State Tax Commissioner Sincerely,

New for 2012

For tax years beginning on or after January 1, 2012, taxpayers with low income may be eligible to claim both the Senior Citizen Tax Credit and the Homestead Excess Property Tax Credit. The credit amounts must be entered on lines 13 and 14 of the IT-140 and no longer need to be entered on the Tax Credit Recap Schedule. For more information regarding the income guidelines for the Senior Citizen Tax Credit and Homestead Excess Property Tax Credit, please see Schedule SCTC-1 and HEPTC-1. Both Schedule HEPTC-1 and Schedule SCTC-1 must be filed with the IT-140.

Amended Return instructions have been updated and should reduce the processing time of returns.

Official Payments will no longer process online payments made to the West Virginia State Tax Department. To make payments online please go to www.wvtax.gov.

Schedule NFA-1 – The Nonfamily Adoption Credit has increased to \$4,000. It can be taken for the year of the adoption of each nonfamily child, as long as the child is younger than 18. The taxpayer can choose to take this credit over a period of three years.

Schedule ATTC-1 – The Apprenticeship Training Tax Credit has increased. For years beginning on and after Jan. 1, 2012, the credit will be \$2 per hour multiplied by the total number of hours an apprentice works during the tax year for the taxpayer. The credit amount for each apprentice will not exceed \$2,000, or 50 percent of actual wages paid during that year for the apprenticeship, whichever is less.

Schedule UT – The West Virginia Purchaser's Use Tax is a tax on the use of tangible personal property or services in West Virginia when sales tax has not been paid. The Use Tax applies to the following: Internet purchases, magazine subscriptions, mail-order purchases, out-of-state purchases, telephone purchases originating outside the state, TV shopping network purchases and other taxable item purchases. An additional calculation on Part 1 of Schedule UT relates to the Food Tax reduction. Food purchases made between Jan. 1, 2012, and June 30, 2012, are calculated at 2 percent. Food purchases made between July 1, 2012, and Dec. 31, 2012, are calculated at 1 percent. For detailed instructions, see page 14.

TIPS ON FILING A PAPER RETURN

The State Tax Department processes E-filed returns more quickly than paper returns. However, if you file a paper return there are several things you can do to speed-up the processing of your return. Faster processing means faster refunds!

- Make sure you have received all W-2s, 1099s, and other tax documents for the 2012 tax year.
- Complete your federal income tax return <u>first</u>.
- Do not use prior year forms.

You must submit the IT-140W with your signed tax return, even if you have no withholding. DO NOT SEND W-2s, 1099s, K-1s or WV-NRW2s

Paper returns are electronically scanned. The processing of the return (and any refund) is delayed when information on the return is not clear.

Use BLACK INK. Do not use pencils, colored ink, or markers.

Write your name and address clearly using BLOCK CAPITAL LETTERS as in the following example:

| SMITH | SR | JASON | Р |
|---|--------|------------------------|----|
| Last Name | Suffix | Your First Name | MI |
| | | | |
| Spouse's Last Name – Only if different from Last Name above | Suffix | Spouse's First Name | MI |
| 2375 N 7TH ST | | | |
| First Line of Address | | Second Line of Address | |
| ANYWHERE | | WV 55555 - 5555 | |
| City | | State Zip Code | |

- NEVER USE COMMAS when filling in dollar amounts.
- Round off amounts to WHOLE DOLLARS NO CENTS.
- Do not use parentheses () for a negative number. Use a dark, bold negative sign: -8300 rather than (8300).
- Print your numbers like this: 0 | 2 3 4 5 6 7 8

Do not use: **0 1 4 7**

Do not add cents in front of the preprinted zeros on entry lines as shown below:

| Federal Adjusted Gross | |
|------------------------------|----------|
| Income | 20000.00 |
| Additions to Income | .00 |
| Subtractions from Income | 8000.00 |

- Do not write in the margins.
- Always put entries on the lines, not to the side, above or below the line.
- Do not submit photocopies to the Department.
- Lines where no entry is required should be left blank. Do not fill in with zeros.
- Do not use staples.
- Make sure all required forms and schedules are included with the tax return.
- Sign your return.

INSTRUCTIONS:

You owe use tax on the total purchase price of taxable tangible personal property or taxable services (hereinafter called property) that you used, stored, or consumed in West Virginia upon which you have not previously paid West Virginia sales or use tax. The use tax applies to the following: Internet purchases, magazine subscriptions, mail-order purchases, out-of-state purchases, telephone purchases originating out-of-state, TV shopping networks and other purchases of taxable items. Schedule UT <u>must</u> be filed with IT-140 if the taxpayer is reporting use tax due.

Examples of reasons you may owe use tax:

- You purchased property without paying sales tax from a seller outside of West Virginia. You would have paid sales tax if you purchased the property from a West Virginia seller.
- You purchased property without paying sales tax for resale (to sell to others) or for a nontaxable use. You then used the property in a taxable manner.
- You purchased property without paying sales tax and later gave the property away free to your customers.

PART I. STATE USE TAX CALCULATION (includes purchases or lease of tang ble personal property or taxable service made using direct pay permit)

- Line 1 Enter the total dollar amount of food purchases made during January 1, 2012 to June 30, 2012 that are subject to the 2% use tax rate.
- Line 2 Enter the total dollar amount of food purchases made during July 1, 2012 to December 31, 2012 that are subject to the 1% use tax rate.
- Line 3 Enter the total dollar amount of all other purchases made during the 2012 tax year that are subject to the 6% use tax rate.
- **Line 4** Add lines 1 through 3. This is your total state use tax.

PART II. MUNICIPAL USE TAX CALCULATION

You owe municipal use tax on the total purchase price of taxable tangible personal property or taxable services that you used, stored, or consumed in a municipality that has imposed sales and use tax upon which you have not previously paid sales or use tax.

For municipal tax paid in another municipality. West Virginia sales and use tax law provides a credit for sales or use taxes that are properly due and paid to another state or municipality on property or services purchased outside of the State or municipality in which you are located and subsequently stored, used or consumed inside the State or municipality. The credit is allowed against the total of West Virginia state and municipal use taxes imposed on the same property or services purchased in the other state or municipality.

Note: When the combined state and municipal taxes paid to the other state/municipality equals or exceeds the combined West Virginia state and municipal use tax, no entry is required on the West Virginia Purchaser's Use Tax Schedule (Schedule UT) to report the purchase or the credit for tax paid to the other state/municipality on the same purchase. Example: You purchase an item subject to tax in Ohio and pay 7% sales tax (6% state tax and 1% local tax). You live in an area in West Virginia that imposes a 1% municipal use tax with the State rate 6%, for a total 7%. You would not report the purchase on the schedule nor on your Personal Income Tax return since the combined rates are the same in Ohio and the city in West Virginia.

The following example includes a situation a person may encounter with respect to West Virginia state, and municipal sales and use taxes, if they purchase items outside West Virginia or from a different municipality and are required to pay sales or use taxes to the other state and/or municipality.

The example provides information on how to use the amount of sales tax paid to the other state as a credit against West Virginia state and municipal use taxes imposed and how to compute and report the West Virginia state and municipal taxes due.

