The Fastest Refund Possible, plus error-free filing!

Four good reasons to e-file:

- 👍 Electronic returns hit our system and update your account without any handling at all.
- 👍 Electronic filing catches mistakes, ensuring your return is filed right the first time.
- 👍 If you owe taxes, you can wait to pay until April 15, no matter how early you file your return.
- 👍 If you're getting a refund, we will start processing it as soon as you or your tax preparer hits *Send*.

Still want to file paper? Are you sure?

- 👉 Each paper return must be removed from the envelope, sorted, examined, and keyed in by hand.
- 👉 If you make even a simple mistake on a paper return, it will go into our "error file" and wait for a specialist to fix it. This happens to thousands of paper returns each year, adding several more weeks of processing time.
- 👉 If we can't figure out how to fix your return, one of our agents will have to contact you. If you have made a payment, we will deposit your check but it will not credit against your return until the issue is resolved.
- 👉 If you are waiting for a refund, we cannot issue it until your paper return has been manually processed and posted to your account.

TC-40 - General Instructions

What's New

- **Married same-sex couples.** On Oct. 6, 2014 the United States Supreme Court let stand a Utah federal appeals court ruling that allows same-sex marriage. Therefore, same-sex marriages are valid in Utah and legally married same-sex couples must file their 2014 Utah returns using the same filing status as on their federal returns. See *Filing Status* on page 6.

Volunteer Income Tax Assistance (VITA)

VITA volunteers provide free tax preparation service to low-income and elderly taxpayers. Some VITA sites can file electronically. Call 2-1-1 or 1-800-906-9887 to find the closest VITA site.

Federal Earned Income Tax Credit (EITC)

The federal earned income tax credit is a refundable federal (not Utah) tax credit for certain people who work and have earned income. The credit can mean a larger refund or a reduction in your federal tax.

Check the IRS website at irs.gov/eitc, or call the IRS at 1-800-829-1040 to see if you qualify.

Who Must File

1. Every Utah resident or part-year resident who must file a federal income tax return;
2. Every nonresident with income from Utah sources who must file a federal return; and
3. Taxpayers wanting a refund of any income tax overpaid.

If you must file a Utah return, first complete your federal return, even if you do not have to file with the IRS. You need the federal return information to complete your Utah return.

Qualified Exempt Taxpayer: You may be exempt from Utah individual income tax if your federal adjusted gross income is less than the sum of your federal standard deduction and federal personal exemptions amount for the taxable year. See instructions for line 21.

Nonresident Filing Exemption: You do not need to file a Utah return if:

1. you are a nonresident whose only Utah source of income is from a partnership, S corporation or trust (or other pass-through entity),
2. the partnership, S corporation, trust or other pass-through entities withheld Utah income tax on your Utah income, and
3. you are not claiming a Utah tax credit.

When to File and Pay

You must file your return and pay any income tax due:

1. by April 15, 2015, if you file on a 2014 calendar year basis (tax year ends Dec. 31, 2014); or
2. by the 15th day of the fourth month after the fiscal year ends, if you file on a fiscal year basis. If the due date falls on a Saturday, Sunday or legal holiday, the due date is the next business day.

You must pay all Utah income taxes for the tax year by the due date. If you do not file your return on time or do not pay all income tax due by the due date, you may be subject to penalties and interest. (See *Penalties and Interest* in these instructions).

Utah does not require quarterly estimated tax payments. You can prepay at any time by sending your payment with form TC-546, *Individual Income Tax Prepayment Coupon*, or by paying online at taxexpress.utah.gov.

Extension of Time to File

TIP This is **NOT** an extension of time to pay your taxes – it is an extension of time to file your return.

You automatically get an extension of up to six months to file your return. Utah does not have an extension form. However, penalties will be assessed if you have not met the prepayment requirements by the original due date (see the following section).

See *Penalties and Interest* instructions on page 3. All extension returns must be filed by Oct. 15, 2015.

Prepayment Requirements for Filing Extension

You must prepay by the original due date:

- 90 percent of your 2014 Utah tax due (TC-40 line 27 plus line 30);
- 100 percent of your 2013 Utah tax liability (TC-40 line 27 plus line 30 of your 2013 Utah return); or
- 90 percent of your 2014 Utah tax due if you did not have a Utah tax liability in 2013 or if this is your first year filing.

