Dear Ohio Taxpayer:

This is your 1996 Ohio Income Tax Return Form IT-1040 and Instructions. Thank you for making the Ohio tax system work by filing your tax returns on a timely basis.

If you are married, have dependents, or make more than \$50,000, you must file the standard Form IT-1040. If you are single, have no dependents, and have an income under \$50,000, you may use the "easier" state tax Form IT-1040EZ. For Form IT-1040EZ, call any of the offices listed on the back cover.

Due to recent law changes, your personal exemption has been increased from \$650 to \$750 and the dependent exemption has been increased to \$850. In addition, the tax rates were reduced by over 6.6%. Also, a new deduction is available on the standard form for individuals depositing funds into a medical savings account. See page 5 for more details.

Our job at the Ohio Department of Taxation is to make it as easy as possible for you to meet your tax obligation. We have a computerized telephone system called F.A.S.T. (Fast Answers about State Taxes). Please see page 27 for more details. Forms and instructions are now available on our internet "address" at HTTP://www.tax.state.oh.us/tax/.

Please call, visit or write us if you have any questions or comments.

Sincerely,

Roger W.Tracy Tax Commissioner

Lily V. I way

Lowered Tax Rate:

The tax rate in Ohio was reduced by 6.609%. The lower tax rate is reflected in the tax table contained in this booklet.

Medical Savings Account:

This allows you to save money for medical bills and deduct up to \$3,000 (\$6,000 for joint filers) and related earnings from your Ohio taxable income.

Ohio's Tax Dollars: 1996

The charts show where Ohio's tax dollars come from and the programs and services this money supports.

The first chart shows that about 41 cents of each dollar comes from the state income tax and another 37 cents from the state sales tax. The second chart shows that education—public schools and colleges-commands almost half of every state dollar spent. Elementary and secondary schools receive 31 cents from each dollar while colleges and universities are allocated 16 cents. The full range of human services is supported by a 30 cent share. When combined with education, these three categories total 77 cents or nearly four-fifths of every tax dollar.

These figures represent the state's General Revenue Fund for the fiscal year which ended June 30, 1996, excluding welfare reimbursement.

Do I have to file an Ohio income tax return?

Every Ohio resident and part-year resident is subject to the Ohio income tax; so is every nonresident or part-year resident who directly as a sole proprietor, or through a partnership, S corporation or a limited liability company earns or receives income from Ohio sources. However, there are some people who do not have to file an Ohio income tax return. Below are some general guidelines for filing or nonfiling.

You do have to file an Ohio return if you...

- Have completed Schedule A (on the back of the Ohio return).
- Had Ohio income tax withheld.
- · Are due an Ohio income tax refund.
- Are single, under age 65, AND your Federal Adjusted Gross Income is \$3,850 or more.
- Are single, age 65 or over, AND your Federal Adjusted Gross Income is \$8,400 or more.
- Are married, filing jointly, under age 65, AND your total Federal Adjusted Gross Income is \$7,000 or more
- Are married, filing jointly, age 65 or over, AND your total Federal Adjusted Gross Income is \$10,550 or more.

You do not have to file an Ohio return if...

- Your only source of income is retirement income (as defined on page 13, line 45 instructions) which is eligible for the Retirement Income Credit AND the credit (line 45) is the same or larger than your tax before credits (line 6).
- You are eligible for the Senior Citizen Credit AND your tax before credits (line 6) is \$50 or less.
- Your exemption amount on line 4 is the same as or more than your Ohio Adjusted Gross Income (line 3).

You may not have to file an Ohio return if...

 You live in Indiana, Kentucky, West Virginia, Pennsylvania, or Michigan and work in Ohio. Please see the instructions for line 32 on page 11 of this booklet.

If we mailed you an Ohio income tax return with a preprinted label and you do not have to file, please fill out and send in the Individual Information Notice (IT-10) on page 23 of this booklet.

Which Ohio form should I use?

You may be able to use Ohio Form IT-1040EZ if...

- You were single and did not claim any dependents.
- You were not 65 or older.
- Your taxable income is less than \$50,000.
- You do not claim any Ohio adjustments or credits.
- You were a full year resident of Ohio.

If you do not qualify to use Form IT-1040EZ, you must use form IT-1040 contained in this booklet.

When and where do I file?

File on or before April 15, 1997 for the 1996 calendar year. Returns for other tax periods are due on or before the 15th day of the fourth month following the close of your taxable year. Make check or money order payable to "Treasurer of State of Ohio."

Do I have to pay estimated tax for 1997?

You must pay estimated tax if your 1997 tax after withholding will be more than \$300.

If you are required to pay estimated tax, file a 1997 Ohio Estimated Income Tax Return (Form IT-1040ES). You can get this form from one of the offices listed on the back of this booklet.

CAUTION: 1997 estimated tax payments are due on April 15, 1997, June 16, 1997, September 15, 1997, and January 15, 1998.

If you don't want to make estimated payments, you may increase the amount of state tax your employer withholds from your wages so that your 1997 tax after withholding is less than \$300. File a revised Form IT-4 (Employee Withholding Exemption Certificate) with your employer.

Can dependents claim themselves?

Yes! Ohio law differs from the federal law by permitting dependents who are claimed on their parent's tax return to claim themselves on their Ohio return.

