**A MESSAGE FROM
COMPTROLLER PETER FRANCHOT**

Dear Maryland Taxpayers:

Over the past year, we have completed another successful tax season. Our commitment to serving you and making the process of filing taxes easier and more efficient is stronger than ever.

I am pleased to report we processed more than 2.9 million tax returns – including more than 1.7 million electronically filed returns – and issued 2.2 million refunds, totaling more than \$2.2 billion. This is an increase of nearly 6 percent in electronically filed returns compared to last year.

This year, I encourage you to file individual state taxes electronically using our agency’s iFile program. It is the safest, fastest and easiest way to file taxes and saves the state significant money in processing costs. Most importantly, it allows you to receive a refund within 72 hours should you choose the direct deposit option.

Upon selecting the icon on our Web site, iFile offers easy, step-by-step assistance in completing your Maryland income tax return for FREE. If you are more comfortable with in-person tax preparation, we continue to offer free, state tax assistance available at all of the agency’s 12 taxpayer service offices. Check out www.marylandtaxes.com for office locations.

I am proud of the long-standing tradition of excellence by our 1,100 employees of this agency. Every day they work to ensure you receive the knowledge and timely service you deserve as taxpayers.

As Comptroller, I pledge to make filing taxes easier. I will continue to be an independent voice and fiscal watchdog, always looking out for the long-term fiscal health of our great state.

Peter Franchot

MARYLAND RESIDENT INCOME TAX RETURNS FORMS 502 and 503

INSTRUCTIONS 2010

IMPORTANT NOTES

DUE DATE

Your return is due by April 15, 2011. If you are a fiscal year taxpayer, see Instruction 25. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day.

COMPLETING THE RETURN

You must use blue or black ink when completing your return. **DO NOT** use pencil or red ink. Submit the original return, not a photocopy. If no entry is needed for a specific line, leave blank. Do not enter words such as "none" or "zero" and do not draw a line to indicate no entry.

You may round off all cents to the nearest whole dollar. Fifty cents and above should be rounded to the next dollar. State calculations are rounded to the nearest penny.

ELECTRONIC FILING INSTRUCTIONS

The instructions in this booklet are designed specifically for filers of paper returns. If you are filing electronically and these instructions differ from the instructions for the electronic method being used, you should comply with the instructions appropriate for that method.

Software vendors should refer to the e-file handbook for their instructions.

SUBSTITUTE FORMS

You may file your Maryland income tax return on a computer-prepared or computer-generated substitute form provided the form is approved in advance by the Revenue Administration Division. The fact that a software package is available for retail purchase does not guarantee that it has been approved for use.

For additional information, see Administrative Release 26, Procedures for Computer

Printed Substitute Forms, on our Web site at www.marylandtaxes.com. (See the back cover of this booklet.)

You may also call the tax information number listed on the back cover to find out which computer-generated forms have been approved for use or visit our Web site at www.marylandtaxes.com.

PENALTIES

There are severe penalties for failing to file a tax return, failing to pay any tax when due, filing a false or fraudulent return, or making a false certification. The penalties include criminal fines, imprisonment, and a penalty on your taxes. In addition, interest is charged on amounts not paid.

To collect unpaid taxes, the Comptroller is directed to enter liens against the salary, wages or property of delinquent taxpayers.

1 Do I have to file? This booklet and forms are for residents of Maryland. In general, you must file a Maryland return if you are or were a resident of Maryland AND you are required to file a federal return. Information in this section will allow you to determine if you must file a return and pay taxes as a resident of Maryland. If you are not a resident but had Maryland tax withheld or had income from sources in Maryland, you must use Form 505 or 515, Nonresident Tax Return.

WHO IS A RESIDENT?

You are a resident of Maryland if:

- a. your permanent home is or was in Maryland (the law refers to this as your domicile). OR
- b. your permanent home is outside of Maryland, but you maintained a place of abode (that is, a place to live) in Maryland for more than six months of the tax year. If this applies to you and you were physically present in the state for 183 days or more, you must file a full-year resident return.

PART-YEAR RESIDENTS

If you began or ended residence in Maryland during the tax year you must file a Maryland resident income tax return. See Instruction 26.

MILITARY AND OTHERS WORKING OUTSIDE OF MARYLAND

Military and other individuals whose domicile is in Maryland, but who are stationed or work outside of Maryland, including overseas, retain their Maryland legal residence. Such persons do not lose Maryland residence just because of duty assignments outside of the State; see Administrative Release 37. Military personnel and their spouses should see Instruction 29.

TO DETERMINE IF YOU ARE REQUIRED TO FILE A MARYLAND RETURN

- a. Add up all of your federal **gross** income to determine your total federal income. Gross income is defined in the Internal Revenue Code and, in general, consists of all income regardless of source. It includes wages and other compensation for services, **gross** income derived from business, gains (not losses) derived from dealings in property, interest, rents, royalties, dividends, alimony, annuities, pensions, income from partnerships or fiduciaries, etc. If modifications or deductions reduce your gross income below the minimum filing level, you are still required to file. IRS Publication 525 provides additional information on taxable and nontaxable income.
- b. Do not include Social Security or railroad retirement benefits in your total federal income.
- c. Add to your total federal income any Maryland additions to income. Do not include any additions related to periods of nonresidence. See Instruction 12. **This is your Maryland gross income.**
- d. If you are a dependent taxpayer, add to your total federal income any Maryland additions and subtract any Maryland subtractions. See Instructions 12 and 13. **This is your Maryland gross income.**

- e. You must file a Maryland return if your Maryland gross income equals or exceeds the income levels in Table 1 below.
- f. If you or your spouse is 65 or over, use Table 2 below.

IF YOU ARE NOT REQUIRED TO FILE A MARYLAND RETURN BUT HAD MARYLAND TAXES WITHHELD

To get a refund of Maryland income taxes withheld, you must file a Maryland return.

Taxpayers who are filing for refund only should complete all of the information at the top of Form 502 or Form 503 and complete the following lines:

Form 502	Form 503
1-16	1, 7a*, 10a*
25*, 32*	13-19
37-45	21
47, 49	

*Enter a zero unless you claim an earned income credit on your federal return.

