What's **NEW** for 2020?

General changes for 2020

- **Decoupling from certain federal provisions**

For tax years beginning before January 1, 2022, the 2020-2021 New York State budget (Part WWW of Chapter 58 of the Laws of 2020) decoupled personal income tax from any amendments made to the Internal Revenue Code (IRC) after March 1, 2020. This includes changes made by the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act and any other federal changes to the IRC. Therefore, any amendments made to the IRC after March 1, 2020, will not apply to New York State or New York City personal income tax. See Form IT-558, *New York State Adjustments due to Decoupling from the IRC*, and its instructions.

- **START-UP NY program applications**

The application deadline for businesses that want to participate in the START-UP NY program has been extended to December 31, 2025. For more information on this program, visit the Empire State Development website at www.esd.ny.gov and see TSB-M-13(7)C, (6)I, (11)M, (1)MCTMT, (7)S, *SUNY Tax-Free Areas to Revitalize and Transform Upstate New York Program*.

- **New York City resident tax rates**

The New York City resident tax rates and the 14% additional tax have been extended and now apply to tax years beginning before 2024.

- **Tax Department authorized to provide unclaimed tax benefits**

Effective April 3, 2020,

- the Tax Department is authorized to compute and issue a New York State and New York City earned income credit when it discovers a taxpayer is eligible for such a credit and did not claim the credit on his or her personal income tax return; and
- if an individual taxpayer has elected to claim a New York itemized deduction, but the Tax Department determines that the New York standard deduction is greater than the allowable itemized deduction, the Tax Department will recompute the taxpayer's tax liability using the standard deduction. Taxpayers will be notified if an adjustment is made to their election.

- **New York call center jobs act**

As of June 30, 2020, an employer intending to relocate a call center or 30% or more of their call center employees from New York to a foreign country **must** notify the New York State Department of Labor (DOL) at least 90 days prior to the move. The Commissioner of DOL will annually compile a list of call center employers that have relocated and post the list on DOL's public website and provide a copy of the list to the Commissioner of Taxation and Finance.

A call center employer that appears on the annual list will have several tax credits denied by the Commissioner of Taxation and Finance for the five tax years, excluding short tax years, immediately succeeding the tax year the call center employer appears on the annual list, provided the agreement for the tax credit was entered into after June 30, 2020.

- **Warrantless state tax debt collection methods**

The warrantless state tax debt collection methods under Tax Law §§ 174-c and 1701 have been extended through March 31, 2025.

Tax Law § 174-c allows the Commissioner of Taxation and Finance (Commissioner) to serve income executions (wage garnishments) on individual tax debtors and, if necessary, on employers of tax debtors, for collection of fixed and final tax debts without filing a public warrant.

Tax Law § 1701 allows the Commissioner to use the financial institution data match system for collection of fixed and final tax debt, regardless of whether a warrant has been filed.

Changes to existing credits

- **Rehabilitation of historic properties credit**

For tax years beginning on or after January 1, 2020, the credit has been expanded to include a qualified rehabilitation project undertaken within a state park, state historic site, or other land owned by the state, that is under the jurisdiction of the Office of Parks, Recreation and Historic Preservation. See Form IT-238, *Claim for Rehabilitation of Historic Properties Credit*, and its instructions.

- **Hire a veteran credit**

This credit has been extended through December 31, 2021. See Form IT-643, *Hire a Veteran Credit*, and its instructions.

- **Long-term care insurance credit**

For tax years beginning on or after January 1, 2020, the credit has been amended to allow a taxpayer (including nonresident and part-year resident taxpayers) to claim the credit only if the taxpayer's New York adjusted gross income is less than \$250,000. The amendment also provides that the credit amount cannot exceed \$1,500. See Form IT-249, *Claim for Long-Term Care Insurance Credit*, and its instructions.

- **Empire State film production and Empire State film post-production tax credits**

Several amendments were made to these credits. See Form IT-248, *Empire State Film Production Credit*, Form IT-261, *Empire State Film Post-Production Credit*, and their instructions.

- **Excelsior jobs program tax credit**

This credit has been extended through tax year 2039. In addition, enhancements have been made to the program to add tax credits for *green projects* aimed at reducing greenhouse gas emissions and supporting the use of clean energy. For more information on this credit, visit the Empire State Development website at www.esd.ny.gov.

What's  NEW for 2020? (continued)**New credits****• Employer-provided childcare credit**

Beginning with tax year 2020, there is a credit available to taxpayers who are allowed the federal employer-provided childcare credit under IRC § 45F. See Form IT-652, *Employer-Provided Childcare Credit*, and its instructions.

• Recovery tax credit

Beginning with tax year 2020, there is a credit available to businesses hiring eligible individuals in recovery from a substance use disorder for part-time and full-time positions in New York State. See Form IT-651, *Recovery Tax Credit*, and its instructions.

E-file information

E-file your return

Using software?

You must e-file if your software allows you to e-file your return, or if you are a tax preparer who is subject to the e-file mandate. E-file is easy, safe, and allows you to get your refund faster. Most New York taxpayers e-file.

Make a payment

Pay a balance due by authorizing the Tax Department to withdraw the payment from your bank account. Authorize the

payment when you e-file your return or make a return payment after you file your return using our Online Services. You may also pay with a credit card, or submit a check or money order with Form IT-201-V, *Payment Voucher for Income Tax Returns*.

Visit our website at www.tax.ny.gov for more information.

What is identity theft?

Identity theft is the unauthorized use of personal information such as:

- Social Security number
- credit card number

Identity thieves can file forged tax returns to collect fraudulent refunds.

Victims may not be aware their identities have been stolen.

Protect yourself from identity theft

Help us help you protect your identity by only writing the last four digits of your Social Security number on any check or money order you send to the Tax Department. To allow us to properly process your return and payment vouchers, you must still include your complete Social Security number on those forms.

For more information, or if you think you have been a victim of identity theft that is affecting your tax records, see our website.

File a valid return

Forms that have a year under the New York State map can only be used for that tax year.

Important reminder to file a complete return

You must complete all required schedules and forms that make up your return, and include all pages of those forms and schedules when you file. Submit **only** those forms and schedules that apply to your return, and be sure that you have made all required entries. Returns that are missing required pages or that have pages with missing entries are considered incomplete and cannot be processed, and may subject taxpayers to penalty and interest.

Entering whole dollar amounts

When entering amounts on your return, including on any credit forms, schedules, or other forms submitted with your New York return, enter **whole dollar amounts only** (zeros have been preprinted).

Use the following rounding rules when entering your amounts; drop amounts below 50 cents and increase amounts from 50 to 99 cents to the next dollar. For example, \$1.39 becomes \$1 and \$2.50 becomes \$3.

Common words and phrases

To save space and enhance clarity, these instructions may use common abbreviations, including:

EIC =	earned income credit
federal AGI =	federal adjusted gross income
IRC =	Internal Revenue Code
IRS =	Internal Revenue Service
MCTMT =	Metropolitan Commuter Transportation Mobility Tax
New York AGI =	New York adjusted gross income
NYS =	New York State
NYC =	New York City

If you show a loss, place a minus sign **immediately to the left** of the loss amount. Do not use [] brackets or parentheses.

Mark an **X** to fill in boxes as appropriate. Do not use a check mark. Keep your Xs and numerals inside the boxes.

Do not write in dollar signs or commas when making entries.

By phone - From any of the five boroughs in New York City, call 311. From outside New York City, call **212-639-9675**.

New York State full-year residents: Who must file?

You must file a New York State resident return if you meet any of the following conditions:

- You have to file a federal return.
- You did not have to file a federal return but your recomputed federal AGI for 2020 plus New York additions (see page 17) was more than \$4,000 (\$3,100 if you are single and can be claimed as a dependent on another taxpayer's federal return).
- You want to claim a refund of any New York State, New York City, or Yonkers income taxes withheld from your pay.
- You want to claim any of the refundable or carryover credits in the credit charts on pages 8 through 12.

 Do not file Form IT-201 if you were a New York State resident for only part of the year. If you moved into New York State on any day other than January 1, or moved out of New York State on any day other than December 31, see *New York nonresidents and part-year residents*.

Additional notes to all filers:

- Do you have to **submit other forms**? If you need to pay other taxes, see *Other forms you may have to file*.
- To claim tax credits, see the credit charts on pages 8 through 12.

- Does your child have **investment income** over \$2,200? It would be to your advantage to file a New York return for your child to report your child's investment income, since there will be no New York tax on the first \$3,100 of that income. When you file your federal return, report your child's investment income on federal Form 8615 (instead of federal Form 8814). If you file Form 8814, the amount of your child's investment income over \$2,200 that was included in your federal gross income will be reported on your New York return and taxed at your rate.
- Did you file federal Form 1040-SR, *U.S. Tax Return for Seniors*? If you filed federal Form 1040 and its related schedules in Form IT-201, its instructions, and any forms submitted with Form IT-201 and their related instructions, should be read as a reference to federal Form 1040-SR.

New York nonresidents and part-year residents:

If you were a nonresident or a part-year resident of New York State and you received income from New York sources in 2020, you must file Form IT-203, *Nonresident and Part-Year Resident Income Tax Return*.

Separate returns are required for some married taxpayers who file a joint federal return. If one of you was a New York State resident and the other was a nonresident or part-year resident, you must each file a separate New York return. The resident must use Form IT-201. The nonresident or part-year resident, if required to file a New York State return, must use Form IT-203. However, if you both choose to file a joint New York State return, use Form IT-201.

Filing information for same-sex married couples

Same-sex married couples have the same state tax benefits and requirements as different-sex married couples filing and paying New York State personal income tax. In addition, as a result of the Supreme Court's decision *United States v. Windsor*, and IRS Revenue Ruling 2013-17, for federal tax purposes the IRS will recognize a marriage between a same-sex couple that is a legal marriage under the laws of the jurisdiction (either domestic or foreign) where the marriage was performed. Therefore, you must determine your filing status using the general married filing status rules (see *Item A* on page 14).

The term *spouse* should be read as gender-neutral and includes a person in a marriage with a same-sex spouse. The term *marriage* includes a marriage between same-sex spouses.

- Mailing address: PO box or street address, city, state, and ZIP code where you wish to receive your mail (refund and correspondence).

Foreign addresses

Enter the information in the following order: city, abbreviation for the province or state, postal code (follow the country's practice), and country. **Do not abbreviate the country name.**

Taxpayer's permanent home address

If your mailing address is different from your permanent home address (for instance, you use a PO box), enter your permanent home address. Your permanent home address is the address of the dwelling place in New York State where you actually live, whether you or your spouse own or rent it.

- If you use a paid preparer and you use the preparer's address as your mailing address, enter the address of your permanent home in the space provided.
- If you are a permanent resident of a nursing home, enter the nursing home address.
- If you are in the armed forces and your permanent home was in New York State when you entered the military, enter your New York permanent home address regardless of where you are stationed.
- If you are married and maintain separate New York State residences and are filing separate New York State returns, enter as your permanent home address the address of your own residence.
- If you moved after December 31, 2020, enter your permanent home address as of December 31, 2020, **not** your current home address. Enter your new home address in the mailing address area if you want your refund and other correspondence sent there.

Dates of birth and Social Security numbers

Enter your date(s) of birth and **entire** Social Security number(s) in the same order as your names.

New York State county of residence

Enter the county in New York State where you lived on December 31, 2020. If you live in New York City, use one of the following county names:

If you live in	use county
Bronx	Bronx
Brooklyn	Kings

Queens	Queens
Staten Island	Richmond

School district name and code

Enter the correct code number and the name of your school district. This is the district where you were a resident on December 31, 2020. School districts and code numbers are on pages 45 through 48. If you do not know the name of your school district, contact your nearest public school.

You must enter your school district name and code number even if you were absent from the school district temporarily, if the school your children attended was not in your school district, or if you had no children attending school. **Incorrect district names and code numbers may affect school aid.**

Decedent information

If the taxpayer whose name is listed **first** on the return died after December 31, 2019, and before you filed your return, enter the date of death in the box labeled *Taxpayer's date of death*, in month, day, and year (4-digit) order. If the taxpayer whose name is listed **second** died after December 31, 2019, and before you filed your return, enter the date of death in the box labeled *Spouse's date of death*. See *Deceased taxpayers* on page 43.

