**Line 14 Vermont-Based Business Solar Energy Investment Credit carryforward**

Unused Vermont-based business solar energy investment tax credits may be carried forward for five years following the year a credit is claimed. Solar credits carried forward and claimed under 32 V.S.A. § 5822(d) should be applied to this line. These credits are a component of the Investment Tax Credit and are the only portion that credit that can be carried forward. Solar credits are reported on federal Form 3468, Investment Credit, and federal Form 3800, General Business Credit. Only the Vermont-property portion of the federal credit can be used to factor Vermont's solar energy investment credit.

Solar credits earned and carried forward under 32 V.S.A. § 5822(d) are valued at 24% of the Vermont-property portion of the federal credit. **Please note:** Solar credits under 32 V.S.A. § 5930z, which were valued at 100% of the Vermont property portion of the federal credit, can no longer be applied or carried forward.