Sign the form and attach withholding statements (all W-2 and 1099 forms) showing Maryland and local tax withheld equal to the withholding you are claiming.

Your form is then complete. Mail it in the gold envelope from the tax booklet. To speed processing of your tax refund, you must file electronically. You must file within three years of the original due date to receive any refund.

Qualifying widow(er), age 65 or over	16,150

2 Use of federal return. First complete your 2010 federal income tax return.

You will need information from your federal return in order to complete your Maryland return. Therefore, complete your federal return **before** you continue beyond this point. Maryland law requires that your income and

deductions be entered on your Maryland return exactly as they were reported on your federal return. If you use federal Form 1040NR, visit our Web page at <http://individuals.marylandtaxes.com/>

incometax/1040NR.asp for further information. All items reported on your Maryland return are subject to verification, audit and revision by the Maryland State Comptroller's Office.

3 Form 502 or 503? Decide whether you will use Form 502 (long form) or Form 503 (short form). You must use Form 502 if your federal adjusted gross income is \$100,000 or more.

FORM 502

All taxpayers may use Form 502. You must use this form if you itemize deductions, if you have any Maryland additions or subtractions, if you have made estimated payments or if you are claiming business or personal income tax credits. You must also

use this form if you have moved into or out of Maryland during the tax year.

FORM 503

If you use the standard deduction, have no additions or subtractions, and claim only withholding or the refundable or other earned

income credits, you may use the short Form 503. Answer the questions on the back of Form 503 to see if you qualify to use it. **NOTE: If you are eligible for the pension exclusion, you must use Form 502.**

4 Mailing label. Tax booklets with labels are mailed only to those individuals who file a return using a form directly out of the tax booklet. Remove the label located on the cover of your tax booklet and place it over the name and address blanks of your tax return. NOTE: If you do not use a label, complete the name and address boxes located at the top of the form.

DO NOT USE YOUR LABEL IF:

- a. your name or address is wrong, OR
- b. you and your spouse are going to file separate returns and both of your names and initials are on the label, OR

- c. you are going to file a joint return, and only one name is on the label, OR
- d. you are filing a computer-generated return.

IF YOUR RETURN IS BEING COMPLETED BY SOMEONE ELSE:

Take your booklet to your tax preparer so that the preparer can attach the label to your return.

5 Social Security Number(s). Your Social Security number is not printed on the label. Therefore, it is important that you enter each Social Security number in the space provided at the top of your tax return regardless of whether you use a label or not.

The Social Security number(s) must be a valid number issued by the Social Security Administration of the United States Government. If you, your spouse or dependent(s) do not have a Social Security number, you

must apply for a tax identification number with the IRS and wait until you receive it before you file.

A missing or incorrect Social Security or tax identification number could result in the

disallowance of any credits or exemptions you may be entitled to and result in a balance due.

Valid Social Security or tax identification numbers are required for any claim of exemption for a dependent.

8 Special instructions for married persons filing separately. If you and your spouse file a joint federal return but are filing separate Maryland returns according to Instruction 7, follow the instructions below.

If you and your spouse file a joint federal return but are filing separate Maryland returns according to Instruction 7, you should report the income you would have reported had you filed a separate federal return. The income from jointly held securities, property, etc., must be divided evenly between husband and wife.

If you itemized your deductions on the joint federal return, one spouse may use the standard deduction and the other spouse may claim those deductions on the federal return that are "attributable exclusively" to that spouse, plus a prorated amount of the remaining deductions. If it is not possible to determine these deductions, the deduction must be allocated proportionately based on your share of the income.

The term "attributable exclusively" means that the individual is solely responsible for the payment of an expense claimed as an

itemized deduction, including compliance with a valid court order or separation agreement; or the individual jointly responsible for the payment of an expense claimed as an itemized deduction can demonstrate payment of the full amount of the deduction with funds that are not attributable in whole or in part, to the other jointly responsible individual.

If both spouses choose to itemize on their separate Maryland returns, then each spouse must determine which deductions are attributable exclusively to him or her and prorate the remaining deductions using the Maryland Income Factor. See Instruction 26(k). If it is not possible to determine deductions in this manner, they must be allocated proportionately based on their respective shares of the income. The total amount of itemized deductions for both spouses cannot exceed the itemized deductions on the federal return.

If you choose to use the standard deduction method, use Worksheet 1 in Instruction 16.

Each spouse must claim his or her own personal exemption. Each spouse may allocate the dependent exemptions in any manner they choose. The total number of exemptions claimed on the separate returns may not exceed the total number of exemptions claimed on the federal return except for the additional exemptions for being 65 or over or blind.

Complete the remainder of the form using the instructions for each line. Each spouse should claim his or her own withholding and other credits. Joint estimated tax paid may be divided between the spouses in any manner provided the total claimed does not exceed the total estimated tax paid.

9 Part-year residents. If you began or ended legal residence in Maryland in 2010 go to Instruction 26.
Military taxpayers. If you have non-Maryland military income, See Administrative Release 1.

10 Exemptions. Determine what exemptions you are entitled to and complete the **EXEMPTIONS** area on the form, including the Social Security numbers of children and other dependents. If more space is required, attach a separate statement.

EXEMPTIONS ALLOWED

You are permitted the same number of exemptions which you are permitted on your federal return; however, the exemption amount is different on the Maryland return. Even if you are not required to file a federal return, the federal rules for exemptions still apply to you. Refer to the federal income tax instructions for further information.

In addition to the exemptions allowed on your federal return, you and your spouse are permitted to claim exemptions for being age 65 or over or for blindness. These additional exemptions are in the amount of \$1,000 each.

If any other dependent claimed is 65 or over, you also receive an extra exemption of up

to \$3,200. Make sure you check both boxes in columns (6) and (7) for each of your dependents who are age 65 or over.

Enter the number of exemptions in the appropriate boxes based upon your entries in parts A, B, and C of the exemption area of the form. Enter the total number of exemptions in Part D.