In addition, you must make the appropriate entry at item G if you qualify for a 90-day extension of time to file your return because your spouse died within 30 days before the due date of your return (see page 15).

Step 2 – Select your filing status and complete items B through H**Item A**

In nearly all cases you must use the same filing status that you used on your federal return. If you did not have to file a federal return, use the filing status you would have used if you had filed.

The only exceptions to this rule apply to married individuals who file a joint federal return and:

- 1) one spouse is a New York State resident and the other is a nonresident or part-year resident. In this case, you must either: (a) file separate New York returns using filing status ③; or (b) file jointly, as if you both were New York State residents, using filing status ②.
- 2) you are unable to file a joint New York return because the address or whereabouts of your spouse is unknown, you can demonstrate that reasonable efforts have been made to locate your spouse, and good cause exists for the failure to file a joint

New York return. In this case, you may file a separate New York return using filing status ③.

- 3) your spouse refuses to sign a joint New York return, reasonable efforts have been made to have your spouse sign a joint return, there exists objective evidence of alienation from your spouse such as judicial order of protection, legal separation under a decree of divorce or separate maintenance, or living apart for the twelve months immediately preceding application to file a separate return or commencement of an action for divorce or commencement of certain family court proceedings, and good cause exists for the failure to file a joint New York return. In this case, you may file a separate New York return using filing status ③.

Item B

If you itemized your deductions on your 2020 **federal** income tax return, mark an **X** in the **Yes** box. If you claimed the standard deduction on your **federal** return, mark an **X** in the **No** box.

Item C

If you can be claimed as a dependent on another taxpayer's federal return, you must mark an **X** in the **Yes** box. You must mark the **Yes** box even if the other taxpayer did not claim you as a dependent. For example, if another taxpayer was entitled to claim you as a dependent on his or her federal return, but chose not to so that you can claim the federal education credit, you must mark the **Yes** box.

Item D1

If you marked **Yes** on federal Schedule B, then mark an **X** in the **Yes** box.

Item D2

Federal Public Law (P.L. 110-343) added section 457A to the Internal Revenue Code (IRC) to address the taxation of certain nonqualified deferred compensation.

If you were required to report any nonqualified deferred compensation, as required by IRC § 457A, on your 2020 federal tax return, or if any such amounts flowed through to you from a pass-through entity (for example, a partnership or S corporation), mark an **X** in the **Yes** box; otherwise, mark an **X** in the **No** box.

Item E

Leave item E blank if you are a full-year New York City resident. If you, or your spouse if married filing jointly, maintained or had use of an apartment or living quarters in New York City during any part of 2020 (whether or not you personally used those living quarters for any part of the year), you must mark an **X** in the **Yes** box on line E(1) and enter the number of days you were in New York City, even if on personal business, on line E(2). (**Married filing jointly?** If both spouses spent days in New York City, enter the higher number of days on line E(2).) Do not count days traveled through New York City to use a common carrier such as an airplane, train, or bus.

Living quarters include a house, apartment, co-op, or any other dwelling that is suitable for year-round use, that **you or your spouse maintain or pay for**, or that is **maintained for your primary use** by another person, family member, or employer. For example, if a company were to lease an apartment for the use of the company's president or chief executive officer, and the dwelling was principally available to that individual, the individual would be considered as maintaining living quarters in New York even though others might use the apartment on an occasional basis.

Note: If you marked the **Yes** box on line E(1) and you spent 184 days or more (any part of a day is a day for this purpose) in New York City, you may be considered a resident for New York City income tax purposes. The determination of residency is based on the facts and circumstances of your own situation. See the definitions of *Resident*, *Nonresident*, and *Part-year resident* in these instructions. If you meet the definition, complete the New York City resident taxes and credits lines (47 through 53, 64, and 69 through 70) on Form IT-201. See the instructions on pages 23 through 25, and 28 through 31.

Item F**NYC residents and NYC part-year residents only:**

Enter in the applicable box the number of months you and your spouse (if filing a joint return) lived in New York City during 2020. We need this information to verify your New York City school tax credit.

All other taxpayers should leave the boxes at item F blank.

Step 3 – Enter your federal income and adjustments

Lines 1 through 19 – Federal income tax return information

The computation of your New York State (and New York City and Yonkers) income tax is based on information you reported on your federal income tax return, including your income and federal adjustments to income. If you did not file a federal return, you must report the same income and adjustments that you would have reported for federal income tax purposes if you had filed a federal return.

Be sure to enter your total other income on **line 16** and your total federal adjustments to income on **line 18**. Write each type of income and each adjustment and its amount in the *Identify* areas on lines 16 and 18. If you need more room, submit a list showing each type of income and each adjustment and its amount.

Were you required to report any adjustments on Form IT-558?

If **No**, enter the line 19 amount on line 19a.

If **Yes**, complete the worksheet below.

 Do not leave line 19a blank.

Line 19a worksheet

1	Federal adjusted gross income as reported (<i>Form IT-201, line 19</i>) ..	1	_____
2	Total addition adjustments (<i>Form IT-558, line 9</i>)	2	_____
3	Add lines 1 and 2	3	_____
4	Total subtraction adjustments (<i>Form IT-558, line 18</i>)	4	_____
5	Recomputed federal adjusted gross income. Subtract lines 4 from 3. Enter here and on <i>Form IT-201, line 19a</i>	5	_____

Step 4 – Calculate your New York additions and subtractions

Overview

The computation of your New York State income tax is based on your New York AGI, which is your recomputed federal AGI after certain New York modifications (New York additions and New York subtractions).

New York State taxes certain items of income not taxed by the federal government. You must add these **New York additions** to your recomputed federal AGI.

Similarly, New York State does not tax certain items of income taxed by the federal government. You must subtract these **New York subtractions** from recomputed federal AGI. See below and Form IT-225, *New York State Modifications*, and its instructions.

Partners and S corporation shareholders

If you have income from a partnership or S corporation, include any New York adjustments that apply to that income. This information should be provided to you by the entity. For important information regarding these modifications, see the instructions for Form IT-225.

If you have either of the addition or subtraction modifications in the chart below relating to your partnership or S corporation income, include the amount on the applicable line of Form IT-201.

Modification code	Description	Line number
EA-113	Interest income on state and local bonds and obligations	20
ES-125	Interest income on U.S. government bonds	28

For all other additions and subtractions relating to your partnership and S corporation income, complete Form IT-225.

Beneficiaries (estates and trusts)

If you have income from an estate or trust, any New York adjustments that apply to that income, as well as any additions to or subtractions from federal itemized deductions, will be shown in your share of a single fiduciary adjustment. If the adjustment is a net addition, complete Form IT-225 and enter the amount and addition modification number **EA-901** on line 5 of Form IT-225. If the adjustment is a net subtraction, complete Form IT-225 and enter the amount and subtraction modification number **ES-901** on line 14 of Form IT-225. Complete Form IT-225 and transfer the amounts to Form IT-201 as instructed on that form.

If you filed federal Form 4970, *Tax on Accumulation Distribution of Trusts*, the income you reported on line 1 of Form 4970 is not included on line 11 of Form IT-201 because the IRC considers the distribution part of federal gross income. You must therefore include on line 5 of your Form IT-225 the amount of **income you reported on Form 4970, line 1, less any interest income on state and local bonds and obligations of New York State and its local governments** (that was included on Form 4970, line 5). See addition modification number A-114 in the instructions for Form IT-225.

New York additions

Line 20 – Interest income on state and local bonds and obligations

Do you have interest income from state and local bonds and obligations from states other than New York State or its local governments? If **No**, go to line 21.

If **Yes**, enter any such interest income that you received or that was credited to you during 2020 that was **not** included in your recomputed federal AGI. This includes interest income on state and local bonds, interest and dividend income from tax-exempt bond mutual funds, and tax-exempt money market funds that invest in obligations of states other than New York.

If you purchased a bond between interest dates, include the amount of interest you received during the year, less the seller's accrued interest (the amount accrued from the interest date preceding your purchase to the date you purchased the bond). If you sold a bond between interest dates, include the amount of interest you received during the year plus the accrued interest amount (the amount accrued from the interest date preceding the date you sold the bond to the date you sold the bond). You should have received this information when you purchased or sold the bond.

 For purposes of this addition, bond premium amortization is not allowed as a direct offset to interest income, but rather must be reported as a subtraction modification on Form IT-225 (if the bond premium is attributable to a trade or business) **or** as an itemized deduction addition adjustment on Form IT-196, line 44 (if the bond premium is **not** attributable to a trade or business, but **only** if you itemize).

Line 21 – Public employees 414(h) retirement contributions

Are you a public employee of NYS or its local governments? If **No**, go to line 22.

If **Yes**, enter the amount of 414(h) retirement contributions, if any, shown on your wage and tax statement(s), federal Form W-2, if you are:

- a member of the NYS and Local Retirement Systems, which include the NYS Employees' Retirement System and the NYS Police and Fire Retirement System; **or**
- a member of the NYS Teachers' Retirement System; **or**
- an employee of the State or City University of New York who belongs to the Optional Retirement Program; **or**
- a member of the NYC Employees' Retirement System, the NYC Teachers' Retirement System, the NYC Board of Education Retirement System, the NYC Police Pension Fund or the NYC Fire Department Pension Fund; **or**
- a member of the Manhattan and Bronx Surface Transit Operating Authority (MABSTOA) Pension Plan.

Do not enter contributions to a section 401(k) deferred arrangement, section 403(b) annuity or section 457 deferred compensation plan.

Line 22 – New York's 529 college savings program distributions

Did you make a withdrawal (other than a withdrawal to pay the higher education expenses of the designated beneficiary) during 2020 from an account established under **New York's 529 college savings program**?

If **No**, go to line 23.

If **Yes**, the withdrawal is a nonqualified withdrawal and you must complete the worksheet below.

A withdrawal is nonqualified if any of the following apply:

1. The withdrawal is actually disbursed in cash or in-kind from the college savings program and the funds are not used for the higher education of the designated beneficiary (even if the amount withdrawn is reinvested in New York's college savings program within the IRC 60-day rollover period).

For purposes of the above, higher education generally means public or private, non-profit or proprietary post-secondary educational institutions, in or outside New York State.

Therefore, any withdrawal from a **New York** 529 college savings program used to pay tuition in connection with enrollment or attendance at elementary or secondary public, private, or religious schools, is a nonqualified withdrawal.

2. If on or after January 1, 2003, the funds are transferred from New York's 529 college savings program to another state's program (whether for the same beneficiary or for the benefit of another family member).

However, nonqualified withdrawals do not include any withdrawals made in 2020 as a result of the death or disability of the designated beneficiary, regardless of how the funds are used. If you have participated in a **New York** 529 college savings program, a rollover of some or all its assets, either contributions or earnings, to a Qualified ABLE program is not considered a nonqualified withdrawal and requires no addition to your recomputed federal AGI in computing New York AGI.

3. The withdrawal is used to pay the principal or interest on any qualified education loan [as defined in IRC section 221(d)] of the designated beneficiary or a sibling of the designated beneficiary.
4. The withdrawal is used to pay expenses for fees, books, supplies, and equipment required for the participation of a designated beneficiary in an apprenticeship program.

Note: Transfers between accounts of family members not disbursed in cash or in-kind within New York's program are not considered distributions and therefore not required to be added back as nonqualified withdrawals.

Note: Before completing the worksheet below, you must first compute your Form IT-201, line 30, subtraction for **New York's** 529 college savings program for 2020.

Worksheet

1	Total current and prior years' nonqualified withdrawals from your account(s).....	1	_____
2	Total current and prior years' contributions to your account(s).....	2	_____
3	Total current year's subtraction modification (from line 1 of Worksheet for line 30) and prior years' subtraction modifications*	3	_____
4	Subtract line 3 from line 2.....	4	_____
5	Total prior years' addition modifications*	5	_____
6	Add lines 4 and 5.....	6	_____
7	Subtract line 6 from line 1. This is your current year addition modification. Enter this amount on Form IT-201, line 22	7	_____

If line 7 is **0** (zero) or less, there is no entry required on Form IT-201, line 22.

* Be sure to include all prior years' addition and subtraction modifications.

Keep this worksheet with your copy of your tax return.

Line 23 – Other additions

Use this line to report other additions that are not specifically listed on Form IT-201.

Enter on line 23 the amount from Form IT-225, line 9. Submit Form IT-225 with your return.