What if I am in the military?

If you are an Ohio resident, your entire federal adjusted gross income including your military pay is taxed by Ohio even if you spent no time in Ohio during 1996. Ohio will allow you to calculate a tax credit if your non-military pay was taxed by another state. See Schedule C.

If you are not an Ohio resident, Ohio does not tax your military pay. Ohio will tax your non-military pay included in your federal adjusted gross income if the non-military pay was earned in Ohio. Income from a non-military Ohio job or Ohio rental property would be taxable to Ohio. See Schedule D.

What if I am unsure of my state of residency? See Ohio residency status on page 7.

How do nonvear residents allocate business income?

A nonresident or part-year resident who is engaged in business (directly or through a partnership, S corporation or limited liability company) with activities inside Ohio must complete Form IT-2023 residents or part- (Instructions for Allocating and Apportioning Income and the Part-Year/Nonresident worksheet) to determine the nonresident credit to be taken on the IT-1040, Schedule D. Nonresident partners, nonresident shareholders of an S corporation or nonresident members of a limited liability company may be eligible to file a composite return.

Nonresident Partners and Nonresident Members:

Nonresident partners and nonresident members may be eligible to file Form IT-4708, the Ohio Nonresident Partners' Income Tax Return. A partnership (or limited liability company) having **two or more** nonresident partners (or members) may file a single return on behalf of such nonresident partners (or members). Nonresident partners (or members) with Ohio income in addition to the partnership (or limited liability company income) must file Ohio Income Tax Return (Form IT-1040) on their own behalf.

Nonresident Shareholders of an S corporation

Generally, an S corporation may each year file a master return on behalf of and as agent for its electing nonresident shareholders having no Ohio-sourced income other than their distributive share of income from the S corporation. Use Form IT-1040M, Ohio Master Return for Nonresident Shareholders of an S Corporation. The use of this return is not available to nonresident shareholders with Ohio income in addition to the S corporation income. Such nonresident shareholders must file the Ohio Individual Income Tax Return (Form IT-1040).

To obtain Form IT-4708 or Form IT-1040M, contact one of the offices of the Ohio Department of Taxation listed on the back of this booklet.

What if a taxpayer has died?

If a taxpayer died before filing a return for 1996, the taxpayer's spouse or personal representative may have to file and sign a return for the person who died. A personal representative can be the executor, administrator, or anyone who is in charge of the deceased person's property.

- Use the same form and filing status that the taxpayer would have used if living.
- In the name and address area, write "DECEASED" and the date of death after the person's first name.

Claiming a refund for a deceased person: If you are a surviving spouse filing a joint return with the deceased, file only the tax return to claim the refund. If you are a court appointed representative, file the return and attach a copy of the certificate that shows your appointment. All other filers must attach a copy of Federal Form 1310.

CAUTION: We cannot rewrite a decedent's refund check (i.e. payable to the estate of the decendent or to add an executor's name).

What if I need more time to file?

If you need more time to file your Ohio return, you must qualify for an extension of time to file your federal income tax return. To find out how to obtain an extension of time to file your federal income tax return, see the instructions for the U.S. Individual Income Tax Return (IRS Form 1040). If you qualify for and obtain a federal extension of time to file, then you automatically have the same extension of time for filing your Ohio return. However, you must attach to your Ohio return a copy of the I.R.S. automatic extension (IRS Form 4868) and if you requested even more time to file beyond the automatic extension, the IRS notice granting you further time to file.

CAUTION: An extension of time to file does not give you an extension of time to pay.

If you qualify for and elect to take a federal and Ohio extension of time to file your tax return, you must pay the balance of your Ohio income tax by April 15, 1997. Ohio Form IT-40P should accompany your payment of the balance due which you must mail by April 15, 1997. Be sure you place on the check both your social security number and the phrase "1996 IT-40P Payment" (see the bottom of page 23).

You will owe interest and could owe penalties on any amount of 1996 tax which you do not pay by April 15, 1997 — even if you qualify for and elect to take a federal and Ohio extension of time to file. See "Do I Owe Penalties and Interest?" on page 5.

May I round off cents to the nearest dollar?

Yes, you may. In rounding off to the nearest whole dollar, drop any amount less than 50 cents. Increase amounts from 50 to 99 cents to the next higher dollar.

What if I want a receipt?

Your cancelled check may be used as proof of receipt of your tax payment. If you make payment with a money order, be sure to keep your copy for your records.

What tax records do I need to keep?

Keep a copy of your completed income tax return. Also keep copies of any papers you used to prepare your return. Keep these records for at least 4 years from the later of the filing due date or the date you filed the

Your tax return may be audited by the Ohio Department of Taxation. If your return is audited, you must be able to prove all claims and items listed on your return.

What if I need to correct my income tax return after I mail it?

Any change or correction to your return can be made by filing an Amended Ohio Income Tax Return (Form IT-1040X). You can get this form from one of the offices of the Ohio Department of Taxation listed on the back of this booklet.

If you correct your federal income tax return, you'll probably have to correct your Ohio return too. File an Amended Ohio Income Tax Return within 60 days of filing the amended federal return.

If the Internal Revenue Service audits your federal return, you may have to make changes on your Ohio return. File an Amended Ohio Income Tax Return within 60 days of the final determination of the federal change.