KIDS FIRST EXPRESS LANE ELIGIBILITY ACT

In column 4 in dependent area (C), enter a check (✓) if the dependent who is eligible to be claimed as an exemption is under age 19 before the end of the taxable year.

If you have identified the exemption you are claiming as a "dependent under age 19", please check (✓) either the yes or no box of

column (5) to indicate whether or not that child currently has health insurance.

Answering these questions will tell us whether to send you information about affordable health care coverage for your children. Check (✓) yes to authorize us to share your tax information with the Medical Assistance Program. It will be used ONLY to identify and help enroll your eligible children in affordable health care programs.

PART-YEAR RESIDENTS AND MILITARY

You must prorate your exemptions based on the percentage of your income subject to Maryland tax. See Instruction 26 and Administrative Release 1.

EXEMPTION AMOUNT

The personal exemption is \$3,200. This exemption is partially reduced once the taxpayer's federal adjusted gross income exceeds \$100,000 (\$150,000 if filing Joint, Head of Household, or Qualifying Widow(er) with Dependent Child). This reduction applies to the additional dependency exemptions as well; however it does not apply to the taxpayer's age or blindness exemption of \$1,000.

Use the chart to determine the allowable exemption amount based upon the filing status.

If your FEDERAL ADJUSTED GROSS INCOME is		If your filing status on your Maryland tax return is:		
		Single or Married Filing Separately	Joint, Head of Household, or Qualifying Widow(er)	Dependent Taxpayer (eligible to be claimed on another taxpayer's return)

In excess of \$250,000		\$600	\$600	\$0

Total the exemption amount on the front of Form 502 or Form 503 to determine the total exemption allowance to subtract on line 19 of Form 502 or on line 3 of Form 503.

11 Income. Copy the figure for federal adjusted gross income from your federal return onto line 1 of Form 502 or Form 503. Copy the total of your wages, salaries and tips from your federal return onto line 1a of Form 502 or Form 503. Use the chart below to find the figures that you need. If you and your spouse file a joint federal return but are filing separate Maryland returns, see Instruction 8.

Line 2. TAX-EXEMPT STATE OR LOCAL BOND INTEREST. Enter the interest from non-Maryland state or local bonds or other obligations (less related expenses). Interest earned on obligations of Maryland or any Maryland subdivision is exempt from Maryland tax and should not be entered on this line.

Line 3. STATE RETIREMENT PICKUP. Pickup contributions of a State retirement or pension system member. The pickup amount will be stated separately on your W-2 form. The tax on this portion of your wages is deferred for federal but not for state purposes.

Line 4. LUMP SUM DISTRIBUTION FROM A QUALIFIED RETIREMENT PLAN. If you received such a distribution, you will receive a Form 1099R showing the amounts distributed.

Note: If you were able to deduct the death benefit exclusion on Form 4972, allocate that exclusion between the ordinary and capital gain portions of your distribution in the same ratio before completing this schedule.

You must report part of the lump sum distribution as an addition to income if you file federal Form 4972.

Use the LUMP SUM DISTRIBUTION WORKSHEET to determine the amount of your addition.

Line 5. OTHER ADDITIONS TO INCOME. If one or more of these apply to you, enter the total amount on line 5 and identify each item using the code letter:

13 Subtractions from income. Determine which subtractions from income apply to you. Write the correct amounts on lines 8–14 of Form 502. Instructions for each line:

Line 8. STATE TAX REFUNDS. Copy onto line 8 the amount of refunds of state or local income tax included in line 1 of Form 502.

Line 9. CHILD CARE EXPENSES. You may subtract the cost of caring for your dependents while you work. There is a limitation of \$3,000 (\$6,000 if two or more dependents receive care). Copy onto line 9 the amount from line 6 of federal Form 2441. You may also be entitled to a credit for these taxable expenses. See instructions for Part B of Form 502CR.

Line 10. PENSION EXCLUSION. You may be able to subtract some of your taxable pension and retirement annuity income. This subtraction applies only if:

- a. you were 65 or over **or** totally disabled, **or** your spouse was totally disabled, on the last day of the tax year, **AND**
- b. you included on your federal return taxable income received as a pension, annuity or endowment from an “employee retirement system.” [A traditional IRA, a Roth IRA, a simplified employee plan (SEP), a Keogh Plan or an ineligible deferred compensation plan does not qualify.]

Each spouse who receives taxable pension or annuity income and is 65 or over or totally disabled may be entitled to this exclusion. In addition, if you receive taxable pension or annuity income but you are not 65 or totally disabled, you may be entitled to this exclusion if your spouse is totally disabled. Complete a separate column in the worksheet on page 6 for each spouse. Combine your allowable exclusion and enter the total amount on line 10, Form 502.

To be considered totally disabled you must have a mental or physical impairment

which prevents you from engaging in substantial gainful activity. You must expect the impairment to be of long, continued or indefinite duration or to result in your death. You must attach to your return a certification from a qualified physician stating the nature of your impairment and that you are totally disabled. If you have previously submitted a physician’s certification, just attach your own statement that you are still totally disabled and that a physician’s certification was submitted before.

If you are a part-year resident, complete the pension exclusion worksheet using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on line 5 by the number of months of Maryland residence divided by 12.

However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received.

For example, Fred Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Fred would prorate his pension by 10/11. Please note that, in either case, the proration factor may not exceed 1.

Complete the PENSION EXCLUSION COMPUTATION WORKSHEET on page 6. Copy the amount from line 5 of the worksheet onto line 10 of Form 502.

Line 11. FEDERALLY TAXED SOCIAL SECURITY AND RAILROAD RETIREMENT BENEFITS. If you included in your federal adjusted gross income Social Security, Tier I, Tier II and/or supplemental railroad retirement benefits, then you must include the total amount of such benefits on line 11. Social Security and railroad retirement benefits are exempt from state tax.

Line 12. NONRESIDENT INCOME. If you began or ended your residence in Maryland during the year, you may subtract the portion of your income received when you were not a resident of Maryland. See Instruction 26 for part-year residents and Administrative Release 1 for military personnel.

If your state of residence or your period of Maryland residence was not the same as that of your spouse and you filed a joint return, follow Instruction 26 (c) through (p).