You bring equipment into West Virginia for use in a municipality which imposes municipal sales and use tax. You can determine the West Virginia state and municipal use tax as follows:

| USE TAX – STATE | |
|---|-------------|
| Purchase price | \$10,000.00 |
| 2. 6.0% West Virginia State use tax (\$10,000 x .06) | 600.00 |
| 3. Less 4.0% sales/use tax paid to State B (\$10,000 x .04) | (400.00) |
| 4. Net use tax due to West Virginia | 200.00 |
| 5. Measure of tax (\$200 ÷ .06 tax rate) | \$ 3,333.34 |

You should include the \$3,333.34 in Part I, line 3 of the West Virginia Purchaser's Use Tax Schedule.

| USE TAX – MUNICIPAL | | |
|--|-------------|--|
| 1. Purchase price | \$10,000.00 | |
| 2. 1.0% Municipality A sales/use tax (\$10,000 x .01) | 100.00 | |
| 3. Less .5% sales/use tax paid to Municipality B (\$10,000 x .005) | (50.00) | |
| 4. Net use tax due to municipality A | 50.00 | |
| 5. Measure of tax (\$50 ÷ .01 tax rate) | \$ 5,000.00 | |
| You should include the \$5,000 in Part II, line 5c-8c under appropriate municipality | | |

Line 5a – 8a – Enter the municipal code from the chart at the bottom of the schedule, page 13.

Line 5b - 8b - Enter the name of the municipality.

Line 5c - 8c - Enter total purchases subject to the use tax.

Line 5d - 8d - Enter the tax rate from the chart at the bottom of the schedule, page 13.

Line 5e – 8e – Multiply total purchases by the tax rate and enter total.

Line 9 - Add lines 5e through 8e and enter total.

PART III. TOTAL AMOUNT DUE

Line 10 - Enter total State Use Tax due (from line 4).

Line 11 – Enter total Municipal Use Tax due (from line 9).

Line 12 – Enter total Use Tax due. Add lines 10 and 11 and enter total here and on line 24 of Form IT 140.

If you calculate an overpayment of your Personal Income Tax on Form IT 140, simply deduct the amount of Use Tax due from the amount of overpayment by following the instructions for Form IT-140. If your overpayment is reduced for any reason, the Use Tax will be billed separately from your Personal Income Tax account.

GENERAL INFORMATION

Who Must File

You must file a West Virginia income tax return if:

- $\Diamond \;\; \text{You were a resident of West Virginia for the entire taxable year.}$
- You were a resident of West Virginia for a part of the taxable year (Part-Year Resident)
- Vou were not a resident of West Virginia at any time during 2012, but your federal adjusted gross income includes income from West Virginia sources (nonresident).

Certain persons that are not deemed residents, although domiciled in West Virginia, are residents for income tax purposes unless all three of the following conditions are met:

- a. Maintained no permanent place of abode in West Virginia,
- b. Spent less than 30 days in West Virginia during 2012, and
- Maintained a permanent place of abode outside West Virginia (nonresident).

You are required to file a West Virginia return even though you may not be required to file a federal return if:

- ♦ Your West Virginia adjusted gross income is greater than your allowable deduction for personal exemptions (\$2,000 per exemption, or \$500 if you claim zero exemptions). Your income and number of exemptions are to be determined as if you had been required to file a federal return.
- ◊ If you are claiming a SCTC or HEPTC credit you are required to file a WV return in order to receive the credit.
- ♦ You are due a refund.

You are not required to file a West Virginia return if you and your spouse are 65 or older and your total income is less than your exemption allowance plus the senior citizen modification. For example, \$2,000 per exemption plus up to \$8,000 of income received by each taxpayer who is 65 or older. However, if you are entitled to a refund you must file a return.

What Form to Use

IT-140 Resident

A **resident** is an individual who:

- ♦ Spends more than 30 days in West Virginia with the intent of West Virginia becoming his/her permanent residence; or
- Maintains a physical presence in West Virginia for more than 183 days
 of the taxable year, even though he/she may also be considered a resident
 of another state.

IT-140 Part-Year Resident

A part-year resident is an individual who changes his/her residence either:

- ◊ From West Virginia to another state, or
- ♦ From another state to West Virginia during the taxable year.

IT-140

Full-Year Nonresident

A **full-year nonresident** is an individual who is:

- A resident of another state who does not maintain a physical presence within West Virginia and does not spend more than 183 days of the taxable year within West Virginia; or
- ♦ A resident of West Virginia who spends less than 30 days of the taxable year in West Virginia, and maintains a permanent place of residence outside West Virginia.

IT-140NRS Special Nonresidents

You must file the special nonresident return (form IT-140NRS) if:

◊ You were not a part-year resident of West Virginia; and

- ♦ You were a resident of Kentucky, Maryland, Ohio, Pennsylvania, or Virginia for the entire taxable year; and
- ♦ Your only source of West Virginia income was from wages and salaries.

IT-140NRC Composite Return

Nonresident individuals who are partners in a partnership, shareholders in a S corporation or beneficiaries of an estate or trust that derives income from West Virginia sources may elect to be included on a nonresident composite return. If the election is made, the IT-140NRC is filed by the pass-through entity and eliminates the need for the individual to file a separate nonresident/part-year resident return for income reported on the NRC. A \$50 processing fee is required for each composite return filed.

If a separate individual return is filed, the nonresident must include the West Virginia income derived from the pass-through entity filing the composite return. Credit may be claimed for the share of West Virginia income tax remitted with the composite return.

This form is available on our website at www.wvtax.gov.

Amended Return

For tax years beginning after January 1, 2007, use the version of Form IT-140 that corresponds to the tax year to be amended and check the "Amended Return" box. For tax years prior to January 1, 2007, use Form IT-140X. These forms and corresponding instructions are available on our website at www.wvtax.gov.

You must file a West Virginia amended return if any of the following conditions occur:

- ◊ To correct a previously filed return; or
- You filed an amended federal income tax return and that change affected your West Virginia tax liability; or
- ♦ The Internal Revenue Service made any changes to your federal return (i.e., change in federal adjusted gross income, change in exemptions, etc.).

If a change is made to your federal return, an amended West Virginia return must be filed within ninety (90) days. A copy of your amended federal income tax return must be enclosed with the West Virginia amended return. **Do not enclose a copy of your original return.**

If you are changing your filing status from married filing jointly to married filing separately or from married filing separately to married filing jointly, you must do so in compliance with federal guidelines. If your original return was filed jointly and you are amending to file separately, your spouse must also file an amended separate return.

If the amended return is filed after the due date, interest and penalty for late payment will be charged on any additional tax due. An additional penalty will be assessed if you fail to report any change to your federal return within the prescribed time.

Space is provided on page 42 to explain why you are filing an amended return.

Nonresident/Part-year Resident Information

A part-year resident is subject to West Virginia tax on the following:

- ♦ Taxable income received from **ALL** sources while a resident of West Virginia;
- West Virginia source income earned during the period of nonresidence; and
- ♦ Applicable special accruals.

West Virginia Source Income

The West Virginia source income of a nonresident is derived from the following sources included in your federal adjusted gross income:

- ♦ Real or tangible personal property located in West Virginia;
- ♦ Employee services performed in West Virginia;
- ♦ A business, trade, profession, or occupation conducted in West Virginia;
- ♦ A S corporation in which you are a shareholder;
- ♦ Your distributive share of West Virginia partnership income or gain;
- Your share of West Virginia estate or trust income or gain and royalty income;
- ♦ West Virginia Unemployment Compensation benefits.