New York subtractions

Line 26 – Pensions of New York State and local governments and the federal government

Did you receive a pension or other distribution from a NYS or local government pension plan or federal government pension plan? If **No**, go to line 27.

If **Yes**, and the pension or distribution amount was included in your recomputed federal AGI, enter any pension you received, or distributions made to you from a pension plan which represents a return of contributions in a year prior to retirement, as an officer, employee, or beneficiary of an officer or employee of:

- NYS, including State and City University of New York and NYS Education Department employees who belong to the Optional Retirement Program.
Optional Retirement Program members may only subtract that portion attributable to employment with the State or City University of New York or the NYS Education Department.
- Certain public authorities, including:
 - Metropolitan Transit Authority (MTA) Police 20-Year Retirement Program;
 - Manhattan and Bronx Surface Transit Operating Authority (MABSTOA); and
 - Long Island Railroad Company.
- Local governments within the state (for more details, see Publication 36, *General Information for Senior Citizens and Retired Persons*).
- The United States, its territories, possessions (or political subdivisions thereof), or any agency or instrumentality of the United States (including the military), or the District of Columbia.

Also include distributions received from a New York State or local pension plan or from a federal government pension plan as a **nonemployee spouse** in accordance with a court-issued qualified domestic relations order (QDRO) that meets the criteria of IRC section 414(p)(1)(A) or in accordance with a domestic relations order (DRO) issued by a New York court. For additional information, see Publication 36.

You may **not** subtract (1) pension payments or return of contributions that were attributable to your employment by an employer other than a New York public employer, such as a private university, and any portion attributable to contributions you made to a supplemental annuity plan which was funded through a salary reduction program, or (2) periodic distributions from government (IRC section 457) deferred compensation plans. However, these payments and distributions may qualify for the pension and annuity income exclusion described in the instructions for line 29.

Line 28 – Interest income on U.S. government bonds

Did you include interest income from U.S. government bonds or other U.S. government obligations on lines 2, 6, or 11? If **No**, go to line 29.

If **Yes**, enter the amount of interest income earned from bonds or other obligations of the U.S. government.

Dividends you received from a regulated investment company (mutual fund) that invests in obligations of the U.S. government and meet the 50% asset requirement each quarter qualify for this subtraction. The portion of such dividends that may be subtracted is based upon the portion of taxable income received by the mutual fund that is derived from federal obligations.

Contact the mutual fund for further information on meeting the 50% asset requirement and computing your allowable subtraction (if any).

If you include an amount on line 28 from more than one line on Form IT-201, submit a schedule showing the breakdown from each line.

Do not list the same interest more than once on lines 28 and 31; see the instructions for Form IT-225, subtraction modification numbers S-121 and S-123.

Line 29 – Pension and annuity income exclusion

Did you enter an amount on line 9 or 10 that was not from a NYS or local government pension plan or federal government pension plan? If **No**, go to line 30.

If **Yes**, and you were 59½ before January 1, 2020, enter the qualifying pension and annuity income included in your 2020 recomputed federal AGI, **but not more than \$20,000**. If you became 59½ during 2020, enter only the amount received after you became 59½, **but not more than \$20,000**. If you received pension and annuity income and are married, or received pension and annuity income as a beneficiary, see below.

\$20,000 limit – You may **not** take a pension and annuity income exclusion that exceeds \$20,000, regardless of the source(s) of the income.

Qualifying pension and annuity income includes:

- periodic payments for services you performed as an employee before you retired;
- periodic and lump-sum payments from an IRA, but **not** payments derived from contributions made after you retired;
- periodic distributions from government (IRC section 457) deferred compensation plans;
- periodic distributions from an annuity contract (IRC section 403(b)) purchased by an employer for an employee and the employer is a corporation, community chest, fund, foundation, or public school;
- periodic payments from an HR-10 (Keogh) plan, but **not** payments derived from contributions made after you retired;
- lump-sum payments from an HR-10 (Keogh) plan, but only if federal Form 4972 is not used. Do **not** include that part of your payment that was derived from contributions made after you retired;
- periodic distributions of benefits from a cafeteria plan (IRC section 125) or a qualified cash or deferred profit-sharing or stock bonus plan (IRC section 401(k)), but not distributions derived from contributions made after you retired.

Qualifying pension and annuity income does not include:

- Distributions received as a **nonemployee spouse** in accordance with a court-issued qualified domestic relations order (QDRO) that meets the criteria of IRC section 414(p)(1)(A) or in accordance with a domestic relations order (DRO) issued by a New York court. For additional information, see Publication 36.

- Distributions received as a result of an **annuity contract** purchased with your own funds from an insurance company or other financial institution. The payments are attributable to premium payments made by you, from your own funds, and are not attributable to personal services performed. For additional information, see Publication 36.

Married taxpayers

If you both qualify, you and your spouse can each subtract up to \$20,000 of your own pension and annuity income. However, you cannot claim any unused part of your spouse's exclusion.

Example: *Chris and Pat, both age 62, included total pension and annuity income of \$45,000 in their recomputed federal AGI on their joint federal tax return. Chris received qualifying pension and annuity payments totaling \$30,000 and Pat received qualifying payments totaling \$15,000. They are filing a joint New York State resident personal income tax return. Chris may claim the maximum pension and annuity income exclusion of \$20,000, and Pat may claim an exclusion of \$15,000, for a total pension and annuity income exclusion of \$35,000.*

Beneficiaries

If you received a decedent's pension and annuity income, you may make this subtraction if the decedent would have been entitled to it, had the decedent continued to live, regardless of your age. If the decedent would have become 59½ during 2020, enter only the amount received after the decedent would have become 59½, but not more than \$20,000.

In addition, the pension and annuity income exclusion of the decedent that you are eligible to claim as a beneficiary must first be reduced by the amount subtracted on the decedent's New York State personal income tax return, if any. The total pension and annuity income exclusion claimed by the decedent and the decedent's beneficiaries cannot exceed \$20,000.

If the decedent has more than one beneficiary, the decedent's \$20,000 pension and annuity income exclusion must be allocated among the beneficiaries. Each beneficiary's share of the \$20,000 exclusion is determined by multiplying \$20,000 by a fraction whose numerator is the value of the pensions and annuities inherited by the beneficiary, and whose denominator is the total value inherited by all beneficiaries of the decedent's pensions and annuities.

Example: *A taxpayer received pension and annuity income totaling \$6,000 as a beneficiary of a decedent who was 59½ before January 1, 2020. The decedent's total pension and annuity income was \$24,000, shared equally among four beneficiaries. Each beneficiary is entitled to one-quarter of the decedent's pension exclusion, or \$5,000 (\$20,000 divided by 4). The taxpayer also received a qualifying pension and annuity payment of \$14,000 in 2020. The taxpayer is entitled to claim a pension and annuity income exclusion of \$19,000 (\$14,000 attributable to the taxpayer's own pension and annuity payment, plus \$5,000 received as a beneficiary*).*

- * The total amount of the taxpayer's pension and annuity income exclusion that can be applied against the taxpayer's pension and annuity income received as a beneficiary is limited to the taxpayer's share of the decedent's pension and annuity income exclusion.

Disability income exclusion

If you are also claiming the disability income exclusion (Form IT-225, S-124), the total of your pension and annuity income exclusion and disability income exclusion cannot exceed \$20,000.

Line 30 – New York’s 529 college savings program deduction/earnings distributions

Account owner

During 2020, did you, as an account owner, make contributions to or a withdrawal from one or more tuition savings accounts established under **New York’s** 529 college savings program? If **No**, go to line 31.

If you, as an account owner, made contributions, enter the amount up to \$5,000 (\$10,000 for married taxpayers filing a joint return) on line 1 of the worksheet below.

If you, as an account owner, made a withdrawal and part of the withdrawal was included in your recomputed federal AGI, **then** enter that amount on line 2 of the worksheet below.

Worksheet

- 1 Amount of contributions you made in 2020 to an account established under **New York’s** 529 college savings program (cannot exceed \$5,000 for an individual, head of household, married taxpayers filing separately, or qualifying widow(er), or \$10,000 for married taxpayers filing a joint return)..... 1 _____
- 2 Amount of Qualified Tuition Program distribution included in your recomputed federal AGI 2 _____
- 3 Add lines 1 and 2. **Enter here and on Form IT-201, line 30** 3

Note: Keep this worksheet for future-year computations of the line 22 worksheet.

Beneficiary

During 2020, did you, as a beneficiary, receive a withdrawal from one or more tuition savings accounts established under **New York’s** 529 college savings program? If **No**, go to line 31.

If **Yes**, and part of the withdrawal was included in your recomputed federal AGI (and not included as an account owner on line 2 of the worksheet above), then enter that amount on line 30.

Line 31 – Other subtractions

Use this line to report other subtractions that are not specifically listed on Form IT-201.

Enter on line 31 the amount from Form IT-225, line 18. Submit Form IT-225 with your return.

Line 33 – New York adjusted gross income

 Do not leave line 33 blank.

Step 5 – Enter your New York standard or New York itemized deduction and dependent exemption amounts

Line 34 – Standard or itemized deduction

You may take either the New York standard deduction or the New York itemized deduction.

Follow these steps to determine which deduction to use:

1. Use the New York State **standard deduction table** below to find the standard deduction amount for your filing status.
2. Use Form IT-196, *New York Resident, Nonresident, and Part-Year Resident Itemized Deductions*, and its instructions to compute your New York itemized deduction. Compare the Form IT-196, line 49 amount to your New York standard deduction amount from the standard deduction table. For greater tax savings, enter the **larger** of these amounts on line 34 and mark an **X** in the appropriate box, **Standard** or **Itemized**.

Note: If you choose the itemized deduction, you must submit Form IT-196 with your return.

New York State standard deduction table	
Filing status <small>(see page 14)</small>	Standard deduction <small>(enter on line 34)</small>
① Single and you marked item C Yes	\$ 3,100
① Single and you marked item C No	8,000
② Married filing joint return	16,050
③ Married filing separate return	8,000
④ Head of household (with qualifying person)	11,200
⑤ Qualifying widow(er)	16,050

If you are married and filing separate returns (filing status ③), both of you must take the standard deduction unless both of you elect to itemize deductions on your New York returns.

Note: If you paid qualified college tuition expenses, your New York itemized deduction may be increased to an amount greater than your New York standard deduction. You should complete Form IT-196 to determine if your allowable New York itemized deduction is greater than your standard deduction.

Line 36 – Dependent exemptions

The value of each New York State **dependent** exemption is \$1,000.

Enter on line 36 the **number** of your dependents listed on Form IT-201, item H (and on *Form IT-201 - item H continued*, if needed).

Lines 37 and 38 – Taxable income

Subtract line 36 from line 35. The result is your taxable income. Enter this amount on both line 37 and line 38. If line 36 is more than line 35, leave line 37 and line 38 blank.

Step 6 – Compute your taxes

Line 39 – New York State tax

Is **line 33** (your New York AGI) \$107,650 or less?

If **Yes**, find your New York State tax using the *2020 New York State Tax Table* on pages 49 through 56, or if **line 38** is \$65,000 or more, use the *New York State tax rate schedule* on page 57. Enter the tax due on line 39.

If **No**, see *Tax computation – New York AGI of more than \$107,650*, beginning on page 58.

Line 40 – New York State household credit

If you marked the **Yes** box at item C on the front of Form IT-201, you do not qualify for this credit and should go to line 41. If you marked **No**, use the appropriate table (1, 2, or 3) and the notes on page 23 to determine the amount to enter on line 40.

- **Filing status ① only (Single)** – Use *New York State household credit table 1*.
- **Filing status ②, ④ and ⑤** – Use *New York State household credit table 2*.
- **Filing status ③ only (Married filing separate return)** – Use *New York State household credit table 3*.

Use these notes for New York State household credit tables 1 through 3

- Note 1** For most taxpayers, recomputed federal AGI is the amount from **Form IT-201, line 19a**. However, if on Form IT-201 you entered special condition code **A6** (for Build America Bond (BAB) interest), your recomputed federal AGI is the line 19a amount minus any BAB interest that was included in the line 19a amount.
- Note 2** This amount could be **0** or a negative amount.
- Note 3** For each individual over 7, add the amount in this column to the column 7 amount.
- Note 4** For most taxpayers, recomputed federal AGI is the amount from **Form IT-201, line 19a** (or Form IT-203, line 19a, *Federal amount* column). However, if on your NYS return(s) you or your spouse entered special condition code **A6** (for Build America Bond (BAB) interest), recomputed federal AGI is the line 19a amount minus any BAB interest that was included in the line 19a amount. If your spouse was not required to file an NYS return, use your spouse's federal AGI as reported on his or her federal return (minus any BAB interest included in that amount).
- Note 5** The credit amounts have been rounded (see page 5).