Line 13. SUBTRACTIONS FROM INCOME ON FORM 502SU. This year, other certain subtractions which you may qualify will be reported on Form 502SU. Determine which subtractions apply to you and enter the amount for each on Form 502SU. If multiple subtractions apply, be sure to identify all of them on the form and attach it to Form 502. Enter the sum of all applicable subtractions from Form 502SU on line 13 of Form 502, and enter the code letters that represent the four highest dollar amounts in the code letter boxes. If multiple subtractions apply, be sure to identify all of them on Form 502SU and attach it to your Form 502.

Note: If only one of these subtractions applies to you, enter the amount and the code letter on Line 13 of Form 502; then the use of Form 502SU may be optional.

| Step 2: | Enter your federal adjusted gross income as reported on line 1 of your Form 502 | \$ _____ |
| Step 3: | Enter your income from U.S. Obligations (line ab, Form 502SU) | \$ _____ |
| Step 4: | Subtract amount on Step 3 from amount reported in Step 2. | \$ _____ |

| Step 6: | Subtract the exemption amount calculated in Step 1 from the exemption amount calculated in Step 5. If the amount is less than zero (0), enter zero (0). If the amount is zero, you have already received the maximum exemption that you are entitled to claim on Form 502 | \$ _____ |

If the amount is greater than zero (0), this is your subtraction from income. Enter this amount as a subtraction on line hh of Form 502SU.

Example:

Fred and Mary Jones had a federal adjusted gross income of \$225,000. They also had \$40,000 on interest from US savings bonds and had a dependent son whom they claimed on the Maryland tax return. Using Instruction 10, they found that the exemption amount on their Maryland return (based upon \$225,000 of income) was \$3,600 (\$1,200 for three exemptions). If it were not for the \$40,000 of US savings bonds, their federal adjusted gross income would have been \$185,000 and their exemption amount would have been \$5,400 (\$1,800 for three exemptions). Therefore, Fred and Mary Jones are entitled to claim a subtraction of \$1,800 (\$5,400 - \$3,600) on line hh of Form 502SU.

14 Itemized deductions. If you figure your tax by the ITEMIZED DEDUCTION METHOD, complete line 17a and b on Maryland Form 502. (See Instruction 16 to see if you will use the ITEMIZED DEDUCTION METHOD.)

USE FEDERAL FORM 1040 SCHEDULE A
To use the ITEMIZED DEDUCTION METHOD, you must itemize your deductions on your federal return and complete federal Form 1040 Schedule A. Copy the amount from Schedule A, line 29, Total Itemized Deductions, on line 17a of Form 502. Certain items of federal itemized deductions are not eligible for State purposes and must be sub-

tracted from line 17a. State and local income taxes used as a deduction for federal purposes must be entered on line 17b. Also, any amounts deducted as contributions of Preservation and Conservation Easements for which a credit is claimed on Form 502CR must be added to line 17b.
You are not required to itemize deductions on your Maryland return simply because

you itemized on your federal return. Figure your tax each way to determine which method is best for you.
If your unreimbursed business expenses include depreciation to which an adjustment is required for Maryland purposes, complete Form 500DM to calculate the addition modification "I" or subtraction modification "bb".

15 Figure your Maryland adjusted gross income. Complete lines 1-16 on the front of Form 502. Line 16 is your Maryland adjusted gross income.

16 Figure your Maryland taxable net income. To find your taxable income you must subtract either the standard deduction from the worksheet or the itemized deductions you have entered on line 17 of Form 502. The ITEMIZED DEDUCTION METHOD will lower your taxes if you have enough deductions. If you are not certain about which method to use, figure your tax both ways to determine which method is best for you. Check the box on line 17 of Form 502 to show which method you will use. **NOTE: You must use the standard deduction if you are using Form 503 or if you did not itemize on your federal return. Follow these instructions:**

STANDARD DEDUCTION METHOD
(Check the box on line 17 of Form 502)
The STANDARD DEDUCTION METHOD gives you a standard deduction of 15% of Maryland adjusted gross income (line 16) with minimums of \$1,500 and \$3,000 and maximums of \$2,000 and \$4,000, depending on your filing status. Use the worksheet on this page for your filing status to figure your standard deduction. Write the result on line 17 of Form 502 or line 2 of Form 503. Then follow the instructions for EXEMPTIONS.

ITEMIZED DEDUCTION METHOD
(Check the box on line 17 of Form 502)
You may itemize your deductions only if you itemized deductions on your federal return. See Instruction 14 for completing lines 17a and b of Form 502. Enter the result on line 17b.
You are not required to itemize deductions on your Maryland return simply because you itemized on your federal return. Figure your tax each way to determine which method is best for you.

EXEMPTIONS
After completing the EXEMPTIONS area on your return, enter the total exemption amount on line 19 of Form 502 or line 4 of Form 503.
PART-YEAR RESIDENTS AND NONRESIDENT MILITARY TAXPAYERS
You must adjust your standard or itemized deductions and exemptions. If you are a part-year resident, see Instruction 26. If you are a nonresident military member filing a joint return with your civilian spouse, see Administrative Release 1.

17 Figure your Maryland tax. You must use the tax tables if your taxable income is less than \$100,000.

The 2010 Maryland tax rate schedules are shown so you can see the tax rate that applies to all levels of income; however, do not use them to figure your tax. Instead use the tax tables if your income is under \$100,000; otherwise, use the appropriate row in the Maryland

Tax Computation Worksheet Schedules at the end of the tax tables to figure your tax. The tax tables and the Maryland Tax Computation Worksheet Schedules I and II have been based on these tax rate schedules.

19 Local income tax and local credits. Maryland counties and Baltimore City levy an income tax which is a percentage of Maryland taxable net income. Use the LOCAL TAX RATE CHART and the LOCAL TAX WORKSHEET to figure your local income tax. Use the county (or Baltimore City) you resided in on the last day of the tax year and which you showed in the box at the top of Form 502 or 503. Military taxpayers should refer to Instruction 29.

Local earned income credit. If you entered an earned income credit on line 25 of Form 502 or line 7a of Form 503, complete the LOCAL EARNED INCOME CREDIT WORKSHEET.