West Virginia source income of a nonresident does not include the following income even if it was included in your federal adjusted gross income:

- ♦ Annuities and pensions;
- Interest, dividends or gains from the sale or exchange of intangible personal property unless they are part of the income you received from conducting a business, trade, profession, or occupation in West Virginia.

NONRESIDENTS AND PART-YEAR RESIDENTS MUST FIRST COMPLETE LINES 1 THROUGH 7 OF FORM IT-140, THEN COMPLETE SCHEDULE A. Income earned outside of West Virginia may not be claimed on Schedule M or as other deductions. Please use Schedule A. To compute tax due, use the calculation worksheet located on page 40. (Line by line instructions for Schedule A can be found on pages 24, 25, and 26.)

Income

In Column A of Schedule A, you must enter the amounts from your federal return. Income received while you were a resident of West Virginia must be reported in Column B. Income received from West Virginia sources while a nonresident of West Virginia must be reported in Column C.

Adjustments

The amounts to be shown in each line of Column B and/or Column C of Schedule A are those items that were actually paid or incurred during your period of residency, or paid or incurred as a result of the West Virginia source income during the period of nonresidence. For example, if you made payments to an Individual Retirement Account during the entire taxable year, you may not claim any payments made while a nonresident unless the payments were made from West Virginia source income. However, you may claim the full amount of any payments made during your period of West Virginia residency.

Special Accruals

In the case of a taxpayer changing from a RESIDENT to a NONRESIDENT status, the return must include all items of income, gain, or loss accrued to the taxpayer up to the time of his change of residence. This includes any amounts not otherwise includible on the return because of an election to report income on an installment basis. The return must be filed on the accrual basis whether or not that is the taxpayer's established method of reporting.

For example, a taxpayer who moves from West Virginia and sells his West Virginia home on an installment plan must report all income from the sale in the year of the sale, even though federal tax is deferred until the income is actually received.

FILING STATUS

There are five (5) filing status categories for state income tax purposes. Your filing status will determine the rate used to calculate your tax.

- 1. Single
- 2. Head of Household
- 3. Married Filing Separately. If you are married but filed separate federal returns, you MUST file separate state returns. If you file separate returns you must use the "Married Filing Separately" tax Rate Schedule II to determine your state tax.
- 4. Married Filing Jointly. You must have filed a joint federal return to be eligible to file a joint state return. If you filed a joint federal return, you may elect to file your state return as either "Married Filing Jointly" using the state's tax Rate Schedule I or as "Married Filing Separately" using Rate Schedule II.
- 5. Widow(er) with a dependent child.

When joint federal but separate state returns are filed, each spouse must compute his/her West Virginia adjusted gross income separately as if the federal adjusted gross income of each had been determined on separately filed federal returns.

If one spouse was a resident of West Virginia for the entire taxable year and the other spouse a nonresident for the entire taxable year and they filed a joint federal income tax return, they may choose to file jointly as residents of West Virginia. The total income earned by each spouse for the entire year, regardless of where earned, must be reported on the joint return as taxable to West Virginia. No credit will be allowed for income taxes paid to the other state.

A joint return may not be filed if one spouse changes residence during the taxable year, while the other spouse maintained status as a resident or nonresident during the entire taxable year.

Deceased Taxpayer

A return must be filed for a taxpayer who died during the taxable year. Check the box "DECEASED" and enter the date of death on the line provided. If a joint federal return was filed for the deceased and the surviving spouse, the West Virginia return may be filed jointly. The surviving spouse should write on the signature line for the deceased "filing as surviving spouse". If a refund is expected, a completed Schedule F must be enclosed with the return so the refund can be issued to the surviving spouse or to the decedent's estate.

EXEMPTIONS

The West Virginia personal exemption allowance is \$2,000 per allowable exemption or \$500 for zero exemptions. The number of West Virginia personal exemptions that you are allowed to claim are the same number as your federal exemptions. If you claim zero exemptions on your federal return because you are claimed as a dependent on another person's return, you must claim zero on your West Virginia return. If you are a Surviving Spouse, see the surviving spouse section on page 17 for additional instructions regarding exemptions.

Itemized Deductions

The State of West Virginia does not recognize itemized deductions for personal income tax purposes. Consequently, itemized deductions claimed on the federal income tax return cannot be carried to the West Virginia return. Gambling losses claimed as itemized deductions on the federal income tax return cannot be deducted on the West Virginia tax return. Consequently, there is no provision in the West Virginia Code to offset gambling winnings with gambling losses.

SENIOR CITIZENS TAX CREDIT

Low-income taxpayers who are eligible for the Homestead Property Tax Exemption may be eligible for the Senior Citizens Tax Credit. YOU MUST FILE A RETURN TO RECEIVE THIS REFUNDABLE CREDIT.

Credit eligibility is restricted to taxpayers who participate in the Homestead Exemption program, who incur and pay property taxes and whose federal adjusted gross income is less than 150% of federal poverty guidelines.

The maximum federal adjusted gross income level is \$16,755 for a single person household plus an additional \$5,940 for each additional person in the household (e.g., \$22,695 for a two-person household).

Additional information can be found on page 31 of this booklet and in Publication TSD-411 which can be found on our website at www.wvtax.gov.

Spouses of United States Military Service Members

Effective for taxable year 2009, spouses of military service members may be exempt from West Virginia income tax on wages received from services performed in West Virginia if all three of the following conditions are met:

- The service member is present in West Virginia in compliance with military orders;
- ♦ The spouse is in West Virginia solely to be with the service member; and
- ♦ The spouse maintains domicile in another state.

It is not a requirement for both spouses to have the same state of domicile, nor in the case of border installations, live in the state where the service member is stationed. Eligible spouses wishing to claim this exemption from income tax may file a revised Form IT-104 with the spouse's employer and must also attach a copy of their "spouse military identification card" when providing this form to their employer.

Any refunds for taxable year 2012 may be claimed on a properly filed IT-140 indicating "Non Resident Military Spouse" above the title on the first page. Military spouses should indicate the amount of their wages included in their federal adjusted gross income as a decreasing modification on line 48 of the West Virginia Schedule M. A copy of their State of Legal Residence Certificate, form DD2058, must be enclosed with their return when it is filed.

Nonresident military service members and their spouses may be liable for West Virginia income tax on other types of West Virginia income such as business income, interest income, unemployment compensation, etc. These types of income are reported on the Schedule A (see pages 39 & 40).

Members of the Armed Forces

If your legal residence was West Virginia at the time you entered military service, assignment to duty outside the state does not change your West Virginia residency status. You must file your return and pay the tax due in the same manner as any other resident individual unless you did not maintain a physical presence in West Virginia for more than 30 days during the taxable year.

If, during 2012, you spent more than 30 days in West Virginia, you are considered to be a West Virginia resident for income tax purposes and must file a resident return and report all of your income to West Virginia.

If there is no West Virginia income tax withheld from your military income, you may find it necessary to make quarterly estimated tax payments using Form IT-140ES.

If, during 2012, you did not spend more than 30 days in West Virginia and had income from a West Virginia source, you may be required to file an income tax return with West Virginia as any other nonresident individual, depending upon the type of income received.