Line 41 – Resident credit

Did you have income from sources outside New York State and pay income tax to another state, a local government of another state, the District of Columbia, or to a province of Canada? If **No**, go to line 42.

If **Yes**, complete Form IT-112-R, *New York State Resident Credit*, and, if applicable, Form IT-112-C, *New York State Resident Credit for Taxes Paid to a Province of Canada*. Enter the total amount of resident credit on line 41 and submit either form or both forms with your return.

Line 42 – Other New York State nonrefundable credits

See the credit charts on pages 8 through 12 for a listing of nonrefundable credits. If you are claiming any nonrefundable credits, complete the appropriate credit forms and Form IT-201-ATT. Transfer the amount of nonrefundable credits to line 42. **You must submit the completed credit forms and Form IT-201-ATT with your return.**

Line 45 – Net other New York State taxes

If you are subject to any other taxes, complete the appropriate forms and Part 2 of Form IT-201-ATT. Transfer the total amount of net other New York State taxes to line 45. **You must submit the completed forms and Form IT-201-ATT with your return.**

Use these notes for New York City household credit tables 4 through 6

(These notes are identical to the notes listed on the top of page 23. They are repeated here for the convenience of taxpayers claiming the NYC household credit.)

- Note 1** For most taxpayers, recomputed federal AGI is the amount from **Form IT-201, line 19a**. However, if on Form IT-201 you entered special condition code **A6** (for Build America Bond (BAB) interest), your recomputed federal AGI is the line 19a amount minus any BAB interest that was included in the line 19a amount.
- Note 2** This amount could be **0** or a negative amount.
- Note 3** For each individual over 7, add the amount in this column to the column 7 amount.
- Note 4** For most taxpayers, recomputed federal AGI is the amount from **Form IT-201, line 19a** (or Form IT-203, line 19a, *Federal amount* column). However, if on your NYS return(s) you or your spouse entered special condition code **A6** (for Build America Bond (BAB) interest), recomputed federal AGI is the line 19a amount minus any BAB interest that was included in the line 19a amount. If your spouse was not required to file an NYS return, use your spouse's federal AGI as reported on his or her federal return (minus any BAB interest included in that amount).
- Note 5** The credit amounts have been rounded (see page 5).

Line 50 – Part-year New York City resident tax

If you were a New York City resident for only part of 2020, complete Form IT-360.1, *Change of City Resident Status*. Enter the tax amount on line 50 and submit Form IT-360.1 with your return. For more information see Form IT-360.1-I, *Instructions for Form IT-360.1*.

Line 51 – Other New York City taxes

Enter the total amount of other New York City taxes from Form IT-201-ATT, Part 3, line 34.

 If you are married and filing a joint New York State return and only one of you was a resident of New York City for all of 2020, compute on a separate sheet of paper the NYC resident

tax on the New York State taxable income of the city resident as if you had filed separate federal returns reduced by the NYC household credit (if applicable). The spouse that was a part-year NYC resident in 2020 should compute his or her part-year NYC resident tax on Form IT-360.1. Transfer the combined tax amounts of both spouses from your separate sheet and your spouse's Form IT-360.1 to line 51. Be sure to write the name and Social Security number of the city resident and **Taxable income of New York City resident** on that paper. Submit it with your return.

If one spouse was a resident of New York City and the other a nonresident for all of 2020, compute on a separate sheet of paper the NYC resident tax on the New York State taxable income of the city resident as if you had filed separate federal

returns reduced by the NYC household credit (if applicable). Transfer the amount from your separate sheet to line 51. Be sure to write the name and Social Security number of the city resident and **Taxable income of New York City resident** on that paper. Submit it with your return.

If you are self-employed and carry on a trade, business, or profession in New York City, you may also be required to file New York City's Form NYC-202, *Unincorporated Business Tax Return for Individuals and Single-Member LLCs*, or Form NYC-202S, *Unincorporated Business Tax Return for Individuals*. Since New York State does not administer the NYC unincorporated business tax, do not file your Form NYC-202 or NYC-202S with your state return.

Line 53 – New York City nonrefundable credits

Can you claim the NYC unincorporated business tax (UBT) credit, the New York City accumulation distribution credit, or the part-year resident nonrefundable NYC child and dependent care credit? (See the charts on pages 8 through 12.) If **No**, go to line 54.

If **Yes**, complete *Section C* of Form IT-201-ATT and enter the amount from Form IT-201-ATT, **line 10**, on line 53.

Line 54a – Metropolitan Commuter Transportation Mobility Tax (MCTMT) net earnings base

Are you subject to the MCTMT?

If **No**, go to line 55.

If **Yes**, report your net earnings base on this line.

The MCTMT is imposed on self-employed individuals (including partners or members in partnerships, limited liability partnerships (LLPs) that are treated as partnerships, and limited liability companies (LLCs) that are treated as partnerships) engaging in business within the Metropolitan Commuter Transportation District (MCTD). Hereafter, partners and members will be collectively referred to as partners. Partnerships, including LLPs and LLCs treated as partnerships, will be collectively referred to as partnerships.

The MCTD consists of New York City (the counties of New York (Manhattan), Bronx, Kings (Brooklyn), Queens, and Richmond (Staten Island)) as well as the counties of Rockland, Nassau, Suffolk, Orange, Putnam, Dutchess, and Westchester.

The MCTMT is imposed at a rate of .34% (.0034) of an individual's net earnings from self-employment allocated to the MCTD. MCTMT is imposed if your net earnings from self-employment allocated to the MCTD **exceed \$50,000** for the year (computed on an individual basis, even if you file a joint income tax return).

 You must calculate your MCTMT net earnings base separately for each source of self-employment income that has business activity in the MCTD. If you have more than one source, combine all the individual amounts on line 54a. This is done by taking your net earnings from self-employment (see definition below) from each source and multiplying them by the MCTD allocation percentage for each source (see *Determining the MCTD allocation percentage* below).

Note: If you are filing a joint return, you and your spouse must each calculate the \$50,000 threshold on an individual basis. If both spouses' individually calculated MCTMT base exceeds \$50,000, then enter the combined total on line 54a. If either spouse's calculated MCTMT base is \$50,000 or less, do not include that amount on line 54a.

Determining the MCTD allocation percentage for each source of self-employment income:

- **START-UP NY** approved business owners or partners of an approved business who have net earnings from self-employment allocated to the MCTD, must complete Form IT-6-SNY, *Metropolitan Commuter Transportation Mobility Tax (MCTMT) for START-UP NY*. If you have other sources of self-employment income allocated to the MCTD (other than the START-UP NY income), calculate those amounts as shown below. You must include all your net earnings from self-employment allocated to the MCTD on Form IT-6-SNY, line 1.

- **Partners** must allocate partnership income to the MCTD based on the partnership's allocation. Partners will receive their MCTD allocation percentage from their partnership on Form IT-204-IP, *New York Partner's Schedule K-1*, line 29b. Multiply your net partnership income by this percentage to determine the amount to include on line 54a.

If you are a partner in more than one partnership, calculate the amount separately for each partnership.

- **All others** – if all of your net earnings from self-employment are from business activity **carried on inside the MCTD**, all of your net earnings from self-employment are allocated to the MCTD. Include the total net earnings from self-employment for that source on line 54a. If your net earnings from self-employment are from **business activity both inside and outside the MCTD**, you must complete Form IT-203-A, *Business Allocation Schedule*, to calculate the amount to include on line 54a. **Note:** For the definition of *business activity* inside and outside the MCTD, see Form IT-203-A.

Example: *Pat is a partner in a partnership XYZ doing business in the MCTD. Pat also reports net earnings from self-employment from two Schedule C businesses. Business A carries on business both in and out of the MCTD. Business B carries on business only inside the MCTD. Pat would calculate the amount to enter on Line 54a as follows:*

1) Net partnership income \$80,000 multiplied by 65% (.65), the amount shown on Form IT-204-IP, line 29b	= \$52,000
2) Business B's net earnings from self-employment of \$36,000	= \$36,000
3) Business A's net earnings from self-employment of \$30,000. Since the business is carried on both in and out of the MCTD, use Form IT-203-A to calculate the amount to include: Net earnings of \$30,000 × 40% (Form IT-203-A, line 8)	= <u>\$12,000</u>
Total amount to be included on line 54a	= \$100,000

Net earnings from self-employment generally is the amount reported on federal Form 1040, Schedule SE, Part 1, line 6, derived from the source of self-employment income.

Under IRC section 1402, income from certain employment is treated as income from a trade or business, and is reported on federal Schedule SE as net earnings from self-employment. Accordingly, the income is included in an individual's computation of net earnings from self-employment allocated to the MCTD and is subject to the MCTMT. Types of employment treated as a trade or business under IRC section 1402 include but are not limited to:

- services performed by a United States citizen employed by a foreign government, the United Nations, or other international organization;
- services performed by a church employee if the church or other qualified church-controlled organization has a certificate in

effect electing an exemption from employer Social Security and Medicare taxes; and

- qualified services performed by a minister, a member of a religious order who has not taken a vow of poverty, or a Christian Science practitioner or reader.

If your net earnings from self-employment are not subject to federal self-employment tax (for example, nonresident aliens), use federal Schedule SE (Form 1040) to compute your net earnings from self-employment as if they were subject to the tax.

For more information, see Publication 420, *Guide to the Metropolitan Commuter Transportation Mobility Tax*.

Line 54b – MCTMT

Multiply the amount on line 54a by .34% (.0034).

Line 55 – Yonkers resident income tax surcharge

Were you a resident of Yonkers and did you make an entry of more than 0 on line 46?

If you are filing jointly (filing status ②) and only one spouse was a Yonkers resident for all of 2020, compute on a separate sheet of paper the Yonkers resident income tax surcharge on the New York State tax of the Yonkers resident as if you had filed separate federal returns. Enter the amount computed on line 55. Be sure to write the name and Social Security number of the Yonkers resident and **Yonkers resident income tax surcharge** on that paper, and submit it with your return.

Line 56 – Yonkers nonresident earnings tax

If you were not a resident of Yonkers, did you earn wages there?

If **No**, go to line 57.

If **Yes**, complete Form Y-203, *Yonkers Nonresident Earnings Tax Return*. Enter the amount of tax on line 56 and submit Form Y-203 with your return.

Line 57 – Part-year Yonkers resident income tax surcharge

If you were a resident of Yonkers for only part of 2020, complete Form IT-360.1, *Change of City Resident Status*. Enter the tax amount on line 57 and submit Form IT-360.1 with your return.

Line 59 – Sales or use tax

Report your sales or use tax liability on this line.

You owe sales or compensating use tax if you:

- purchased an item or service subject to tax that is delivered to you in New York State without payment of New York State and local tax to the seller; or
- purchased an item or service outside New York State that is subject to tax in New York State (and you were a resident of New York State at the time of purchase) with subsequent use in New York State.

Note: You may be entitled to a credit for sales tax paid to another state. See the exact calculation method in the instructions for Form ST-140, *Individual Purchaser’s Annual Report of Sales and Use Tax*.

For sales and use tax purposes, a resident includes persons who have a permanent place of abode in the state. Accordingly, you may be a resident for sales tax purposes even though you may not be a resident for income tax purposes. See the instructions for Form ST-140 for more information.

You may not use this line to report:

- any sales and use tax on business purchases if the business is registered for sales and use tax purposes. You must report this tax on the business’s sales tax return.
- any unpaid sales and use tax on motor vehicles, trailers, all-terrain vehicles, vessels, or snowmobiles. This tax is paid directly to the Department of Motor Vehicles (DMV). If you will not be registering or titling it at the DMV, you should remit the tax directly to the Tax Department using Form ST-130, *Business Purchaser’s Report of Sales and Use Tax*, or Form ST-140.

An unpaid sales or use tax liability commonly arises if you made purchases through the Internet, by catalog, from television shopping channels, or on an Indian reservation, or if you purchased items or services subject to tax in another state and brought them back to New York for use here.