CAUTION: The Internal Revenue Service tells us about all changes it makes to your federal return. To avoid penalties, be sure to amend your Ohio return within 60 days of the final determination of the federal changes.

Do I have to file a **School District**

Certain school districts in Ohio have an additional income tax. These school districts are marked with an asterisk (*) on pages 24 through 26 in this booklet. If you lived in one of these districts during all or part of 1996, you must file an Ohio School District Income Tax Return (Form SD-100). File Form SD-100 with the Income Tax Form? Department of Taxation at the same time you file your Ohio return. To get Form SD-100, contact your local school board office or one of the offices of the Department of Taxation listed on the back of this booklet.

Do I owe Penalties and Interest?

A failure to file penalty, the greater of \$50 per month up to a maximum of \$500, or 5% per month up to a maximum of 50% of the tax, will be charged if you file your Ohio Income Tax Return after the due date, unless the due date is extended by a federal extension.

A failure to pay penalty of double the interest charged will apply if you do not pay the full amount of tax by April 15, 1997. However, this penalty may not apply if you have obtained a federal extension of time to file and line 18 of Form IT-1040 equals or exceeds 90% of line 14 of this form.

In all cases, interest will be charged from the date the tax should have been paid (April 15, 1997) until the date of payment.

An additional \$50 bad check charge may be imposed against any taxpayer whose taxes are paid with a check that is returned to us unpaid by the bank.

The interest rate for 1996 and 1997 is 9%.

Savings Account and what are the qualifications?

What is a Medical A medical savings account is used to pay eligible medical expenses of the account holder, the account holder er's spouse, and qualified dependents. A medical savings account can be opened by or on behalf of a person that participates in either a sickness and accident plan, a plan offered by a Health Maintenance Organization, or a self-funded employer sponsored health benefit plan pursuant to the federal Employee Retirement Income Security Act (ERISA).

> An administrator must be designated for a medical savings account at the time the account is opened. The designated administrator must be one of the following:

- a federally or state chartered bank, savings and loan association, savings bank, or credit union;
- a trust company authorized to act as fiduciary;
- an insurer authorized under Ohio's insurance laws;
- a dealer or a salesperson licensed under Ohio's securities laws;
- an administrator licensed under Ohio's third party administrator law;
- a certified public accountant;
- an employer that administers an employee benefit plan or
- · a health maintenance organization.

Account holders are generally permitted to withdraw the funds at any time for any reason. However, account administrators may not release any funds during the year of deposit except for reimbursement of eligible medical expenses. Any withdrawals for a non-qualifying purpose may result in increased Ohio taxes (see line 29). An "eligible" medical expense would include any expense for a service rendered by, or for an article, device or drug prescribed by a licensed health care provider or a Christian Science practitioner.

A "qualified" dependent is any of the following:

- the account holder's child, if under 19 years of age, or under 23 years of age if a full-time student at an accredited college or university,
- the account holder's child who is not self-sufficient due to physical or mental disorders or impairments, or
- the account holder's child who is legally entitled to the provision of proper or necessary subsistence who is not otherwise emancipated, married, or a member of the armed forces of the United States.

Your mailing label — what does it mean?

Why use the label?

The mailing label on the front of the instruction booklet is designed to speed processing at our service center and prevent errors that delay refund checks. Do not attach the label to your return until you have finished completing all of the lines of your return.

Besides your name, address and social security number, the label contains mailing codes, your school district number reported to us by you last year and a "check digit" number that appears at the end of your social security number. The above diagram shows you where these items appear.

Form IT-1040 Instructions for top of the form

Name, address, social security number, and county

Did you receive a label with the correct information?

•

After you have completed your return, take the label off the front of the tax booklet and put it in the "Name" space on the return you send in.

If the label shows both spouses names and social security numbers but you are filing separate returns, you cannot use the label. If you received a label with incorrect information, cross out any errors and print the correct information on the label. Add any missing items (such as an apartment number).

NO

If you didn't receive a label, please print or type your name, address and social security number in the spaces provided. If this is a joint return, print or type both names and social security numbers in the spaces provided.

Write the first four letters of the name of your county where you lived at the end of 1996.

Filing status

Mark the box next to your filing status. Your filing status will be the same as the one you used on your federal income tax form this year with the following exceptions:

Mark the single box on your Ohio return, if on your federal return you marked the box

*"Head of Household" (with qualifying person) OR

*"Qualifying widow(er)" with dependent child.

Caution: IF you and your spouse file a joint return for your federal income tax, you MUST file a joint return for Ohio. IF you and your spouse file separate returns for your federal income tax, you MUST file separate returns for Ohio.

Ohio residency status

*Resident. Mark this box if you were a resident of Ohio all year. If you were away temporarily, you were still a resident of Ohio.

*Nonresident. Mark this box if you were domiciled outside of Ohio all year. Write the name of the state where you resided for 1996 in the space provided.

*Part Year Resident. Mark this box if you moved into or out of Ohio during 1996 not counting being away temporarily. Enter the dates you were an Ohio resident in the space provided.

Caution: Part-year residents should use the non-resident credit in schedule D for income earned while a resident of another state (see page 15).

