**An Even Better
Revenue Website**

We are redesigning the Minnesota Department of Revenue website to make it easier for you to find and use the information you rely on to meet your state tax obligations.

Watch for a beta (preview) version of our new website in early 2019!

What's New

- Minnesota did not adopt federal tax law changes for 2018, which may impact household income. See the instructions for Form M1 and Schedule MINC for details.
- We have created a new worksheet, **Worksheet 5 - Co-occupant Income**, to help you calculate another person's income you must include in your household income. Complete this worksheet if you are a homeowner and had someone other than a spouse, dependent, tenant, or parent who is not a co-owner of your home living with you.

What is household income?

your adjusted gross income
+
most types of nontaxable income (see page 8)
-
your qualified retirement plan contribution, dependent, elderly or disabled subtraction (see page 10).

Your total household income might not match the income listed on your income tax return and may include another person's income if you are a homeowner.

How do I report my property taxes paid?

Homeowners: Use the **Statement of Property Taxes Payable in 2019** that you receive in March 2019 to complete your 2018 return. Do not use your 2018 tax statement or your Notice of Proposed Taxes to complete your return. Your refund will be delayed if you file using incorrect statements.

Do not include your property tax statement when mailing a return.

Renters: Your landlord must provide you a CRP, *Certificate of Rent Paid*, by January 31, 2019. If you rented more than one apartment during 2018, you must have a CRP for each apartment. If your landlord does not provide a CRP by March 1, 2019, call us at 651-296-3781 or 1-800-652-9094 (toll-free).

Your refund will be delayed if you do not include your CRP(s).

Getting Started

Renters: You must have a CRP, *Certificate of Rent Paid*, for each rental unit you lived in during 2018. You need this to calculate your refund. Your landlord must give you a completed 2018 CRP no later than January 31, 2019. Include it with your completed return.

If you do not receive a CRP by March 1, 2019, contact your landlord. If your landlord will not provide a copy, call us at 651-296-3781 or 1-800-652-9094 (toll-free).

Your refund will be delayed or denied if you do not include your CRP(s).

Homeowners and Mobile Home Owners:

Nonhomestead classification. If the property is not classified as homestead on your property tax statement or you bought your home in 2018, you must apply for homestead status with your county assessor's office and have it approved on or before December 15, 2019. At the time you apply for homestead status, request a signed statement saying that your application was approved. Include it with your Form M1PR.

Delinquent taxes. If you owe delinquent property taxes on your home, you cannot file a return unless you pay or make arrangements with the county by August 15, 2020. Include a copy of your receipt or a signed confession of judgment statement from your county auditor or treasurer. After your homestead application has been approved or you have paid or made arrangements to pay delinquent taxes, include the amount from line 5 of your property tax statement on line 11 of Form M1PR.

What if I move after I file?

Change your address by emailing individual.incometax@state.mn.us or calling 651-296-3781 or 1-800-652-9094 (toll-free).

Your refund may be delayed if you do not contact us.

What if a person died?

Only a surviving spouse or dependent can file a return on behalf of a deceased person.

Spouses:

If a person who is eligible for a property tax refund died in 2018:

- Apply for the refund using both your names
- Use your full year income
- Use deceased spouse's income up to the date of death

If the person died in 2019 before applying for the 2018 refund:

- Apply for the refund using both names
- Print DECD and the date of death after the decedent's name
- Enclose a copy of the death certificate with the return

Dependents (If there is no surviving spouse):

- Apply for the refund using the decedent's name
- Complete and enclose Form M23, *Claim for a Refund for a Deceased Taxpayer*
- Enclose a copy of the death certificate with the return

If a person died after filing a return but prior to us issuing the check, we may only pay the refund to the surviving spouse or dependent. If we issued the check and it was not cashed prior to death, it is considered part of the estate and we may pay it to the personal representative.

What if my Property Tax or Income Changes?

File Form M1PRX, *Amended Homestead Credit Refund (for Homeowners) and Renter's Property Tax Refund*, if any of the following happen after filing your return:

- Your household income changes
- You receive a corrected CRP from your landlord
- You receive a corrected statement from the county
- You need to correct a mistake on your original return

Generally, you have until October 15, 2022 to file an amended 2018 property tax refund return.

If your amended return reduces your refund, you must pay the difference. You must pay interest on the difference from the date you received your original refund. If your refund increases, you will receive a check for the increase plus applicable interest.

Completing the Top of the Return

An onscreen version of Form M1PR is available on our website. Completing that version of the form and filing a copy will help avoid problems with our system reading your return.

Line Instructions — Lines 19—36

Homeowner Special Property Tax Refund—Lines 18—30

You may qualify for a special property tax refund. To determine if you qualify, complete lines 18 through 30, on the back of the return. For qualifications, see page 2 of these instructions.

The refund is 60 percent of the amount of tax paid that exceeds the 12 percent increase, up to \$1,000.

You may qualify for this special refund even if you do not qualify for the 2018 homeowner's refund.

If you are filing only for the special property tax refund, complete only lines 1-8, 11, 12, 15-17 and Schedule 1. You must provide the county, property ID, and property taxes payable on line 11.

Line 19 — New Improvements/Expired Exclusions

If you had new improvements or expired exclusions in the 2019 column of your property tax statement, complete Worksheet 3 on page 26 to determine line 19. You cannot use the increase in your property tax from the value of the new improvements and/or expired exclusions when computing the special refund.

