Determining Your Filing Requirement

If you do not meet the Federal filing requirements as shown in either Chart A or Chart B on this page, you are not required to file an Oklahoma tax return. If you have withholding or made estimated tax payments you would like to have refunded, please follow the instructions on page 5, "Not Required to File".

Chart A: Federal Filing Requirements for Most People

To use this chart, first find your filing status. Then read across to find your age at the end of 2012. You must file a return if your gross income was at least the amount shown in the last column.

If your Filing Status Is...	And your Age Is*...	And if your Gross Income Is... **
Single	Under 65	\$ 9,750
	65 or older	\$11,200
Married Filing Joint***	Both under 65	\$19,500
	One 65 or older	\$20,650
	Both 65 or older	\$21,800
Married Filing Separate	Any age	\$ 3,800
Head of Household	Under 65	\$12,500
	65 or older	\$13,950
Qualifying Widow(er) with a Dependent Child	Under 65	\$15,700
	65 or older	\$16,850

*If you turned age 65 on January 1, 2013, you are considered to be 65 at the end of 2012.

**Gross income means all the income you received in the form of money, goods, property, and services that is not exempt from Federal tax.

Do not include any social security benefits unless (a) you are married filing separate and you lived with your spouse at any time in 2012 or (b) one-half of your social security benefits plus your other gross income and any Federal tax-exempt interest is more than \$25,000 (\$32,000 is married filing jointly). If (a) or (b) applies, see the instructions for Federal Form 1040 or 1040A to figure the taxable part of social security benefits you must include in gross income.

***If you did not live with your spouse at the end of 2012 (or on the date your spouse died) and your gross income was at least \$3,800, you must file a return regardless of your age.

RESIDENCE DEFINED

RESIDENT...

An Oklahoma resident is a person domiciled in this state for the entire tax year. "Domicile" is the place established as a person's true, fixed, and permanent home. It is the place you intend to return to whenever you are away (as on vacation abroad, business assignment, educational leave or military assignment). A domicile, once established, remains until a new one is adopted.

PART-YEAR RESIDENT...

A part-year resident is an individual whose domicile was in Oklahoma for a period of less than 12 months during the tax year.

NONRESIDENT...

A nonresident is an individual whose domicile was not in Oklahoma for any portion of the tax year.

MEMBERS OF THE ARMED FORCES...

Residency is established according to military domicile as established by the Soldiers' and Sailors' Civil Relief Act.

If you were an Oklahoma resident at the time you entered military service, assignment to duty outside Oklahoma does not of itself change your state of residence. You must file your return as a resident of Oklahoma until such time as you establish a permanent residence in another state and change your military records (as evidenced by the military's Form DD2058). See the specific instructions for Schedule 511-C, line C1 - Military Pay Exclusion.

When the spouse of a military member is a civilian and has the same legal residency as the military member, the spouse may retain such legal residency. They file a joint resident tax return in the military members' State of Legal Residency (if required) and are taxed jointly under nonresident rules as they move from state to state. If the non-military spouse does not have the same legal residency as the military member, the same residency rules apply as would apply to any other civilian. The spouse would then comply with all residency rules where living.

An Oklahoma resident filing a joint Federal return with a non-resident spouse may have options on how to file the Oklahoma return(s). See "Filing Status" in the "Top of Form Instructions" on page 7 for further information.

WHAT IS "RESIDENT INCOME"?

An Oklahoma resident individual is taxed on all income reported on the Federal return, except income from real and tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state.

Note: Residents are taxed on all income from non-business interest and dividends, salaries, commissions and other pay for personal services regardless of where earned. Wages earned outside of Oklahoma must be included in your Oklahoma return, and credit for taxes paid other states claimed on Oklahoma Form 511TX. (See Form 511, line 16)

DUE DATE

Generally, your Oklahoma income tax return is due April 15th, the same day as your Federal return. However:

- If you file your return electronically (through a preparer or the internet), your due date is extended to April 20th. Any payment of taxes due on April 20th must be remitted electronically in order to be considered timely paid. If the balance due on an electronically filed return is not remitted electronically, penalty and interest will accrue from the original due date.
- If the Internal Revenue Code (IRC) of the IRS provides for a later due date, your return may be filed by the later due date and will be considered timely filed. You should write the appropriate "disaster designation" as determined by the IRS at the top of the return, if applicable. If a bill is received for delinquent penalty and interest, you should contact the Oklahoma Tax Commission (OTC) at the number on the bill.
- If the due date falls on a weekend or legal holiday when OTC offices are closed, your return is due the next business day. Your return must be postmarked by the due date to be considered timely filed.