If you are unsure of your state of residency, Ohio law provides that you will be considered a nonresident of Ohio if you meet **all** of the following requirements:

*During the entire taxable year you had at least one abode outside of Ohio, AND

*You spent no more than 120 days in Ohio during the taxable year, AND

*You attach to your tax return a statement signed under the penalties of perjury, declaring that (i) you were not domiciled in Ohio at any time during the taxable year and (ii) you had at least one place of abode outside Ohio during the entire taxable year.

Such individuals who earn and receive all income outside of Ohio will not have an Ohio tax liability. Such individuals who do earn or receive some income within Ohio will be able to claim the nonresident credit with respect to all items of income not earned or received in Ohio.

It is important that individuals submitting the affidavit appreciate the complete ramifications of submitting this statement. Other state agencies (such as the Ohio Board of Regents, the Ohio Bureau of Motor Vehicles, and the Ohio Elections Division of the Ohio Secretary of State) may no longer recognize you as a resident of Ohio if you submit such a statement to the Ohio Department of Taxation.

Ohio public school district number

Every school district in Ohio has been given an identification number. These numbers are found on pages 24, 25, and 26 of this booklet. Look up the number for your school district that you lived in for the majority of 1996 and write it in the space provided. Non-residents should enter 9999 in the space provided.

Ohio political party fund

The Ohio General Assembly established this fund to support public financing of Ohio political parties. Monies from this fund may only be used for administrative costs associated with party headquarters and party fund-raising drives, organization of voter registration and get out the vote campaigns not related to any particular candidate or election.

If you file a single return and have a tax (line 14) of \$1 or more, you may choose to have \$1 go to this fund by checking the YES box on the return. If you file a joint return and have tax (line 14) of \$2 or more, each of you may choose to have \$1 go to this fund or each may choose not to. Marking YES will not increase the tax due or reduce the refund shown on your return.

Federal Privacy Act

The Privacy Act says that when we ask you for information, we must first tell you our legal right to ask for the information, why we are asking for it, and how we will use that information. We must also tell what could happen if we do not receive it, and whether your response is voluntary, required to obtain a benefit, or mandatory under the law.

This notice applies to all papers you file with us, including this tax return. It also applies to any questions that we need to ask you so we can complete, correct or process your return, figure your tax, and collect tax, interest and penalties.

Our legal right to ask for information is Ohio Revised Code section 5747.08(F). This section says that you must file a return or statement with us for any tax for which you are liable and that you must show your social security number on what you file. This is so we know who you are and can process your returns and papers. You must fill in all parts of the tax form that apply to you.

We ask for tax return information to carry out Ohio's income tax laws. We need this information to figure and collect the right amount of tax. We may give this information to the Internal Revenue Service, the Ohio Attorney General, tax agencies in other cities, the U.S. Department of Justice, and other federal agencies as provided by law.

If you do not file a return, do not provide the information that we ask for, or provide fraudulent information, the law says that you may be charged penalties, and in certain cases you may be subject to criminal prosecution. We may also have to disallow the exemptions, exclusions, credits, deductions or adjustments shown on the tax return. This could make the tax higher or delay any refund. Interest and penalty may also be charged.

Keep this notice with your records. It may help you if we ask for other information. If you have any questions about the rules for filing and giving information, please call or visit any of our offices listed on the back cover of the instruction booklet.

Line 1 — Federal Adjusted Gross Income

Enter the amount from your 1996 federal income tax return.

Use: Form 1040, line 31 OR Form 1040A, line 16 OR Form 1040EZ, line 4 OR

Form 1040-Tel, adjusted gross income

CAUTION: In all cases your line 1 must match your federal adjusted gross income reported on your federal income tax return. There are no exceptions to this requirement.

Line 2 — Adjustments

Schedule A (lines 25 to 44) on the back of the return has a list of additions and deductions to your Ohio income. Turn to pages 11, 12 and 13 and read the additions required and the deductions to which you may be entitled.

- If you have no additions or deductions to your Ohio income, leave line 2 blank.
- If you have additions or deductions in Schedule A on the back of the return, complete Schedule A at this time. Copy the net adjustments from line 44 onto line 2.

Line 3 — Ohio Adjusted Gross Income

Add to or subtract from line 1 the amount of adjustments on line 2.

Line 4 — Exemptions/Dependents

Personal Exemption For You and Your Spouse

You get a personal exemption of \$750 for *yourself* and an additional \$750 for your *spouse* if you are filing a joint return. To assist you in this calculation, you may use the personal and dependent exemption worksheet below.

Dependent Exemptions

Ohio allows a dependent exemption for dependent children and persons other than yourself and your spouse to whom you provide support and claim on your Federal income tax return. You get an \$850 deduction for each dependent exemption. Note that the amount allowed for a dependent exemption is different from the amount allowed for a personal exemption. Write the number of your dependents on line 3 of the personal and dependent exemption worksheet below.

What personal exemptions and dependent exemptions can I claim?

