be held legally responsible for payment of taxes on income earned by the other. If spouses want to credit the refund of one against the liability of the other or combine their tax liabilities or refunds, they must file a combined return. **If spouses want to keep their tax liabilities and/or refunds separate, each must file a separate tax form.**

Check the box that describes your filing status. If you are married, filed a joint federal return and both you and your spouse had income, you may be able to reduce your tax by using Filing Status 2 rather than Filing Status 3.

Filing Status 1, Single—Use this filing status if you are unmarried, divorced, widowed, legally separated by court decree, or if you filed as "Head of Household" or "Qualifying Widow(er)" on your federal return.

Filing Status 2, Married Filing Separately on This Combined Return—Use this filing status to report your incomes individually but on only one tax form. You do this by filling in both Columns A and B. You may file separately on this combined return regardless of whether you filed jointly or separately for federal purposes if both you and your spouse had income. This filing status usually results in a lower tax than Filing Status 3.

Each spouse must claim his or her own income and deductions. The total of line 5, Columns A and B, must equal your and your spouse's federal adjusted gross income.

Filing Status 3, Married Filing Joint Return—Use this filing status if you and your spouse choose to file a joint return even if one spouse had no income. Jointly means that you and your spouse add your incomes together and report in Column B. If both you and your spouse have income, it may be to your benefit to use Filing Status 2.

Filing Status 4, Married Filing Separate Returns—If using this filing status, you and your spouse must file two separate tax forms. When filing separate returns, the name and Social Security number of each spouse must be entered on both returns. Enter the spouse's Social Security number in the block provided, and enter the name on line 4.

Adjusted Gross Income

Line 5, Federal Adjusted Gross Income

Enter the total amount of your federal adjusted gross income from your federal income tax return in Column B if Filing Status 1, 3 or 4 is used. Use Column A only when entering your spouse's income on a combined return (Filing Status 2). When using Filing Status 2, Columns A and B, line 5, must equal your federal adjusted gross income. **(Do not confuse federal adjusted gross income with federal taxable income shown on the federal return.)**

Where taxpayer and spouse have filed a joint return for federal income tax purposes and have not elected to file a joint Kentucky income tax return, each spouse must claim his or her own income and deductions.

If you are not required to file a federal income tax return, enter on line 5 the total of wages, salaries, tips, fees, commissions, bonuses, other payments for personal services, taxable scholarships and fellowships, taxable interest and dividends, trade or business income, unemployment compensation and all other income from sources within and without Kentucky including amounts not reported on enclosed wage and tax statements (Schedule KW-2). If you have income not supported by a wage and tax statement, enclose a supporting schedule showing the source and amount.

Determining Kentucky Adjusted Gross Income—Kentucky law requires that the individual income tax return begin with federal adjusted gross income and be adjusted for any differences to arrive at Kentucky adjusted gross income. Schedule M is designed to make "additions to" federal adjusted gross income and provides for "subtractions from" federal adjusted gross income. For a list of differences, see the Federal/Kentucky Individual Income Tax Differences chart and the line-by-line instructions.

Line 6—Additions to Federal Adjusted Gross Income—Enter amount from Schedule M, Part I, line 6.

Line 8—Subtractions from Federal Adjusted Gross Income—Enter amount from Schedule M, Part II, line 15.

Line 9—Kentucky Adjusted Gross Income—Subtract line 8 from line 7. This is your **Kentucky Adjusted Gross Income**.

Taxable Income

Line 10, Deductions—Taxpayers may elect to itemize deductions or elect to use the standard deduction of \$2,530. *If one spouse itemizes deductions, the other must itemize.* See specific instructions for Schedule A.

Itemizers, complete Schedule A and enter allowable deductions on line 10.

Nonitemizers, enter the standard deduction of \$2,530. If married filing separately on a combined return, enter \$2,530 in both Columns A and B. **If filing a joint return, only one \$2,530 standard deduction is allowed.**

Line 11—Subtract line 10 from line 9. This is your **Taxable Income**.

Tax

Line 12—Determining Your Tax

Tax Computation—Multiply line 11 by 5% (.05).

Farm Income Averaging, Schedule J—If you elect farm income averaging on your federal return, you may also use this method for Kentucky. The amount of income you may average is limited to the amount elected for federal purposes. Enter tax from Schedule J, line 22, on Form 740, line 12, and check the box for "Schedule J." Enclose completed Schedule J. 

Line 13, Lump-Sum Distribution—Special 10-Year Averaging—Kentucky allows a special 10-year averaging method for determining tax on lump-sum distributions received from certain retirement plans that qualify for federal 10-year averaging. If this special method is used for federal purposes, Form 4972-K, Kentucky Tax on Lump-Sum Distributions, and Schedule P, Pension Income Exclusion, must be filed with Form 740. Enter tax from Form 4972-K and check the box.