A member of the Armed Forces who is domiciled outside West Virginia is considered to be a nonresident of West Virginia for income tax purposes; therefore, his/her military compensation is not taxable to West Virginia even though he/she is stationed in West Virginia and maintains a permanent place of abode therein.

Combat Pay

Combat pay received during 2012 is not taxable on the federal income tax return. Therefore, it is not taxable on the state return.

Active Duty Military Pay

Military income received while you were a member of the National Guard or Armed Forces Reserves called to duty pursuant to an Executive Order of the President of the United States is not taxable on the West Virginia return. This income is shown on Schedule M, line 48, as a decreasing modification to your federal adjusted gross income. A copy of your military orders must be included with the return when it is filed.

Additional Military Retirement

There is an additional modification for the first \$20,000 of military retirement income to the extent it is included in federal adjusted gross income.

CERTAIN STATE AND FEDERAL RETIREMENT SYSTEMS

The modification for pensions and annuities received from the West Virginia Public Employees' Retirement System, the West Virginia Teachers' Retirement System, Military Retirement, and Federal Retirement is limited to a maximum of \$2,000 and entered on Schedule M. The State of West Virginia does not impose income tax on the retirement income received from any West Virginia state or local police, deputy sheriffs' or firemen's retirement system, including any survivorship annuities. See instructions for Schedule M on pages 22 and 23.

US RAILROAD RETIREMENT

The State of West Virginia does not tax this income. All types of United States Railroad Retirement Board benefits, including unemployment compensation, disability and sick pay included on the federal return should be entered on Schedule M, line 44.

Taxpayers over age 65 or Disabled

An individual, regardless of age, who was certified by a physician as being permanently and totally disabled during the taxable year, or an individual who was 65 before the end of the taxable year may be eligible for certain modifications that will reduce their federal adjusted gross income for West Virginia income tax purposes up to \$8,000. See instructions for Schedule M on pages 22 and 23.

Surviving Spouse

Regardless of age, a surviving spouse of a decedent may be eligible for a modification reducing his/her income up to \$8,000 provided he/she did not remarry before the end of the taxable year. The modification is claimed on Schedule M. The decedent must have attained the age of 65 prior to his/her death or, regardless of age, must have been certified as permanently and totally disabled. See specific definitions and line-by-line instructions for Schedule M to determine if you qualify for this modification. The surviving spouse should write on the signature line for the deceased "filing as surviving spouse".

A surviving spouse who has not remarried at any time before the end of the taxable year for which the return is being filed may claim an additional exemption for the two (2) taxable years following the year of death of his/her spouse.

WV College Savings Plan and Prepaid Tuition Trust Funds

Taxpayers making payments or contributions to programs of the West Virginia Prepaid Tuition Trust and/or West Virginia Savings Plan Trust, operated under the trade names of SMART529TM or West Virginia Prepaid College Plan, may be eligible for a modification reducing the federal adjusted gross income. This deduction can be claimed in the amount and in the year that the contribution is made or the remainder of the reducing modification may be carried forward for a period not to exceed five taxable years beginning in the tax year in which the payment or contribution was made. For more information regarding participation in this program, contact SMART529TM Service Center at 1-866-574-3542.

Filing Requirements for Children Under Age 18 Who Have Unearned (Investment) Income

Any child under the age of 18 who has investment income and whose parents qualify and elect to report that income on their return, is not required to file a return with the State of West Virginia. This election is made in accordance with federal guidelines.

Any child under the age of 18 whose income is not reported on his/her parent's return must file their own West Virginia return and report all of their income. If the child is claimed as an exemption on their parent's

return, he/she must claim zero exemptions on the state return and claim a \$500 personal exemption allowance.

REFUND OF OVERPAYMENT

A return must be filed to obtain a refund of any overpayment. In order to receive a refund of an overpayment of \$2 or less, you must enclose a signed statement with your return requesting that the refund be sent to you.

DIRECT DEPOSIT

You may have your refund directly deposited into your bank account. To avoid delay of your direct deposit, verify your routing and account numbers from a check before filing your return. Refunds are issued in the form of United States currency. If you choose to have your refund direct deposited, your depositor must be capable of accepting US currency.

Penalties and Interest

Interest must be added to any tax due that is not paid by the due date of the return even if an extension of time for filing has been granted. The rate of interest will be determined every six months under regulations promulgated by the State Tax Commissioner. The annual rate of interest cannot be less than eight percent (8%).

The applicable interest rate for taxable year 2012 for tax underpayments is nine and one-half percent (9.5%).

Penalties (i.e. Additions to Tax) for late filing can be avoided by sending in your return by the due date. The law provides that a penalty of five percent (5%) of the tax due for each month, or part of a month, may be imposed for the late filing of the return up to a maximum of twenty-five (25%) unless reasonable cause can be shown for the delay.

The law provides that an additional penalty may be imposed for not paying your tax when due. This penalty is one-half of one percent (½ of 1%) of the unpaid balance of tax for each month, or part of a month, the tax remains unpaid, up to a maximum of twenty-five percent (25%).

You may access an Interest and Additions to Tax Calculator on our website at www.wvtax.gov or you may call (304) 558-3333 or 1-800-982-8297

for assistance.

The West Virginia Tax Crimes and Penalties Act imposes severe penalties for failing to file a return or pay any tax when due, or for making a false return or certification. The mere fact that the figures reported on your state return are taken from your federal return will not relieve you from the imposition of penalties because of negligence or for filing a false or fraudulent return. The statute of limitations for prosecuting these offenses is three years after the offense was committed.

Penalty For Underpayment of Estimated Tax

If your return shows a balance due greater than \$600, you may be subject to a penalty for not prepaying enough personal income tax through withholding and/or quarterly estimated tax payments. The penalty is computed separately for each installment date. Therefore, you may owe the penalty for an earlier due date even if you paid enough tax later to make up the underpayment. This is true even if you are due a refund when you file your tax return. However, you may be able to reduce or eliminate the penalty by using the annualized income installment method. Use Form IT-210 on page 49 to calculate your penalty. Instructions can be found on page 28. If you do not complete form IT-210, the West Virginia State Tax Department will calculate the penalty for you. You will receive a notice for the amount of penalty due.

To avoid future penalties, you should increase your withholding or begin making quarterly estimated payments for tax year 2013.

CREDIT FOR ESTIMATED TAX

You must make quarterly estimated tax payments if your estimated tax liability (your estimated tax reduced by any state tax withheld from your income) is at least \$600, unless that liability is less than ten (10%) of your estimated tax. The total estimated tax credit to be claimed on your return is the sum of the payments made with the quarterly installments for taxable year 2012, any overpayments applied from your 2011 personal income tax return and any payments made with your West Virginia Application for Extension of Time to File (Schedule L).

Extension of Time

If you obtain an extension of time to file your federal income tax return, you are automatically allowed the same extension of time to file your West Virginia income tax return. Enter on your West Virginia return the date to which the federal extension was granted. If a federal extension was granted electronically, write "Federal Extension Granted" and the confirmation number at the top of the West Virginia return. Enter the extended due date in the appropriate box. A copy of Federal Schedule 4868 must be enclosed with your return. If you need an extension of time for West Virginia purposes but not for federal purposes, or if you expect to owe tax to West Virginia, you must submit a completed West Virginia Application for Extension of Time to File (Schedule L) and pay any tax expected to be due. See page 47.