You must claim the same number of personal and dependent exemptions on your Ohio return that you claimed on your Federal return with the following exception:

• Children being claimed as dependents on their parent's Ohio tax return may claim the \$750 personal exemption on their own Ohio tax return and their parents may use the \$850 dependent exemption for that same child on the parent's Ohio tax return.

| Personal and Dependent Exemption Worksheet |
|---|
| Line 1. Personal Exemption for yourself 1. \$750 |
| Line 2. If joint return, enter \$750 for your |

| Line 3. Number of dependents that you |

| Line 4. Total of lines 1, 2, and 3 4. \$ |
| Enter the amount on line 4 of this worksheet on line 4 on |
| the front of your tax return. |

Line 5 — Ohio Taxable Income

Subtract line 4 from line 3.

 Your exemption amount on line 4 may be larger than your Ohio Adjusted Gross Income on line 3. If this is so, enter a "0" (zero) on line 5. You do not owe any Ohio income tax. If you are getting a refund, you must complete and file this return.

Line 6 — Tax Before Credits

Figure the tax on your Ohio taxable income, using the tax tables on pages 16 through 22.

- If your taxable income is less than \$100,000, your tax has been figured for you as shown in Table 1 on pages 16 through 22 or you may use Table 2 on page 22.
- If your taxable income is \$100,000 or more, you <u>must</u> use Table 2 on page 22 to figure your tax.

Line 7 — Credits — Schedule B

Schedule B on the back of the return has a list of the non-business credits that you may be allowed to take. Turn to pages 13, 14 and 15 and read the credits for which you may be eligible.

- If you do have credits, complete Schedule B at this time. Copy the total credits from line 52 onto line 7.
- If you have no credits from Schedule B, leave line 7 blank.

Line 8 — Tax Less Schedule B Credits

Subtract line 7 from line 6.

• If your total credits on line 7 are larger than your tax on line 6, enter a "0" on line 8.

Line 9 — Exemption Credit

Multiply your total number of personal and dependent exemptions by \$20 and enter the amount on line 9.

Line 10 — Tax Less Exemption Credit

Subtract line 9 from line 8.

• If your total credit on line 9 is larger than your tax on line 8, enter a "0" on line 10.

Line 11 — Joint Filing Credit

If you are a married couple filing a joint Ohio income tax return, you may qualify for a Joint Filing Credit. You can take this credit **only** if **each** spouse has Ohio Adjusted Gross Income (line 3) of \$500 or more, **not counting** income from interest, dividends, royalties, rents, capital gains, and state or municipal income tax refunds. Find your Ohio taxable income from line 5 in the first column on page 9. The second column then tells you what percent of your tax on line 10 will be your Joint Filing Credit. Multiply your tax by this percent and enter the amount on line 11. Enter the percent in the space provided. **This credit is limited to a maximum of \$650.**

CAUTION: If you have deducted an amount on Schedule A of your Ohio return, you may not be entitled to the joint filing credit, unless each spouse has other sources of qualifying income totalling \$500 or more included in Ohio Adjusted Gross Income, line 3.

Example: John and Mary Brown file a joint return. John earned \$200,000 from his current employment. Mary's only source of income is \$500 from her state and municipal income tax refunds included in federal adjusted gross income. This \$500 is deducted on line 33 and is not included in the Brown's Ohio Adjusted Gross Income. Therefore, they do

not qualify for Ohio's joint filing credit. However, if Mary had other sources of qualifying income totalling \$500 or more which were not deducted in Schedule A, the Brown's would qualify for the credit.

— If you do not qualify for the Joint Filing Credit, leave line 11 blank.

— If you do qualify for the Joint Filing Credit, figure it this way:

If your Ohio taxable

• ON JOINT RETURNS if either spouse does not have a wage and tax statement (W-2 Form) showing \$500 or more of Ohio Adjusted Gross Income, you **must** attach a separate statement to the return explaining what the income is. You **must** show that each spouse has \$500 or more of qualifying income included in Ohio Adjusted Gross Income (line 3) in order to take the Joint Filing Credit.

Line 12 — Tax Less Joint Filing Credit

Line 14 — Ohio Income Tax

Subtract line 13 from line 12.

Line 15 — Ohio Income Tax Withheld

Enter the total amount of Ohio tax withheld. This is shown normally on your tax statement (W-2 or 1099R) Form(s) in box 18.

Caution: You may not claim a previous year's refund that you did not receive. You must write a separate request for any refunds that you did not receive.

Line 17 — Refundable Business Jobs Credit

If you have been granted a refundable tax credit by the Ohio Tax Credit Authority of the Ohio Department of Development, you should enter the certified amount on line 17. This amount shall be considered a payment which may be refunded in whole or in part if your total payments on line 18 exceed the tax on line 14. For further details about this credit, Call the Ohio Department of Development at (614) 466-4551.

Line 18 — Total Payments

Add the amounts on lines 15, 16, and 17 and write the total on line 18.

Line 19 — Tax Due

If line 18 is less than line 14, you owe more tax. Subtract line 18 from line 14 and enter the tax you owe on line 19.

Line 19a — Interest Penalty

Most taxpayers are not required to enter an amount on this line. However, you may owe an interest penalty if your 1996 Ohio tax withheld (line 15, 1996 IT-1040) is less than both of the following:

- 90% of your 1996 Ohio income tax (line 14, 1996 IT-1040) less \$300; and
- 100% of your 1995 Ohio income tax (line 14, 1995 IT-1040 or line 2 1995 IT-1040EZ) less \$300.