You may prepay through withholding (W-2, TC-675R, 1099-R, etc.), payments applied from previous year refunds, tax credits and credit carryovers, or payments made by the tax due date using form TC-546, *Individual Income Tax Prepayment Coupon*, or online at taxexpress.utah.gov. Interest is assessed on unpaid tax from the original filing due date until the tax is paid in full. Penalties may also apply.

How to File

File and pay your Utah taxes online at taxexpress.utah.gov.

If filing on paper, mail your return and payment (with form TC-547, *Individual Income Tax Return Payment Coupon*) to the payment mailing address on page 1.

What to Attach and What to Keep

Attach

Send the following with your Utah return (also keep a copy with your tax records):

- **Utah Schedules**
TC-40 page 3, TC-40A, TC-40B, TC-40C, TC-40S, and TC-40W (all that apply).
- **Other Adjustments**
An explanation for any equitable adjustment entered on TC-40A, Part 1, code 69 or Part 2, code 79.

• Other Forms

Attach a copy of federal form 8379, *Injured Spouse Allocation* to the front of your joint Utah return if claiming injured spouse provisions and a joint refund is expected to be applied (offset) to a past-due Utah tax obligation of the other spouse. Attach a Utah TC-131 (and complete TC-40, page 3, Part 1) if claiming a refund for a deceased taxpayer. Also, attach a Utah TC-40LIS if you are a building project owner of a low-income housing unit.

• Tax Due

Pay any return amount due online at taxexpress.utah.gov. If paying by check or money order, include form TC-547, *Individual Income Tax Return Payment Coupon* (see the last page of these instructions).

FYI: Withholding Forms

You must enter withholding tax information on form TC-40W. Attach TC-40W to your return.

Keep

Do not send forms W-2, 1099-R, 1099-MISC, Utah Schedule K-1 or form TC-675R with your return. Keep all withholding forms with your tax records. If you do not complete and submit form TC-40W with your return, processing will be delayed and we may reject your withholding credit.

Do not send a copy of your federal return, credit schedules (other than Utah schedules TC-40A, TC-40B, TC-40C, TC-40S and/or TC-40W), worksheets, or other documentation with your Utah return. Keep these, along with any receipts, with your tax records. **You may have to provide this information later to support entries on your Utah return.**

Recordkeeping

Keep copies of any receipts, state forms, worksheets, credit authorization forms and other documentation to support any income, deduction, exemption and credit you have reported. **You may be asked to provide this information later to verify entries on your Utah return.**

Rounding Off to Whole Dollars

Round off cents to the nearest whole dollar. Round down if under 50 cents; round up if 50 cents and above. **Do not enter cents anywhere on the return.**

Penalties

Utah law (UC §59-1-401) provides penalties for not filing tax returns by the due date, not paying tax due on time, not pre-paying enough on extension returns, and not filing information returns or supporting schedules. See tax.utah.gov/billing/penalties-interest and Pub 58, *Utah Interest and Penalties* at tax.utah.gov/forms. You can calculate penalties by using the online *Penalty and Interest Calculator* at taxexpress.utah.gov.

Interest

(In addition to penalties due)

Interest is assessed on underpayments from the due date until the liability is paid in full. The interest rate for 2015 is

2 percent. Use the online Penalty and Interest Calculator at taxexpress.utah.gov or Pub 58, *Utah Interest and Penalties* (tax.utah.gov/forms).

Domicile Defined

(UC §59-10-136)

Utah Domicile

For Utah tax purposes, a person is considered domiciled in Utah under the following conditions:

Test 1

1. You or your spouse has claimed a dependent on your federal tax return and the dependent is enrolled in a Utah public K-12 school (unless you are a noncustodial parent who is divorced from a custodial parent).
2. You or your spouse is enrolled as a resident student in a Utah state institution of higher education.

Test 2

There is a rebuttable presumption you or your spouse is domiciled in Utah (i.e., you are domiciled in Utah unless you can prove otherwise) if either of you:

1. claims a residential exemption for a primary residence under UC §59-2, Property Tax Act;
2. is registered to vote in Utah; or
3. claims Utah residency for purposes of filing your income tax return.

Test 3

Even if you or your spouse does not meet any of the conditions above, you are still domiciled in Utah if:

1. either you or your spouse has a permanent home in Utah to which either of you returns after being absent, and
2. you or your spouse has voluntarily settled in Utah, not for a special or temporary purpose, but with the intent of making a permanent home.