SIGNATURE

Your return MUST be signed. A joint return must be signed by both husband and wife. If you and your spouse (if filing a joint return) do not sign the return, it will not be processed. If the return is prepared by an authorized agent of the taxpayer, the agent must also sign on the line provided and enter his/her address and telephone number. If a joint federal return was filed for a deceased taxpayer, the surviving spouse should write on the signature line for the deceased "filing as surviving spouse".

Failure to Receive a Withholding Tax Statement (W-2)

If you fail to receive a withholding tax statement (Form W-2, W-2G, or

1099) from an employer by February 15th, you may file your income tax return using a substitute form. All efforts to obtain a W-2 statement from the payer must be exhausted before a substitute form will be accepted. West Virginia Substitute W-2 (Form WV/IT-102-1) must be completed and retained for your records in the same manner as Form W-2 for a period of not less than three years. This information may be obtained from your pay stub(s). The federal Form 4852 (Substitute for Form W-2) does not provide all the information necessary to process your state return. It WILL NOT be accepted in lieu of Form WV/IT-102-1.

Prior Year Tax Liabilities

Taxpayers who have delinquent tax liabilities, state or federal, may not receive the full amount of their tax refund. If you have an outstanding state or federal tax lien, your refund will be reduced and applied to your past due liability. If a portion of your refund is captured, you will receive a notice and a check for the balance of the refund. Any final unpaid West Virginia personal income tax liabilities may be referred to the United States Treasury Department in order to capture that amount from your federal income tax refund.

IRS Information Exchange

The West Virginia State Tax Department and the Internal Revenue Service share tax information including results of any audits. Differences, other than those allowed under state law, will be identified and may result in the assessment of a negligence penalty. Taxpayers so identified will be subject to further investigation and future audits.

The American Jobs Creation Act

This Act, in part, is a federal tax benefit that allows a deduction for certain domestic production activities. The deduction is attributable to the qualifying production activities of a partnership or S corporation. West Virginia law does not allow this deduction and any amount deducted under Section 199 Internal Revenue Code must be reported as an increasing modification on Schedule M.

Pension Benefit Guaranty Modification

If you retired under an employer-provided defined benefit plan that terminated prior to or after retirement and the pension plan is covered by a guarantor whose maximum benefit guarantee is less than the maximum benefit to which you were entitled, you may be allowed a reducing modification of the difference between the amount you would have received had the plan not terminated and the amount actually received from the guarantor. Enclose the completed Schedule PBGC (page 42) and a completed IT-140W. Failure to do so will delay the processing of your return.

Homestead Excess Property Tax Credit

The Homestead Excess Property Tax Credit provides a refundable credit of up to \$1,000 for low income property owners whose real property tax, less senior citizen tax credit, paid on your OWNER-OCCUPIED home exceeds 4% of your income (gross household income including social security benefits). Low income is defined as federal adjusted gross income that is 300% or less of the federal poverty guideline, based upon the number of individuals in the family. Completing the Schedule HEPTC-1 on page 43 will determine eligibility to claim the credit.

Injured Spouse

You may be considered an injured spouse if you file a joint return and all or part of your refund was, or is expected to be, applied against your spouse's

past due child support payments or a prior year tax liability. You must file an injured spouse allocation form (Form WV-8379) to claim your part of the refund if all three of the following apply:

- ♦ You are not required to pay the past due amount;
- ♦ You received and reported income (such as wages, taxable interest, etc.) on a joint return; and
- ◊ You made and reported payments such as West Virginia tax withheld from your wages or estimated tax payments.

If all of the above apply and you want your share of the overpayment shown on the joint return refund, you must:

- 1. Check the injured spouse box on the front of the return;
- Complete the West Virginia Injured Spouse Allocation Form, WV-8379; and
- 3. Enclose the completed form with your West Virginia personal income tax return.

DO NOT check the injured spouse box unless you qualify as an injured spouse and have enclosed the completed form with your return. This will cause a delay in the processing of your refund.

Tax Department Processing and Procedures

The Tax Department has implemented a modern tax system that allows us to better serve you. This new system decreases processing time and allows us to contact taxpayers in a timely manner. If a change has been made to your return you will first receive a letter from us explaining the change. If there is an additional amount due the State, you will receive a Statement of Account. If you disagree with the amount shown to be due, return a copy of the statement with your comments and provide any additional schedules to substantiate your claim. You will receive a statement of account on a monthly basis until such time as your outstanding liability is either paid or your account is settled. If you sent us information and receive a second statement of account, it may be a timing issue. Please allow sufficient time for mailing and processing of the additional information before you contact us again.

Qualified toll payments not used by the end of the carry forward period shall be forfeited.

SENIOR CITIZEN OR DISABILITY DEDUCTION.

Taxpayers MUST be at least age 65 OR certified as permanently and totally disabled during 2012 to receive this deduction. Taxpayers age 65 or older have to enter their year of birth in the space provided and complete lines (a) through (d) of the table in order to claim the deduction as a Senior Citizen. Joint income must be divided between husband and wife with regard to their respective percentage of ownership. ONLY THE INCOME OF THE SPOUSE WHO MEETS THE ELIGIBILITY REQUIREMENTS QUALIFIES FOR THE MODIFICATION. See an example on page 23. The Disability Deduction can be claimed by taxpayers under age 65 who have been medically certified as unable to engage in any substantial gainful activity due to physical or mental impairment. IF 2012 is the first year of a medically certified disability, you MUST enclose a 2012 West Virginia Schedule H or a copy of Federal Schedule R and enter 2012 as the year the disability began in the space provided. IF the disability deduction has been claimed in prior years AND documentation has been submitted with prior claims, then only the year that the disability began, entered in the space provided, is needed to claim the deduction. The Surviving Spouse of a deceased taxpayer may also qualify for this modification. See line 51 instructions for more information.

Enter all income (for each spouse, if joint return) that has not been reported on lines 39 through 49 of Schedule M.

\$8,000 is the maximum modification allowed for each senior citizen or disabled taxpaver.

Add lines 39 through 43 for each spouse and enter on this line.

Subtract line 50(c) from line 50(b) for each spouse. If line 50(c) is larger than line 50(b), enter zero on line 50(d).

Compare the amounts shown on lines 50(a) and 50(d) for each spouse. Enter the smaller of these two amounts on line 50 for that spouse. For example, if one spouse only has \$4,000 in income, then the maximum deduction for that spouse is \$4,000.

INCOME RECEIVED BY SURVIVING SPOUSE. A surviving spouse is a taxpayer whose spouse died during the year prior to the taxable year for which the annual return is being

filed and who has not remarried at any time before the end of that year.

The surviving spouse, regardless of age, of a decedent who was 65 or older OR was certified as permanently and totally disabled prior to his/her death, may take a modification if they received taxable income from any source not included on line 50. This is a one-time modification and must be claimed on the annual income tax return in the year following the year in which the death of the spouse occurred. If the total deductions from income shown on lines 39 through 43 and 50 are \$8,000 or more, you are not eligible for an additional modification on line 51. The total of lines 50 and 51 cannot exceed \$8,000.

Add lines 39 through 51 for each column and enter the results here.

TOTAL SUBTRACTIONS. Add Columns A and B from line 52 and enter the result here and on line 3 of Form IT-140.