To see if you owe an interest penalty you may either complete Form IT-2210 or elect for us to do the computation. If we do the computation and compute that you owe an interest penalty, we will send you a bill — but see "lowering your interest penalty" below.

If you elect to do the computation and you owe an interest penalty, enter on line 19a the total interest penalty due from your 1996 IT-2210. Check the box next to line 19a that indicates that you have completed Form IT-2210 and attach Form IT-2210 to your Ohio income tax return (Form IT-1040).

Lowering your interest penalty:

You may not owe the interest penalty or you may be able to lower the amount of your interest penalty if either of the following conditions apply and you complete Form IT-2210 and attach it to your return:

- Your income varied during the year and you used the annualized income installment method (part II of Form IT-2210) to figure your quarterly tax payments, or
- You had Ohio income tax withheld from your wages and you elect for each quarter's computation (part I of Form IT-2210) to show when the tax was actually withheld instead of in four equal amounts.

NOTE: Form IT-2210 may be obtained by contacting any of the offices listed on the back of this booklet.

Line 19b — Amount You Owe

Add the amount(s) on line 19 and line 19a and enter the total on line 19b. This is the amount you owe.

- Make your check or money order payable to the **Treasurer** of State of Ohio. Write your social security number on your check or money order.
- If you cannot pay the amount you owe, you should still file the return by April 15th to avoid the late filing penalty.

Line 20 — Amount Overpaid

If line 18 is larger than line 14, you have overpaid. Subtract line 14 from line 18 and enter the amount of overpayment on line 20.

CAUTION: If you have an overpayment on line 20 of your 1996 Form IT-1040 and owe interest penalty, show your total overpayment on line 20 of your IT-1040 and then deduct the interest penalty (line 19a) in arriving at the net amount on line 23 (ONLY if you are crediting all of your overpayment to 1997) or the net amount on line 24.

Line 21 and 22 — Wildlife Checkoff and Natural Areas

If you have an overpayment on line 20, you may donate part of it or all of it to either or both of the two programs in the Ohio Department of Natural Resources. These programs work to protect your natural heritage. Due to the confidentiality of your tax return, these programs cannot know who donates and are therefore unable to thank you directly for your donations. They wish, however, to express their sincere appreciation to those taxpayers who supported the protection of Ohio's natural heritage last year.

Line 21 may be used to benefit Ohio's endangered wildlife and to increase the wildlife diversity in the state. The Division of Wildlife uses your donation to acquire and restore critical habitat, reintroduce and reestablish various wild-

life species to Ohio, increase awareness and appreciation of wildlife diversity through educational programs, research projects of critical importance to wildlife populations, and rehabilitate injured wildlife.

Donations to this fund have enabled the Division of Wildlife to increase the number of nesting bald eagle pairs in Ohio from 4 to 33, and to reintroduce river otters, peregrine falcons, paddlefish, osprey, and trumpeter swans. With 116 animals classified as endangered in the state and critical habitat being lost to urban and rural development daily, the effort is far from finished.

Please join us in securing a future for wildlife currently in jeopardy by making a donation. Your financial help will benefit songbirds, butterflies, fishes, mammals and insects, and enhance the quality of life in Ohio.

Natural Areas Line 22 may be used to donate to the preservation of Ohio's threatened natural heritage. Ohio natural areas, scenic rivers and endangered plants and animals all benefit from donations to

the Division of Natural Areas and Preserves. These areas we are protecting today serve as vital links to Ohio's natural history. They provide an extremely rich resource for many of our state's educational institutions who often use these natural sanctuaries as outdoor classrooms. Your gifts have provided new visitor facilities, supported nature awareness programs, facilitated stream quality monitoring, and funded endangered species protection. Checkoff surveys have identified many high quality natural areas that need protection to keep them from being destroyed. You can help create a nature preserve and scenic river system that will provide a rich and lasting legacy for all Ohioans. Give nature a chance - support the natural areas checkoff!

If you want to donate, check a box on line 21 or line 22 or both to show how much of your overpayment you wish to give. Then write the amount in the space provided.

CAUTION: A donation will reduce the amount of the refund that will be sent to you. If you decide to donate, this decision is final. You cannot change your mind and ask for your donations to be refunded once you have sent in vour return.

If you do not want to donate, leave lines 21 and 22 blank.

If you do not have an overpayment on line 20, but you want to donate to protect Ohio's natural heritage, you can still do it. DON'T DO IT ON YOUR INCOME TAX FORM. Instead, you can donate directly to these programs by writing

- If you want to donate to endangered wildlife species and biodiversity projects, make your check out to: Nongame and Endangered Wildlife Special Account.
- If you want to donate to nature preserves, scenic rivers, and endangered species protection, make your check out to: Natural Areas and Preserves Special Account. Mail your donation to:

Ohio Department of Natural Resources Deputy Director for Recreation Management Fountain Square Court Columbus, Ohio 43224

Line 23 — Amount of Overpayment to be Credited to 1997 Estimated Income Tax

You may apply part or all of your overpayment on line 20 to your 1997 Ohio Income Tax. Enter on line 23 the amount of the overpayment that you want to apply to 1997. However, if you want to credit your entire overpayment to 1997 but have an interest penalty, you must reduce line 23 by the amount appearing on line 19a.