Recycling Composting Recapture—Enter amount from Schedule RC-R and check the box.

Distilled Spirits Recapture—Enter amount from Schedule DS-R and check the box.

Angel Investor Recapture—Enter amount of Angel investor income tax credit recapture and check the box.

If Form 4972-K, Schedule RC-R, Schedule DS-R and/or you had an angel investor recapture, add the amounts together and enter the total on line 13.

Line 15—Enter amounts from Schedule ITC, Section A, lines 24E and 24F. See instructions for Schedule ITC.

Line 17—Enter amounts from Schedule ITC, Section B, lines 3A and 3B.

NOTE: Use only if 65 or over, blind, or in Kentucky National Guard. See instructions for Schedule ITC.

Line 19, Total Tax Liability—Married taxpayers filing a combined return must add the amounts on line 18, Columns A and B, and enter the sum on line 19. Other taxpayers should enter the amount from line 18, Column B, on line 19.

Line 20 and Line 21, Family Size Tax Credit—The Family Size Tax Credit is based on modified gross income (MGI) and the size of the family. If your total MGI is \$33,383 or less, you may qualify for Kentucky Family Size Tax Credit.

Enter Family Size. See Schedule ITC for instructions.

Enter Family Size Tax Credit decimal amount determined from Family Size Tax Credit Table. See instructions for Schedule ITC.

Line 23, Education Tuition Tax Credit—Complete Form 8863–K to claim this credit. See form and instructions.

Line 25, Child and Dependent Care Credit—Enter in the space provided the amount of credit calculated on federal Form 2441, line 9, for child and dependent care expenses. Multiply this amount by 20 percent (.20), and enter result on line 25.

If you do not meet the filing requirements to file a federal income tax return but would have been entitled to the federal child and dependent care credit, you may claim the child and dependent care credit for Kentucky purposes. Complete and enclose federal Form 2441, state on the form “did not meet federal filing requirements” and follow instructions for line 25.

Line 27, Kentucky Use Tax

Important Reminder from the Department of Revenue About Out-of-State Purchases:

If you made untaxed purchases from out-of-state retailers, the use tax line on your return should contain a number.

Like every other state that has a sales tax, Kentucky has a use tax that requires that out-of-state purchases of tangible personal property, digital property and extended warranties for use in Kentucky be taxed at the same amount as if they had taken place in Kentucky and subjected to Kentucky’s sales tax. This ensures equality of treatment between in-state and out-of-state transactions. Although the use tax has been in the tax code since 1960, it is now more relevant than ever because of the increasing percentage of online sales. Pursuant to KRS 139.330, a 6 percent use tax is due if you make out-of-state purchases for storage, use or other consumption in Kentucky and did not pay at least 6 percent state sales tax to the seller at the time of purchase. **For example, if you order from catalogs, make purchases through the Internet, or shop outside Kentucky** for items such as clothing, shoes, jewelry, cleaning supplies, furniture, computer equipment, pre-written computer software, office supplies, books, souvenirs, exercise equipment or subscribe to magazines, you may owe use tax to Kentucky. It is important to remember that use tax applies **only** to items purchased from a retailer outside Kentucky, including another country, which would have been taxed if purchased in Kentucky.

For your convenience, a Use Tax Calculation Worksheet and Optional Use Tax Table are provided below. The Optional Use Tax Table is designed for those purchases of less than \$1,000. If you made untaxed out-of-state purchases in amounts under \$1,000, but do not have records readily available that show the amount of those purchases, you may use the Optional Use Tax Table below to estimate the compensating use tax based on your Kentucky Adjusted Gross Income (KYAGI). All untaxed purchases in the amount of \$1,000 or greater must be accounted for on an actual basis using the Use Tax Calculation Worksheet. Failure to timely report may result in assessment of penalty and interest in addition to the tax amount due.

Credit Against the Kentucky Use Tax Due

You may reduce or eliminate the amount of Kentucky use tax due by the amount of state sales tax paid to the out-of-state seller on the same transaction. The reduction may not exceed the amount of Kentucky use tax due on the purchase. For example, if Georgia state sales tax of 4 percent is paid, only the additional 2 percent is due to Kentucky, or if Illinois state sales tax of 6.25 percent is paid, no additional Kentucky use tax is due. Sales tax paid to a city, county or another country cannot be used as a credit against Kentucky use tax due.

The amount of the penalty may be calculated on Form 2210-K. Form 2210-K may also be used by qualifying farmers and others to claim exemption to the penalty. If paying the penalty or claiming an exemption, complete Form 2210-K, enclose with your return and check the box beside line 35(a). Enter the amount of the penalty on line 35(a). The minimum penalty is \$25.