Whether or not you or your spouse has a permanent home in Utah is based on a preponderance of the evidence, taking into consideration all of the following facts and circumstances (i.e., we will weigh the following facts and circumstances to decide if you have a permanent home in Utah):

- You or your spouse has a driver's license in Utah.
- You or your spouse claims an exemption for a dependent who is enrolled as a resident student in a Utah state institution of higher education.
- The nature and quality of your living accommodations in Utah compared to another state.
- You have a spouse or dependent in Utah for whom you or your spouse claims a federal tax exemption.
- The physical location where you or your spouse earns income.
- The state of registration of a vehicle owned or leased by you or your spouse.
- You or your spouse has a membership in a church, club or similar organization in Utah.
- You or your spouse lists a Utah address on mail, a telephone listing, a listing in an official government publication, other correspondence, or similar item.
- You or your spouse lists a Utah address on a federal or state tax return.

- You or your spouse claims Utah residency on a document filed with or provided to a court or other governmental entity.
- You or your spouse fails to obtain a permit or license normally required of a resident in the state where you claim to have domicile.
- You or your spouse has a dependent child who is in the custody of a former spouse and who is enrolled in a Utah public K-12 school.

No Utah Domicile

You do not have a Utah domicile if you are absent from Utah for at least 761 consecutive days and during this time you or your spouse:

1. does not return to Utah for more than 30 days in a calendar year,
2. does not claim an exemption on their federal tax return for a dependent who is enrolled in a Utah public K-12 school (unless you are the noncustodial parent),
3. is not enrolled in a Utah state institution of higher education as a resident student,
4. does not claim the residential exemption for property tax on your primary residence in Utah, or
5. does not claim Utah as your home for federal tax purposes.

An absence from the state begins on the later of the date you or your spouse leaves Utah and ends on the day you or your spouse returns to and stays in Utah for more than 30 days in a calendar year.

If you do not have Utah domicile you may choose to be considered as having a Utah domicile by filing a Utah resident income tax return.

If you are considered to have domicile in Utah, your spouse is also considered to have domicile in Utah. This rule does not apply if you are legally separated or divorced, or you file your federal returns as married filing separately.

You must file a Utah income tax return (or amended return) and pay any penalty and interest that apply if you did not file a Utah return based upon your belief that you did not meet the domicile criteria.

Resident Defined

A Utah resident is a person who:

1. is domiciled in Utah for the entire year, even if temporarily outside of Utah for an extended period of time;
2. is domiciled in Utah for any period of time during the taxable year, but only for the duration of that period; or
3. even though domiciled outside Utah, maintains a place of abode in Utah and spends 183 or more days of the taxable year in Utah.

When determining whether a person spends 183 or more days in Utah, a "day" means a day in which the person spends more time in Utah than in any other state.

These rules do not apply to military personnel or their spouses who are in Utah on military assignment, unless they are Utah residents.

All income received during the period of Utah residency is taxable in Utah, regardless of where that income is earned, unless specifically exempted.

See Tax Commission rule R865-91-2 at tax.utah.gov/commission-office/rules for more information.

Nonresident Defined

A nonresident is a person who was not domiciled in Utah or was in Utah for temporary purposes for less than 183 days during the taxable year or does not maintain a place of abode in Utah. Income received by a nonresident from Utah sources is taxable in Utah. In determining whether a person spends 183 or more days in Utah, a "day" means a day in which the person spends more time in Utah than in any other state.

Part-Year Resident Defined

A part-year resident is a person who is a Utah resident for part of the year and a nonresident for part of the year. All income received during the period of Utah residency is taxable in Utah, regardless of where that income is earned, unless specifically exempted. Income from Utah sources is taxable in Utah during the period of nonresidency.

Military Personnel

Residents

Utah residents in the military do not lose their Utah residency or domicile solely by being absent due to military orders. They must file a Utah income tax return on all income, regardless of the source. If tax must be paid to another state on nonmilitary income, a credit may be allowed for the tax paid to the other state. If claiming this credit, complete and attach form TC-40S, *Credit for Income Tax Paid to Another State*.

Nonresidents

Nonresidents stationed in Utah solely due to military orders are not subject to Utah tax on their military pay. However, nonresident military personnel residing in Utah and receiving income from Utah sources (other than active duty military pay) must file a Utah income tax return and pay any tax due on that other income. See instructions on page 16 and Pub 57, *Military Personnel Instructions*.

Married Couples

The nonresident spouse of a nonresident active military service member may be exempt from Utah tax on income received in Utah under certain conditions. See page 18.