Example 1: *You purchased a computer over the Internet that was delivered to your house in Monroe County, New York, from an out-of-state company and did not pay sales tax to that company.*

Example 2: *You purchased a book on a trip to New Hampshire that you brought back to your residence in Nassau County, New York, for use there.*

You may also owe an additional **local** tax if you use property or services in another locality in New York State, other than the locality to which you paid tax. You owe use tax to the second locality if you were a resident of that locality at the time of the purchase, and its rate of tax is higher than the rate of tax originally paid.

Failure to pay sales or use tax may result in the imposition of penalty and interest. The Tax Department conducts routine audits based on information received from third parties, including the U.S. Customs Service and other states.

If you owe sales or use tax, you may report the amount you owe on your personal income tax return rather than filing Form ST-140.

Using the sales and use tax chart below is an easy way to compute your liability for all your purchases of items or services costing less than \$1,000 each (excluding shipping and handling) that are not related to a business, rental real estate, or royalty activities.

Sales and use tax chart

If your recomputed federal AGI (line 19a) is:

	Enter on line 59:
up to \$15,000*	\$ 3
\$ 15,001 - \$ 30,000	6
30,001 - 50,000	10
50,001 - 75,000	15
75,001 - 100,000	20
100,001 - 150,000	25
150,001 - 200,000	33
200,001 and greater	.0170% (.000170) of income, or \$125, whichever amount is smaller

* This may be any amount up to \$15,000, including 0 or a negative amount.

You may use this chart for purchases of items or services costing less than \$1,000 each (excluding shipping and handling). You may not use this chart for purchases related to a business, rental real estate, or royalty activities, regardless of the amount.

If you maintained a permanent place of abode in New York State for sales and use tax purposes for only part of the year, multiply the tax amount from the chart by the number of months you maintained the permanent place of abode in New York State and divide the result by 12. (Count any period you maintained the abode for more than one-half month as one month.)

You must use Form ST-140 to calculate your sales and use tax liability to be reported on this return if any of the following apply:

- You prefer to calculate the exact amount of sales and use tax due.
- You owe sales or use tax on an item or service costing \$1,000 or more (excluding shipping and handling).
- You owe sales or use tax for purchases related to a business not registered for sales tax purposes, rental real estate, or royalty activities.

Include the amount from Form ST-140, line 4, on Form IT-201, line 59. **Do not submit Form ST-140 with your return.**

If the amount reported on line 59 is \$1,700 or more, you must complete Form IT-135, *Sales and Use Tax Report for Purchases of Items and Services Costing \$25,000 or More*, and submit it with your return.

If you do not owe any sales or use tax, you must enter 0 on line 59. Do not leave line 59 blank.

For additional information on when you may owe sales or use tax to New York, see TB-ST-913, Use Tax for Individuals (including Estates and Trusts). For more information on taxable and exempt goods and services, see TB-ST-740, *Quick Reference Guide for Taxable and Exempt Property and Services*.

Step 7 – Add voluntary contributions**Line 60**

Do you want to make any voluntary contributions to the funds listed on Form IT-227?

If **No**, go to line 61.

If **Yes**, complete Form IT-227 and enter the amount from Part 2, line 1. Submit Form IT-227 with your return.

For a detailed description of the funds, see our website at www.tax.ny.gov (search: *IT-227*).

Your contribution(s) will reduce your refund or increase your tax payment. You cannot change the amount(s) you give after you file your return.

Step 8 – Enter your payments and credits**Line 63 – Empire State child credit**

Did you claim the **federal** child tax credit or credit for other dependents for 2020, or do you have a qualifying child (see the instructions for Form IT-213, *Claim for Empire State Child Credit*)?

If **No**, you do not qualify for this credit. Go to line 64.

If **Yes**, review the instructions for Form IT-213 to see if you qualify for this credit. If you qualify, complete Form IT-213, and transfer the amount from Form IT-213 to Form IT-201, line 63. Submit Form IT-213 with your return.

For more information, see the instructions for Form IT-213.

Line 64 – NYS/NYC child and dependent care credit

Would you qualify to claim the **federal** child and dependent care credit for 2020 based on your recomputed federal AGI (whether or not you actually claimed it)?

If **No**, you do not qualify for this credit. Go to line 65.

If **Yes**, complete Form IT-216, *Claim for Child and Dependent Care Credit*, to determine your New York State child and dependent care credit.

If you are a **New York City** resident and your recomputed federal AGI* is **\$30,000 or less**, and you have a qualifying child **under four years of age** as of December 31, 2020, review the instructions for Form IT-216 to see if you qualify to claim the NYC child and dependent care credit.

* For most taxpayers, recomputed federal AGI is the amount from Form IT-201, line 19a. However, if on Form IT-201 you entered special condition code **A6** (Build America Bond (BAB) interest), your recomputed federal AGI is the line 19a amount minus any BAB interest that was included in the line 19a amount.

Transfer the amount from Form IT-216 to Form IT-201, line 64. Submit Form IT-216 with your return.

For more information, see the instructions for Form IT-216.

Line 65 – New York State earned income credit (NYS EIC)

Did you claim the **federal** earned income credit for 2020 on your federal income tax return, or could you have claimed it based on your recomputed federal AGI?

If **No**, you do not qualify for this credit. Go to line 66.

If **Yes**, complete Form IT-215, *Claim for Earned Income Credit*, and transfer the amount from Form IT-215 to Form IT-201, line 65. Submit Form IT-215 with your return. For more information, see the instructions for Form IT-215.

 If you are a noncustodial parent and have paid child support through a support collection unit, you may be eligible for the noncustodial parent New York State earned income credit (noncustodial EIC). However, you cannot claim both the NYS EIC and the noncustodial EIC. Review the instructions for Form IT-209, *Claim for Noncustodial Parent New York State Earned Income Credit*, to see if you qualify for this credit. If you qualify, complete Form IT-209 to determine which credit offers the better tax savings. If you are claiming the NYS EIC, transfer the NYS EIC from Form IT-209 to Form IT-201, line 65, and submit Form IT-209 with your return (do not submit Form IT-215). If you are claiming the noncustodial EIC, see line 66 instructions below.

If the IRS is computing your federal earned income credit, write **EIC** in the box to the left of the money column, and leave the money column blank on line 65. You must complete Form IT-201, lines 67 through 75, but do not complete lines 76 through 80.

Complete Form IT-215, lines 1 through 9, and submit it with your return. The Tax Department will compute your New York State earned income credit and the resulting refund or amount due.

If you are due a refund, we will send you the refund along with an explanatory statement. If you owe tax, you will receive a bill that must be paid within 21 days, or by April 15, 2021, whichever is later.

Line 66 – Noncustodial parent New York State earned income credit (EIC)

Did you make child support payments payable through a New York State Support Collection Unit?

If **No**, you do not qualify for this credit. Go to line 67.

If **Yes**, review the instructions for Form IT-209 to see if you qualify for this credit. If you qualify, complete Form IT-209 and transfer the credit amount to the appropriate line of Form IT-201.

Line 67 – Real property tax credit

Review the instructions for Form IT-214, *Claim for Real Property Tax Credit for Homeowners and Renters*, to see if you qualify for this credit. If you qualify, complete Form IT-214 and transfer the amount from Form IT-214 to Form IT-201, line 67. Submit Form IT-214 with your return.

Line 68 – College tuition credit

Did you or your spouse or your dependent(s) pay college tuition expenses during 2020?

If **No**, you do not qualify for this credit. Go to line 69.

If **Yes**, and you **did not** claim the college tuition deduction on Form IT-196, complete Form IT-272, *Claim for College Tuition Credit or Itemized Deduction*, and transfer the amount from Form IT-272 to Form IT-201, line 68. Submit Form IT-272 with your return.

For more information, see the instructions for Form IT-272.

Line 69 – New York City school tax credit (fixed amount) (NYC residents only)

If you are **not** a New York City resident or part-year resident, you do not qualify to claim this credit. Go to line 70.

If you are a New York City resident or part-year resident and marked the **Yes** box at item C on the front of Form IT-201 indicating that you can be claimed as a dependent on another taxpayer's federal return, **or** your income (see below) is more than \$250,000, you do not qualify for this credit. Go to line 70.

If you are a New York City resident or part-year resident and marked the **No** box at item C on the front of Form IT-201 indicating that you **cannot** be claimed as a dependent on another taxpayer's federal return and you are filing status ①, ③, ④, or ⑤ (and your income (see below) is \$250,000 or less), determine your credit using Table 1 below if you were a full-year resident or Table 2 below if you were a part-year city resident.

Special rules for married filing joint return (filing status ②)

- If both spouses are full-year city residents, determine your credit using Table 1, filing status ②.
- If both spouses are part-year city residents, determine your credit using Table 2, filing status ②. If you have different periods of city residence, determine your credit using the number of months for the spouse with the longer city resident period.

Example: *You and your spouse are filing a joint NYS return (filing status ②). You were a 5-month New York City resident, and your spouse was an 8-month New York City resident. Your income was less than \$250,000, and you marked filing status ②, married filing joint return. You are entitled to a credit of \$83 (using the 8-month period from Table 2).*

- If one spouse is a full-year city resident and one spouse is a full-year city nonresident, **and you are computing your NYC tax as married filing separately**, determine your credit for the full-year city resident spouse using Table 1, filing status ③. The full-year city nonresident spouse may not take a credit.
- If one spouse is a full-year city resident and one spouse is a full-year city nonresident, and you **elect to compute your NYC tax as if both were full-year city residents**, determine your credit using Table 1, filing status ②.
- If one spouse is a full-year city resident and one spouse is a part-year city resident, you must compute each credit separately and add them together. Determine the full-year city resident spouse's credit using Table 1, filing status ③, and determine the part-year city resident spouse's credit using Table 2, filing status ③.

Example: *You and your spouse are filing a joint New York State income tax return (filing status ②). You were a full-year New York City resident. Your spouse was a New York City resident for only 3 months during the year, and your income was less than \$250,000. Add your credit amount from Table 1, filing status ③ (\$63), and your spouse's credit amount from Table 2, filing status ③ (\$16), for a combined credit of \$79.*

- If one spouse was a part-year city resident and the other spouse was a full-year city nonresident, determine your credit for the part-year city resident spouse using Table 2, filing status ③. The full-year city nonresident spouse may not take a credit.

Income, for purposes of determining your New York City school tax credit, means your recomputed federal AGI from Form IT-201, line 19a, minus distributions from an individual retirement account and an individual retirement annuity, from Form IT-201, line 9, if they were included in your recomputed federal AGI.

Line 69a - NYC school tax credit (rate reduction amount) (NYC residents only)

If you are **not** a New York City resident or part-year resident, you do not qualify to claim this credit. Go to line 70.

If you are a New York City resident or part-year resident and you marked the **Yes** box at item C on the front of Form IT-201 indicating that you can be claimed as a dependent on another taxpayer's federal return, you do not qualify to claim this credit. Go to line 70.

If you are a New York City resident or part-year resident and marked **No** at item C on the front of Form IT-201, use your New York City taxable income (see below) to compute your credit.

Filing status © **(Married filing joint return) only:** You must compute and use the **combined** New York City taxable income of both spouses:

- If both spouses were city residents for all of 2020, use the amount from line 47 of Form IT-201.
- If both spouses were part-year city residents in 2020, use the amount from Form IT-360.1, line 47. (If each spouse was required to complete a separate Form IT-360.1, combine the line 47 amounts from both forms.)
- If only one spouse was a city resident for all of 2020, use a separate sheet of paper to compute the New York City taxable income of the full-year city resident spouse as if he or she had filed a separate federal return. If the other spouse was a part-year city resident in 2020, add the amount of his or her New York City taxable income (from Form IT-360.1, line 47) to the result.

All others:

- If you were a city resident for all of 2020, use the amount from line 47 of Form IT-201.
- If you were a part-year city resident in 2020, use the amount from Form IT-360.1, line 47.

Line 70 – New York City earned income credit (NYC residents only)

Did you claim the **federal** earned income credit for 2020 on your federal return, or could you have claimed it based on your recomputed federal AGI?

If **No**, you do not qualify to claim this credit. Go to line 71.