WHO MUST FILE?

RESIDENT...

Every Oklahoma resident who has sufficient gross income to require the filing of a Federal income tax return is required to file an Oklahoma return, regardless of the source of income.

If you do not have a filing requirement, but had Oklahoma tax withheld, made estimated tax payments or claim earned income credit, see the next section "Not Required to File" for further instructions. If you are uncertain about your filing requirement, please see the charts on page 3.

PART-YEAR RESIDENT...

Every part-year resident, during the period of residency, has the same filing requirements as a resident. During the period of non-residency, an Oklahoma return is also required if the Oklahoma part-year resident has gross income from Oklahoma sources of \$1,000 or more. Use Form 511NR.

NONRESIDENT...

Every nonresident with gross income from Oklahoma sources of \$1,000 or more is required to file an Oklahoma income tax return. Use Form 511NR.

NOT REQUIRED TO FILE

STEP ONE

Did you have sufficient gross income to require you to file a Federal return?

Yes - You are required to file an Oklahoma return. Follow the instructions on pages 6-19 to help you complete your Oklahoma return (Form 511).

No - Go to step 2.

STEP TWO

Did you have any Oklahoma withholding, make Oklahoma estimated tax payments, or claim earned income credit?

Yes - Go to step 3.

No - You are not required to file an Oklahoma return (Form 511). You may still qualify to file for sales tax relief, see the instructions on the back of Form 538-S.

STEP THREE

You should file an Oklahoma tax return. Complete the Form 511 as follows:

- Fill out the top portion of the Form 511 according to the "Top of Form Instructions" on pages 6 and 7. Be sure and place an 'X' in the box "Not Required to File".
- Complete line 1. Enter the amount of your gross income subject to the Federal filing requirement. In most cases this will be the same as your Federal Adjusted Gross Income. (Do not complete lines 2-19)
- Complete lines 20 through 40 that are applicable to you. If you qualify for the Federal earned income credit, you qualify for the Oklahoma earned income credit. Enter 5% of the Federal earned income credit on Form 511, line 28 (do not complete Schedule 511-F).
- Sign and mail Form 511, pages 1 and 2 only. Do not mail pages 3 and 4. Only send in page 5 if you have completed Schedule 511-G. Be sure to include your W-2, 1099 or other withholding statement to substantiate any Oklahoma withholding.

ALL ABOUT REFUNDS

You can check your refund status by telephone. Simply call us at (405) 521-3160 or in-state toll free at (800) 522-8165, and select the option "Check the Status of an Income Tax Refund". By providing your SSN and amount of your refund, the system will provide you with the status of your refund. For electronically filed returns, please wait 10 days before calling. For paper filed returns, please wait six weeks before calling. Should you have questions during your call, you will have the option to speak with an OTC representative.

If you do not choose to have your refund deposited directly into your bank account, you will receive a debit card. See page 18 for information on debit cards and page 32 for more information on direct deposit.

A debit card or direct deposit are not your only options to receive your refund. If timely filing you may have any amount of overpayment applied to your next year's estimated tax. Refunds applied to the following year's Oklahoma estimated income tax (at the taxpayer's request) may not be adjusted after the original due date of the return.

NET OPERATING LOSS

The loss year return must be filed to establish the Oklahoma Net Operating Loss (NOL). Oklahoma NOL shall be separately determined by reference to IRC Section 172 as modified by the Oklahoma Income Tax Act and shall be allowed without regard to the existence of a Federal NOL. Enclose a detailed schedule showing the origin and NOL computation. Residents use Oklahoma 511 NOL Schedules. Also enclose a copy of the Federal NOL computation.