If your return is filed after April 15, 2019, or any tax due on

the return is paid after April 15, 2019, you may be subject to additional penalties and interest.

Line 35(b), Estimated tax interest—Failure to make four equal installments timely may result in estimated tax interest due. See Form 2210-K and instructions.

Line 35(c), Interest—Interest will be assessed at the “tax interest rate” from the original due date of the return until the date of payment.

Line 35(d), Late Payment Penalty—If the amount of tax due as shown on line 34 is not paid by the original due date of the return, a penalty of 2 percent of the tax computed due may be assessed for each 30 days or fraction thereof that the tax is past due, not to exceed 20 percent. The minimum penalty is \$10. However, if the amount timely paid is 75 percent of the tax determined due by the Department of Revenue, no late payment penalty will be assessed.

Line 35(e), Late Filing Penalty—If a return is not filed by the due date or the extended due date, a penalty of 2 percent of the total tax due for each 30 days or fraction thereof that a return is not filed may be assessed, not to exceed 20 percent. The minimum penalty is \$10.

Note: Penalties but not interest may be reduced or waived if reasonable cause for reduction or waiver can be shown.

Line 36, Total of amounts on lines 35(a) through 35(e).

Line 37, Amount You Owe—If the total of lines 31 and 36 are more than line 33, subtract line 33 from the total of lines 31 and 36. When filing the return, you must pay any tax due shown on line 37.

Your 2018 individual income tax liability may be paid using any of the following options:

- Form EPAY (42A740), if supported by your software vendor, may be used to make an electronic payment of tax due separately from filing your tax return. Refer to the Form EPAY (42A740) instructions for additional information.

Types of Income Subject to Exclusion—All pension and retirement income paid under a written retirement plan is eligible for exclusion. This includes pensions, annuities, IRA accounts, 401(k) and similar deferred compensation plans, death benefits, and other similar accounts or plans. As a general rule, if the income is reported on the federal income tax return, Form 1040, line 4(b); Form 4972; or is a disability retirement benefit or deferred compensation distribution reported on Form 1040, line 1, then it qualifies for the exclusion.

Form 740-NP filers report only pension income received while a resident of Kentucky.

LINE-BY-LINE INSTRUCTIONS

Column A, Column B—This exclusion is for each taxpayer. A taxpayer and spouse must compute and claim their own exclusion, regardless of filing status.

Also include supplemental (Tier 2) U.S. Railroad Retirement Board benefits reported on Form 1040, line 4(b) and federal or Kentucky disability retirement income included on federal Form 1040, line 1. Do not include income from deferred compensation plans in Part I.

Use line 1(a) if retired before January 1, 1998, to report fully exempt pension benefits.

Use line 1(b) if retired after December 31, 1997, to compute the amount of pension income attributable to service credits earned before January 1, 1998. Multiply the taxable pension by the exempt percentage, enter the result (exempt amount) in

Column A or Column B. Use the worksheet below to compute the exempt percentage in the year of retirement.

Note: Subtract the exempt amount from the taxable pension amount and include the difference with other retirement income in Part II.

PART II—Other Retirement Income, Line 2—Enter the amount reported on federal Form 1040 of non-lump-sum pension and retirement income not reported on line 1(c). Also include amounts from Schedule M, line 5 (Form 740-NP, page 3, line 16) that reflect pension and IRA bases differences.

PART III—Total to Be Excluded This Year, Line 3—Enter the lesser of the amount on line 2 or \$31,110.

Line 4—Enter the total of lines 1(c) and 3. This is your pension income exclusion. Enter on line 4 and as follows: Schedule M, line 9; Form 740-NP, page 3, line 10(b); or Form 741, page 1, line 11.

Service Credit—Number of months (years) used by your retirement system to determine retirement benefits.

Purchased Service Credit—Voluntary purchases of service credit as allowed by your retirement system (i.e., military service or prior service with the same or similar system). Note: Purchased time is credited based on the dates of service.

Purchased Service Credit (Air-time)—Certain retirement plans allow for the purchase of up to five years of service credit unrelated to prior work history. These purchases are commonly known as air-time. Air-time is not included in total service earned after December 31, 1997, regardless of when purchased.

Line 2, Kentucky Small Business Tax Credit—For taxable years beginning after December 31, 2010, a small business may be eligible for a nonrefundable credit of up to one hundred percent (100%) of the Kentucky income tax imposed under KRS 141.020 or 141.040, and the limited liability entity tax imposed under KRS 141.0401.

The small business development credit program authorized by KRS 154.60-020 and KRS 141.384 was amended to allow the credit to apply to taxable years beginning after December 31, 2010. The definition of base year for purposes of the credit computation was changed to the first full year of operation that begins on or after January 1, 2009 and before January 1, 2010.