If **Yes**, complete **either** Form IT-215, *Claim for Earned Income Credit*, or Form IT-209, *Claim for Noncustodial Parent New York State Earned Income Credit*. Transfer the amount from Form IT-215 or the amount from Form IT-209 to Form IT-201, line 70. Submit Form IT-215 or Form IT-209 with your return.

For more information, see the instructions for Form IT-215 or Form IT-209.

If the IRS is computing your federal earned income credit, write **EIC** in the box to the left of the money column, and leave the money column blank on line 70. You must complete Form IT-201, lines 71 through 75, but do not complete lines 76 through 80. The Tax Department will compute your New York City earned income credit and the resulting refund or amount due.

If you are due a refund, we will send you the refund along with an explanatory statement. If you owe tax, you will receive a bill that must be paid within 21 days, or by April 15, 2021, whichever is later.

Line 71 – Other refundable credits

Enter the total amount of other refundable credits from Form IT-201-ATT, Part 1, Section D, line 18. See the credit charts on pages 8 through 12 for a listing of credits that can be refunded.

Lines 72, 73, and 74 – Total New York State, New York City, and Yonkers tax withheld

If you received a federal Form W-2, *Wage and Tax Statement*, verify that your Social Security number on your federal Form W-2 is correct. If there is an error, contact your employer to issue you a corrected form (Form W-2c, *Corrected Wage and Tax Statement*). **You must complete Form(s) IT-2, Summary of W-2 Statements, for any federal Form(s) W-2 (or W-2c) you received.** You must complete a W-2 record even if your federal Form W-2 does not show any NYS, New York City (NYC), or Yonkers wages or tax withheld. In addition, if you received foreign income but did not receive a federal Form W-2, you must complete Form IT-2. If you had New York State, New York City, or Yonkers tax withheld from annuities, pensions, retirement pay, or IRA payments, you must complete Form(s) IT-1099-R, *Summary of Federal Form 1099-R Statements*.

Enter on the appropriate line your total New York State, New York City, and Yonkers tax withheld from:

- Form(s) IT-2, and
- Form(s) IT-1099-R, and
- Form 1099-G, *Certain Government Payments*, and
- Form W-2G, *Certain Gambling Winnings*.

Submit Form(s) IT-2 and Form(s) IT-1099-R with your Form IT-201. In addition, submit any federal Forms 1099-G and W-2G that show any NYS, NYC, or Yonkers tax withheld. Do **not** submit federal Form W-2 or 1099-R with your return. Keep copies of those forms and the forms you submitted with your return for your records.

Step 8 – Enter your payments and credits (continued)**Check your withholding for 2021**

 If, after completing your 2020 tax return, you want to change the amount of NYS, NYC, or Yonkers tax withheld from your paycheck, complete Form IT-2104, *Employee's Withholding Allowance Certificate*, and give it to your employer.

Line 75 – Total estimated tax payments and amount paid with Form IT-370

Enter the total of:

- Your 2020 estimated tax payments for New York State, New York City, Yonkers, and MCTMT (include your last installment even if paid in 2021). If you marked filing status  but made **separate** 2020 estimated tax payments (Form IT-2105), enter your combined total estimated tax paid;
- Any amount of overpayment from your 2019 personal income tax return that you applied to your 2020 estimated tax (if this amount was adjusted by the Tax Department, use the adjusted amount); and
- Any amount you paid with Form IT-370, *Application for Automatic Six-Month Extension of Time to File for Individuals* (or Form IT-370-V, *Payment Voucher and Instructions for Form IT-370 Filed Online*). If you marked filing status  but you and your spouse filed separate Forms IT-370, enter the total amount you and your spouse paid.

Do not include any amounts you paid for the **New York City** unincorporated business tax. File New York City's Form NYC-202 or NYC-202S directly with the New York City Department of Finance.

You can check your balance and reconcile your estimated tax account by going to our website or by writing us at:

NYS TAX DEPARTMENT
ESTIMATED TAX UNIT
W A HARRIMAN CAMPUS
ALBANY NY 12227-0822

If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*.

If you are a beneficiary of an estate or trust and are claiming your portion of any payment of estimated taxes allocated to you by the estate or trust, include your amount on line 75 and submit a copy of the notification issued by the estate or trust with your return. This notification must include the name and identifying number of the estate or trust and the amount allocated to you.

Step 9 – Calculate your refund or the amount you owe

Line 77 – Amount overpaid

If you have to pay an estimated tax penalty (see line 81 instructions), subtract the penalty from the overpayment and enter the net overpayment on line 77.

Your net overpayment can be:

- 1) refunded to you (enter amount on line 78 or 78b);
- 2) applied to your 2021 estimated tax (enter on line 79);
- 3) directly deposited into a NYS 529 account (line 78a); **or**
- 4) divided between options 1, 2, and 3.

If your estimated tax penalty on line 81 is greater than your overpayment on line 77, enter the difference on line 80 (amount you owe).

Collection of debts from your overpayment

We will keep all or part of your overpayment (refund) if you owe a New York State tax liability or a New York City or Yonkers personal income tax liability, or MCTMT liability, if you owe past-due support or a past-due legally enforceable debt to the IRS, to a New York State agency, or to another state, if you defaulted on a governmental education, state university, or city university loan, or if you owe a New York City tax warrant judgment debt. We will refund any amount that exceeds your debt.

A New York State agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social services district.

If you have questions about whether you owe a past-due legally enforceable debt to the IRS, to another state, or to a New York State agency, contact the IRS, the other state, or the New York State agency.

For New York State tax liabilities or New York City or Yonkers personal income tax liabilities, or MCTMT liabilities, call 518-457-5434 or write to: NYS Tax Department, Civil Enforcement Division, W A Harriman Campus, Albany NY 12227-4000.

If not using U.S. Mail, see Publication 55.

Disclaiming of spouse's debt

If you marked filing status  and you do not want to apply your part of the overpayment to your spouse's debt because you are not liable for it, complete Form IT-280, *Nonobligated Spouse Allocation*, and submit it with your original return. We need the information on Form IT-280 to process your refund as quickly as possible. You cannot file an amended return to disclaim your spouse's debt after you have filed your original return.

We will notify you if we keep your overpayment because of a past-due legally enforceable debt to the IRS or a tax debt to another state. You cannot use Form IT-280 to disclaim liability for a legally enforceable debt to the IRS or to disclaim a tax liability owed to another state. You must contact the IRS or the other state to resolve your responsibility for the asserted liability.

Line 78 – Amount of line 77 available for refund

Subtract the amount on line 79 (estimated tax) from line 77. This is the amount available for refund.

Line 78a – NYS 529 account deposit

You may directly deposit all or a portion of your refund in up to three NYS 529 college savings accounts. Use Form IT-195 and

its instructions, beginning on page 38, to report the amount of your refund that you want deposited into a NYS 529 college savings account(s). The election to contribute all or a portion of your refund into a NYS 529 account(s) cannot be changed once your original return is filed. Therefore, do not submit Form IT-195 with an amended return.

Enter on line 78a the amount from Form IT-195, line 4.

Line 78b – Total refund after NYS 529 account deposit

You must file a return to get a refund.

Enter the amount of your overpayment you want refunded to you. You have two ways to receive your refund. You can choose either **direct deposit** to have the funds deposited directly into your bank account, or a **paper check** mailed to you. Mark an **X** in one box to indicate your choice.

 If you choose to deposit all or a portion of your overpayment amount (line 77) into one or more NYS 529 accounts, see the instructions for line 78a, Form IT-195, *Allocation of Refund*, and its instructions, on page 38 (of Form IT-201-I).

Refund options

Direct deposit

Direct deposit is the **fastest and easiest** way to get your refund.

If you choose direct deposit, enter your personal or business account information on line 83 for a fast and secure direct deposit of your refund (see line 83 instructions). Generally, the Tax Department will **not** notify you that your refund has been deposited. However, if the amount we deposit is different from the amount of refund you claimed, we will send you a written explanation of the adjustment within two weeks from the date your refund is deposited. If we cannot make the direct deposit for any reason (for example, you don't enter complete and correct account information at line 83), we will send your refund to the mailing address on your return.

 Direct deposit of your refund is not available if the refund would go to an account outside the U.S. (see *Note* on page 34).

Paper checks

The Tax Department will mail your refund check to the mailing address entered on your return. Paper checks for joint filers will be issued with both names and must be signed by both spouses. Paper checks take weeks to be processed, printed, and mailed.

If you don't have a bank account, you will likely be charged a fee to cash your check.

Line 79 – Estimated tax

Enter the amount of overpayment from line 77 that you want applied to your New York State, New York City, Yonkers, and MCTMT estimated tax for 2021. The total of lines 78a through 79 should equal the amount on line 77.

Line 80 – Amount you owe

Enter on line 80 the amount of tax you owe **plus any estimated tax penalty** you owe (see line 81 instructions) and **any other penalties and interest** you owe (see line 82 instructions).

If you choose to pay by electronic funds withdrawal, mark an **X** in the box, enter your account information on line 83, and enter your electronic funds withdrawal information on line 84.

 To avoid other penalties and interest, pay any tax you owe by April 15, 2021.

For additional information on penalties and interest, visit our website.

Line 81 – Estimated tax penalty

Begin with these steps to determine if you may owe an estimated tax penalty.

- 1) Locate the amount of your 2019 New York AGI as shown on your 2019 return;
- 2) Locate the amount of your 2019 New York income tax; then
- 3) Calculate the amount of your 2020 prepayments (the amount of withholding and estimated tax payments you have already made or have been paid on your behalf by a partnership or S corporation for 2020).

In general, you are not subject to a penalty if your 2020 prepayments equal at least 100% of your 2019 income tax based on a 12-month return.

However:

- If your 2019 New York AGI was more than \$150,000 (or \$75,000 if you are married filing separately for 2020) and you are not a farmer or a fisherman, your prepayments must equal at least 110% of your 2019 income tax based on a 12-month return;
- You may owe a penalty if line 80 is \$300 or more and represents more than 10% of the income tax shown on your 2020 return; and
- You may owe a penalty if you underpaid your estimated tax liability for any payment period.

For more information, see Form IT-2105.9, *Underpayment of Estimated Tax by Individuals and Fiduciaries*.

If you owe an estimated tax penalty, enter the penalty amount on line 81. Also add the same amount to any tax due and enter the total on line 80. It is possible for you to owe an estimated tax penalty **and also** be due a refund. In that case, subtract the estimated tax penalty amount from the overpayment and enter the net result on line 77. **Do not include any other penalty or interest amounts on line 77.** Be sure to submit Form IT-2105.9 with your return.

Line 82 – Other penalties and interest

If you owe a late filing penalty, late payment penalty, or interest, enter the penalty and interest amount on line 82. Include that amount in the total on line 80. You may compute the penalty and interest using the *Penalty and Interest Calculator* on our website.

Payment options

By automatic bank withdrawal

You may authorize the Tax Department to make an electronic funds withdrawal from your bank account either by completing line 83, or on our website.

 This payment option is not available if the funds for your payment would come from an account outside the U.S. (see *Note* on page 34).

File now/Pay later! You must specify a future payment date up to and including April 15, 2021. If you file before April 15, money will not be withdrawn from your account before the date you specify. To avoid interest and penalties, you must authorize a withdrawal on or before the filing deadline. If you designate a weekend or a bank holiday, the payment will be withdrawn the next business day. See line 83 instructions.

By check or money order

If you owe more than one dollar, include full payment with your return. Make check or money order payable in U.S. funds to **New York State Income Tax** and write the last four digits of your Social Security number and **2020 Income Tax** on it. **Do not send cash.**

You must submit Form IT-201-V if you are making a payment by check or money order. For additional information, see Form IT-201-V.

Fee for payments returned by banks

The law allows the Tax Department to charge a \$50 fee when a check, money order, or electronic payment is returned by a bank for nonpayment. However, if an electronic payment is returned as a result of an error by the bank or the department, the department won't charge the fee.

If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.

By credit card

You can use your American Express®, Discover®/Novus®, MasterCard®, or Visa® credit card to pay the amount you owe on your New York State income tax return. You can pay your tax due by credit card through the Internet. You will be charged a convenience fee for each credit card payment you make to cover the cost of this service.

You can make your payment by credit card regardless of how you file your income tax return. For returns filed before the due date, you can make credit card payments any time up to the due date. For returns filed on or after the due date, you should make your credit card payment at the same time you file your return.