If one spouse is a full-year Utah resident and the other spouse is a full-year nonresident, they may file their federal return as married filing jointly and file their Utah returns as married filing separately. See Pub 57, *Military Personnel Instructions*. If either spouse is a part-time resident, they cannot file using these special instructions but must file their Utah return using the same filing status as on their federal return.

Native Americans

Native Americans who earn income in Utah must file a Utah tax return.

1. Enrolled members of a Native American tribe or nation in Utah, who live and work on the reservation where they are enrolled, are exempt from Utah income tax on income earned on the reservation. See page 17.
2. Enrolled members of the Ute Tribe who work on the Uintah and Ouray Reservation and live on land removed from that reservation under *Hagen vs. Utah* (510 U.S. 399 (1994)) are exempt from Utah income tax on income earned on the reservation. See page 17.

See incometax.utah.gov/subtractions/native-american.

Students

Residents

A Utah resident who is a student at a non-Utah school (full-time or part-time) must file a Utah return and pay tax on all income, regardless of the source. If income tax must be paid to another state on income also taxed by Utah, a credit may be allowed for tax paid to the other state. To claim the credit, complete and attach form TC-40S, *Credit for Income Tax Paid to Another State*. Do not send a copy of the other state's return with your Utah return. Keep the other state's return and all related documents with your records.

Nonresidents

A nonresident student attending a Utah school must file a Utah income tax return and pay Utah tax on wages, rental income, business income, etc., earned or received from Utah sources.

Injured Spouse

If your spouse had outstanding Utah tax liabilities with the Tax Commission before your marriage, any refund on a joint return may be used to pay that liability. You may be able to claim part or all of a refund under the injured spouse provisions.

If another state or federal agency or other entity claimed your refund to pay debt owed them, you must contact that agency or entity directly.

See more information at tax.utah.gov/extension/innocent.

Innocent Spouse

If your spouse did not report income or claimed false deductions or credits and you did not receive any benefit, you may be entitled to relief from the tax liability. See more information at tax.utah.gov/extension/innocent.

Amended Return

To amend a previously-filed return, use the tax forms and instructions for the year you are amending. Get prior year forms and instructions at tax.utah.gov/forms.

Amend your return if you discover an error on your Utah or federal return after it has been filed, or your federal return is audited or adjusted by the IRS in a way that affects your Utah return. You must amend your Utah return within 90 days of the IRS's final determination.

To qualify for a refund or credit, you must file an amended return within three years after the original return was due. A return filed before the due date is considered filed on the due date. If an amended return must be filed based on changes made by the IRS, you must file your claim for refund or credit within two years after the Utah amended return had to be filed.

How to Amend a 2014 Utah Individual Income Tax Return

- A. On the top of TC-40, page 1, on the "Amended Return" line, enter the code number from the following list that best describes your **Reason for Amending**:

Reason-for-Amending Codes (enter on return)

- 1 You filed an amended federal return with the IRS. Attach a copy of your amended federal return, form 1040X. (If amending for a net operating loss, do not use code 1, use code 4 - see below.)
 - 2 You made an error on your Utah return. Attach an explanation of the error.
 - 3 Your federal return was changed by an IRS audit or adjustment and it affects your Utah return. Attach a copy of the IRS adjustment.
 - 4 You had a net operating loss. Utah treats net operating losses the same as the federal return. If any part of your amended return is from a net operating loss carryback, use code 4 and complete a Utah return for each year you are amending. Attach a copy of your amended federal return, form 1040X or 1045. Your documentation must clearly show the year you experienced the loss.
 - 5 Other. Attach an explanation to your return.
-
- B. Enter the corrected figures on the return and/or schedules.

If you paid with the original return or made subsequent tax payments before filing the amended return, enter the total previous payments on line 37 of your 2014 amended return. Contributions on line 28 cannot be changed after the original return is filed.
- D. Submit the amended return with all schedules, including copies of those schedules that did not change from the original filing.
- E. **Do not submit a copy of your original return with your amended return.**

We will send you a bill if you do not pay the penalties and interest with your return or if the penalty and/or interest is calculated incorrectly.

You may receive a penalty for not filing your return on time and for not paying any tax due on time. The penalties are a percentage of the unpaid tax, based on the number of days late. See instructions to calculate penalties at tax.utah.gov/billing/penalties-interest and in Pub 58, *Utah Interest and Penalties*. Include these penalties on line 41, if applicable.