For tax years 2001 – 2007 and tax years 2009 and subsequent, the years to which an NOL may be carried shall be determined solely by reference to IRC Section 172. For tax year 2008, the years to which an NOL may be carried back shall be limited to two years.

An NOL resulting from a farming loss may be carried back in accordance with and to the extent of IRC Section 172(b)(G). However, the amount of the NOL carryback shall not exceed the lesser of: \$60,000, or the loss properly shown on the Federal Schedule F reduced by half of the income from all other sources other than reflected on Schedule F. You can choose to treat the NOL as if it were not a farming loss. If you make this choice, the carryback period will be determined by reference to IRC Section 172 and the amount of the NOL carryback will not be limited.

An election may be made to forego the carryback period. A written statement of the election must be part of the original timely filed Oklahoma loss year return. However, if you filed your return on time without making the election, you may still make the election on an amended return filed within six months of the due date of the return (excluding extensions). Attach the election to the amended return. Once made, the election is irrevocable.

The Oklahoma NOL(s) shall be subtracted on Schedule 511-A, line 9 or Form 511X, line 2.

The Federal NOL(s) shall be added on Schedule 511-B, line 4 or Form 511X, line 6.

ESTIMATED INCOME TAX

You must make equal* quarterly estimated tax payments if you can reasonably expect your tax liability to exceed your withholding by \$500 or more **and** you expect your withholding to be less than the smaller of:

1. 70% of your current year's tax liability, or
2. The tax liability shown on your return for the preceding taxable year of 12 months.

Taxpayers who fail to make timely estimated tax payments may be subject to interest on underpayment. Form OW-8-ES, for filing estimated tax payments, will be supplied on request. If at least 66-2/3% of your gross income for this year or last year is from farming, estimated payments are not required. If claiming this exception, please see instructions for line 24.

Estimated payments can be made through the OTC website by e-check or credit card. Visit the "Online Services" section at www.tax.ok.gov.

* For purposes of determining the amount of tax due on any of the respective dates, taxpayers may compute the tax by placing taxable income on an annualized basis. See Form OW-8-ES-SUP.

WHAT IS AN "EXTENSION"?

A valid extension of time in which to file your Federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the Federal extension must be enclosed with your Oklahoma return. If your Federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504.

90% of the tax liability must be paid by the original due date of the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.

WHEN TO FILE AN AMENDED RETURN

Generally, to claim a refund, your amended return must be filed within three years from the date tax, penalty and interest was paid. For most taxpayers, the three year period begins on the original due date of the Oklahoma tax return. Estimated tax and withholdings are deemed paid on the original due date (excluding extensions).

If your Federal return for any year is changed, an amended Oklahoma return shall be filed within one year. File Oklahoma **Form 511X** and enclose a copy of the Federal Form 1040X, 1045, RAR or other IRS notice, correspondence and/or documentation. Form 511X can be downloaded from the website at **www.tax.ok.gov**. Part-year and nonresidents shall use Form 511NR. Please enclose a copy of the IRS refund or statement of adjustment.

If you discover an error made on your Oklahoma return, we may be able to help you correct the return. For additional information, please call our Taxpayer Assistance Division at (405) 521-3160. Within Oklahoma, call toll-free (800) 522-8165.

TOP OF FORM INSTRUCTIONS

D

FILING STATUS

The filing status for Oklahoma purposes is the same as on the Federal income tax return, with one exception. This exception applies to married taxpayers who file a joint Federal return where one spouse is a full-year Oklahoma resident (either civilian or military), and the other is a full-year nonresident civilian (non-military). In this case, the taxpayers must either:

1. File as Oklahoma married filing separate. The Oklahoma resident, filing a joint Federal return with a nonresident civilian spouse, may file an Oklahoma return as married filing separate. The resident will file on Form 511 using the married filing separate rates and reporting only his/her income and deductions. If the nonresident civilian also has an Oklahoma filing requirement, he/she will file on Form 511NR, using married filing separate rates and reporting his/her income and deductions. Form 574 "Allocation of Income and Deductions" must be filed with the return(s). You can obtain this form from our website at www.tax.ok.gov.