EXAMPLE OF SENIOR CITIZEN DEDUCTION CALCULATION

John Doe, age 69, and Mary Doe, age 65, file a joint tax return. They received the following income in 2012.

| | John | Mary |
|---------------------------------|--------|--------|
| West Virginia Police Retirement | 7,000 | 0 |
| IRA Distributions | 4,000 | 1,000 |
| Wages and Salaries | 0 | 10,000 |
| Interest (jointly held) | 1,500 | 1,500 |
| US Savings Bond Interest | 500 | 500 |
| Total Income | 13.000 | 13.000 |

Their federal adjusted gross income which they report on line 1 of their West Virginia IT-140 is \$26,000. Property which John and Mary hold jointly is split between them according to their percentage of ownership. In this case, each taxpayer owned 50% of the joint income.

- 1. Mr. Doe's total income is 13,000. However, he reported his police pension on line 40 and his share of their joint savings bond interest on line 39 of Schedule M. Therefore, he reports \$5,500 on line 50(a) of Schedule M (\$13,000 minus \$7,000 minus \$500).
- Mrs. Doe's total income is also \$13,000. She enters \$12,500 on line 50(a) of Schedule M (\$13,000 less her share of their jointly-held savings bond interest reported [\$500] on line 39).
- 3. Mr. Doe enters \$7,500 on line 50(c) of Schedule M (\$500 from line 39 plus \$7,000 from line 40). He then subtracts line 50(c) from line 50(b) and enters the result (\$500) on line 50(d).
- 4. Mrs. Doe enters the \$500 from line 39 on line 50(c). She then subtracts line 50(c) from line 50(b) and enters the result (\$7,500) on line 50(d).
- Mr. and Mrs. Doe are each allowed the smaller of the amounts shown on line 50(a) and 50(d) as their senior citizen deduction. Therefore, Mr. Doe enters \$500 on line 50 and Mrs. Doe enters \$7,500 on line 50.

| | John | Mary |
|-------|-------|--------|
| 50(a) | 5,500 | 12,500 |
| 50(b) | 8,000 | 8,000 |
| 50(c) | 7,500 | 500 |
| 50(d) | 500 | 7,500 |

CHEDULE E INSTRUCTIONS

Residents

Subject to certain limitations, a West Virginia resident may be eligible to claim a credit for income taxes paid to another state. The purpose of this credit is to prevent dual taxation of such income.

Note: Income from "guaranteed payments" shown on a W-2 as wages but taxed as business income on the Ohio income tax return qualifies for the Schedule E credit. See Publication TSD-422 for additional information.

Part-Year Residents

Part-year residents may only claim credit for taxes paid to another state during their period of West Virginia residency.

Nonresidents

Nonresidents are not entitled to a Schedule E credit under any circumstances.

Limitations

The amount of a Schedule E credit is subject to the following limitations:

- ♦ The credit cannot exceed the amount of tax payable to the other state on income also subject to West Virginia tax. This is the amount of income tax computed on the nonresident return filed with the other state.
- ♦ The credit cannot exceed the percentage of the West Virginia tax determined by dividing the portion of the taxpayer's West Virginia income subject to taxation in another state by the total amount of the

taxpayer's West Virginia income.

♦ The credit cannot reduce the West Virginia tax due to an amount less than what would have been due if the income subject to taxation by the other state was excluded from the taxpayer's West Virginia income.

A separate Schedule E must be completed and attached for each state for which you are claiming a credit.

You must maintain a copy of the other state tax return in your files. This credit is not allowed for income tax imposed by a city, township, borough, or any political subdivision of a state or any other country. Local or municipal fees cannot be claimed. Due to existing reciprocal agreements, West Virginia residents cannot claim the Schedule E credit if the credit claimed is for state income taxes paid on wage and salary or unemployment compensation income earned in Kentucky, Maryland, Ohio, Pennsylvania, or Virginia. However, taxes paid on income derived from sources other than wage and salary or unemployment compensation income is permitted as a Schedule E credit.

Specific Instructions for Form IT-140NRS

Important Notice: These instructions are based upon those statutes and reciprocity practices in effect at the time of printing. Amendments may occur that would cause these instructions to change.

KENTUCKY, MARYLAND OR OHIO RESIDENTS

If your West Virginia income during 2012 was from wages and/or salaries only, you may file the Special Nonresident Form IT-140NRS as a claim for refund of any West Virginia income tax withheld during 2012. If you had West Virginia income from a source other than wages and/or salaries, you must file the West Virginia Income Tax Return (Form IT-140) and indicate residency status by checking the Nonresident/Part-Year Resident box. You are not allowed a Schedule E credit against your West Virginia income tax whenever your West Virginia income is other than wages and/or salaries. You should apply for the appropriate credit on the income tax return filed with your state of residence.

NOTE: The State of West Virginia is now required to withhold Maryland state tax from the wages of any Maryland resident who works for a West Virginia state government agency. For further information, contact the personnel office of the agency for which you are employed.

PENNSYLVANIA OR VIRGINIA RESIDENTS

If your West Virginia income during 2012 was from wages and/or salaries only AND YOU DID NOT SPEND MORE THAN 183 DAYS WITHIN West Virginia DURING 2012, you may file the Special Nonresident Form IT-140NRS as a claim for refund of any West Virginia income tax withheld during 2012. If you had West Virginia income from a source other than wages and/or salaries, you must file the West Virginia Income Tax Return (Form IT-140) and indicate residency status by checking the Nonresident/Part-Year Resident box. You are not allowed a Schedule E credit against your West Virginia income tax when your West Virginia income is other than wages and/or salaries. You should apply for the appropriate credit on the income tax return filed with your state of residence

A domiciliary resident of Pennsylvania or Virginia who spends more than 183 days within West Virginia during 2012 is also a resident of West Virginia for income tax purposes and is required to file a resident return (Form IT-140) with West Virginia. A Schedule E credit would not be allowed on the West Virginia return. You should apply for the

appropriate credit on the income tax return filed with your state of residence.

SPECIAL NOTE: Residents of these states may be relieved from filing an annual claim for refund of West Virginia taxes withheld from their

wages and/or salaries by requesting Form WV/IT-104 (West Virginia Certificate of Nonresidence) from their employer. Form WV/IT-104 may be completed and returned to the employer who would then be authorized to stop withholding West Virginia income tax on wages and /or salaries earned in this state.

INSTRUCTIONS

Who Must Pay the **Underpayment Penalty?**

You may be charged a penalty if you did not have enough West Virginia state income tax withheld from your income or pay enough estimated tax by any of the due dates. This may be true even if you are due a refund when you file your return. The penalty is computed separately for each due date (quarter). You may owe a penalty for an earlier due date (quarter) even if you make large enough payments later to make up the underpayment.

You may owe the penalty if you did not pay at least the smaller of:

- 1. 90% of your 2012 tax liability; or
- 2. 100% of your 2011 tax liability (if you filed a 2011 return that covered a full 12 months).

Exceptions to the Penalty

You will not have to pay any penalty if either of these exceptions apply:

- 1. You had no tax liability for 2011 and meet ALL of the following conditions:
 - your 2011 tax return was (or would have been had you been required to file) for a taxable year of twelve months;
 - you were a citizen or resident of the United States throughout the preceding taxable year;
 - your tax liability for 2012 is less than \$5,000.
- 2. The total tax shown on your 2012 return minus the tax you paid through West Virginia withholding is less than \$600. To determine if you meet this exception, complete lines 1 through 5, PART I. If you meet this exception, you do not have to file Form IT-210.