Small businesses are eligible to apply for credits and receive final approval for these credits one (1) year after the small business:

- Creates and fills one (1) or more eligible positions over the base employment, and that position or positions are created and filled for twelve (12) months; and
- Invests five thousand dollars (\$5,000) or more in qualifying equipment or technology.

The small business shall submit all information necessary to the Kentucky Economic Development Finance Authority to determine credit eligibility for each year and the amount of credit for which the small business is approved.

A small business that is a pass-through entity not subject to the tax imposed by KRS 141.040 and that has tax credits approved under Subchapter 60 of KRS Chapter 154 shall apply the credits against the limited liability entity tax imposed by KRS 141.0401, and shall also distribute the amount of the approved tax credits to each partner, member, or shareholder based on the partner's, member's, or shareholder's distributive share of income as determined for the year during which the tax credits are approved.

The maximum amount of credits that may be committed in each fiscal year by the Kentucky Economic Development Finance Authority shall be capped at three million dollars (\$3,000,000).

The maximum amount of credit for each small business for each year shall not exceed twenty-five thousand dollars (\$25,000). The credit shall be claimed on the tax return for the year during which the credit was approved. As per KRS 141.0205, individuals entitled to this credit will claim the credit

on Schedule ITC, Section A, line 2—Business Incentive and Other Tax Credits.

Unused credits may be carried forward for up to five (5) years.

Line 3, Skills Training Investment Tax Credit—Enter the amount of credit certified by the Bluegrass State Skills Corporation. A copy of the Kentucky Schedule K-1 for the year the credit was approved must be enclosed with the return in the first year the credit is claimed. The excess credit over the income tax liability in the year approved may be carried forward for three successive taxable years. For information regarding the application and approval process for this credit, contact the Cabinet for Economic Development, Bluegrass State Skills Corporation at (502) 564-2021.

Line 4, Nonrefundable Certified Rehabilitation Credit— This credit is available to owner-occupied residential and commercial preservation projects for structures that are listed in the National Register of Historic Places, or in a National Register historic district, up to \$3 million annually. The credit is 30 percent of certified rehabilitation expenses for owner-occupied residential properties, not to exceed \$60,000 per project, and 20 percent for commercial and income-producing properties. To qualify, an owner must spend at least \$20,000 on rehabilitation.

Individuals or businesses can apply the credit against their state income tax liability, carry the credit forward up to seven years or transfer it to a banking institution to leverage financing. For applications submitted on or after **April 30, 2010**, the credit shall be refundable if the taxpayer makes an election under KRS 171.397(2)(b). For more information regarding this credit, visit the Kentucky Heritage Council’s website at www.heritage.ky.gov, or call (502) 564-7005.

Line 5, Credit for Tax Paid to Another State—Kentucky residents are required to report all income received including income from sources outside Kentucky. Within certain limitations, a credit for income tax paid to another state may be claimed. The credit is **limited** to the amount of Kentucky tax savings had the income reported to the other state been omitted, or the amount of tax paid to the other state, **whichever is less**. As per KRS 141.070(3) “state” means a state of the United States, the District of Columbia, the commonwealth of Puerto Rico, or any territory or possession of the United States.

You may not claim credit for tax withheld by another state. You must file a return with the other state and pay tax on income also taxed by Kentucky in order to claim the credit. A copy of the other state’s return including a schedule of income sources must be enclosed to verify this credit. **If you owe tax in more than one state, the credit for each state must be computed separately.**

Reciprocal States—Kentucky has reciprocal agreements with specific states. These agreements provide for taxpayers to be taxed by their state of residence, and not the state where income is earned. Persons who live in Kentucky for more than 183 days during the tax year are considered residents and reciprocity does not apply. The states and types of exemptions are as follows:

Illinois, West Virginia—wages and salaries

Indiana—wages, salaries and commissions

Michigan, Wisconsin—income from personal services (including salaries and wages)

Ohio—wages and salaries. **Note:** Wages which an S corporation pays to a shareholder-employee if the shareholder-employee is a “twenty (20) percent or greater” direct or indirect equity investor in the S corporation shall not be exempt under the reciprocity agreement.

Create a Kentucky form by entering **Kentucky** at the top center of a federal Schedule D, federal Form 4797 and other applicable federal forms. Compute Kentucky gain or loss from the disposed assets using the Kentucky basis. Enter the difference in federal gain or loss and the Kentucky gain or loss on the appropriate line. **Enclose the created Kentucky Schedule D, Kentucky Form 4797 and other forms or schedules to support the deduction.**

If you have amounts invested in an activity for which you are not at risk and used federal Form 6198, At-Risk Limitations, complete federal Form 6198 using Kentucky amounts to determine if the Kentucky allowable loss differs from the federal allowable loss. For a passive activity, use the Kentucky allowable loss to complete Form 8582-K. For all other activities (nonpassive), enter the difference as an "other addition" or "other subtraction" on line 5 or line 14.