-OR-

2. File as if both the resident and the nonresident civilian were Oklahoma residents on Form 511. Use the "married filing joint" filing status, and report all income. A tax credit (Form 511TX) may be used to claim credit for taxes paid to another state, if applicable. A statement should be attached to the return stating the nonresident is filing as a resident for tax purposes only.

If an Oklahoma resident (either civilian or military) files a joint Federal return with a nonresident **military** spouse, they shall use the same filing status as on the Federal return. If they file a joint Federal return, they shall complete Form 511NR and include in the Oklahoma amount column, all Oklahoma source income of both the resident and the nonresident.

E

SIXTY-FIVE OR OVER

Place an 'X' in the box(es) if your, or your spouse's, age is 65 on or before December 31, 2012. If you turned age 65 on January 1, 2013, you are considered to be age 65 at the end of 2012.

F

NOT REQUIRED TO FILE

Place an 'X' in the box, if you do not have sufficient gross income to require you to file a Federal return, and you had Oklahoma tax withheld, made estimated tax payments or qualify for Oklahoma earned income credit.

Finish the top portion of the return by completing the "Exemptions" section (part G on the diagram on page 6).

Complete line 1. Enter the amount of your gross income subject to the Federal filing requirement. In most cases this will be the same as your Federal Adjusted Gross Income. (Do not complete lines 2-19.)

If you qualify for the Federal earned income credit, you qualify for the Oklahoma earned income credit. Enter 5% of the Federal earned income credit on Form 511, line 28 (do not complete schedule 511-F).

Sign and mail the return. Be sure to include your W-2, 1099 or other withholding statement to substantiate any Oklahoma withholding.

14 Oklahoma Income Tax

Using Form 511, line 13, find your tax in the Tax Table (pages 20-31). Enter the result here unless you used Form 573 “Farm Income Averaging”. If you used Form 573, enter the amount from Form 573, line 22, and enter a “1” in the box.

Amounts withdrawn from a Health Savings Account for any purpose other than those described in 36 OS Sec. 6060.17 and which are included in your Federal adjusted gross income are subject to an additional 10% tax. Add the additional 10% tax to your tax from the tax table* and enter a “2” in the box.

* If you also used Form 573, add the 10% tax to the tax from Form 573, line 22.

15 Child Care/Child Tax Credit

Complete line 15 unless your Oklahoma Adjusted Gross Income (Form 511, line 7) is less than your Federal Adjusted Gross Income (Form 511, line 1). If your Oklahoma Adjusted Gross Income is less than your Federal Adjusted Gross Income, complete Schedule 511-E to determine the amount to enter on line 15.

If your Federal Adjusted Gross Income is \$100,000 or less and you are allowed either a credit for child care expenses or the child tax credit on your Federal return, you are allowed a credit against your Oklahoma tax. Your Oklahoma credit is the **greater** of:

- 20% of the credit for child care expenses allowed by the IRC. Your allowed Federal credit cannot exceed the amount of your Federal tax reported on your Federal return.

or

- 5% of the child tax credit allowed by the IRC. This includes both the nonrefundable child tax credit and the refundable additional child tax credit.

If your Federal Adjusted Gross Income is greater than \$100,000 no credit is allowed.

16 Credit for Tax Paid to Another State

If you receive income for personal services from another state, you must report the full amount of such income on your Oklahoma return. If the other state also taxes the income, a credit is allowed on Form 511. Complete Oklahoma Form 511TX and furnish a copy of the other state(s) return, or Form W-2G if the taxing state does not allow a return to be filed for gambling winnings (example: Mississippi).

Note: Taxpayers who have claimed credit for taxes paid to another state on the other state's income tax return do not qualify to claim this credit based on the same income.

Oklahoma Tax Law requires you to pay a use tax on certain items bought out-of-state for use in Oklahoma.

Pay your use tax!

It's the law.