Line 24 — Refund to be Sent to

Add the amounts on lines 19a, 21, 22, and 23 and subtract this total from the amount on line 20. This is the amount of refund which will be sent to you.

CAUTION: If you move after filing your tax return and you are expecting a refund, notify the Post Office serving your old address. Fill out a change of address form at the Post Office.

- Interest paid by the IRS on a federal income tax refund.
- Interest income from Fannie Maes or Ginnie Maes.

Line 32 — Neighboring States

Residents of Indiana, Kentucky, West Virginia, Michigan or Pennsylvania do not have to file an Ohio income tax return if:

- you were a full year resident of one of these states
- your only source of income was from wages, salaries, tips, or commissions and
- · you did not have Ohio tax withheld.

You should pay tax in your home state on this income. If Ohio tax was withheld on this income, you must file an Ohio tax return to get your refund. Deduct your entire income on line 32.

If you were a part-year resident of Ohio or if you had additional sources of income from Ohio, you cannot use this deduction. Instead, you must use the part-year resident and nonresident credit in Schedule D.

Note: Residents of these neighboring states who work in Ohio should complete Form IT-4NR and give it to their employer to stop Ohio withholding for 1997.

Caution: Wages, salaries, tips and commissions earned by Ohio residents in these states will be taxed by Ohio. If your employer withheld tax for the wrong state, you must file with the other state for your refund. Do not include the amount withheld for the other state on line 15.

Line 33 — State or Municipal Refund

Deduct on line 33 the amount of state and municipal income tax overpayments appearing on line 10 of your Federal Form 1040.

Line 34 — Disability and **Survivorship Benefits**

Certain disability and survivorship benefits may be deducted on your Ohio income tax return.

YOU MAY DEDUCT:

- Benefits from an employee's disability plan paid as the result of a permanent physical or mental disability. Note that the disability must be (or presumed to be) permanent.
 - Disability means a permanent physical or mental impairment which makes you unable to work for pay in the jobs for which you are qualified by training and experience.
- Survivorship benefits paid from a qualified survivorship plan as the result of the death of a covered employee.

YOU MAY NOT DEDUCT:

• Payments which otherwise qualify as retirement or pension benefits. Upon reaching minimum retirement age, disability benefits which are under an employee disability plan are considered retirement or pension benefits and are no longer deductible. (See instructions for line 45 for the proper treatment of retirement benefits.)

- Temporary wage continuation plans.
- Payments for temporary illnesses or injuries.

Line 35 — Federal Targeted Jobs Tax Credit/Work Opportunity Tax Credit

Employers may deduct the wage and salary expense not otherwise deducted for federal tax purposes because of the federal targeted jobs tax credit or the work opportunity tax credits.

Deduct the following benefits **only** if and to the extent they are included in your Federal Adjusted Gross Income.

Line 38 — Ohio Tuition Credits

Deduct the increase in value of prepaid tuition credits/units used for higher education in 1996 in excess of the original purchase price to the extent the increase is included in your Federal Adjusted Gross Income. However, you cannot deduct the increase in value of (i) refunded tuition credits/units (because the funds were not used for college costs), (ii) refunded supplemental tuition credits/units, and (iii) used supplemental credits/units.

You may deduct the decrease in value of refunded tuition credits/units if the loss was not deducted in arriving at Federal Adjusted Gross Income.

The Prepaid Tuition Program was created in 1989 by the Ohio General Assembly as a way for Ohio families to start paying for their children's college tuition at today's prices while their children are young. Prepaid tuition can be used at any accredited college in the country and is backed by the full faith and credit of the State of Ohio. It is administered by the Ohio Tuition Trust Authority, a state agency. For more information about Ohio's Prepaid Tuition Program, please call the Tuition Trust at 1-800-AFFORD-IT (233-6734) or 1-800-589-OTTA (6882).

Line 39 — Refunds or Reimbursements of Prior-year Federal Itemized Deductions

You may deduct a refund or reimbursement of an expense you originally deducted on a prior-year federal income tax return as an itemized deduction if the following conditions are met:

- The refund or reimbursement was included in your Federal Adjusted Gross Income on your 1996 federal income tax return, IRS Form 1040, line 21, AND
- The expense for which you were refunded or reimbursed was deducted as an itemized deduction on Schedule A of a prior-year federal income tax return, IRS Form 1040.

Example: John Brown claimed an itemized deduction of \$500 for medical expenses on his 1995 federal income tax return. In 1996, he received a reimbursement of \$200 of the medical expenses from his insurance company which he reported as income on line 21 of his 1996 federal income tax return. Mr. Brown is entitled to deduct the \$200 reimbursement on line 39 of his Ohio income tax return.

CAUTION: Do not deduct on this line state or municipal income tax overpayments (see line 33).

Line 40 — Repayment of Income Reported in a Prior Year

If in 1996 you repaid an amount that you received and included in your Federal Adjusted Gross Income in a prior year, you may be able to deduct the repaid amount on your Ohio return. However, the following three conditions must apply:

- For federal income tax purposes, you claimed an itemized deduction on Schedule A of your 1996 federal income tax return for the amount repaid or you claimed a tax credit on your 1996 federal income tax return based upon the amount repaid. and
- The repayment has not otherwise reduced your Federal Adjusted Gross Income for 1996 or any other taxable year, and
- In the year you received the income, the income did not qualify for either the resident or non-resident/part-year resident tax credits on schedules C or D of your Ohio income tax return.