Instructions for Schedule A

Do not include on Schedule A items deducted elsewhere, such as on Schedule C, C-EZ, E, F or Kentucky Schedule M.

You may itemize your deductions for Kentucky even if you do not itemize for federal purposes. Generally, if your deductions exceed \$2,530, it will benefit you to itemize. If you do not itemize, you may elect to take the standard deduction of \$2,530.

Special Rules for Married Couples—If one spouse itemizes deductions, the other must also itemize. Married couples filing a joint federal return and who wish to file separate returns or a combined return for Kentucky may: (a) file separate Schedules A showing the specific deductions claimed by each, or (b) file one Schedule A and divide the total deductions between them based on the percentage of each spouse's income to total income.

Lines 1 through 5—Interest Expense

You may deduct interest that you have paid during the taxable year on a home mortgage. You may not deduct interest paid on credit or charge card accounts, a life insurance loan, an automobile or other consumer loan, delinquent taxes or on a personal note held by a bank or individual.

Interest paid on business debts should be deducted as a business expense on the appropriate business income schedule.

You may not deduct interest on an indebtedness of another person when you are not legally liable for payment of the interest. Nor may you deduct interest paid on a gambling debt or any other nonenforceable obligation. Interest paid on money borrowed to buy tax-exempt securities or single premium life insurance is not deductible.

Line 1—List the interest and points (including “seller-paid points”) paid on your home mortgage to financial institutions and reported to you on federal Form 1098.

Line 2—List other interest paid on your home mortgage and not reported to you on federal Form 1098. Show name and address of individual to whom interest was paid.

Line 3—List points (including “seller-paid points”) not reported to you on federal Form 1098. Points (including loan origination fees) charged only for the use of money and paid with funds other than those obtained from the lender are deductible over the life of the mortgage. However, points may be deducted in the year paid if all three of the following apply: (1) the loan was used to **buy, build or improve your main home**, and was secured by that home, (2) the points did not exceed the points usually charged in the area where the loan was made, and were figured as a percentage of the loan amount, and (3) if the loan was used to **buy or build** the home, you must have provided funds (see below) at least equal to the points charged. If the loan was used to **improve** the home, you must have paid the points with funds other than those obtained from the lender.

Funds provided by you include down payments, escrow deposits, earnest money applied at closing, and other amounts actually paid at closing. They do not include

amounts you borrowed as part of the overall transaction.

Seller-Paid Points—If you are the buyer, you may be able to deduct points the seller paid in 2018. You can do this if the loan was used to buy your main home and the points meet item 2 above. You must reduce your basis in the home by those points, even if you do not deduct them.

If you are the seller, you **cannot** deduct the points as interest. Instead, include them as an expense of the sale.

This generally does not apply to points paid to refinance your mortgage. Federal rules apply. See federal Publication 936 for more information.

Line 4, RESERVED—Qualified Mortgage Insurance Premiums—Premiums that you pay or accrue for “qualified mortgage insurance” during 2018 in connection with home acquisition debt on your qualified home are deductible as home mortgage insurance premiums. Qualified mortgage insurance is mortgage insurance provided by the Veterans Administration, the Federal Housing Administration, or the Rural Housing Administration, and private mortgage insurance. Mortgage insurance premiums you paid or accrued on any mortgage insurance contract issued before

January 1, 2007, are not deductible.

Limit on amount you can deduct. You cannot deduct your mortgage insurance premiums if the amount on Form 740, line 9, is more than \$109,000 (\$54,500 if married filing separately on a combined return or separate returns). If the amount on Form 740, line 9, is more than \$100,000 (\$50,000 if married filing separately on a combined return or separate returns), your deduction is limited and you must use the worksheet below to figure your deduction.

Lines 6 through 10—Contributions

You may deduct what you actually gave to organizations that are religious, charitable, educational, scientific or literary in purpose. You may also deduct what you gave to organizations that work to prevent cruelty to children or animals. In general, contributions deductible for federal income tax purposes are also deductible for Kentucky.

Examples of qualifying organizations are:

Churches, temples, synagogues, Salvation Army, Red Cross, CARE, Goodwill Industries, United Way, Boy Scouts, Girl Scouts, Boys and Girls Clubs of America, etc.

Fraternal orders if the gifts will be used for the purposes listed above.

Veterans' and certain cultural groups.

Nonprofit schools, hospitals and organizations whose purpose is to find a cure for, or help people who have arthritis, asthma, birth defects, cancer, cerebral palsy, cystic fibrosis, diabetes, heart disease, hemophilia, mental illness or retardation, multiple sclerosis, muscular dystrophy, tuberculosis, etc.

Federal, state and local governments if the gifts are solely for public purposes.