20 Oklahoma Use Tax

Every state with a sales tax has a companion tax for purchases made outside the state. In Oklahoma, that tax is called “use tax”. If you have purchased items for use in Oklahoma from retailers who do not collect Oklahoma sales tax whether by mail order, catalog, television shopping networks, radio, Internet, phone or in person, you owe Oklahoma use tax on those items. Use tax is paid by the buyer when the Oklahoma sales tax has not been collected by the seller. Individuals in Oklahoma are responsible for paying use tax on their out-of-state purchases.

Examples of items that are subject to sales tax include books, compact discs, computer equipment, computer software, electronics, clothing, appliances, furniture, sporting goods and jewelry. When an out-of-state retailer does not collect Oklahoma sales tax, the responsibility of paying the tax falls on the purchaser.

Use tax is calculated at the same rate as sales tax, which varies by city and county. The state sales tax rate is 4.5% (.045) plus the applicable city and/or county rates. If you do not know the exact amount of Oklahoma use tax you owe based on your city and county sales tax rate, you can either:

1. Use the tax table on page 11 or multiply your Adjusted Gross Income from line 1 by 0.056% (.00056),
or
2. Use one of the worksheets below to calculate your Oklahoma use tax. Complete Worksheet One if you kept records of all of your out-of-state purchases. Complete Worksheet Two if you did not keep records of all of your out-of-state purchases.

Oklahoma Use Tax - Worksheet #2 (continued)

Worksheet Two has two parts. The first part is a calculation of the amount due on items that cost less than \$1,000 each and the second part is a calculation of the amount due on items that cost \$1,000 or more each. The first calculation is based on a Use Tax Table that reflects the estimated amount of use tax due by taxpayers with varying amounts of Federal Adjusted Gross Income. The estimated amount is 0.056% (.00056) of Federal adjusted gross income. If you believe that estimate from the table is too high for your out-of-state purchases, you may estimate what you think you owe.

If you paid another state’s sales or use tax on any purchase, that amount may be credited against the Oklahoma use tax due on that purchase.

Note: Your use tax worksheets may be reviewed. If it is determined that you owe more use tax than what is shown on your return, you may be subject to an assessment for the additional use tax.

**See Page 11 for the
Oklahoma Use Tax Table**

21 Business Activity Tax

Every sole proprietor or farmer, except single-member limited liability companies (LLCs), doing business in Oklahoma is required to file a Form 511-BAT. All LLCs, including those that are disregarded entities for Federal income tax purposes, are now required to file Form BT-190. If filing a joint income tax return and both spouses are doing business in Oklahoma, complete only one Form 511-BAT.

If you began doing business in Oklahoma prior to January 1, 2012 you are subject to an annual Business Activity Tax of \$25. The Form 511-BAT must be enclosed with your income tax return whether or not the \$25 is due. The Form 511-BAT can be downloaded from our website at www.tax.ok.gov.

Individuals who timely pay the \$25 Business Activity Tax are entitled to a \$25 nonrefundable income tax credit. The \$25 is entered on Form 511CR, line 43 and carried to Form 511, line 17.

24 Oklahoma Estimated Tax Payments

Enter any payments you made on your estimated Oklahoma income tax for 2012. Include any overpayment from your 2011 return you applied to your 2012 estimated tax.

If at least 66-2/3% of your gross income this year or last year is from farming, estimated payments are not required. If claiming this exception, you must mark the box on this line and **enclose** a complete copy of your Federal return.

For information regarding who is required to make estimated tax payments, refer to page 5, "Estimated Income Tax".

25 Payment with Extension

If you filed Oklahoma extension Form 504 for 2012, enter any amount you paid with that form.

26 Credit for Property Tax Relief

Any person 65 years of age or older or any totally disabled person who is head of a household, a resident of and domiciled in this state during the entire preceding calendar year, and whose gross household income for such year does not exceed \$12,000, may file a claim for property tax relief on the amount of property taxes paid on the household they occupied during the preceding calendar year. The credit may not exceed \$200. Claim must be made on Form 538-H.

27 Sales Tax Relief/Credit

If you are required to file an Oklahoma income tax return, your return must be filed by April 15th. An extension of time to file your return, including the April 20th due date for electronically filed returns, does apply to this credit.