For additional information on the credit card payment program, go to our website.

You must have an Online Services account to make a payment by credit card. You will need the amount of the payment (**line 80 of Form IT-201**), the credit card number, and expiration date. Have a copy of your completed New York State income tax return available. You will be shown the amount of the convenience fee that you will be charged to cover the cost of this service. At that point you may elect to accept or cancel the credit card transaction.

If you accept the credit card transaction you will be given a confirmation number. **Keep this confirmation number as proof of payment.**

Unable to pay?

To avoid interest and penalty charges, you must file your return and pay the total amount you owe by April 15, 2021.

It is in your best interest to pay the amount you owe in full by the due date. If you cannot pay in full, you should file your return on time, and pay as much of the tax due as possible by automatic bank withdrawal, check, or money order. You may also pay by credit card; additional fees apply.

We will bill you for any unpaid tax plus interest and penalty if applicable (see *Amount you owe*). Pay the bill immediately if you can; if you cannot, you may qualify for an installment payment agreement (IPA). If you would like to request an IPA, see *Code C2* on page 16.

 If you fail to pay the amount due, or make arrangements to pay, New York State may do one or more of the following: file a tax warrant, seize your assets, suspend your driver's license, or garnish your wages to ensure payment.

Line 83 – Account information

If you marked the box that indicates your payment (or refund) would come from (or go to) an account outside the U.S., **stop**. Do not complete lines 83a, 83b, or 83c (see *Note* below). **All others**, supply the information requested for lines 83a, 83b, and 83c.

Note: Banking rules prohibit us from honoring requests for electronic funds withdrawal or direct deposit when the funds for your payment (or refund) would come from (or go to) an account outside the U.S. Therefore, if you marked this box, you must pay any amount you owe by check, money order, or credit card (see above); or if you are requesting a refund, we will send your refund to the mailing address on your return.

The following requirements apply to both direct deposit and electronic funds withdrawal:

 Use the sample image as a guide; enter your own information **exactly** as it appears on your own check or bank records. Do **not** enter the information from the sample check below.

On **line 83a**, mark an **X** in the box for the type of account.

On **line 83b**, enter your bank’s 9-digit routing number (refer to your check or contact your bank). The first two digits always begin with 01 through 12, or 21 through 32. On the sample check below, the routing number is 111111111.

Note: If your check states that it is payable through a bank different from the one where you have your checking account, do not use the routing number on that check. Instead, contact your bank for the correct routing number to enter on line 83b.

On **line 83c**, enter **your** account number.

- If you marked personal or business checking on line 83a, enter the account number shown on your checks.
- If you marked personal or business savings on line 83a, enter your savings account number from a preprinted savings account deposit slip, your passbook or other bank records, or from your bank.

The account number can be up to 17 characters (both numbers and letters). Include hyphens (-) but omit spaces and special symbols. Enter the number from left to right. On the sample check below, the account number is 9999999999.

Note: The routing and account numbers may appear in different places on your check.

Contact your bank if you need to verify routing and account numbers or confirm that it will accept your direct deposit or process your electronic funds withdrawal.

If you encounter any problem with direct deposit to, or electronic withdrawal from, your account, call 518-457-5181. Allow six to eight weeks for processing your return.

Line 84 – Electronic funds withdrawal

Enter the date you want the Tax Department to make an electronic funds withdrawal from your bank account and the amount from line 80 you want electronically withdrawn. Enter a date that is on or before the due date of your return. If we receive your return after the due date or you do not enter a date, we will withdraw the funds on the day we accept your return.

Your confirmation will be your bank statement that includes a *NYS Tax Payment* line item.

We will only withdraw the amount that you authorize. If we determine that the amount you owe is different from the amount claimed on your return, we will issue you a refund for any amount overpaid or send you a bill for any additional amount owed, **which may include penalty and interest.**

You may revoke your electronic funds withdrawal authorization only by contacting the Tax Department at least 5 business days before the payment date.

 If you complete the entries for electronic funds withdrawal, **do not** send a check or money order for the same amount due unless you receive a notice.

Step 10 – Sign and date your return

Third-party designee

Do you want to authorize a friend, family member, return preparer, or any other individual (third-party designee) to discuss this tax return and questions arising from it with the New York State Tax Department?

If **No**, mark an **X** in the **No** box.

If **Yes**, mark an **X** in the **Yes** box. Print the designee's name, phone number, email address, and any five numbers the designee chooses as his or her personal identification number (PIN). If you want to authorize the paid preparer who signed your return to discuss it with the Tax Department, print the preparer's name and phone number in the spaces for the designee's name and phone number (you do not have to provide an email address or PIN).

If you mark the **Yes** box, you (and your spouse, if filing a joint return) are authorizing the Tax Department to discuss with the designee any questions related to this return. You are also authorizing the designee to give and receive confidential taxpayer information relating to:

- this return, including missing information,
- any notices or bills arising from this filing that you share with the designee (they will not be sent to the designee),
- any payments and collection activity arising from this filing, and
- the status of your return or refund.

This authorization will not expire but will only cover matters relating to this return. If you decide to revoke this designee's authority at any time, call us (see *Need help?*).

You are not authorizing the designee to receive your refund, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Department. If you want someone to represent you or perform services for you beyond the scope of the third-party designee, you must designate the person using a power of attorney (for example, Form POA-1, *Power of Attorney*). For additional information on third-party designees and other types of authorizations, visit our website.

Paid preparer's signature

If you pay someone to prepare your return, the paid preparer must also sign it and fill in the other blanks in the paid preparer's area of your return. A person who prepares your return and does not charge you should not fill in the paid preparer's area.

Paid preparer's responsibilities – Under the law, all paid preparers must sign and complete the paid preparer section of the return. Paid preparers may be subject to civil and/or criminal sanctions if they fail to complete this section in full.

When completing this section, enter your New York tax preparer registration identification number (NYTPRIN) if you are required to have one. If you are not required to have a NYTPRIN, enter in the *NYTPRIN excl. code* box one of the specified 2-digit codes listed below that indicates why you are exempt from the registration requirement. You **must** enter a NYTPRIN **or** an exclusion code. Also, you must enter your federal preparer tax identification number (PTIN) if you have one; if not, you must enter your Social Security number.

Code	Exemption type	Code	Exemption type
01	Attorney	02	Employee of attorney
03	CPA	04	Employee of CPA
05	PA (Public Accountant)	06	Employee of PA
07	Enrolled agent	08	Employee of enrolled agent
09	Volunteer tax preparer	10	Employee of business preparing that business' return

See our website for more information about the tax preparer registration requirements.

Your signature(s)

In the spaces provided at the bottom of page 4, sign and date your **original** return and enter your occupation. If you are married and filing a joint return, also enter your spouse's occupation. Both spouses must sign a joint return; **we cannot process unsigned returns**. Keep your signature(s) within the space(s) provided.

If the return is for someone who died and there is no surviving spouse to sign it, print or type the name and address of the person signing it below the signature. For additional information about deceased taxpayers, see page 43.

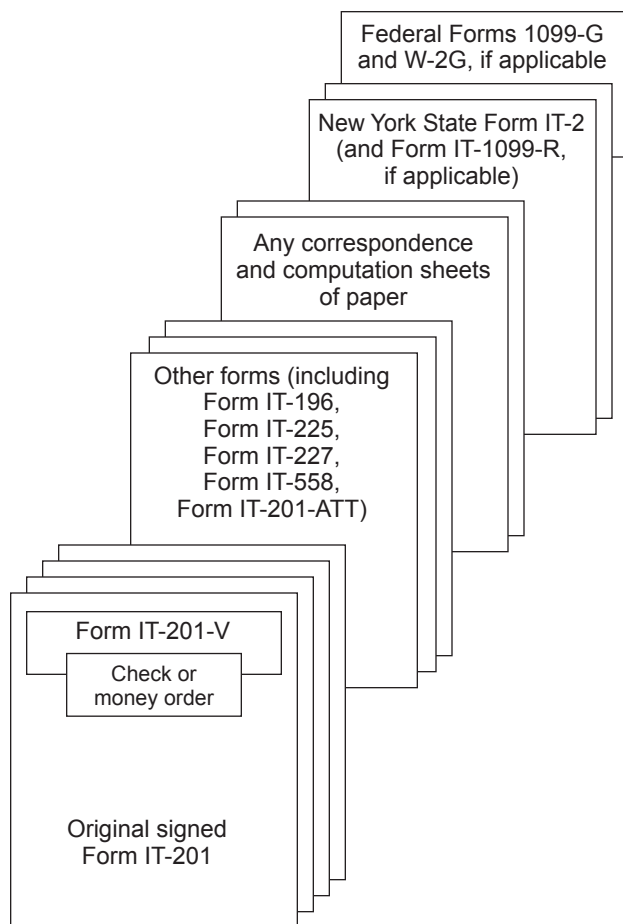

Daytime phone number

This entry will enable the Tax Department to correct minor errors or omissions by calling you rather than writing or sending back your return.

Step 11 – Finish your return

Take a moment to go over your return to avoid errors that may delay your refund. Finish your return as shown below. **Do not staple any items to the return.**

- 1) **Make a copy of your return**, and any other forms or papers you are submitting, for your records. You may be asked by the Tax Department to provide copies of these records after you have filed your income tax return.
- 2) **Enclose the following** in an envelope (see illustration):
 - your check or money order and Form IT-201-V if you owe tax and are not paying by another option
 - your original, signed return
 - other forms, including Form IT-196, Form IT-201-ATT, Form IT-225, Form IT-227, and Form IT-558
 - any correspondence and computation sheets of paper
 - Form IT-2 (and Forms IT-1099-R, 1099-G, and W-2G, if applicable) – **do not send federal Form W-2 or 1099-R**

- 3) **Include the following** on your envelope:
 - your return address
 - enough postage (some returns require additional postage)
 - the appropriate mailing address (see below)

- 4) **Mail your return** by April 15, 2021.

- If **enclosing** a payment (check or money order and Form IT-201-V), mail to:

**STATE PROCESSING CENTER
PO BOX 15555
ALBANY NY 12212-5555**

- If **not enclosing** a payment, mail to:

**STATE PROCESSING CENTER
PO BOX 61000
ALBANY NY 12261-0001**

Private delivery services

If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to mail in your form and tax payment. However, if, at a later date, you need to establish the date you filed or paid your tax, you cannot use the date recorded by a private delivery service unless you used a delivery service that has been designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance. (Currently designated delivery services are listed in Publication 55, *Designated Private Delivery Services*. See *Need help?* for information on obtaining forms and publications.) If you have used a designated private delivery service and need to establish the date you filed your form, contact that private delivery service for instructions on how to obtain written proof of the date your form was given to the delivery service for delivery. See Publication 55 for where to send the forms covered by these instructions.

Privacy notification

New York State Law requires all government agencies that maintain a system of records to provide notification of the legal authority for any request for personal information, the principal purpose(s) for which the information is to be collected, and where it will be maintained. To view this information, visit our website, or, if you do not have Internet access, call and request Publication 54, *Privacy Notification*. See *Need help?* for the Web address and telephone number.

Additional information

Definitions used to determine resident, nonresident, or part-year resident

You may have to pay income tax as a New York State resident even if you are not considered a resident for other purposes. For income tax purposes, your resident status depends on where you were domiciled and where you maintained a permanent place of abode during the taxable year.

Domicile

In general, your *domicile* is the place you intend to have as your permanent home. Your domicile is, in effect, where your permanent home is located. It is the place you intend to return to after being away (as on vacation abroad, business assignment, educational leave, or military assignment).

You can have only one domicile. Your New York domicile does not change until you can demonstrate that you have abandoned your New York domicile and established a new permanent domicile outside New York State.

A change of domicile must be *clear and convincing*. Easily controlled factors such as where you vote, where your driver's license and registration are issued, or where your will is located are **not** primary factors in establishing domicile. To determine whether you have, in fact, changed your domicile, you should compare (1) the size, value, and nature of use of your first residence to the size, value, and nature of use of your newly acquired residence; (2) your employment and/or business connections in both locations; (3) the amount of time spent in both locations; (4) the physical location of items that have significant sentimental value to you in both locations; and (5) your close family ties in both locations. A change of domicile is *clear and convincing* only when your primary ties are clearly **greater** in the new location. When weighing your primary ties, keep in mind that some may weigh more heavily than others, depending upon your overall lifestyle. If required by the Tax Department, it is the taxpayer's responsibility to produce documentation showing the necessary intention to effect a change of domicile.