If you contributed to a qualifying charitable organization and also received a benefit from it, you may deduct only the amount that is more than the value of the benefit you received.

Contributions You MAY Deduct

Contributions may be in cash, property or out-of-pocket expenses you paid to do volunteer work for the kinds of organizations described above. If you drove to and from the volunteer work, you may take 14 cents a mile or the actual cost of gas and oil. Add parking and tolls to the amount you claim under either method. (Do not deduct any amounts that were repaid to you.)

Note: You are required to maintain receipts, cancelled checks or other reliable written documentation showing the name of the organization and the date and amount given to support claimed deductions for charitable contributions.

Separate contributions of \$250 or more require written substantiation from the donee organization in addition to your proof of payment. It is your responsibility to secure substantiation. A letter or other documentation from the qualifying charitable organization that acknowledges receipt of the contribution and shows the date and amount constitutes a receipt. **This substantiation should be kept in your files. Do not send it with your return.**

See federal Publication 526 for special rules that apply if:

your total contributions exceed 50 percent of line 9, Form 740,

your total deduction for gifts of property is over \$500, you gave less than your entire interest in the property,

your cash contributions or contributions of ordinary income property are more than 30 percent of line 9, Form 740,

your gifts of capital gain property to certain organizations are more than 20 percent of line 9, Form 740, or

you gave gifts of property that increased in value, made bargain sales to charity, or gave gifts of the use of property.

You MAY NOT Deduct as Contributions

Travel expenses (including meals and lodging) while away from home unless there was no significant element of personal pleasure, recreation or vacation in the travel.

Political contributions.

Dues, fees or bills paid to country clubs, lodges, fraternal orders or similar groups.

Value of any benefit, such as food, entertainment or merchandise that you received in connection with a contribution to a charitable organization.

Cost of raffle, bingo or lottery tickets.

Cost of tuition.

Value of your time or service.

Value of blood given to a blood bank.

The transfer of a future interest in tangible personal property (generally, until the entire interest has been transferred).

Gifts to:

Individuals.

Foreign organizations.

Groups that are run for personal profit.

Groups whose purpose is to lobby for changes in the laws.

Civic leagues, social and sports clubs, labor unions and chambers of commerce.

Line 6—Enter all of your contributions paid by cash or check (including out-of-pocket expenses).

Line 7—Enter your contributions of property. If you gave used items, such as clothing or furniture, deduct their fair market value at the time you gave them. Fair market value is what a willing buyer would pay a willing seller when neither has to buy or sell and both are aware of the conditions of the sale. If your total deduction for gifts of property is more than \$500, you must complete and enclose federal Form 8283, Noncash Charitable Contributions. If your total deduction is over \$5,000, you may also have to obtain appraisals of the values of the donated property. See federal Form 8283 and its instructions for details.

Also include the value of a leasehold interest property contributed to a charitable organization to provide temporary housing for the homeless. Enclose Schedule HH.

Recordkeeping—If you gave property, you should keep a receipt or written statement from the organization you gave the property to, or a reliable written record, that shows the organization's name and address, the date and location of the gift and a description of the property. You should also keep reliable written records for each gift of property that include the following information:

(a) How you figured the property's value at the time you gave it. (If the value was determined by an appraisal, you should also keep a signed copy of the appraisal.)

(b) The cost or other basis of the property if you must reduce it by any ordinary income or capital gain that would have resulted if the property had been sold at its fair market value.

- (c) How you figured your deduction if you chose to reduce your deduction for gifts of capital gain property.
- (d) Any conditions attached to the gift.
- (e) If the gift was a “qualified conservation contribution” under IRC Section 170(h), the fair market value of the underlying property before and after the gift, the type of legal interest donated and the conservation purpose furthered by the gift.

Line 8—Enter artistic charitable contributions. A deduction is allowed for “qualified artistic charitable contributions” of any literary, musical, artistic or scholarly composition, letter or memorandum, or similar property.

An amount equal to the fair market value of the property on the date contributed is allowable as a deduction. However, the deduction is limited to the amount of the taxpayer’s artistic adjusted gross income for the taxable year.

The following requirements for a deduction must be met:

- (a) The property must have been created by the personal efforts of the taxpayer at least one year prior to the date contributed. The creation of this property cannot be related to the performance of duties while an officer or employee of the United States, any state or political subdivision thereof.
- (b) A written appraisal of the fair market value of the contributed property must be made by a qualified independent appraiser within one year of the date of the contribution. A copy of the appraisal must be enclosed with the tax return.
- (c) The contribution must be made to a qualified organization as described in this section.

Line 9—Enter any carryover of contributions that you were not able to deduct in an earlier year because they exceeded your adjusted gross income limit. See federal Publication 526 for details on how to figure your carryover.