If you file your tax return and pay any tax due on or before February 1, 2013, no fourth quarter penalty is due. Include the tax paid with your return in column (d) of line 2, PART IV; this will result in no penalty due for the January 15, 2013 installment.

Special Rules for Farmers

If at least two-thirds of your gross income for 2012 was from farming sources, the following special rules apply:

- 1. You are only required to make one payment for the taxable year (due January 15, 2013).
- 2. The amount of estimated tax required to be paid (line 6) is sixty-six and two-thirds percent (66-2/3%) instead of ninety percent (90%).
- 3. If you fail to pay your estimated tax by January 15, but you file your return and pay the tax due on or before the first day of March, 2013, no penalty is due.

Mark box 10 in PART I and complete PART III or only column (d) of PART IV to figure your penalty. Be sure to use .02340 instead of .06312 when calculating line 6 of PART III. When using PART IV, carry the entire figure shown on line 8 of PART I to column (d), line 1.

Waiver of Penalty

If you are subject to underpayment penalty, all or part of the penalty will be waived if the West Virginia State Tax Department determines that:

- 1. The penalty was caused by reason of casualty or disaster;
- 2. The penalty was caused by unusual circumstances which makes imposing the penalty unfair or inequitable.

To request a waiver of the penalty, check the box for line 9 in PART I and enclose a signed statement explaining the reasons you believe the penalty should be waived (see page 42 of the return). If you have documentation substantiating your statement, enclose a copy. The Department will notify you if your request for waiver is not approved.

- 2. You paid estimated tax and the payments were made in four equal installments on the due dates.

NOTE: If any of your payments were made earlier than the due date, you may use the short method to calculate your penalty; however, using the short method may cause you to pay a higher penalty (if the payments were only a few days early, the difference is likely to be very small).

You may NOT use the short method if:

- 1. You made any estimated tax payments late; or
- 2. You checked the box on line 11 PART I, or used PART II (Annualized Income Worksheet).

If you can use the short method, complete lines 1 through 5 to compute your total underpayment for the year and lines 6 through 8 to compute your penalty due. If you checked the box for line 10 in PART I, because you are a farmer, the figure to use on line 6 is .02340 instead of .06312.

Part IV – Regular Method

Use the regular method to compute your penalty if you are not eligible to use the short method.

Section A - Compute Your Underpayment

Enter in columns (a) through (d) the amount of your required installment for the due date shown in each column heading. For most taxpayers, this is the amount shown on line 8 of PART I divided by four. If you used PART II, enter the amounts from line 19 of the Annualized Income Worksheet in the appropriate columns.

Enter the estimated tax payments you made plus any West Virginia income tax withheld from your income. In column (a), enter the tax payments you made by April 15, 2012, for the 2012 tax year; in column (b), enter payments you made after April 15 and on or before June 15, 2012; in column (c), enter payments you made after June 15, and on or before September 15, 2012; and in column (d), enter payments you made after September 15, and on or before January

When calculating your payment dates and the amounts to enter on line 2 of each column, apply the following rules:

- 1. For West Virginia income tax withheld, you are considered to have paid one-fourth of these amounts on each payment due date, unless you check the box on line 11 in Part I and show otherwise.
- Include in your estimated tax payments any overpayment from your 2011
 West Virginia tax return that you elected to apply to your 2012 estimated
 tax. If you filed your return by the due date (including extensions), treat
 the overpayment as a payment made on April 15, 2012.
- 3. If you file your return and pay the tax due on or before February 1, 2013, include the tax you pay with your return in column (d) of line 2. In this case, you will not owe a penalty for the payment due January 15, 2013.

Enter any overpayment from the previous column on line 3.

Add lines 2 and 3 in each column and enter the result on line 4.

Add lines 7 and 8 from the previous column and enter the result in each column.

Subtract line 5 from line 4 in each column and enter the result on line 6. If line 5 is equal to or more than line 4 in any column, enter zero on line 6 in that column.

Subtract line 4 from line 5 for any column where line 5 is more than line 4; otherwise, enter zero.

Subtract line 6 from line 1 for any column where line 1 is more than line 6; otherwise, enter zero. If line 8 is zero for all payment periods, you do not owe a penalty. However, if you checked any

box in PART I, you must file Form IT-210 with your return.

Subtract line 1 from line 6 for any column for which line 6 is more than line 1; otherwise, enter zero. Be sure to enter the amount from line 9 on line 3 of the next column.

Section B - Compute Your Penalty

CAUTION: Read the following instructions before completing Section B. Compute the penalty by applying the appropriate rate against each underpayment on line 8. The penalty is computed for the number of days that the underpayment remains unpaid.

The rates are established twice during each calendar year, on January 1 and July 1. If an underpayment remains unpaid for more than one rate period, the penalty for that underpayment may be computed using more than one rate. The annual rate is nine and one-half percent (9.5%) for 2012 and will require only one rate for all underpayments.

Use line 10 to compute the number of days the underpayment remains unpaid. Use line 12 to compute the actual penalty amount by applying the proper rate to the underpayment for the number of days it was unpaid.

Each payment must be applied to the oldest outstanding underpayment. It does not matter if you designate a payment for a later period. For example, if you have an underpayment for April 15 installment period, the payment you make June 15 will first be applied to pay off the April 15 underpayment; any remaining portion of the payment will be applied to the June 15 installment.

Also, apply the following rules:

- 1. Show the West Virginia withholding tax attributable to each installment due date; do not list the withholding attributable on or after January 1, 2013.
- 2. Any balance due paid on or before April 15, 2013 with your personal income tax return is considered a payment and should be listed on line 2, column (d). For the payment date, use the date you file your return, or April 15, 2013, which ever is earlier.

Chart of Total Days Per Rate Period

| Rate Period | Line 10 |
|-------------|---------|
| (a) | 365 |
| (b) | 303 |
| (c) | 212 |
| (d) | 90 |

For example, if you have an underpayment on line 8, column (a), you would enter 365 in column (a) of line 10.

The following line-by-line instructions apply only to column (a) of

Section B. If there is an underpayment shown in any other column on line 8, complete lines 10 and 12 in a similar fashion.

Enter in column (a) the total number of days from April 15, 2012 to the date of the first payment. If no payments enter 365.

The daily penalty rate is equal to the annual interest rate applied to tax underpayments divided by 365. The annual interest rate for underpayments is nine and one-half percent (9.5%) for 2012, resulting in a daily rate of .000260.

Make the computation requested and enter the result. Note that the computation calls for the "underpayment on line 8". The amount to use as the "underpayment" depends on whether or not a payment is listed.

If there is a payment - if the payment is more than the underpayment, apply only an amount equal to the underpayment and apply the remainder to the tax due for the next quarter. If the payment is less than your underpayment, the penalty for the remaining underpayment will require a separate computation. Use a separate sheet of paper to show any additional computations.

If there are no payments - the "underpayment" is the entire amount shown on line 8.

The following conditions determine if additional computations are needed for Column (a):

- 1. The first payment was enough to reduce the underpayment to zero. There are no further computations for column (a):
- 2. No payments. Only one computation is needed. The penalty for column (a) is line 8 multiplied by the number of days in the chart on this page multiplied by line 11.
- 3. The payment did not reduce the underpayment to zero. Compute the penalty on the remaining underpayment on a separate sheet of paper. If additional payments apply, reduce the underpayment for each installment and compute the penalty on the remainder of tax due until paid or April 15, 2013, whichever is earlier.