If you move to a new location but intend to stay there only for a limited amount of time (no matter how long), your domicile does not change. For example, Mr. Green of ABC Electronics in Newburgh, New York, was temporarily assigned to the Atlanta, Georgia branch office for two years. After his stay in Atlanta, he returned to his job in New York. His domicile did not change during his stay in Georgia; it remained New York State.

If your domicile is in New York State and you go to a foreign country because of a business assignment by your employer, or for study, research or any other purpose, your domicile does not change unless you show that you definitely do not intend to return to New York.

Permanent place of abode

In general, a permanent place of abode is a residence (a building or structure where a person can live) that you permanently maintain, whether you own it or not, that is suitable for year-round use. A permanent place of abode usually includes a residence your spouse owns or leases. For additional information, visit our website.

However, a residence maintained by a full-time student enrolled at an institution of higher education in an undergraduate degree program leading to a baccalaureate degree and occupied by the student while attending the institution is not a permanent place of abode with respect to that student. For additional information, see TSB-M-09(15)I, *Amendment to the Definition of Permanent*

Place of Abode in the Personal Income Tax Regulations Relating to Certain Undergraduate Students.

Note: Special rules apply to military personnel and their spouses; see Publication 361, *New York State Income Tax Information For Military Personnel and Veterans*.

Resident

You are a New York State resident for income tax purposes if:

- You maintain a permanent place of abode in New York State for substantially all of the tax year and spend **184 days or more** in New York State during the tax year*; whether or not you were domiciled in New York State (unless you were in active service in the military).

*Any part of a day is a day for this purpose.

Note: If you maintain a permanent place of abode in New York State but are claiming to be a nonresident for tax purposes, you must be able to provide adequate records to substantiate that you did not spend more than 183 days of the tax year in New York State.

However, if you are a member of the armed forces, and your domicile is not New York State, you are not a resident under this definition. If you are a military spouse, you may not be considered a resident under this definition. For more information, see TSB-M-10(1)I, *Military Spouses Residency Relief Act* and TSB-M-19(3)I, *Veterans Benefits and Transition Act of 2018*; **or**

- Your domicile is New York State. However, even if your domicile is New York State, you are not a resident if you meet **all three** of the conditions in either Group A or Group B as follows:

Group A

- You did not maintain any permanent place of abode in New York State during the taxable year; and
- You maintained a permanent place of abode outside New York State during the entire taxable year; and
- You spent **30 days or less** (a part of a day is a day for this purpose) in New York State during the taxable year.

Group B

- You were in a foreign country for at least 450 days (a part of a day is a day for this purpose) during any period of 548 consecutive days; and
- You, your spouse (unless legally separated) and minor children spent **90 days or less** (a part of a day is a day for this purpose) in New York State during this 548-day period; and
- During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in New York State for no more than the number of days which bears the same ratio to 90 as the number of days in such portion of the taxable year bears to 548. The following formula illustrates this condition:

$$\frac{\text{Number of days in the nonresident portion}}{548} \times 90 = \text{Maximum number of days allowed in New York State}$$

Nonresident

You are a New York State nonresident if you were not a resident of New York State for any part of the year.

Additional information (continued)

Part-year resident

You are a New York State part-year resident if you meet the definition of resident or nonresident for only part of the year.

New York City and Yonkers

For the definition of a **New York City** or **Yonkers** resident, nonresident, and part-year resident, see the definitions of a New York State resident, nonresident, and part-year resident beginning on page 42, and substitute *New York City* or *Yonkers* in place of *New York State*.

For more information on nonresidents and part-year residents, see the instructions for Form IT-203.

Special accruals

As a full-year New York State resident for 2020, or if you are a full-year New York City resident or New York City part-year resident for 2020, you may have to use special accrual rules (see below) to compute your New York State and New York City personal income tax for 2020.

If you are subject to the special accrual rules, see the instructions for Form IT-225, addition modification number A-115 and subtraction modification number S-129.

Full-year New York State residents

You are subject to the special accrual rules **only** if you have accrued income for 2020 (see below), **and**

- you were a nonresident of New York State on December 31, 2019; or
- you will be a New York State nonresident on January 1, 2021.

You have accrued income for 2020 if:

- you have an item of non-New York source income* that was fixed and determinable in a tax year prior to 2020, but you are reporting that income for federal income tax purposes in tax year 2020; or
- you have an item of income that was fixed and determinable in tax year 2020, but you will be reporting that income for federal income tax purposes in a tax year after 2020.

Full-year and part-year New York City residents

You are subject to the special accrual rules **only** if you have accrued income for 2020 (see below), **and**

- you were a nonresident of New York City on December 31, 2019, but you were a full-year New York City resident for tax year 2020; or
- you were a full-year New York City resident for 2020 but you will be a New York City nonresident on January 1, 2021; or
- you were a New York City part-year resident for tax year 2020.

You have accrued income for 2020 if:

- you have an item of non-New York source income* that was fixed and determinable in a tax year prior to 2020, but you are reporting that income for federal income tax purposes in tax year 2020; or
- you have an item of income that was fixed and determinable in tax year 2020, but you will be reporting that income for federal income tax purposes in a tax year after 2020; or

- you have an item of income that was fixed and determinable in your 2020 New York City resident period, but that income is not reportable for federal income tax purposes in your 2020 New York City resident period; or
- you have an item of non-New York source income (see footnote below) that was fixed and determinable in your 2020 New York City nonresident period, but that income is not reportable for federal income tax purposes in your 2020 New York City nonresident period.

Estates and trusts

Estates and trusts are subject to the New York State personal income tax. The fiduciary for an estate or trust must file Form IT-205, *Fiduciary Income Tax Return*. Each beneficiary of an estate or trust must include his or her share of the estate or trust income on Form IT-201. For more information on responsibilities of beneficiaries, see *Beneficiaries (estates and trusts)* on page 17.

Deceased taxpayers

If a taxpayer died after 2019 and before filing a return for 2020, the taxpayer's spouse or personal representative may have to file and **sign** a return for that taxpayer. A personal representative can be an executor, administrator or anyone who is in charge of the deceased taxpayer's property. If a taxpayer did not have to file a federal return but had New York State tax withheld, a New York return must be filed to get a refund. If a joint federal income tax return was filed for the deceased taxpayer and the surviving spouse, a joint New York State return can be filed. Write **Filing as surviving spouse** in the area where you sign the return. If someone else is the personal representative for the deceased spouse, he or she must also sign the return. The person who files the return for the deceased taxpayer should write the deceased taxpayer's date of death in the area indicated near the top of the return.

Partnerships/limited liability partnerships or companies

Partnerships, limited liability partnerships (LLPs) and limited liability companies (LLCs), limited liability investment companies (LLICs) and limited liability trust companies (LLTCs) that are treated as partnerships for federal purposes are not subject to the New York State personal income tax, but individual partners (members) of the partnerships are.

If your partnership has a partner who is a New York State resident, or if the partnership has any income from New York State sources, it must file Form IT-204, *Partnership Return*. If your partnership carried on a business in New York City, it may also have to file New York City's Form NYC-204, *Unincorporated Business Tax Return for Partnerships (including Limited Liability Companies)*. Since New York State does not administer the New York City unincorporated business tax, do not file your Form NYC-204 with your state return.

Net operating loss (NOL)

For New York State income tax purposes, your NOL deduction is limited to the lesser of:

- your federal NOL deduction computed using the rules in place prior to any changes made to the IRC after March 1, 2020, or

* Non-New York source income is income that is **not** attributable to (1) a business, trade, profession, or occupation carried on in **New York State**, or (2) the ownership of any interest in real or tangible personal property in **New York State**.

Additional information (continued)

- your federal taxable income computed:
 - using the rules in place prior to any changes made to the IRC after March 1, 2020, and
 - without the NOL deduction.

For additional information, see Form IT-558-I, *Instructions for Form IT-558*, addition adjustment number A-005 and subtraction adjustment number S-004, and Form IT-225-I, addition modification number A-215.

Innocent spouse relief

There are three forms of innocent spouse relief: innocent spouse, separation of liability, and equitable relief. You may qualify for relief from full or partial tax liability on a joint return as an *innocent spouse* if: (1) there is an understatement of tax on a joint return because of an omission or error involving income, deduction, credit, or basis; (2) you can show that when you signed the return you did not know and had no reason to know of the understatement; and (3) taking into account all the facts and circumstances, it would be unfair to hold you liable for the understated tax. You may also request a *separation of liability* for any understated tax on a joint return if you and your spouse or former spouse are no longer married, or are legally separated, or have lived apart at all times during the 12-month period prior to the date of filing for relief. If you do not qualify as an innocent spouse or for separation of liability, you may qualify for *equitable relief* if you can show that, taking into account all the facts and circumstances, you should not be held liable for any understatement or underpayment of tax. For more information, see Form IT-285, *Request for Innocent Spouse Relief (and Separation of Liability and Equitable Relief)*. You may use Form IT-285 only for innocent spouse relief under the three circumstances stated above. Do **not** file Form IT-285 with your return.

If you want to disclaim your spouse's defaulted governmental education, state university, or city university loan or past-due support or past-due legally enforceable debt owed to a New York State agency or a New York City tax warrant judgment debt because you do not want to apply your part of a joint refund or refundable credit to a debt owed solely by your spouse, use Form IT-280, *Nonobligated Spouse Allocation*. You must complete Form IT-280 and submit it with your original return when filed. See *Disclaiming of spouse's debt* on page 32.

Members of the armed forces

If you are a member of the military and a New York State resident, the amount of your military pay that is subject to federal income tax is also subject to New York income tax. However, see the instructions for Form IT-225, subtraction modification number S-118 for information on New York's tax treatment of certain combat pay.

For more information, see Publication 361, *New York State Income Tax Information for Military Personnel and Veterans*.

Keep a copy of your tax records

Remember to keep a copy of your completed income tax return. Also keep copies of any books, records, schedules, statements, or other related documents.

The Tax Department may ask you to provide copies of these records after you have filed your income tax returns.

You should retain copies of your return for at least seven years after you file your return.

Amending your return

Generally, an amended return claiming credit for, or a refund of, an overpayment must be filed within three years of the date that the original return was filed, or within two years of the date that the tax was paid, whichever is later. However, if you file an amended federal return, you must also file an amended New York State return within 90 days from the date you amend your federal return.

You must file an amended return to correct any error on your original state return and to report changes made on your federal return by the IRS. You must report such changes to the New York State Tax Department within 90 days from the date the IRS makes its final determination.

Use Form IT-201-X if your original return was Form IT-201. Also use Form IT-201-X if you mistakenly filed Form IT-203, but you were a full-year resident. Use Form IT-203-X if you mistakenly filed Form IT-201, but you were a nonresident or part-year resident.

In addition, you must use Form IT-201-X to file a protective claim or to report an NOL carryback.

Paid preparer information

For information relating to the Tax Preparer Registration Program, the signing of returns by a paid preparer (anyone you pay to prepare your return), e-file mandate for paid preparers, and other requirements relating to paid preparers, see Publication 58, *Information for Income Tax Return Preparers*, and our website.

School districts and code numbers**Albany – Erie**

Use this list to find the name and code number of the public school district located in the county where you were a resident on December 31, 2020. (If you are a New York City resident, look for your individual county listing.) Enter the school district name and code number at the top of the front of your return in the boxes provided. If you do not know the name of your school district, contact your nearest public school.

2020 New York State Tax Table

\$0 - \$5,999

 If your New York adjusted gross income, Form IT-201, line 33 is more than \$107,650, you cannot use these tables. See *Tax computation - New York AGI of more than \$107,650* beginning on page 58 to compute your tax. Failure to follow these instructions may result in your having to pay interest and penalty if the income tax you report on your return is less than the correct amount.

In this **New York State** tax table, the *taxable income* column is the amount from Form IT-201, line 38.

Example: Mr. and Mrs. Jones are filing a joint return on Form IT-201. Their taxable income on line 38 is \$38,275. First, they find the 38,250 - 38,300 income line. Next, they find the column for **Married filing jointly** and read down the column. The amount shown where the income line and filing status column meet is \$1,814. This is the tax amount they must write on line 39 of Form IT-201. →