Line 11—Other Miscellaneous Deductions

Use this line to report miscellaneous deductions. Only the expenses listed below can be deducted on line 11.

- Federal estate tax on income in respect of a decedent.
- Amortizable bond premium on bonds acquired before October 23, 1986.
- Deduction for repayment of amounts under a claim of right if more than \$3,000. See federal Publication 525.
- Unrecovered investment in a pension.

List the type and amount of each expense. Enter one total on line 11. For more information on these expenses, see federal Publication 529.

Line 12—Total Itemized Deductions

Dividing Deductions Between Spouses—Married taxpayers who are filing separate returns or a combined return but using only one Schedule A must divide the itemized deductions. Complete Part I, lines 1 through 5. If one spouse is not required to file a Kentucky return, total deductions may be divided between them based on the percentage of each spouse’s income to total income or separate Schedules A may be filed.

Instructions for Form 2210-K

Purpose of Form—Use this form to determine if you owe an underpayment of estimated tax penalty for failing to prepay 70% of your tax liability and/or interest for failing to make four equal estimated tax installments timely. You may be subject to one or both even if you are due a refund when you file your tax return.

Underpayment of Estimated Tax Penalty—You may be charged an underpayment of estimated tax penalty if you did not prepay 70% of your tax liability and you did not meet one of the exceptions listed in Part I.

Estimated Tax Interest—You may also be charged interest if you failed to make four equal installments timely pursuant to KRS 141.305. These payments are due by April 15, June 15, September 15 of the taxable year, and on January 15 of the succeeding taxable year. Failure to make these equal installments timely may result in interest due pursuant to KRS 141.985. The interest is computed separately for each due date.

Part I—Exceptions and Exclusions—The underpayment of estimated tax penalty may not apply if one of the exceptions listed in Part I is met. If you meet one or more of the exceptions, check the appropriate box(es), complete the lines associated with the exception and check the “Form 2210-K attached” box on Form 740, line 35(a)(Form 740-NP, line 35(a)).

Part II—Figuring the Underpayment and Penalty—Only complete this section if the additional tax due exceeds \$500 and you do not meet one of the exceptions listed in Part I. Do not include amounts that were prepaid with extension or payments made after the due date of the fourth declaration installment. To avoid this penalty in the future, obtain and file Form 740-ES.

Part III—Required Annual Payment and Interest Calculation—This section is used to calculate your required annual payment. The required annual payment is used to calculate the amount of payment that you should have made each quarter. If you do not pay the required amount in each quarter, you will be subject to interest until that payment is made. You may not be required to pay estimated tax payments if you meet one of the following exceptions:

- Taxpayer died during the taxable year
- Declaration was not required until after September 3, 2018, and the taxpayer files a return and pays the full amount of the tax computed on the return on or before February 1, 2019.
- Two-thirds (2/3) or more of the gross income was from farming; this return is being filed on or before March 1, 2019; and the total tax due is being paid in full.
- Prepaid your last years tax liability with timely payments.

Lines 1–7—Calculates your required annual payment which is the lesser of your current years income tax liability or your previous years tax liability. If you have paid withholding that exceeds the lesser of the two, you do not owe interest and you do not need to complete the rest of the form.

Line 8—Multiply line 7, page 2, by 25 percent (.25) and enter amount in columns A through D. However, if your source(s) of income changed unexpectedly throughout the year or your income was received later in the year, the required number of installments may be fewer.

A taxpayer who is not required to pay estimated tax in four equal installments at the beginning of the year may be

required to make installment payments during the remainder of the year. Refer to the payment due dates at the top of columns A – D to determine how many installments you are required to make based on when your income changed or was received.

If you are required to make 3 installments, multiply line 7 by 34 percent (.34) and enter in column B then multiply line 7 by 33 percent (.33) and enter in columns C and D.

If you are required to make 2 installments, multiply line 7 by 50 percent (.50) and enter in columns C and D.

If you are required to only make 1 installment, multiply line 7 by 100 percent (1.00) and enter in column D.

Line 9—Enter the sum of estimated tax payments made and Kentucky withholding for each quarter. If you have Kentucky income tax withheld, multiply the total by 25 percent (.25) and enter in columns A through D. If you had a credit forward from a prior year return, enter the total amount in Column A only.

Note: Complete lines 10 through 17 for Column A before going to Column B, etc.

Line 10—Enter amount from line 17 of the previous column. This amount should be the overpayment if any from the previous column.

Line 12—Enter amount from line 16 of the previous column. This amount should be the underpayment amount from the previous column that will be carried over to each column until the payment is made.

Line 16—This is the underpayment amount for that column and any underpayment from the previous columns. The underpayment will continue to carryover to the next column until the payment is made or the due date, whichever is earlier.

