

### Worksheet III – Qualified Capital Gain Exclusion

If you sold a capital asset before January 1, 1987, and are using the installment sale method to report the capital gain, you may be eligible for a 40% capital gain exclusion. If the amount on line 16 of federal Schedule D is a loss, you are not allowed a capital gains exclusion. If the amount on line 16 of Schedule D is a gain, complete Worksheet III to determine the amount of your capital gain exclusion. See the instructions on page 22 for more information.