Local poverty level credit. If you entered a poverty level credit on line 26 of Form 502 or line 7b of Form 503, complete the LOCAL POVERTY LEVEL CREDIT WORKSHEET.

If you file Form 503, add the boxes for local earned income credit (10a) and local poverty level credit (10b) and enter on line 10. **SPECIAL NOTE:** If you and your spouse were

domiciled in different taxing jurisdictions, you should file separate Maryland returns even though you filed a joint federal return. (See Instruction 7.) However, if you choose to file a joint Maryland return, please use the following instructions. Enter both counties and/or local jurisdictions in the county, city, town or special taxing area box on the front of your return. If the local tax rates are the same, complete the worksheets as instructed and attach a schedule showing the local tax for each jurisdiction based on the ratio of each spouse's income to the total income. Also note the words "sepa-

rate jurisdictions" on line 31 of Form 502 or line 9 of Form 503. If the local tax rates are different, calculate a ratio of each spouse's income to total income. Then apply this ratio to the taxable net income and calculate the local tax for each spouse separately using the appropriate local tax rates. Enter the combined local tax on line 31 of Form 502 or line 9 of Form 503 and write the words "separate jurisdictions" on that line. Attach a schedule showing your calculations.

UNDERPAYMENT OF ESTIMATED TAX

If you had income from which tax was not withheld or did not have enough tax withheld during the year, you may have owed an estimated tax. All taxpayers should refer to Form 502UP (in this booklet) to determine if they owe interest because they paid too little estimated tax during the year.

Generally, you do not owe interest if:

- a. you owe less than \$500 tax on income that is not subject to Maryland withholding, OR
- b. each current year payment, made quarterly as required, is equal to or more than one-fourth of 110% of last year's tax, that was developed OR
- c. you made quarterly payments during the year that equal 90% of this year's tax.

Special rules apply if your gross income from farming or fishing is at least two-thirds of your total estimated gross income. See page 2 of Form 502UP for additional information and instructions for claiming this exemption from interest.

Interest is due at the rate of 13% annually or 1.08% per month for any month or part of a month that a tax is paid after the original due date of the return. Enter any interest due in the appropriate box of your tax return.

If you want part or all of your overpayment applied to your 2011 estimated tax, then write the amount you want applied on line 48. Overpayments may first be applied to previous years' tax liabilities or other debts as required by federal or state law. If you must pay interest for underpayment of estimated tax, enter the amount of interest from line 18 of Form 502UP on line 50. Subtract lines 48

If another person prepared your return, that person must also sign the return and enter their Social Security number or preparer's tax identification number (PTIN). The preparer declares, under the penalties of perjury, that the return is based on all information required to be reported of which the preparer has knowledge.

Income tax preparers who, for compensation, completed 200 or more original Maryland individual income tax returns (paper and elec-

tronic forms) for Tax Year 2009 are required to file all original individual income tax returns electronically for Tax Year 2010, except when a taxpayer specifically requests a preparer to file by paper or when a preparer has received a valid written waiver from the Comptroller.

The threshold determination for the electronic filing requirement is 100 for Tax Year 2011 and forward.

At the bottom of the return at the signature area, we have provided a check box for you to authorize your preparer to discuss your return with us. Another check box is provided for you to authorize your preparer not to file your return electronically.

Penalties may be imposed for tax preparers who fail to sign the tax return and provide their Social Security number or preparer's tax identification number, or who failed to file electronically when required.

SIGNATURES

You must sign your return. Your signature(s) signifies that your return, including all attach-

ments, is, to the best of your knowledge and belief, true, correct and complete, under the penalties of perjury.

Both husband and wife must sign a joint return. If your spouse cannot sign because of injury or disease and tells you to sign, you can sign your spouse's name in the proper space on the return followed by the words "By (your name), Husband (or Wife)." Be sure to also sign in the space provided for your signature. If a power of attorney is necessary, complete federal Form 2848 and attach to your return.

ATTACHMENTS

Be sure to attach wage and tax statements (Form W-2, W-2G and 1099) to the front of your return **if Maryland tax was withheld**. Also attach all forms, schedules and statements required by these instructions. Place your check or money order on top of your wage and tax statements and fasten with one staple on the front of your tax return.

**ELECTRONICALLY
FILING YOUR RETURN**

The fastest way to file your return and receive your refund is to file electronically and request direct deposit. If you request direct deposit on your electronic return your refund should be in your bank account within 72 hours of acknowledgement from the Revenue Administration Division. **You may request electronic funds withdrawal (direct debit) payments on your electronic return.** If you both file and pay electronically, your return is due April 15th. **However, you will have until April 30th to make your electronic payment. Note: An online payment where the bank mails the Comptroller of Maryland a paper check is not considered an electronic payment.** You may file your return electronically through your personal computer. Do not send a paper copy of the return you electronically filed. For more information, please visit: www.marylandtaxes.com

**ELECTRONIC PAYMENT OF
BALANCE DUE**

If your paper or electronic tax return has a balance due, you may pay electronically at www.marylandtaxes.com by selecting BillPay. The amount that you designate will be debited from your bank or financial institution on the date that you choose.

PAYMENT BY CHECK OR MONEY ORDER

Make your check or money order payable to "Comptroller of Maryland." Use blue or black ink. Do not use red ink or pencil. Write the type of tax and year of tax being paid on your check. It is recommended that you include your Social Security number on check. Mark an "X" in the box for "Payment Enclosed" on the envelope. **DO NOT SEND CASH.**

PAYMENT BY CREDIT CARD

You may pay your balance due by using MasterCard, Discover, American Express or Visa. Credit card payments are considered electronic payments for the purpose of the April 30th

extended due date if you filed your return electronically by April 15th.

Credit card payments may be made by telephone or over the Internet. The internet option is available to everyone. You must have filed a 2009 Maryland income tax return to use the telephone option.

Both options will be processed by Official Payments Corporation who will charge a convenience fee on the amount of your payment. The State will not receive this fee. You will be told the amount of the fee before you complete your transaction. Do not include the amount of the convenience fee as part of the tax payment.