To file for sales tax relief, you must be an Oklahoma resident for the entire year. Your total gross household income cannot exceed \$20,000 unless one of the following applies:

- You can claim an exemption for your dependent, or
- You are 65 years of age or older by 12/31/2012, or
- You have a physical disability constituting a substantial handicap to employment (provide proof, see Form 538-S).

If any one of the above three items pertains to you, your total gross household income limit is increased to \$50,000. Fill out and enclose Form 538-S if you qualify for this credit. The Form 538-S is included in this packet.

The Oklahoma Department of Human Services will make the sales tax refund to persons who have continuously received aid to the aged, blind, disabled or Medicaid payments for nursing home care from January 1, 2012 to December 31, 2012. Persons who have received temporary assistance for needy families (TANF) for any month in the year of 2012 are not eligible for the sales tax refund.

A person convicted of a felony shall not be permitted to file a claim for sales tax relief for any year for which that person is an inmate in the custody of the Department of Corrections for any part of that year.

28 Earned Income Credit

Complete line 28 unless your Oklahoma adjusted gross income (Form 511, line 7) is less than your Federal adjusted gross income (Form 511, line 1). If your Oklahoma adjusted gross income is less than your Federal adjusted gross income, complete Schedule 511-F* to determine the amount to enter on line 28.

You are allowed a credit equal to 5% of the earned income credit allowed on your Federal return. **Enclose** a copy of your Federal return.

***Note:** If you are not required to file an Oklahoma return, but you qualify for the Federal earned income credit, you qualify for Oklahoma earned income credit. Enter 5% of the Federal earned income credit (do not complete Schedule 511-F).

32 Donations

Schedule 511-G provides you with the opportunity to make a financial gift from your refund to a variety of Oklahoma organizations. Please note that this reduces your refund if you choose to donate. The donation will be forwarded to the appropriate agency. See Schedule 511-G for more information.

Place the line number of the organization from Schedule 511-G in the box at line 32. If giving to more than one organization, put a "99" in the box at line 32 and attach the Schedule 511-G showing how you wish the donations to be divided.

34 Amount to be Refunded

If you do not choose direct deposit, you will be issued a debit card. See "All About Refunds" on page 5 for more information.

36 Eastern Red Cedar Revolving Fund

A donation to this fund may be made on a tax due return. For information regarding this fund, see Schedule 511-G: Information.

37 Public School Classroom Support Fund

A donation to this fund may be made on a tax due return. For information regarding this fund, see Schedule 511-G: Information.

38 Underpayment of Estimated Tax Interest

You were required to make estimated tax payments if your income tax liability exceeds your withholding by \$500 or more. To avoid the 20% Underpayment of Estimated Tax Interest, timely filed quarterly estimated tax payments and withholding are required to be the smaller of:

- 70% of the current year tax liability, or
- 100% of your prior year tax liability.

The income tax liability is the Oklahoma income tax due less all credits except amounts paid on withholding, estimated tax and extension payments.

Note: No Underpayment of Estimated Tax Interest shall be imposed if the income tax liability shown on the return is less than \$1,000.

If you do not meet one of the above exceptions, you may complete Form OW-8-P or the OTC will figure the interest for you and send you a bill.

If you owe underpayment of estimated tax interest and you have an overpayment (line 30), enter the amount of underpayment of

Underpayment of Estimated Tax Interest (continued)

estimated tax interest on this line (line 38) and reduce the amount you are applying to estimated tax (line 31) or your refund (line 34) by that same amount (but not less than zero). You will be using your overpayment to pay your underpayment of estimated tax interest. Do not enclose a payment unless you still have a balance due after applying all of your overpayment.

39 Delinquent Penalty and Interest

After the original due date of the return compute 5% penalty on the income tax due (line 35 minus lines 20 and 21). Compute interest on the income tax due at 1.25% per month from the original due date of the return. An extension does not extend the date for payment of tax.