Enter the total penalty calculation on line 12 and proceed to the next column.

Columns (b) through (d)

To complete columns (b) through (d), use the same procedures as for column (a). However, apply only those payments in each column which have not been used in a previous column.

Add all figures from line 12. Enter the sum on line 13 and on the appropriate PENALTY DUE line of your personal income tax return.

If you recently received a WV/SCTC-1 in the mail from the West Virginia State Tax Department for the Homestead Exemption program administered at the county level, you may be entitled to claim a refundable state income tax credit. The credit is based on the amount of ad valorem property taxes paid on the first \$20,000, or portion thereof, of the taxable assessed value over the \$20,000 Homestead Exemption. Persons who pay the federal alternative minimum tax are not eligible to claim this credit.

The refundable income tax credit eligibility is restricted to those who participate in the Homestead Exemption Program through the County Assessor's office and meet the following criteria:

- 1. You must owe and pay a property tax liability on the homestead exemption eligible home (i.e. the assessed value of the eligible home must be greater than \$20,000 prior to the application of the homestead exemption) and;
- 2. Your Federal Adjusted Gross Income must meet the low-income test. FEDERAL ADJUSTED GROSS INCOME means the income reported on your federal tax return (e.g., Form 1040, 1040A, or 1040EZ).

If you were NOT required to file a federal tax return, complete the following income worksheet to determine your income for the year. Do not include social security benefits.

| INCOME WORKSHEET | | | |
|---|---|--|--|
| A. Wages, salaries, tips received | A | | |
| B. Interest and dividend income | B | | |
| C. Alimony received | C | | |
| D. Taxable pensions and annuities | D | | |
| E. Unemployment compensation | E | | |
| F. Other income (include capital gains, gambling winnings, farm income, etc.) | F | | |
| G. Add lines A through F. | G | | |
| H. Adjustments to income (i.e. alimony paid, IRA, etc.) | H | | |
| I. Line G minus line H (calculated Federal Adjusted Gross Income) | I | | |

Compare the amount of your Federal Adjusted Gross Income or the calculated Federal Adjusted Gross Income (line I above) to the number of people in your household listed on the table below to determine if you meet the low-income test. If your income is equal to or less than

the amounts shown below, you may be allowed to claim the credit. Enter the number of people in your household and your income amount in the spaces indicated on the WV/SCTC-1

| # of People in Household | 150% of Poverty Guidelines | # of People in Household | 150% of Poverty Guidelines |
|--------------------------|----------------------------|--------------------------|----------------------------|
| 1 | \$16,755 | 3 | \$28,635 |
| 2 | \$22,695 | 4 | \$34,575 |

** For each additional Person, add \$5,940

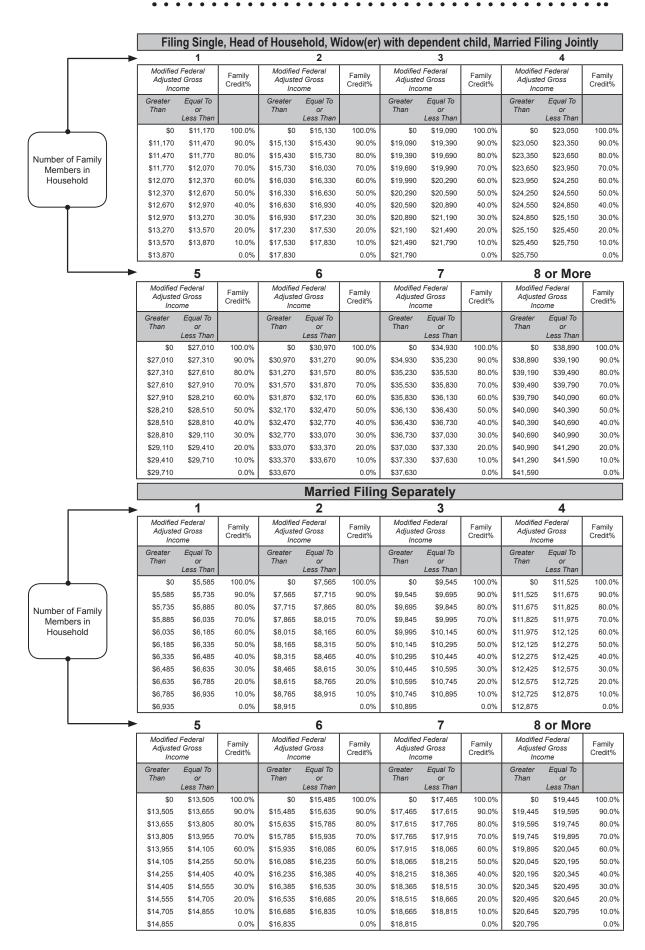

If you meet all of the required criteria as listed above, you may claim this refundable credit by completing the West Virginia income tax return (Form IT-140).

SPECIFIC INSTRUCTIONS FOR IT-140NRS

Important Notice: These instructions are based upon those statutes and reciprocity practices in effect at the time of printing. Amendments may occur that would cause these instructions to change.

KENTUCKY, MARYLAND OR OHIO RESIDENTS

If your West Virginia income during 2012 was from wages and/or salaries only, you may file the Special Nonresident Form IT-140NRS as a claim for refund of any West Virginia income tax withheld during 2012. If you had West Virginia income from a source other than wages and/or salaries, you must file the West Virginia Income Tax Return (Form IT-140) and indicate residency status by checking the Nonresident/Part-Year Resident box. You are not allowed a Schedule E credit against your West Virginia income tax whenever your West Virginia income is other than wages and/or salaries. You should apply for the appropriate credit on the income tax return filed with your state of residence.

PENNSYLVANIA OR VIRGINIA RESIDENTS

If your West Virginia income during 2012 was from wages and/or salaries only AND YOU DID NOT SPEND MORE THAN 183 DAYS WITHIN WEST VIRGINIA DURING 2012, you may file the Special Nonresident Form IT-140NRS as a claim for refund of any West Virginia income tax withheld during 2012. If you had West Virginia income from a source other than wages and/or salaries, you must file the West Virginia Income Tax Return (Form IT-140) and indicate residency status by checking the Nonresident/Part-Year Resident box. You are not allowed a Schedule E credit against your West Virginia income tax when your West Virginia income is other than wages and/or salaries. You should apply for the appropriate credit on the income tax return filed with your state of residence.

A domiciliary resident of Pennsylvania or Virginia who spends more than 183 days within West Virginia during 2012 is also a resident of West Virginia for income tax purposes and is required to file a resident return (Form IT-140) with West Virginia. A Schedule E credit would not be allowed on the West Virginia return. You should apply for the appropriate credit on the income tax return filed with your state of residence.

SPECIAL NOTE: Residents of these states may be relieved from filing an annual claim for refund of West Virginia taxes withheld from their wages and/or salaries by requesting Form WV/IT-104 (West Virginia Certificate of Nonresidence) from their employer. Form WV/IT-104 may be completed and returned to the employer who would then be authorized to stop withholding West Virginia income tax on wages and/or salaries earned in this state.