To make a credit card payment call 1-800-2PAYTAX (1-800-272-9829) or visit their Web site at www.officialpayments.com. Enter jurisdiction code 3000 when prompted.

**ELECTRONIC 1099-G**

This year at the bottom of the return in the signature area, we have provided a checkbox just above the signature for you to indicate that you agree to receive your statement of refund (Form 1099-G) electronically. Starting in early 2012, electronic Form 1099-G may be downloaded and printed from our secure Web site. At this Web site, you may also request to receive Form 1099-G in paper form.

DUE DATE

Returns must be mailed by April 15, 2011, for calendar year taxpayers. Persons filing on a fiscal-year basis should see Instruction 25.

EXTENSION OF TIME TO FILE

Follow the instructions on Form 502E to request an automatic extension of the time to file your 2010 return. Filing this form extends the time to file your return, but does not extend the time to pay your taxes. Payment of the expected tax due is required with Form 502E by April 15, 2011. You can file and pay by credit card or electronic funds withdrawal (direct debit) on our Web site. If no tax is due and you requested a federal extension, you do not need to file Form 502E or take any other action to obtain an automatic **six month extension**. To obtain this form, see page ii, "Getting Help". If no tax is due and you did not request a federal extension, file your extension online at www.marylandtaxes.com or by phone at 410-260-7829. Only submit Form 502E if tax is due.

COMBAT ZONE EXTENSION

Maryland allows the same six-month extension for filing **and paying** personal income taxes for military and support personnel serving in a designated combat zone or qualified hazardous duty area and their spouses as allowed by the IRS. For more detailed information visit www.irs.gov. If you are affected by the extension enter **912** in one of the code number boxes to the right of the telephone number area.

Fiscal year. You must file your Maryland return using the same tax year and the same basis (cash or accrual) as you used on your federal return.

To file a fiscal year return, complete the fiscal year information at the top of Form 502, and print "FY" in bold letters in the upper left hand corner of the form. Whenever the term "tax year" appears in these instructions,

fiscal year taxpayers should understand the term to mean "fiscal year." Use the 2010 forms in this package for fiscal years which begin during calendar year 2010.

Fiscal year returns are due on the 15th day of the 4th month following the close of the fiscal year.

Special instructions for part-year residents. Your return must show all income reported on your federal return, regardless of when or where earned. However, you are permitted to subtract income received when not a resident of Maryland. The following instructions describe the adjustments which must be made for a part-year resident return and returns filed by certain military taxpayers (see Instruction 29) and married couples who file a joint return when one spouse is not a resident of Maryland.

- a. You must file Form 502; you cannot use Form 503.
- b. Whenever the term “tax year” is used in these instructions, it means that portion of the year in which you were a resident of Maryland. If you began residence in Maryland in 2010, the last day of the “tax year” was December 31, 2010. If you ended residence in Maryland in 2010, the last day of the “tax year” was the day before you established residence in another state.
- c. Complete the name and address information at the top of Form 502.
- d. Complete the county, city, town or taxing area information using Instruction 6. Use the county, city, town or taxing area of which you were a resident on the last day of your Maryland residence.
- e. Complete the filing status area using the same filing status that you used on your federal return. Married couples who file joint federal returns may file separate Maryland returns under certain circumstances. See Instruction 7. If you are a dependent taxpayer, use filing status 6.
- f. Complete the EXEMPTIONS area. You can claim the same number of exemptions that were claimed on your federal return. Additional exemptions are allowed for age and blindness for Maryland purposes which will be computed in this area.
- g. Complete the PART-YEAR/MILITARY area on the front of Form 502. Place a “P” in the box and show the dates of residence in Maryland. Certain military taxpayers following these instructions should place an “M” in the box and enter the non-Maryland military income. If you are both part-year and military, place a “P” and “M” in the box. Married taxpayers with different tax periods filing a joint Maryland return should enter a “D” in the box, follow the remainder of this instruction and write “different tax periods” in the dates of residence area. Married taxpayers who file a joint return when one spouse is not a resident of Maryland should place a “P” in the part-year resident box and enter the name and the other state of residence of the nonresident spouse.
- h. Enter on line 1 the adjusted gross income from your federal return for the entire year regardless of your length of residence.
- i. Complete the ADDITIONS TO INCOME area using Instruction 12. If you had losses or adjustments to income on your federal return, write on line 5 those loss or adjustment items that were realized or paid when you were not a resident of Maryland.
- j. Complete the SUBTRACTIONS FROM INCOME area using Instruction 13. You

may include only subtractions from income that apply to income subject to Maryland tax. Include on line 12 any income received during the part of the year when you were not a resident of Maryland.

- k. You must adjust your standard or itemized deductions and exemptions based on the percentage of your income subject to Maryland tax. Complete the MARYLAND INCOME FACTOR WORKSHEET to figure the percentage of Maryland income to total income.

MARYLAND INCOME FACTOR WORKSHEET	
1. Enter amount from line 16 of Form 502	\$ _____
2. Enter amount from line 1 of Form 502	\$ _____
3. Divide line 1 above by line 2. Carry this amount to four decimal places.	
The factor cannot exceed 1 (100%) and cannot be less than zero (0%). If line 1 is 0 or less, the factor is 0.	
If line 1 is greater than 0 and line 2 is 0 or less, the factor is 1. _____	

- l. If you itemize deductions, complete lines 17a and b. Prorate the itemized deductions using the following formula:

$$\frac{\text{NET ITEMIZED DEDUCTIONS}}{\text{MARYLAND INCOME}} \times \text{MARYLAND INCOME} = \text{MARYLAND ITEMIZED DEDUCTIONS}$$

Enter the prorated amount on line 17 of Form 502 and check the Itemized Deduction Method box. Another method of allocating itemized deductions may be allowed. Please send your written request along with your completed Maryland return, a copy of your federal return including Schedule A and a copy of the other state’s return. If the other state does not have an income tax, then submit a schedule showing the allocation of income and itemized deductions among the states. The Maryland return must be completed in accordance with the alternative method requested. This request should be sent to the Revenue Administration Division, Taxpayer Accounting Section (Special Allocations), P.O. Box 1829, Annapolis, MD 21404-1829.