Example: John Brown received a \$1,000 bonus from his employer in 1995 and included the bonus in his 1995 Federal Adjusted Gross Income. In 1996, the employer informed John that he must repay \$200 of the bonus because the amount was computed in error. John repaid the amount in 1996. John is entitled to a deduction of \$200 on line 40 of the Ohio income tax return.

Line 41 — Self-employed Health Insurance Costs

If you were self-employed, you may be entitled to deduct the amount you paid during the taxable year for health insurance coverage for you, your spouse and your dependents. This deduction is limited to your earned income from the business that has the health insurance plan. Earned income includes net earnings and gains from the sale, transfer, or licensing of property you created. It does not include capital gain income. Caution: If you were eligible to participate in any health plan maintained by your or your spouse's employer for any month or part of a month in 1996, amounts paid for health insurance coverage for that month cannot be used to figure this deduction.

You may also deduct monies deposited into a medical savings account by your employer on your behalf. The contribution deduction is limited to \$3,000 per return per year

(\$6,000 for married filing joint). Any investment income and interest earned for the year by the medical savings account is also deductible.

If line 30 is SMALLER THAN line 43 subtract line 30 from line 43 and enter the difference on line 44. In this case you have more deductions than additions to your income. Copy this amount onto line 2 on the front of the return. Put the amount in parentheses on line 2 to show that it is a minus (negative) number. Schedule B—Credits _

Line 45 — Retirement Income Credit

To qualify for the Ohio Retirement Income Credit, you must meet all of the following tests:

- You must have received retirement benefits, annuities, or distributions that were made from a pension, retirement or profit-sharing plan. However, do not include any income deducted on line 36.
- You must have received this income because you have retired.
- This income must be included in your Ohio Adjusted Gross Income on line 3.

The amount of the credit is as follows: Amount of qualifying retirement Retirement income received and included in income credit Ohio Adjusted Gross Income for the taxable during the taxable year: year: \$500 or less \$ 0 Over \$ 500 but not more than \$1,500 \$ 25 Over \$1,500 but not more than \$3,000 \$ 50 Over \$3,000 but not more than \$5,000 \$ 80 Over \$5,000 but not more than \$8,000 \$130 Over \$8,000 \$200

The maximum credit per return is \$200.

If you are filing a joint return, combine the total qualifying retirement income for both spouses to determine the credit from the table.

Example: John and Mary Brown are retired and file a joint return. John has \$5,000 qualifying retirement income included in Ohio Adjusted Gross Income line 3. Mary has \$2,000 qualifying retirement income included in Ohio Adjusted Gross Income line 3. Add the two qualifying retirement incomes; the total is \$7,000. The table shows a credit of \$130 for retirement income of over \$5,000 but not more than \$8,000. The Browns' would be entitled to an Ohio Retirement Income Credit of \$130.

Line 46 — Senior Citizen Credit

You may claim a \$50 credit if you were 65 years of age or older prior to January 1, 1997. Only one credit of \$50 is allowed for each return even if you are filing a joint return and you and your spouse are both 65 years of age or older.

Line 47 — Lump Sum Distribution Credit

This credit is available only to individuals 65 years of age or older before January 1, 1997.

If you received a lump sum distribution from a pension, retirement, or profit-sharing plan whether on account of retirement or separation from employment and if you are 65 years of age or older, you may be able to take advantage of a special tax treatment which uses the \$50 senior citizen tax credit times your expected remaining life years. Please contact one of the offices of the Department of Taxation to obtain the special instructions. You can only claim this credit once. Below are some general guidelines.

IF THE ANSWERS TO QUESTIONS 1 THROUGH 7 ARE ALL YES, THEN THE DISTRIBUTION QUALIFIES FOR THE LUMP SUM DISTRIBUTION CREDIT.

- 1. Were you 65 years of age or older before January 1, 1997?
- 2. Was the lump sum distributed from a qualified employee benefit plan (pension, profit-sharing, stock bonus, Keogh, IRC 401(k), STRS, PERS, SERS)?
- 3. Was the distribution made from all of the employer's qualified plans of one kind in which the employee had funds?
- 4. Was the distribution for the full amount credited to the employee?
- 5. Was the distribution paid within a single tax year?
- 6. Was the employee a participant in the plan for 5 taxable years before the tax year of the distribution or was the distribution made because the employee died?
- 7. Was the distribution made because the employee died, quit, retired, was laid-off, or was fired?

IF YOU ANSWERED **NO** TO ANY OF THE ABOVE QUESTIONS, YOU DO NOT QUALIFY FOR THIS CREDIT.

CAUTION: If you take this credit, you <u>cannot</u> take the \$50 Senior Citizen's Credit on this year's return or any future year's return.

Line 48 — Child and Dependent Care Credit

If your Ohio Adjusted Gross Income (line 3) is less than \$40,000 and if you made payments that qualified for the federal Child and/or Dependent Care Credit, you may be entitled to the Ohio Child and Dependent Care Credit.

If you:

- received income in a lump sum distribution during 1996 or