The amount listed on your statement for new improvements/expired exclusions may include construction of a new building, an addition, or an improvement to an existing home.

Line 22

Enter line 2 (2018 column) of your Statement of Property Taxes Payable in 2019. If there is no amount on line 2, use line 5 (2018 column) of the statement.

If the entries for the prior year column are missing, the prior year property information is not comparable to the current year information. Contact your county and ask for a recalculation of the property taxes for the prior year based on the current year's classification or configuration. Include an explanation for the prior year calculation.

The amount entered on line 22 must be greater than zero.

Line 23

Enter the special refund amount from **line 12** of your **2017** return. If we changed the amount, use the corrected amount. Leave line 23 blank if you did not receive a special refund on your 2017 return.

Special Situations

If you rented out part of your home or used it for business, complete **Worksheet 2 on page 26**. Compare the percentages you used for

2017 and 2018, and follow these instructions to determine amounts to enter on Schedule 1:

- **If you used the same percentage for both years:**

Line 18: Enter step 3 of Worksheet 2.

Line 22: Enter step 3 of Worksheet 2 of the 2017 Form M1PR instructions.

- **If in 2018 you used a higher percentage for your home than you did in 2017:**

Line 18: Multiply line 1 of your 2019 Statement of Property Taxes Payable by the percentage used as your home in 2017 (from step 2 of Worksheet 2 of the 2017 Form M1PR instructions).

Line 22: Enter step 3 of Worksheet 2 of the 2017 Form M1PR instructions.

- **If in 2018 you used a lower percentage for your home than you did in 2017:**

Line 18: Enter step 3 of Worksheet 2.

Line 22: Multiply line 2 of your 2019 Statement of Property Taxes Payable by the percentage used for your home in 2018 (from step 2 of Worksheet 2).

Line 23: Multiply line 12 of your 2017 return by the proportion your 2018 percentage used for your home is to the 2017 percentage used for your home.

If you were not certified, you may still qualify as disabled if, during 2018, you were unable to work for at least 12 consecutive months because of a disability, or you are blind. You are considered to be blind if you cannot see better than 20/200 in your better eye with corrective lenses or your field of vision is not more than 20 degrees.

This subtraction does not apply to dependents. Do not enter more than \$4,150. The subtraction amount is the same even if both you and your spouse are over 65 or disabled. Check the appropriate box under line 31.

3	16,185
4	20,750
5 or more	24,900

Enter your dependents' names and tax identification numbers on the line under line 32.

- * If more than one person may claim the dependent, follow the federal tie-breaker rules to decide whom may claim the dependent subtraction. See the federal Form 1040 instructions for details.

Line 33 — Retirement Account Subtraction

Enter your contributions to a qualified retirement account (such as a 401(k), 403(b), IRA, Roth IRA, or 457). Do not enter more than \$5,500 (\$11,000 if filing a joint return).

Line 34 — M1M Subtraction and Co-occupant Income

If you had an amount on line 40 of your Schedule M1M, include that amount on line 34.

Direct Deposit

Line 36 — To Request Direct Deposit of Your Refund

Direct deposit is the safest and easiest way to get your tax refund.

Other Property Tax Programs

Senior Citizens' Property Tax Deferral Program

What is it?

The Senior Citizens' Property Tax Deferral Program may allow you to defer a portion of your homestead property taxes, as well as special assessments.

If you are eligible and wish to participate in the program, you will need to pay no more than 3 percent of your household income (as stated on line 6 of the return) toward your property taxes on your homestead each year. The state will loan you the remaining amount—the deferred tax—and will pay it directly to your county.

You must pay the deferred tax plus interest back to the state. If you are due a property tax refund or state income tax refund, we will apply it to your deferred property tax total and notify you when this happens.

If you participate, we will place a tax lien on your property. You, or your heirs, will need to repay the deferred amount before you can transfer title of the property.

Eligibility Requirements

To participate in the program, you must meet **all** of the following requirements:

- You must be at least 65 or older. If you're married, one spouse must be at least age 65 and the other spouse at least 62.
- Your total household income may not exceed \$60,000.
- You, or your spouse if you are married, must have owned and occupied your homestead for the last 15 years. The homestead can be classified as residential or agricultural, or it may be part of a multi-unit building.
- There must be no state or federal tax liens or judgment liens on your property.
- The total unpaid balance of debts secured by mortgages and other liens against your property cannot exceed 75 percent of your homestead's estimated market value.

If you qualify and wish to participate, you must apply by July 1 to defer a portion of the following year's property tax.

Applications are available at www.revenue.state.mn.us or your county auditor's office.

For questions related only to this program, call 651-556-4803.

Special Homestead Classification for certain persons who are blind or disabled

What is it?

The Special Homestead Classification (class 1b) provides a reduced property tax classification rate on the first \$50,000 of market value of a qualifying person's homestead.

Eligibility Requirements

To receive the special classification on the qualifying person's homestead, you must apply to your county assessor by October 1 for taxes payable the next year.

For this property tax classification, a qualifying individual is generally someone who is blind or permanently and totally disabled:

Blind: A person is considered blind if an eye doctor has determined their visual acuity does not exceed 20/200 or their field of vision is not more than 20 degrees.

Disabled: A person is considered permanently and totally disabled for purposes of this classification if they have a condition that is considered permanent in nature and totally prevents them from working. They must also receive payments from a qualifying agency because of their disability.

For more information:

- Go to www.revenue.state.mn.us and type **Class 1b** in the Search box, or
- Contact your county assessor.