Payment plan requests will be considered after your return is processed. If your plan request is accepted, you will receive an email stating the terms and conditions of the agreement. Third Party Designee

If you want a friend, family member or other person to discuss your this return with the Tax Commission, enter their name and phone number in the Third Party Designee area (page 2 of your return). Also, enter a number (up to 5 digits) as a personal identification number (PIN). If you want the paid preparer who signed your return as the Third Party Designee, enter "Preparer" in the designee's name area.

If you fill in the Third Party Designee area, you (and your spouse if filing a joint return) authorize the Tax Commission to call the designee with questions that may arise while processing your return. You also authorize the designee to:

1. give the Tax Commission any missing information from your return,
2. call the Tax Commission for information about the processing of your return or the status of your refund or payment(s),
3. receive copies of notices or transcripts related to your return, upon request, and
4. respond to certain Tax Commission notices about math errors, offsets and return preparation.

You are **not** authorizing the designee to receive any refund, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Commission. The authorization automatically ends on the due date for filing your next year's tax return (without regard to extensions). This due date is April 15 in most years for most people.

If you want to change the designee's authorization, complete and submit TC-737, *Power of Attorney and Declaration of Representative* (tax.utah.gov/forms). If you want to revoke the authorization before it ends, submit your request in writing to the Utah State Tax Commission, attention Taxpayer Services, 210 N 1950 W, SLC, UT 84134.

A paid preparer must enter his or her name, address, and PTIN in the section below the taxpayer's signature.

Preparer Electronic Filing Requirements

If a preparer (or two or more preparers affiliated together in the same establishment) prepared over 100 returns in a prior calendar year, the preparer(s) must submit all of their Utah individual income tax returns electronically. Exceptions apply for taxpayers who choose not to file electronically and for undue hardship on the preparer in conforming to this provision (see form TC-831).

Preparer Penalties

(UC §59-1-401(11)-(12))

The person who prepares, presents, procures, advises, aids, assists, or counsels another on a return, affidavit, claim, or similar document administered by the Tax Commission, and who knows or has reason to believe it may understate a tax, fee or charge, is subject to both a civil penalty (\$500 per document) and criminal penalties (second degree felony with a fine from \$1,500 to \$25,000).

Tax Due

If you owe tax and choose not to pay electronically, submit form TC-547 and your check or money order with the return. See form TC-547 on the last page of these instructions.

 (UC §59-10-1313)

TIP If you choose to have your refund sent to your UESP account(s), do not enter anything on TC-40, lines 44 and 45.

You may have your entire refund automatically contributed to your Utah Educational Savings Plan (UESP) 529 individual account(s) by entering an "X" in Part 5. Partial refunds are not allowed. The refund will be sent to UESP along with your name, address, and Social Security number as identification.

UESP will deposit your refund into your UESP account(s). If you have multiple UESP individual accounts under your Social Security number, your refund will be divided equally among all your individual accounts. Both Social Security numbers from a joint return will be matched to existing UESP individual accounts for dividing the refund.

If you do not have a UESP individual account, UESP will send you information to open an account. If you do not open an account within the designated time frame, your refund will be returned to you by UESP without interest or earnings.

Note: Your refund will not be contributed to your UESP individual account until your return has completed processing, which may take up to 90 days. 2. Amounts purchased by an employee under a plan that meets the requirements of IRC Section 408 (IRA plans).
3. Amounts paid by the United States, a state thereof, or the District of Columbia.

You may claim a credit of 5 percent of the amount paid for a health benefit plan only if you, or your spouse on a joint return, are **not** insured under a health benefit plan maintained and funded in whole or in part by your employer or another person's employer. You cannot claim this credit if you choose not to participate in a plan maintained and funded by a current or former employer. You also cannot use pre-tax deductions from wages through employer-sponsored programs, such as a cafeteria or flex plan, to claim the credit.

Payments to COBRA health plans qualify for this credit if 100 percent of the premiums are paid by you or your spouse, and are not subsidized or funded by the current or former employer or another person's employer. You cannot claim COBRA payments if you choose not to participate in a plan maintained and funded by a current or former employer.

If the residence is sold to a non-business entity before claiming the tax credit, you may irrevocably transfer the right to the credit to the new owner. The principal portion of the system's lease payments may qualify for the credit if the lessor irrevocably transfers the right to the credit to the new owner.

Get form TC-40E, *Renewable Residential and Commercial Energy Systems Tax Credits*, from the Utah Office of Energy Development with their certification stamp, verifying the credit is approved and showing the amount of the approved credit. Do not send copies of your W-2s, 1099s, TC-675Rs, and Utah Schedule K-1 with your Utah return. Keep all these forms with your tax records.