- m. If you are not itemizing deductions, you must use the standard deduction. The standard deduction must be prorated using the Maryland income factor. Calculate the

standard deduction using a worksheet in Instruction 16. Prorate the standard deduction using the following formula:

$$\frac{\text{STANDARD DEDUCTION}}{\text{MARYLAND INCOME FACTOR}} \times \text{MARYLAND INCOME} = \text{PRORATED STANDARD DEDUCTION}$$

Enter the prorated amount on line 17 of Form 502 and check the Standard Deduction Method box.

- n. The value of your exemptions (line 19) must be prorated using the Maryland income factor. Prorate the exemption amount using the following formula:

$$\frac{\text{TOTAL EXEMPTION AMOUNT}}{\text{MARYLAND INCOME FACTOR}} \times \text{MARYLAND INCOME} = \text{PRORATED EXEMPTION AMOUNT}$$

Enter the prorated exemption amount on line 19 of Form 502.

- o. You must prorate your earned income, poverty level and refundable earned income credits using the Maryland income factor.

EARNED INCOME CREDIT

Multiply your federal earned income credit by the Maryland income factor from line 3 of the MARYLAND INCOME FACTOR WORKSHEET. Enter the result as the federal earned income credit amount on line 2 of the STATE EARNED INCOME CREDIT WORKSHEET in Instruction 18 and on line 1 of the LOCAL EARNED INCOME CREDIT WORKSHEET in Instruction 19.

POVERTY LEVEL CREDIT

Multiply the amount from line 5 of the STATE POVERTY LEVEL CREDIT WORKSHEET in Instruction 18 by the Maryland income factor and enter this amount as the credit on line 26 of Form 502.

Multiply the amount from line c of the LOCAL POVERTY LEVEL CREDIT WORKSHEET in Instruction 19 by the Maryland income factor and enter this amount as the credit on line 33 of Form 502.

REFUNDABLE EARNED INCOME CREDIT

Multiply your federal earned income credit by the Maryland income factor from line 3 of the MARYLAND INCOME FACTOR WORKSHEET. Enter the result as the federal earned income credit amount on line 1 of the REFUNDABLE EARNED INCOME CREDIT WORKSHEET in Instruction 21.

- p. Complete the remainder of the form using the line instructions.

Filing return of deceased taxpayer. Do not use the preprinted label. Enter code 321 in one of the code number boxes located to the right of the telephone number area. Use the following special instructions:

FILING THE RETURN

If an individual required to file an income tax return dies, the final income tax return shall be filed:

- by the personal representative of the individual's estate;
- if there is no personal representative, by the decedent's surviving spouse; or
- jointly by the personal representatives of each if both husband and wife are deceased.

JOINT RETURN

If the spouse of the deceased taxpayer filed a joint federal return with the decedent, generally a joint Maryland return must be filed. (See Instruction 7.)

The word "DECEASED" and the date of death should be written after the decedent's name at the top of the form. The name and title of any person, other than the surviving spouse, filing the return should be clearly

noted on the form. Attach a copy of the Letters of Administration or, if the return is filed solely by the surviving spouse, attach a death certificate.

KILLED IN ACTION

Maryland will abate the tax liability for an individual who is a member of the U.S. Armed Forces at death, and dies while in active service in a combat zone or at any place from wounds, disease, or injury incurred while in active service in a combat zone. To obtain an abatement, a return must be filed. The abatement will apply to the tax year in which death occurred, and any earlier tax year ending on or after the first day the member served in a combat zone in active service.

Maryland will also abate the tax liability of an individual who dies while a military or civilian employee of the United States, if such death occurs as a result of wounds or injury incurred outside the United States in a terrorist or military action.

In the case of a joint return, Maryland applies the same rules for these taxpayers as

does the IRS. For more information on filing a return, see Publication 3 Armed Forces Tax Guide available at www.irs.gov. Place code number **915** in one of the boxes marked "code numbers" to the right of the telephone number area, if you are filing a return for a taxpayer who was killed in action meeting the above criteria.

ALL OTHER RETURNS

If the return is filed by the personal representative, write the words "Estate of" before the decedent's first name and the date of death after the last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration.

If there is no personal representative, write the word "deceased" and the date of death after the decedent's last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of federal Form 1310.

Amended returns. If you need to change a return that you have already filed, or if the IRS changes your return, you must file an amended return.

FILING AN AMENDED RETURN

You must file an amended return to make certain changes to your original return. These include changes in income, filing status, amount of deductions, the number of exemptions, and the amount of additions to income and subtractions from income.

Note: Changes made as part of an amended return are subject to audit for up to three years from the date the amended return is filed.

Use Form 502X to file an amended return and **include a copy of your federal return**. Form 502X and instructions may be obtained by calling 410-260-7951 or by visiting www.marylandtaxes.com.

CHANGES TO YOUR FEDERAL RETURN

If the IRS makes any changes to your federal return, you must notify the State of Maryland. Send notification to the Maryland Revenue Administration Division within 90 days of the final determination of the changes by the IRS.

If you file an amended federal return that changes your Maryland return, you must file an amended Maryland return.

IF YOUR ORIGINAL RETURN SHOWED A REFUND

If you expect a refund from your original return, do not file an amended return until you

have received your refund check. Then cash the check; do not return it. If your amended return shows a smaller refund, send a check for the difference with the amended return. If your amended return shows a larger refund, the Revenue Administration Division will issue an additional refund check.

ADDITIONAL INFORMATION

Do not file an amended return until sufficient time has passed to allow the original return to be processed. For current year returns, allow at least six weeks.

Generally, a claim for a refund or overpayment credit must be filed within three years from the date the original return was filed or within two years from the date the tax was paid, whichever is later. A return filed early is considered filed on the date it was due. If a claim is filed within three years after the date the return was filed, the credit or refund may not be more than that part of the tax paid within three years, plus extension of time for filing the return, prior to the filing of the claim. If a claim is filed after the three-year period, but within two years from the time the tax was paid, the refund or credit may not be more than the tax paid within two years immediately before filing the claim for a refund or credit.