Note: If you have a valid extension of time to file your return, delinquent penalty is not due if 90% of your income tax was paid by the original due date of the return. Delinquent interest is due on any income tax not paid by the original due date of the return.

Title 68, Oklahoma Statutes, provides that any term used in this Act shall have the same meaning as when used in a comparable context in the Internal Revenue Code, except when specifically provided for in the Oklahoma Statutes or rules.

If the income is from a mutual fund which invests in U.S. government obligations, **enclose** documentation from the mutual fund to substantiate the percentage of income derived from obligations exempt from Oklahoma tax. Interest from entities such as FNMA and GNMA does not qualify.

Note: The capital gain/loss from the sale of an U.S. Government Obligation is exempt. Enter exempt gains on Schedule 511-A, line 11 and exempt losses on Schedule 511-B, line 8.

A2 Social Security

Social Security benefits that are included in the Federal Adjusted Gross Income shall be subtracted. **Enclose** a copy of your Federal return.

A3 Federal Civil Service Retirement in Lieu of Social Security

Each individual may exclude 100% of their retirement benefits received from the Federal Civil Service Retirement System (CSRS), including survivor benefits, paid in lieu of Social Security to the extent such benefits are included in the Federal Adjusted Gross Income. Enter your Retirement Claim Number from your Form CSA 1099-R or CSF 1099-R in the box on Schedule 511-A, line 3. **Enclose** a copy of Form CSA 1099-R or CSF 1099-R with your return. To be eligible, such 1099-R must be in your name.

Note: Retirement benefits paid under the Federal Employees Retirement System (FERS) do not qualify for this exclusion. However, for retirement benefits containing both a FERS and a CSRS component, the CSRS component will qualify for the exclusion. Provide substantiation for the CSRS component.

A4 Military Retirement

Each individual may exclude the greater of 75% of their retirement benefits or \$10,000, but not to exceed the amount included in the Federal Adjusted Gross Income. The retirement benefits must be from any component of the Armed Forces of the United States.

A5 Oklahoma Government or Federal Civil Service Retirement

Each individual may exclude their retirement benefits up to \$10,000, but not to exceed the amount included in the Federal Adjusted Gross Income. *Do not include on this line the CSRS retirement benefits already excluded on Schedule 511-A, line 3.

Note: An early distribution from a retirement fund due to termination of employment prior to your retirement or disability does not qualify for the \$10,000 retirement income exclusion. Generally, there is a "1" in box 7 of your Form 1099-R for this type of distribution. This distribution may qualify for the "Other Retirement Income" exclusion on Schedule 511-A, line 6.

A6 Other Retirement Income

Each individual may exclude their retirement benefits, up to \$10,000, but not to exceed the amount included in the Federal Adjusted Gross Income. For any individual who claims the exclusions for government retirees on Schedule 511-A, line 5, the amount of the exclusion on this line cannot exceed \$10,000 minus the amounts already claimed on Schedule 511-A, line 5 (if less than zero, enter zero).

When computing Oklahoma depletion you are limited to 50% of the net income from each property computed without the allowance for depletion. *Definitions for the purpose of this form:

Resident of Oklahoma is defined as a person legally domiciled in this state for the entire tax year.

Household means any house, dwelling or other type of living quarters.

Total gross household income means the total amount of gross income received by ALL persons living in the same household whether the income was taxable or not for income tax purposes. This includes, but is not limited to, public assistance payments, support money (example: child support), workmen's compensation, school grants or scholarships, veteran's disability compensation, loss-of-time insurance payments and all of the types of income shown on the front of this form. Income that is exempt must be included in the year received, for example: nontaxable sources of income on your W-2 (such as a dependent care reimbursement account), military housing assistance, and the distribution of earnings from a Roth IRA. **Note:** Do not include income deferred for Federal Income Tax purposes, for example: tax deductible contributions to a 401K or to a traditional IRA. This income will be included when distributed and taxed on your Federal return.

Proof of disability may be established by certification by an agency of State Government, an insurance company or a physician, or by eligibility to receive disability benefits under the Federal Social Security Act. A veteran certified by the Veterans Administration of the Federal government as having a service-connected disability shall constitute proof.