Figuring the Interest—Interest will be calculated on each underpayment in each column from the payment due date written above line 8 to the date on line 18 or the date the payment was made, whichever is earlier. The underpayments will carryover to the next column and be added to that column's underpayment to calculate interest on that balance.

Line 18—Use this date to calculate the number of days that the current interest amount will be based upon, unless the underpayment was paid prior to this date.

Line 19—This is the number of days from the payment due date shown above line 8 to the date the amount on line 16 was paid or the date shown on line 18 for the column in which you are calculating interest.

For example, if your underpayment on line 16 for column A is \$1,000, you would calculate the interest from 4–15–18 to 6–15–18 and enter 61 days on line 19. If this \$1,000 remains unpaid, it will be added to any underpayment in column B and you would calculate interest from 6–15–18 until 9–15–18 which would be 92 days for that period, etc.

Line 20—The annual interest rate is established by the Department of Revenue for each calendar year. The interest rate for calendar years 2018 is 6 percent and 2019 is 7 percent. The interest calculation for the required third installment payment may be calculated using two different interest rates.

Instructions for Form 8863-K

Purpose of Form—Use Form 8863-K to calculate and claim your 2018 education tuition tax credits. The education credits are: the American Opportunity Credit and the Lifetime Learning Credit. These credits are based on qualified undergraduate education expenses paid to an eligible postsecondary educational institution located in Kentucky. If you elected to claim the education credit for federal purposes rather than the tuition and fees deduction, you must make that same election for Kentucky purposes.

Part I, Qualifications—All questions in Part I must be answered “Yes” to be eligible to claim the Kentucky education tuition tax credit.

Qualified Education Expenses—See the federal instructions to determine the qualified expenses for the American Opportunity Credit and the Lifetime Learning Credit. The allowable expenses may be different for each credit.

Eligible Educational Institution located in Kentucky—An eligible educational institution is generally any accredited public, nonprofit, or private college, university, vocational school, or other postsecondary institution. The institution must be eligible to participate in a student aid program administered by the Department of Education. **The institution attended must be physically located in Kentucky to qualify.**

Part II, American Opportunity Credit—You must enter the student’s name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. **For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum amount allowed of \$625 for each qualifying student.**

Part III, Lifetime Learning Credit—You must enter the student’s name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. **For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum allowed of \$500 per return.**

Part IV, Allowable Education Credits—

Line 12—Multiply line 11 by 25% (.25). This is your tentative Kentucky allowable credit.

Line 13—Enter the tentative tax from Form 740 or Form 740-NP, page 1, line 22.

Line 14—Enter the amount from page 2, Part V, line 34. This is the allowable credit carryforward from prior year(s). If there is no carryforward, enter zero.

Line 15—Subtract line 14 from line 13.

Line 16—Enter the smaller of line 15 or line 12.

Line 17—Add lines 14 and 16. **Enter here and on Form 740 or Form 740-NP, line 23.** This is your allowable 2018 education credit.

Line 18—If line 15 is smaller than line 12, subtract line 15 from line 12. This is the amount of unused credit carryforward from 2018 to 2019. Maintain records for following years.

Part V, Credit Carryforward from Prior Years—The Kentucky education tuition tax credit can be carried forward for up to 5 years if unused during the preceding tax year(s). You must have completed Form 8863-K for any prior year(s) in which you are claiming a credit carryforward.

**Kentucky
implemented a Flat 5% tax rate
for tax year 2018.**

Tax tables will no longer be published.

YOUR RIGHTS AS A KENTUCKY TAXPAYER

PROTEST AND APPEAL PROCEDURE

NOTE: The above protest and appeal procedures do not apply for real property which is valued by the local property valuation administrator (PVA). Contact the local PVA for information about how to appeal the valuation of real property.

TAXPAYER OMBUDSMAN

The DOR has a Taxpayer Ombudsman whose job is to serve as an advocate for taxpayers' rights. One of the main functions of the Ombudsman is to ensure that your rights as a Kentucky taxpayer are protected.

Also, an important function of the Taxpayer Ombudsman is to confer with DOR employees when you have a problem or conflict that you have been unable to resolve. However, it is not the role of the Ombudsman to intercede in an audit,

handle a protest, waive taxes, penalty or interest, or answer technical tax questions. To file a protest, see PROTEST AND APPEAL PROCEDURE. Please do not mail your protest to the Ombudsman.

The Taxpayer Ombudsman is your advocate and is there to make sure your rights are protected. If you think you are not being treated fairly or if you have a problem or complaint, please contact the Ombudsman for assistance.

The Taxpayer Ombudsman may be contacted by telephone at 502-564-7822 (between 8:00 a.m. and 5:00 p.m. weekdays). The mailing address is: Department of Revenue, Taxpayer Ombudsman, P. O. Box 930, Frankfort, Kentucky 40602-0930.