A claim for refund based on a federal net operating loss carryback must be filed within three years from the due date of the return for the tax year of the net operating loss.

If the claim for refund resulted from a federal adjustment or final decision of a federal court which is more than three years from the date of filing the return or more than two years from the time the tax was paid, a claim for refund must be filed within one year from the date of the adjustment or final decision.

If the claim for refund resulted from a notification received from another state for income taxes due which is more than three years from the date of filing the Maryland return or more than two years from the time the tax was paid, a claim for refund resulting from a credit for taxes paid to that state must be filed within one year of the date of the notification that the other state's tax was due.

If the claim for refund or credit for overpayment resulted from a final determination made by an administrative board or an appeal of a decision of an administrative board, that is more than three years from the date of filing the return or more than two years from the time the tax was paid, the claim for refund must be filed within one year of the date of the final decision of the administrative board or final decision of the highest court to which an appeal of the administrative board is taken.

No refund for less than \$1.00 will be issued. No payment of less than \$1.00 is required.

MILITARY PERSONNEL WHO ARE LEGAL RESIDENTS OF MARYLAND

1—without overseas pay	Must file a resident return (Form 502 or Form 503) and report all income from all sources, wherever earned. You must calculate the local portion of the tax regardless of whether you were stationed in Maryland or not. The location of your legal residence determines which county should be entered on your return. See Instructions 6 and 19. If you filed a joint federal return, see Instruction 7.
2—with overseas pay	Same as above, may subtract up to \$15,000 in military pay earned outside U.S. boundaries or possessions, depending upon total military income. If you filed a joint federal return, see Instruction 7.

MILITARY PERSONNEL WHO ARE LEGAL RESIDENTS OF ANOTHER STATE

Superseded - Military personnel and their spouses who are legal residents of another state should see the Maryland Nonresident Tax Booklet and Administrative Release 1.

Privacy act information.

The Tax-General Article of the Annotated Code of Maryland authorizes the Revenue Administration Division to request information on tax returns to administer the income tax laws of Maryland, including determination and collection of correct taxes. Code Section 10-804 provides that you must include your Social Security number on the return you file. This is so we know who you are and can process your return and papers.

If you fail to provide all or part of the requested information, then exemptions,

exclusions, credits, deductions or adjustments may be disallowed and you may owe more tax. In addition, the law provides penalties for failing to supply information required by law or regulations.

You may look at any records held by the Revenue Administration Division which contain personal information about you. You may inspect such records, and you have certain rights to amend or correct them.

As authorized by law, information furnished to the Revenue Administration Divi-

sion may be given to the United States Internal Revenue Service, a proper official of any state that exchanges tax information with Maryland and to an officer of this State having a right to the information in that officer's official capacity. The information may be obtained in accordance with a proper legislative or judicial order.

STATE DEPARTMENT OF ASSESSMENTS AND TAXATION INFORMATION REGARDING PROPERTY TAX CREDITS, EXEMPTIONS AND GROUND RENT REGISTRY.

Under Maryland law, you may be eligible for a substantial credit on the property tax bill issued on your home, based upon your gross household income. This program is available to homeowners of all ages and the credit is calculated solely on the basis of gross income.

Use the chart printed below to see if it would be worthwhile for you to submit a Homeowners' Tax Credit application. If the actual property taxes on your home (based on no more than **\$300,000** of assessed value) exceed the "Tax Limit" amount shown on the table below for your household income level, you may be eligible for a credit and are urged to file an application. The table is printed for illustrative purposes, and therefore, the income amounts are listed in increments of \$2,000. For purposes of this program, the applicant must report total income, which means the combined gross household income before any deductions are taken. Nontaxable income, such as Social Security, Railroad Retirement or Veterans' benefits, also must be reported as income for the tax credit program.

If you think you might qualify on the basis of your household income, there are certain other legal requirements which must be met. The purpose of this notice is simply to advise you of the availability of the program and to suggest that you inquire further if you think you qualify on the basis of the income chart provided above.

To obtain a Homeowners' Tax Credit application form or to receive further information about your eligibility for the program, you should telephone 410-767-4433 in the Baltimore metropolitan area or 1-800-944-7403 (toll free) for those living elsewhere in Maryland. The application form explains the various program requirements in detail. The deadline for filing a Homeowners' Tax Credit application is generally September 1, 2011.

RENTERS' TAX CREDIT PROGRAM

The State of Maryland also makes available a Renters' Tax Credit of up to **\$750** a year for renters age 60 and over or those 100% disabled if they qualify on the basis of income. Renters under age 60 who have a dependent child may be eligible for a credit if certain separate income requirements are met. **To obtain a Renters' Tax Credit application form or to receive further information about the program, you may telephone 410-767-4433 in the Baltimore metropolitan area or 1-800-944-7403 (toll free) for those living elsewhere in Maryland.** The filing deadline for the Renters' Program is September 1, 2011.

REAL PROPERTY TAX EXEMPTIONS FOR 100% DISABLED VETERANS AND BLIND PERSONS

There is a complete exemption from real property taxes on the dwelling house owned by disabled veterans with a 100% service connected permanent disability or by their surviving spouses. The State also allows an exemption on the first \$15,000 of valuation on the dwelling house owned by legally blind persons. **For further information about either exemption, please telephone 410-767-4433 in the Baltimore area or 1-800-944-7403 (toll free) in other areas of Maryland.**

REQUIRED REGISTRATION OF GROUND RENTS

A new law was enacted by the 2007 session of the General Assembly requiring any owner of a ground rent in the State of Maryland to register that ground rent with the Maryland Department of Assessments and Taxation. If the owner does not register the ground rent with the Department before September 30, 2010, the reversionary interest of the owner is extinguished and the ground rent is no longer payable. Additionally, there is a graduated filing fee for registering the ground rent with the Department, which increases if the initial filing is made in the second or third year for registration. Finally, the registry information for the specific ground rent on each real property will be available for viewing by the tenant homeowner and the general public at the time of registration via the Department's website at www.dat.state.md.us. **For further information on the ground rent registry law, please telephone (410) 767-2809.**
